SENIOR CHOIR ANTHEM: "Great God, A Blessing From Thy Throne"

ADDRESS: The Rev. Harold Kumpf, First Lutheran Church - Maquoketa, Iowa

HYMN: (Choir and Congregation)

In Thy dear name and by Thy favor,
This day we lay the cornerstone,
To build a house, O God and Savior,
To Thee, and to Thy praise alone.
Here let Thy Spirit by Thy Word
Perform Thy work of grace, dear Lord.

O let us all by faith be grounded,
Lord Jesus Christ, on Thee alone;
That in our midst Thy praise be sounded,
Who art the Church's Cornerstone.
To keep us in Thy faith and fear,
Build Thee and us a temple here.

Accept our off'rings, we implore Thee,
And bless the work we have begun;
To Thee alone and To Thy glory
This building consecrate, when done;
Then will we hither come and raise
Our hearts to Thee in thanks and praise.

Thro' saving faith preserve us ever
In Thy pure Word and Sacrament;
Be with us all, forsake us never;

To serve Thee make our hearts intent;
And when we die, O Grant that we
Be found in cov'nant grace with Thee.

CONGREGATION RESPONDS: Amen, Amen, Amen.

THE PRAYING OF THE LORD'S PRAYER BY THE CONGREGATION

HYMN: (Choir and Congregation)
My hope is built on nothing less
Than Jesus' blood and righteousness;
No merit of my own I claim,
But wholly lean on Jesus' name,
On Christ, the solid Rock, I stand;
All other ground is sinking sand.

When darkness veils His lovely face
I rest on His unchanging grace;
In ev'ry high and stormy gale,
My anchor holds within the veil,
On Christ, the solid Rock, I stand;
All other ground is sinking sand.

H is oath, His covenant and blood,
Support me in the raging flood;
When ev'ry earthly prop gives way,
He then is all my hope and stay.

My faith looks up to Thee, Thou Lamb of Calvary,
Saviour divine! Now hear me while I pray:
Take all my guilt away, O let me from this day

My zeal inspire; As Thou hast died for me,
O may my love to Thee, Pure, warm, and changeless be,
A living fire.

While life's dark maze I tread, And griefs around me spread
Be Thou my Guide; Bid darkness turn to day,
Wipe sorrow's tears away, Nor let me ver stray
From Thee aside.

When ends life's transient dream, When death's cold sullen stream
Shall o'er me roll; Blest Saviour, then, in love
Fear and distrust remove; O bear me safe above,
A Ransoned soul. Amen.

HE FAILETH NOT

Each happy morn when I awake,
This promise for the day I take:
"I'll never leave Thee, nor forsake."
He faileth not!

Along life's road I'll fear no ill,
For Christ my Lord is with me still;
He never faileth! He never will!
He faileth not.

He has not failed me in the past,
He will not fail while life shall last,
For wheresoe'er my lot be cast,

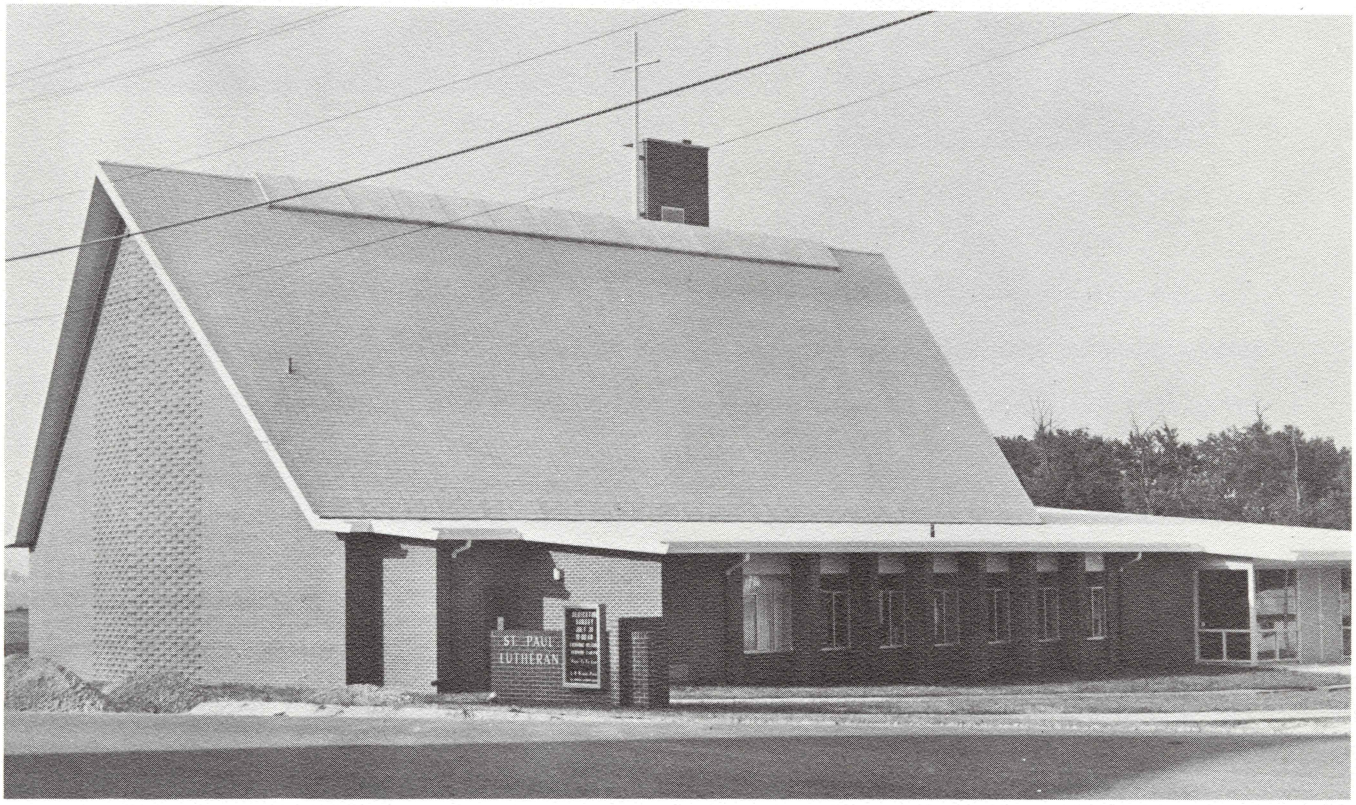
ST. PAUL LUTHERAN CHURCH

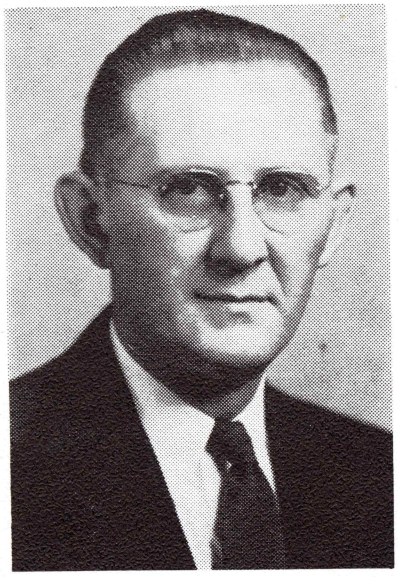
1884 --- 1966



PSALMS 127:1 Except the Lord build the house,
They labor in vain that build it.

Dedication July 31, 1966

State Center, Iowa



A TRIBUTE TO

REV. ELMER J. BRAUN

Pastor of St. Paul Lutheran Church

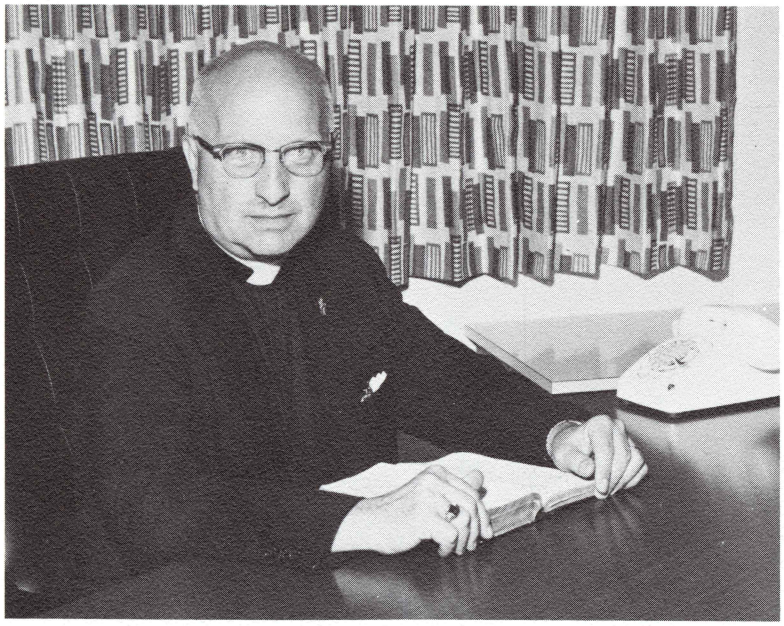
1947 - 1963

He rests with the immortals; his journey has been long:
For him no wail of sorrow, but a praise full and strong!
So well and bravely has he done the work he found to do,
To the church, duty to God and man forever true.

For the comfort he gave to the sick and the dying,
For the instruction in the Word sincerely given,
For the proclamation of the Gospel to all who would hear,
For the guidance in the hour of temptation,
For the witness he gave by example,
For the vision of doing great tasks for the Kingdom,
For the service rendered to his church,
We thank Thee, O Lord.

The poem "By Faith" written by Whittier summarizes his labors:

"He walked by faith and not by sight,
By love and not by law;
The presence of the wrong or right
He rather felt than saw."



A MESSAGE FROM YOUR PASTOR

REV. LA VERNE R. MEINECKE

It is with humble gratitude to God that we meet to Dedicate our new House of Worship today. A little over a year ago we broke ground and three months later we laid the Cornerstone for the building. Both of these days were filled with great anticipation for our new building.

Today we are gathered in this new beautiful House of Worship. We come to Dedicate this church to the Glory of God and the service of man. We have come to this day of Dedication after many years of prayer, planning and sacrifice. We thank God for the guidance given to the late Rev. E. J. Braun to begin this planning. We are grateful to God for the divine guidance which has brought us to these memorable hours of Dedication. We are deeply indebted to the building committee and to the finance committee who have spent of their time and talents in attaining our objective. We render thanks for the loyal support given by the congregation without which nothing could have been accomplished.

We are happy to have our friends with us today so they, too, may share in our rejoicing on this Dedication.

We welcome every worshipper and pray our services will be a time of inspiration to everyone. May all the members of St. Paul Lutheran recognize their oneness in Christ, work together under Our God, so that St. Paul Lutheran may continue to fulfill its mission. May we be reassured through the voice of Our Master: "Lo I am with you always, even unto the end of the world." This is the Voice we must follow!

Old Church History

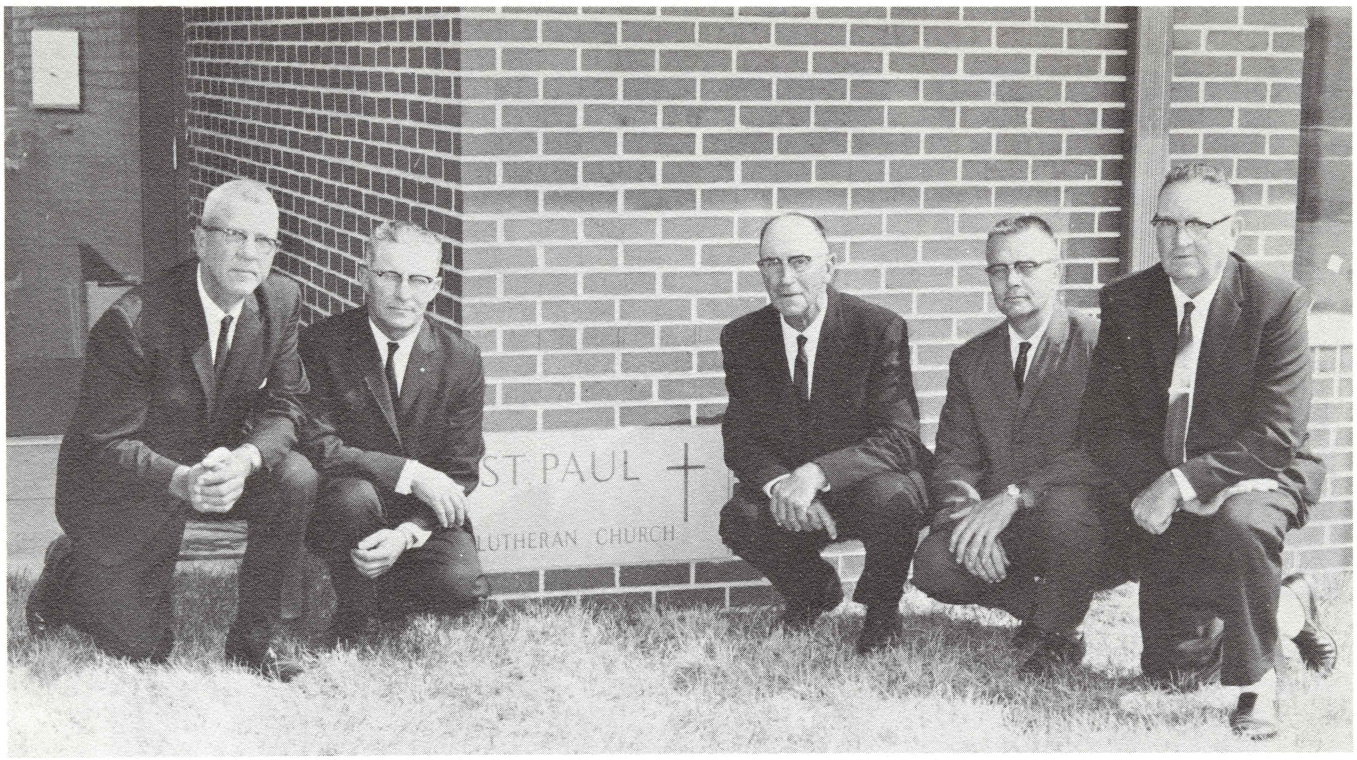
It is impossible to give a complete history of the early beginning of St. Paul Lutheran Church at State Center as written records do not exist of the early beginnings. The minutes reveal that in the 1870's Lutheran services were held at State Center in the Adventist Church and in two other places: Zearing, Iowa and at the Voss School House in Story County.

The church records do reveal the ministerial acts from 1884. In 1884 and possibly earlier, St. Paul Lutheran Church was organized as a congregation. In later years, near the turn of the century, the other two points in the parish disbanded and some of the members came to State Center.

The congregation did not build a place of worship until 1894. The site chosen was in the north part of State Center. In 1900 the congregation bought a dwelling and four lots for use as a parsonage for $1200 (still in use) and adjoining lots for $125 on which site the old church was moved at this time from the northern part of town. At a later date it was enlarged and still later enlarged again.

Pastors prior to 1884 are not known. Pastors of record are: 1884-1886 - Rev. E. J. Buehrer: 1886, Rev. John Reinsch; 1887-1888, Rev. H. Bergstaedt: 1891-1893, Rev. W. Herrewig; 1893, Rev. A. C. Kleinlein; 1893-1895, Rev. D. Kogge-First church built; 1895-1898, Rev. Carl Roemer: 1898, Rev. H. Markworth; 1899-1910, Rev. U. Groth - the old church was moved to the newly acquired property; 1911-1928, Rev. John G. Oltman - church enlarged; 1928-1937, Rev. A. H. Schultz - congregation grows, parish house acquired; 1937-1947, Rev. H. P. Kumpf - (1944 church remodeled, new pews and furniture as a project of 50th anniversary of the church building); 1947-1963, Rev. Elmer J. Braun - congregation becomes synodical, incorporated for the first time, new Wicks Direct Electric Action Pipe Organ - Tower system installed - 1959, the 75th anniversary observed - new church building fund started, parsonage renovated - 1960 became a part of the merged American Lutheran Church - 1963, Pastor Braun died after a long severe illness. 1963 (Nov. 22nd); Rev. LaVerne R. Meinecke moved to State Center. May 1964 the congregation approved floor plans for the new church. A financial drive was held in the fall of 1964 for the new church building fund. June 27th, 1965 the congregation voted to accept the low bidders for the new church and to begin construction at once. Ground breaking ceremonies were held on July 4, 1965. The corner stone for the new church was laid on October 10, 1965. Today, July 31, 1966, we dedicate our new educational unit and church building. We give thanks unto God for His guidance given to the building and finance committees in carrying out of their assigned tasks.

Building Committee



BUILDING COMMITTEE left to right, Harold Hilleman, Arnold Hilleman, Arnold Hartwig, Denny Thompson and Ralph Pfantz

The building program of St. Paul Lutheran probably had its beginning as a dream of the late Rev. E. J. Braun. It traveled a rough and rocky road with many storms encountered along the way.

The first real action of the congregation was at its annual meeting on January 8, 1950. It was voted to appoint a committee to study the needs for a parish house. This was done and on July 25 the plan to build a fireproof parish house was soundly defeated. It was voted on December 3, 1950 to rebuild the pipe organ with the idea of it being installed in a new church plant in the future. This delayed building plans until January 1953 when the congregation voted to establish a new building fund and that each member contribute annually to this fund. Memorial funds and bequests were to be added as well as an annual Easter Thankoffering.

In January 1959, Pastor Braun suggested in his annual report, that the church council set up a long range program with an established goal to be accomplished in the future. This suggestion was approved and an eight year plan was presented in June of 1959.

Early in 1962, a committee was appointed to investigate building sites and contract an architect. The building and finance committees were elected and the Schuler property was purchased as the site for the new church. During the year 1963 the Rev. E. J. Braun was called to his eternal home and the Rev. L. R. Meinecke was called to lead St. Paul's congregation. Floor plans were approved and accepted in May of 1964 and a year later the congregation voted to accept low bids and to finance construction by selling bonds.

Ground was broken for the new church July 4, 1965. The cornerstone was laid October 10, 1965. Today, one year ahead of the original 8-year plan, St. Paul's proudly dedicates its new church plant. The church is of contemporary design and seats 300 in the nave with an overflow of 200.

We thank God for the leadership granted to St. Paul Lutheran congregation through the late Rev. E. J. Braun and the Rev. L. R. Meinecke. May God who has guided and protected St. Pauls in the past continue His guidance and protection in the future years.

CLOSING SERVICE FOR THE OLD CHURCH

July 31, 1966 - - 9:15 A. M.

PRELUDE - Mrs. Amil Vajgrt

HYMN: "Holy, Holy, Holy"
Holy, holy, holy, Lord God Almighty!
Early in the morning our song shall rise to thee;
Holy, holy, holy, merciful and mighty,
God in three Persons, blessed Trinity!

Holy, holy, holy! All the saints adore thee,
Casting down their golden crowns around the glassy sea,
Cherubim and seraphim falling down before thee,
Which wert, and art, and evermore shalt be.

H oly, holy, holy! though the darkness hide thee,
Though the eye of sinful man thy glory may not see,
Only thou art holy; there is none beside thee,
Perfect in power, in love, and purity.

Holy, holy, holy, Lord God Almighty!
All thy works shall praise thy Name, in earth and sky and sea;
Holy, holy, holy, merciful and mighty,
God in three Persons, blessed Trinity! Amen

CLOSING REMARKS PERTAINING TO THE OLD CHURCH

PRAYER

HYMN: "Onward Christian Soldiers"
Onward, Christian soldiers, Marching as to war,
With the Cross of Jesus Going on before,
Christ the royal Master Leads against the foe;
Forward into battle, See, his banners go!
Refrain: Onward Christian soldiers, Marching as to war,
With the Cross of Jesus going on before.

At the sign of triumph Satan's legions flee;
On then, Christian soldiers, On to victory!
Hell's foundations quiver At the shout of praise,
Brothers lift your voices, Loud your anthems raise.
Refrain:

Like a mighty army Moves the Church of God;
Brothers, we are treading Where the saints have trod,
We are not divided, All one body we,
One in hope and doctrine, One in charity.
Refrain;

Crowns and thrones may perish, Kingdoms rise and wane,
But the Church of Jesus Constant will remain;
Gates of hell can never 'Gainst that Church prevail;
We have Christ's own promise And that cannot fail.
Refrain:

Onward, then, ye faithful, Join our happy throng;
Blend with ours your voices, In the triumph-song;
Glory, laud, and honor, Unto Christ the King;
This through countless ages Men and angels sing.

CONVENTION REFLECTIONS

The election of Pastor Bruno Schlachtenhaufen of Decorah as District President, needless to say, was the action of first significance at our District Convention, June 20-22, 1966. Many prayers for guidance ascended to the throne of God in advance and immediately before the election. Your retiring president has known Pastor Schlachtenhaufen at close range for more than a quarter of a century and has appreciated his loyalty and cooperation, ability and friendship. We believe the District's choice is God's choice. When he takes office January 1, 1967, let everyone determine to work with him in the arduous task of leading the District. And may our prayers undergird his efforts.

Many other significant things occurred during the crowded sessions of our annual meeting: The election of delegates to the national convention, the adoption of resolutions, the election of committee members, and many other things recorded in the Popular Report. Mrs. Siefkes and I will always remember the love you expressed to us by attending the convention banquet in our honor and the praise service in remembrance of our 45th ordination anniversary. Your many warm personal expressions as well as subsequent letters we have placed in our collection of blessed memories. But above all we thank God for guiding the Church in His ways with its supreme purpose of bringing men to God through our blessed Lord Jesus Christ.

NEW DISTRICT PRESIDENT INSTALLATION SEPTEMBER 28

During the District Pastoral Institute, September 28, 1966, Pastor Bruno Schlachtenhaufen will be formally installed as President of the Iowa District by Dr. Fredrik Schiotz. The service will be held at Zion Lutheran in Iowa City, Rev. L. Koch, pastor, at 8:30 A.M. While the pastors of the District will be in attendance, the congregations are also cordially invited to have delegations present.

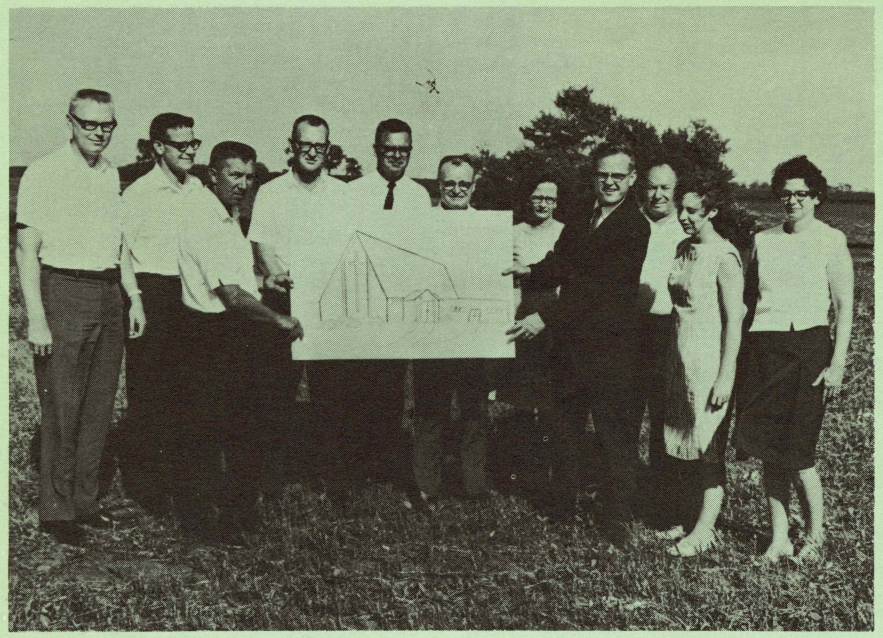
Parish education facilities and offices, together with a rebuilt pipe organ, are included. The church seats 300 with an overflow capacity for 200 more. Mrs. Meier was honored as organist for the past forty years.



MONTICELLO SPONSORS MISSION AT ACKLEY

St. Matthew Lutheran Church, Monticello, Iowa, Rev. Anton Kirkegaard Jr., has resolved to sponsor an entire mission alone. There are only six other congregations in the entire ALC which have attempted a complete sponsorship of loan and subsidy. The loan will be $55,000-$60,000 and the subsidy (gift) $10,000 paid at the rate of $2,000 per year. Pastor Kirkegaard and members of his church council are pictured above. This mission-minded congregation also supports a missionary to New Guinea, Miss Rhoda Carlstedt, in the amount of $1,600 per annum. All of this is done without jeopardizing the benevolence program of the ALC which it supported last year with $5,400.00. It has also recently completed a major building program. The sincere thanks of the church goes out to pastor and people.

OUR DISTRICT MISSIONS

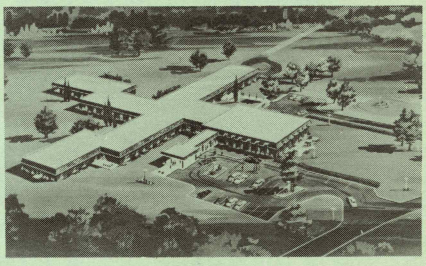
The new congregations planned for 1966 are for (South) Marion, (N.W.) Davenport, and Ackley. Our Regional Director, Pastor Norman Orth, has been working on the projects throughout the summer. Very likely pastors will not be called to serve these new congregations until toward the end of the year.

Immanuel Lutheran, Washington, Iowa, Rev. Dennis Stutrud, has completed refinancing with Lutheran Mutual. Their June average attendance at services was 166 per Sunday. Immanuel now has 300 baptized members.

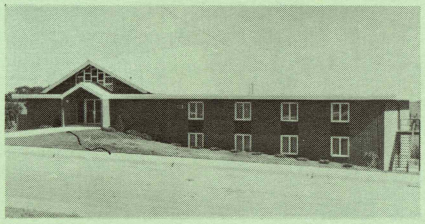
Ascension, Ames, Rev. O. P. Sheggeby, had 82 enrolled in Vacation Church School. Average church attendance per Sunday was 128.

Messiah Lutheran Church, Charles City, Rev. Stanley Carlsen, pastor, will be dedicated September 11 by your District President. The congregation now numbers 247 souls.

We have no special reports about the other missions at this time, except that all are making fine progress. God bless them all.



St. Luke Lutheran Home, Spencer, Iowa. A corporation composed of members of 14 Lutheran congregations of The American Lutheran Church and Lutheran Church—Missouri Synod sponsors the St. Luke project, a 60-bed home available to the elderly of all denominations.



This is the new education unit of Redeemer Lutheran Church, Indianola, Iowa, its second church-plant building program. A new parsonage was also erected recently. The mission was begun in 1960, but the first resident pastor, Rev. Russell Comnick, came in 1963. First Sunday school numbered 23, the present enrollment is 141. Cost of the new addition is $37,000.00 plus much donated labor. Membership of the congregation is now 259 souls. The new structure contains 4,000 square feet of floor space. May the Lord continue to bless these fine efforts.

"I shall allow no man to belittle my soul by making me hate him."
—Booker T. Washington

VISITATION MINISTRY

We have recommendations to make of several pastors who are open for a call to become visitation pastors. Many congregations as they grow larger should be thinking of increasing their staff. Here is an excellent opportunity. The cost is minimal compared with the results, basically approximately $125.-00 per month plus car allowance. Think it over. A goodly number of congregations have availed themselves of this fine arrangement.

"If you meet someone without a smile, give him one of yours!"

BROTHERHOOD CONVENTION (ALCM) AT DECORAH

Mr. Reuben Schaefer of St. James Lutheran, Mason City, was re-elected President of the Iowa District ALCM at its annual convention in Decorah, Luther College, June 10-11. It was an outstanding meeting of inspiration, fellowship, and education. The attendance was 114. If laymen wish to meet laymen in the interests of the Church, here is the finest setting and atmosphere. The new name is American Lutheran Church Men, which includes every male adult in all our congregations. Be encouraged to attend the ALCM Conference meetings, and even now let each parish determine to bring a delegation to the next District Convention.

Other officers are: Mr. James Cody, Cylinder, Iowa, and Mr. Maurice Saboe, treasurer.

NEW DIRECTOR OF LUTHERAN CHILDREN'S HOME

Mr. Ardell M. Banker is the new director of our Lutheran Children's Home at Waverly. We bid him a hearty welcome to our District. He was installed by our District Vice President, Rev. Alvon Nelson, at the Children's Home Festival on July 10.

ABOUT PEOPLE

Mr. Wilbur Radach of Lamberton, Minn., has accepted a position as lay assistant at Zion Lutheran Church, Clear Lake, Rev. Murley Severtson, pastor.

The sudden death of Dr. A. E. Hanson reminded us of his stirring messages at our District convention a year ago. We pay our grateful repects to this stalwart leader and thank God for his life and work.

Dr. Gerhard Ottersberg has served Wartburg College as professor for 44 years and Dr. A. W. Swenson for 45 years. Dr. Ottersberg is head of the history department and Dr. Swenson of the chemistry department. Because of age limitations they will both serve on a limited tenure.

President Sigvald D. Fauske of Waldorf College, Forest City, Iowa, this week announced the appointment of Mr. Otto J. Tonneson, M. Ed., as the new Director of Admissions at the college, replacing Rev. Robert Evenson, who recently became Executive Secretary for Development.

ALC MEETINGS AT WINNIPEG

June 22-29, 1966, the Church Council, Joint Council, and the Committee of District Presidents met at Winnipeg, Manitoba, Canada. These meetings were held in Canada as a farewell to the Canada District which this fall will become an autonomous Church. Dr. Karl Holfeld is President of the District. Obviously this action means a smaller membership in The ALC by some 80,000 in 320 congregations. We will be a Church of 18 Districts. We from the Iowa District bid them farewell and pray our Lord's richest blessings upon them as a Church.

At the Winnipeg meetings we learned that at the end of June we had 213 vacant parishes, reviewed the reports of the Divisions of the ALC, discussed the proposed Educational Appeal, extended calls for other than the parish ministry, received a report on Communion practices on university campuses, reviewed recommendations from the several Districts regarding the structure of the Church, passed a special resolution on Youth Activities, recommended to the Church Convention a special Committee for Long Range Study on structure and related issues, reviewed and approved the nominations by the Nominating Committee for the general Convention, reviewed By-Laws of the Church, particularly with reference to the Theological Seminary, elected Ad Hoc Committees and took care of items too numerous to mention here. Our District Convention elected Mr. William Engelbrecht as lay representative to the Council for his second consecutive term.

"His mercies never come to an end; they are new every morning."
—Lamentations 3:22-23

NATIONAL CONVENTION ALCW

Approximately 4,500 women of the ALC descended upon Portland, Oregon's huge Colosseum for their national convention the first week in July. The weather was near perfect and the program was inspiring. Bishop Hanns Lilje of Hannover, Germany, was the principal speaker on the convention theme: "Agents of Reconciliation." As usual he stirred the great audience in each of 3 lectures. Dr. Fredrik Schiotz delivered the opening sermon and Dr. S. C. Siefkes, President of the North Pacific District served as liturgist. Our Iowa delegation led by Mrs. Arnold Johnson, President, was large. An offering of $100,000.00 was sought for the Seminary in Saskatoon, Canada. Indications were that this goal was being reached.

The committee working on this booklet exhausted every possible means to secure addresses and names of those who were confirmed at St. Paul Lutheran Church. We realize errors have crept in and seek the forgiveness of anyone omitted or wrongly listed. If changes are made in this booklet from time to time, the confirmands will have a running list of those who were confirmed. We pray God's blessings on everyone.

LOVE ENDURES FOREVER

Timeline History – St. Paul Lutheran Church, State Center, IA

Updated August 2009 for 125th Anniversary by Shirley A. Schaper

Shirley's note: This history is by no means completed. It is an on-going project for years to come. If you don't see an event that you think is important—or someone's name isn't included, please write it down and pass it on to me so we can be sure to get it recorded in our history. Jot down your memories, as they are important to future generations.

1870's – 1880's –

Lutheran services held in: Adventist Church in State Center, Voss School House & rural homes around Zearing, both in Story County

1879 (about)

Lutheran pastor from Des Moines visited occasionally

Other circuit ministers, possibly from Missouri Lutheran Synod

1884-1886 – Pastor E. J. Buehrer

1884 –

St. Paul German Evangelical Lutheran Church established

Founders: William Schoppe Sr., August Schoppe, Conrad Funke, Carl Damman, Henry Koppey, Christ Wilkening Sr., Chris Wohlert, Frederick Voss and William Severidt Koppey

Shirley's note: Some of the places in Germany these people came from include Vinein, Braunschweig; Schwerin, Mechlenberg; and Wenzen, Braunschwig.

Shirley's note #2: Present members directly descended from above founders include: Darwin Funke (Funke, Schoppe), Nellie Gibbs Johnson (Schoppe), Donna Schoppe (Schoppe), Larry Bohnsack (Schoppe), Kendall Evans & Jensen & Koby (Schoppe), Bill Papenberg & Brenen (Schoppe), Ron Veren (Funke), Lisa Veren Green & Clayton, Abigail & Madelynn (Funke), Sara Veren McMorran & Colby & Dillion (Funke), Linda Veren Good

(Funke), Donita Funke Crawford (Funke), Cody Crawford & Raegan (Funke), Casey Crawford & Bryce & Meredith (Funke), Darwin Pfantz (Koppey), David Pfantz & Alyssa & John (Koppey), Jim Pfantz (Koppey), Merle Wilkening (Wilkening), Goldie Schulze Walker (Voss), Lloyce Saltzman (Voss), Connie Mahlow Lyall & Paul & Sarah (Damman & Severidt), Don Mahlow (Damman & Severidt), Shirley Clark/Mahlow Schaper (Damman & Severidt). Louise Thake (age 98), our oldest member up to the time of her death in July 2009, was the daughter of Henry Koppey.)

Shirley's note #3: Goldie Walker and Helen Wendel interviewed Louise shortly before her death and this is what they learned from Louise: The Koppey's went to church via horse and buggy. Louise remembered the old church that sat just a bit north of our present parsonage. Women sat on one side, men on the other side and the ladies all wore hats. Louise told of communion when there was a wicker basket for you to drop the required quarter into to pay for the wine, bread or wafers. Men were the first at communion and when leaving, the communicants passed behind the altar to return to their seats. German services were once a month. Rev. Oltman's wife made Louise's confirmation dress(es)—green for Palm Sunday and white for Easter. Confirmation School was on Saturday and they brought their lunches. She did go to Grandma Probst's sometimes.

First official recorded records (thus, 1884 designated as year of origin in 1959)

Shirley's note: A confirmation certificate for Heinrich Schoppe signed by Pastor Buehrer is in the possession of the family. The date of the confirmation is 18 April 1886 and states that the confirmation took place at St. Paul's Germinde of State Center. The first recorded confirmation in our records is from 1895.

First baptism was Dec. 7, 1884 and was that of Augusta Wilhelmina Clara Schoppe

First services held in Adventist Church in State Center

1887-1888 – Pastor H. Bergstaedt

Shirley's note: In "googling" St. Paul Lutheran, an interesting article written in a 1905 Illinois history book was displayed that was about Pastor Bergstaedt. His first name was Henrich (German name for Henry). He was born in Germany at Kalsiss, Mecklenburg in 1865. In 1883, he came to America and entered the Wartburg Theological Seminary, of the Evangelical Lutheran Synod of Iowa and other States, located at Mendota, Illinois. He graduated in December 1886 and his first charge was St. Paul Lutheran Church in State Center where he remained eighteen months at which time he went to St. John's Evangelical Lutheran Church in Royal, Illinois. He was still there in 1905.

"Confirmed September 15, 1893 in State Center—A. Papenberg, W. Severidt and Karl Wm. Sexauer"

Shirley's note: These have to be adults. I'm speculating that W. Severidt is my great grandfather, as my grandfather was only 6 years old at this time—and if he's a founder, then St. Paul was organized after 1893—or, maybe he's not a founder after all.

1894 – First church built on property north of present parsonage (101 6th St. NW)

Shirley's note: My family's oral history includes Great Grandpa Damman telling his grandchildren that he helped build this first church. No doubt a lot of the men helped with the building of the church.

During these years—customary for men and confirmed boys to sit on right side of church while women and children sat on left side—also, women wore hats – also families came in bobsleds to Christmas services.

Shirley's note: Mom told me that after her mother died (Mom was only 8), she would sit with their housekeeper if there was one at the time—and if she attended St. Paul Lutheran. Otherwise, she would have to sit with her father and brothers on the men's side.

1928-1937 – Pastor Arthur H. Schultz

Finished basement for meetings, recreation, etc.

1937-1947 – Pastor H. P. Kumpf

1939 – German language services ended

Shirley's note: It surprises me that there were still German services up to this time as Governor Harding had declared a moratorium on the German language (and any other foreign language) in any public places, including churches, already in 1918. This is how we lost our German language among the younger people.

1942 – First written history of St. Paul Lutheran Church written by Pastor Kumpf

From the Nov. 16, 1948 Sunday bulletin—

THE LUTHERAN CHURCH IS BORN—

On October 30, 1817, early in the morning, a young man stood in front of the church in Wittenberg, Germany. With the hammer in his hand he nailed a scroll of paper to the church door, and the blows of Martin Luther's hammer were heard 'round the world.

Those hammer blows have echoed down to us through the centuries. Oftentimes the echoes have become increasingly fainter;

sometimes in the light of present-day interdenominationalism they have ceased entirely. We too easily forget for what Luther stood, for what he fought.

Why should we strive to preserve our Lutheranism? What does our Church have that others need? Not being a Lutheran never excluded anyone from the Kingdom of God. We don't have an exclusive right-of-way on the road to Heaven.

But we do have the Word of God taught in its truth and purity. We do have the way of salvation pointed out clearly and directly—justification by faith. We do have well-educated ministers to preach the pure Word. These are the truths for which Luther fought, fastening each one securely with a blow of his hammer.

Don't forget these hammer blows! May they grow persistently louder, influencing our very lives by their strength of purpose. Know your Lutheran Church and be proud of it! It has a great heritage, a great challenge, a great opportunity to witness for Christ.

Christmas Season – The Christmas season will be ushered in by the Luther League with a Yuletide party on December 21st at 7:00 p.m. The young folks will go about town singing Christmas carols to the sick and shut-in and then will return to the parish house for the Christmas party at which members of the confirmation class will be guests. The 50¢ gift exchange will add Christmas spirit to this Yuletide party.

"NOTE: At a church council meeting held this past week, a few changes in the liturgy were decided upon. It was felt that the period of standing during the liturgy was too long. Therefore THE CONGREGATION IS ASKED TO BE SEATED DURING THE READING OF THE EPISTLE LESSON. After the pastor says,

'Here endeth the reading of the Epistle Lesson', the congregation will sing the three Hallelujahs on page 15. After the Gospel Lesson has been announced, the congregation will rise and sing 'Glory to be Thee, O Lord'—page 16, and when the Gospel reading has ended, the congregation will sing 'Praise be to Thee, O Christ', also to be found on page 16.

From December 25, 1947 Christmas Day bulletin—

CALENDAR-

Dec. 25: Communion Announcements will be received at the close of service in the pastor's office in the parish house. Dec. 28: Communion Announcements will be received at the close of worship in the pastor's office. Dec. 30: Communion Announcements will be received in the pastor's office from one to five and from seven to nine o'clock. Dec. 31: Communion service at 8:00 p.m.

(Shirley's note: To partake of communion, you had to announce to the pastor your intentions of taking communion. As I recall, at that time only those of the Lutheran faith were allowed to commune in our church. I'm not sure if people who had made their announcements received a communion card to hand to the ushers or not. By the time I was confirmed and took communion, the announcing was a thing of the past, so I have no personal experience to know what happened during the announcements to the pastor and I guess I never thought to ask the folks.)

1948 – Pastor's salary, transportation, pension - $ 3121.44

(Shirley's note: No utilities included.)

NOTE: SING THE AMENS—In our meeting last Sunday (Jan. 4) the Congregation decided to follow our hymnal in conducting our worship. This would include, we rule, the singing of the <u>AMEN</u> at the end of our hymns. Accordingly, please remember to add The "Amen" at the end of the hymn.

(Shirley's note: During this period under Pastor Braun, we would end our hymns and prayers with the pronunciation of the Amen with a short a, rather than the long a. A number of us still practice what we were preached.)

DEED AND ABSTRACT FOUND—The deed and abstract of our property was found in a tin box which had been placed for safe-keeping in the bank. The box was not labeled, but one of the bankers was of the opinion that it belonged to us. The box was pried open and his opinion was found to be correct. Still missing are the articles of incorporation and minutes of congregational meeting prior to 1917. Information leading to the whereabouts of these missing documents will be appreciated.

(Shirley's note: The articles of incorporation didn't exist because there was no record in the Marshall County courthouse of our ever being incorporated up to this time.)

NOTICE OF SPECIAL MEETING OF THE CONGREGATION—Notice is hereby given by the chairman of the congregation, Mr. Carl Norell, that a special meeting of St. Paul Lutheran Church has been called for this afternoon, February 29, 1948, 2:00 p.m., at the church for the purpose of incorporating and also to discuss and adopt the revised constitution which will be presented by a special committee of seven.

(Shirley's note: It is very unusual that St. Paul Lutheran wasn't incorporated at the time of its beginning. According to Judge Battin's Marshall County history book of 1912, "When they became strong enough to build or own a church building, then an incorporation became necessary in order to have an authority on record to hold and own real estate. Most of the churches in the county are now so organized."

Because St. Paul wasn't, this is part of the confusion as to what our true founding date is.)

INFORMATION ABOUT MEMORIAL WREATHS—

Mesdames Arnold Hartwig and Will Papenberg were appointed by the Ladies Aid to supply Memorial Wreaths to those who wish to use them. Memorial wreaths are like flowers, a means of expressing sympathy at the time of death, except that memorial wreaths don't wilt or freeze as flowers do. Memorial wreaths not only express sympathy to the bereaved, but do good for months and years after your loved one has been laid to rest.

Constitution rewritten

COMMUNION ANNOUNCEMENTS—

According to our new constitution and by-laws announcement for communion may be made either in person to the pastor or by announcement card on the day of communion. You are familiar with the old system of announcing which you may still use if you prefer. The pastor will be in his office from 9:00 to 12:00 each morning during Holy Week to receive your announcement.

However, if you wish to use the new system of announcing, a few words of explanation are in place. As you enter the church on communion day, the ushers will offer you a card. On this card write your name and the date of communion. (Be sure to bring a pencil with you). Keep this card until you leave the pew to go to the altar for communion. An usher will be at the pew to receive your announcement cards. The members who have announced to the pastor in person will be given a card by the pastor; this card should be handed to the ushers as they direct you to the altar.

From Maundy Thursday church bulletin (March 25, 1948)—

NOTICE TO COMMUNICANTS—Ushers will direct you to the altar and will receive your announcement cards at that time.

Our altar will accommodate nine persons conveniently. We

have asked the ushers to direct that number of communicants to each table served. If a family group numbers less than nine, we hope there will be enough willing to fill the table, thus shortening the length of the communion service. Your cooperation with the ushers will be appreciated.

Each communicant should have an announcement card. Married women will please sign their given names to conform to the alphabetically kept church records, for example, not Mrs. Elmer Braun, but Mrs. Marie Braun. Give the announcement card to the usher as he directs you to the altar.

Tonight St. Paul congregation is using communion liturgy for the first time. Your close attention to the order of service and participation is kindly requested.

(Shirley's note: Communion was held on special occasions and maybe only four times a year. Children didn't go to the communion rail; instead, parents would hand off their small children to grandparents sitting in pews ahead of them. Sometimes, grandparents weren't available due to their living elsewhere so parents would take turns going to communion. Also, we didn't kneel at the altar, but rather at our pew before communion. We would face the back of the pew. After the new church was built, we would kneel facing the altar. Eventually, we were given the choice of kneeling or sitting forward in our pews. Even later it was discontinued altogether.

Fund raisers for Ladies Aid consisted mainly of dues, bake sales, card sales

FOOD SALE—

May 29 the ladies of our congregation, whether aid members or not, are invited to bring contributions for a food sale to be held at the Enterprise Office. The proceeds of the sale will be used, like all aid funds, for the work of the church at home and

abroad. Let's make this a big sale; our aim—a contribution from every family.

(Shirley's note: Bake Sales, as they were usually referred to, were a big part of fund raisers for the Ladies Aid. The women of the church had a great reputation of being good cooks and bakers. These bake sales were first held at the Enterprise office in those two big front windows and then later switched to Watsons Store. There was more traffic on a Saturday morning in Watsons—also, Ralph and Florence were members of our church and were very accommodating—not that the other Watsons at the Enterprise office weren't accommodating also. Kuchen (German coffee cake) was a very popular item—also angel food cakes made from scratch. And, this particular sale may have been called a <u>Food</u> Sale because items other than baked may have been available. One popular item that my mother donated over the years were jars of chicken (or beef) and noodles. Later, because of possibilities of food poisoning, it was discontinued.)

Articles of incorporation accepted by the congregation in 1948 have not been filed with the Secretary of State due to legal requirements we were unable to fulfill at the time.

HOUSEKEEPING—Even buildings used by church folks get dirty. Housekeeping is not an automatic process done by pushing a button; it takes elbow grease and a lot of it.

Thursday and Friday members of the aid society were going to clean the parish house and the church, but due to the very few on hand to do the actual work, only the parish house was cleaned. The ladies who worked deserve a hearty thank you.

The church building will be cleaned at a later date when more women with elbow grease will find it convenient to use some of it in the service of the Lord.

RUSSIAN PEANUT SHELLS IN CHURCH—"In the early years of our

ministry we once served a congregation of German Russians who were fond of roasted sunflower seeds—Russian peanuts. We thought it very untidy of them to discard their sunflower seed shells on the church floor. When it was called to their attention the practice was stopped. At State Center the church is used as a disposal plant—not of Russian Peanut shells—but of chewing gum. When the ladies cleaned church recently much time was spent removing gum from the underside of pews. One pew had a lump bigger than an egg. Reverence for the Lord's house, to say nothing about thoughtfulness and tidiness, demands that we desist from making the church a gum disposal plant. Do we need a de-gummer at the door?

(Shirley's note: I'm sure that there were a number of children who discarded their gum in this manner at one time or another, but the biggest culprit was a man. About five years or so after this notice appeared in the bulletin, we Luther Leaguers were decorating the Christmas tree at church when one of the older boys decided to check out a certain pew. Yup, it was true! Now, not everyone sat in the same pew every Sunday, but this particular family did—7th pew from the front on the right hand side next to the aisle.)

Living Up to the New Constitution—According to our new constitution those who prefer not to use the weekly envelopes are asked to pay cash during the first quarter of the year. Accordingly, non-envelope users' contributions for this year are now past due. So, please!

Parsonage Furnace installed—replaced one that consumed 13 tons of coal the previous year and still didn't warm the house

Howard Hilleman & Galen Weuve to represent St. Paul Lutheran at Leadership Training School in Cedar Falls (1st youth ever to represent St. Paul)

July 11, Ice Cream Social served jointly by the Luther League and the Ladies Aid. Proceeds will be added to the fund for visual aid equipment. Ice cream, pie, cake, coffee will be served on the church lawn. We hope the whole congregation will turn out for this event and spend the evening hours as one big family. Our congregation covers such a large territory that we need to get together socially to become acquainted better with each other. *(Shirley's note: Is this the first of many of the Ice Cream Socials to follow? Notice that there are no sandwiches, potato salad or beans.)*

New Sign—Installed above church door on the outside of the tower; gold leaf sign identifying church as St. Paul Lutheran Church—donated by Mr. Franklin Grew
(Shirley's note: Frank was an artist and did most of the sign painting of that era in this locality. Frank was married my great aunt, Margaretta "Maggie" Damman.)

CROP Representatives Chosen – "This is CROP month. Yes CROP has to do with our crops. Christian Rural Overseas Program wants to send corn, oats, beans or cash overseas to alleviate the starvation of peoples in war-torn countries. Mr. George Buck and Mr. Alva Ethington have been asked to represent our congregation in town. Other workers will contact the rural townships. When making a contribution to CROP please say it is for LUTHERAN WORLD RELIEF so that our relief agencies overseas will be able to administer your gift.

BANDAGES FOR NEW GUINEA—The ladies of the Aid Society ripped from sheets and rolled 589 bandages, each 5 yds. long, to be sent to New Guinea for use in our mission field. Sterilizing was done by the Dr. Woods Hospital, State Center.

Children's Home Truck Here Oct. 9th – "The Home can use all kinds of fruits and vegetables, jams and jellies, honey and syrup, groceries,

flour, soaps, school supplies, school clothing, etc. Our children need the same things that other children need, only the need is greater with a large family of boys and girls. Pears are scarce on our shelves; cherries and berries aren't served very often; peas and pork and beans are great vegetable favorites.

CHILDREN'S HOME INGATHERING—

The truck from the Lutheran Children's Home at Waverly called at our church October 9 to pick up our contributions. About 28 boxes of canned goods plus several boxes of clothing, some school supplies, potatoes, carrots, pumpkins, squash, popcorn, toys, etc., were sent on their way to help keep the children at the Home fed and clothed. To all who contributed, a hearty thanks!

We had hoped there would be at least one jar (or can) of fruit from each family; if there had been, the truck could have picked up more than 200 jars of canned goods! Let's resolve now to get in on this Children's Home Ingathering next year!

Every Member Visitation—This afternoon (Nov. 28, 1948) by stewards. Receive the stewards kindly and lighten their task; next year it may be you who stands at the door and knocks.

(Shirley's note: A large number of couples of the church would go out to members' homes to gather their financial pledges for the upcoming year. And, if people weren't home, the stewards would have to go back until they did find them home—or the time was up for collecting pledges.)

Dec. 5 – Sunday School – 10 a.m., Worship Hour – 11 a.m., Program Practice – 2 p.m.

(Shirley's note: Christmas Eve practices were always on Sunday afternoons during December. Each Sunday School student was given a recitation to know by heart or a song to memorize. Some students would recite their "piece" individually, while others would go up front in a group. And, the program was always on

Christmas Eve and there would be a packed church. There were no microphones, so instructions would be to speak loudly.)

1949 – Pastor's salary, transportation, pension - $ 3261.44

(Shirley's note: No utilities listed.)

Jan. 1st Baptized membership – 607

Jan. 1st Confirmed Membership - 435

First recording in yearbook of Ladies Aid serving Lions Club dinners

Feb. 6 – Leaguers will meet at the parish house this evening at 7 to go on a roller skating party.

(Shirley's note: These roller skating parties were held for years and first took place at Ritland's Skating Rink close to Garden City—former member, Doris Pfantz, married one of the Ritland boys. In later years, the skating parties were held at Skateland in Ames. Over the years, our Luther League maybe had more roller skating parties than all the other churches in the area combined—we loved our roller-skating!

Tower Music System donated in memory of Donald Wilkening, WWII casualty

Tower Chimes in Operation—Since Friday evening (March 18) of last week tower chimes have been sounding from our tower three times daily. The installation is a memorial gift from Mr. and Mrs. R. O. Wilkening and Mr. and Mrs. Paul Wilkening in memory of their son & brother, Donald J. Dedication service will be held either next Sunday or April 13, depending upon arrival of the bronze dedication tablet. Plan to attend worship on both of these days! The chimes will sound today at a few minutes past twelve. For best hearing we suggest that you listen a couple blocks distant from the tower.

Shirley's note: If the wind was in the right direction, we could hear these chimes out at Mahlow's Corner (corner west of town on old 30). What a delight!

LUTHERAN WORLD RELIEF –

This week 24 boxes weighing a total of 687 lbs., were shipped to Lutheran World Relief. A WORD TO COMMUNICANTS:

Our God is a God of order, and in our worship of Him good order, too, is part of our worship. There is room for 12 at the Lord's Table. To have five or six at one table and 12 or more at the next unnecessarily lengthens the services and appears out of taste to the pastor and to many in the congregation.

To overcome this lack of orderliness, may be invite you to come to the Lord's Table as directed by the ushers? Your cooperation will be appreciated.

From the June 5, 1949 Sunday bulletin—

DAILY VACATION BIBLE SCHOOL TOMORROW—

Tomorrow morning at 9:00 a.m. a two week term of Daily Vacation Bible School will begin. School will be held Monday through Friday, 9:00 a.m. to 11:30 a.m.

Pupils should come prepared with pencil, crayons and older pupils with Bibles too.

More than $60 worth of material for the school has been purchased. Part of this will be offset by the daily offering that will be taken in the school.

From the June 19, 1949 Sunday bulletin—

Our Daily Vacation Bible School closed Friday with a picnic and program. Enrollment for the session reached a high of 71. There were six teachers: (in order of classes) Mrs. Braun, Mrs. Loney, Mrs. Richeson, Mrs. Mahlow, Mrs. Saltzman and the pastor. The upper four classes studied "God's Law".

(Shirley's note: I chose to put this article in because I have pictures from Mom that included all the classes and teachers and are on the DVD that everyone has a chance to purchase.)

LUTHER LEAGUE PICNIC—The picnic will be held at the west junction of Hiways 30 and 330 at the miniature golf course on Tuesday evening, July 19. Picnic guests will meet at the parish house between 6:45 and & 7:00 p.m. and will bring a covered dish, eating equipment, and wiener roasting sticks, forks and marshmallows. Wienies and wienie buns will be provided.

(Shirley's note: Have you noticed that events started later back in these days than they do now? That's because a large number of the church members were farmers and there were chores to be done.)

Joan Stanfield and Helen Stone represented church at Youth Leadership Training School in Cedar Falls.

FRUIT JARS HERE FOR CHILDREN'S HOME—You will find several

dozen fruit jars in the basement of the parish house. If you have canned strawberry jam, cherries or peas for the children's home, or if you have other fruit to can, claim your jars after service, please!

(Shirley's note: Almost everyone canned produce at this time and a number ladies canned extra so the children's home in Waverly benefited. Years later, the practice was discontinued because of fears of food poisoning, etc. from unsafe practices in the canning process.)

CHOIR – Senior Choir meets Wednesday at 8:30, Junior Choir Saturday at 3:00 p.m.

JUNIOR CHOIR – There will be an additional hour, from 3 to 4. Children ten years of age and older, but not confirmed, are invited to join the singers of the confirmation class to form a Junior Choir. The first practice period will be October 1, 3:00 p.m. It is hoped that after several weeks we shall have this group of young folks ready to enhance our worship with their singing.

(Shirley's note: Notice that there is both a senior choir and a junior choir already in 1949 and they sang at the Christmas Eve services.)

"THANKS to the Norells for the Christmas tree, to them and to Messrs. Geo. Buck, Delbert Jens, H.A. Hilleman, W.C. Hilleman, Henry Hunzelman and Fred Edler for its erection; to Jackie Thompson, Phyllis Pfantz, Joan Hilleman, Shirley Probst, Joyce Brandt and Donald Ethington for its decoration; to Mr. and Mrs. Ralph Watson, Mrs. Harvey Henze, and Mrs. Arnold Hartwig for preparing the Christmas sacks for the Sunday School children.

(Shirley's note: It was traditional for the Christmas tree to be donated by some church member [usually cut down on their property], then decorated by a committee of Luther League members, and the sacks of candy, apple, orange, candy cane

came from Watsons Store, paid for by donations. and the Watsons, along with ladies from the Ladies Aid prepared the sacks for distribution.)

CLASS TO BE EXAMINED—Friday night, May 19, 7:30 p.m., the confirmation class will be publicly examined at the parish house. The council, particularly the deacons, are asked to be present. Parents and interested friends are welcome.

(Shirley's note: It was traditional for the confirmation class to be questioned just before they were confirmed. My class sat on folding chairs in the parish house facing north with the deacons and parents sitting behind us. Pastor Braun sat at a table in front of us. Most of us knew all the answers to all the questions, but we didn't know which questions we were going to be asked. After Pastor Braun, the questioning took place in church in front of the whole congregation. Scary! It was discontinued with Pastor Ehlers, with each student writing an essay instead. Also, it was traditional for the confirmation class to take communion for the first time as a class the Sunday after their confirmation. Quite a few of our classes were confirmed on Palm Sunday with our communing on Easter Sunday.)

"We Could Use a Wire Recorder" –

To bring the Sunday worship to the sick, to help in choir training, to record programs for aid meetings, to record commentary to accompany film strips, to show the pastor defects in his sermon delivery: these are only a few possible uses.

Canning for Children at Waverly Home – Remember our Waverly Children's Home when canning: put in a few extra jars for them. The truck from Waverly will stop here this fall to pick up our donations.

Empty Canning Jars – The truck from Waverly brought our quota of empty fruit jars; please take as many empties as you have coming- they are in the parish house basement near the south wall. Do it now! Today!

Confirmation Class Begins Saturday – Children of confirmation age will meet at 9:00 a.m. Saturday, Sept. 15 at the parish house to begin their study of the way of salvation. There has been some discussion about what is meant by "confirmation age". There is no hard and fast rule that we must follow, but the parish education committee of our church advises that children be confirmed when fourteen years old. We know from experience that 8th graders and high school freshmen are better able to master the material than 6th or 7th graders. This information, while not intended as a <u>firm rule</u>, may help parents decide whether their children are of "confirmation age" or not. School will be dismissed at 3:00 p.m. From 3:00 p.m. to 3:30 we may have junior choir practice.

WINTER SCHEDULE – With relief we revert to our winter schedule:

Sunday School at 10:00 and worship at 11:00, beginning September 3. We say "with relief"—because all summer long Sunday School was bothered with tardiness of about half the enrollment.

CHURCH ACTS TO MEET FIRE MARSHALL'S ORDER—

Thursday evening the council met to let the contract for complying the order of the State Fire Marshall's office. A fire escape from the second floor of the parish house, fire resistant doors at the bottom of the stairs, exit lamps, out-swinging exterior doors, and fire-extinguishers must be added. The council also decided to tear out both stairways and in their place to build stairways less steep. This unexpected expense will not be covered by this year's building fund budget.

Shirley's note: Prior to this, there was a committee in place to look into the possibility of replacing the parish house with a fire-proof building. It met with resistance. Those stairs were mighty steep. I remember as a 5-year-old with short legs climbing those steps to the upper level for our Sunday School class. If there would have been a fire in that parish house with all of us in there, it could have been a disaster.

New Duplicator—Our old duplicator, like many a Model T, became too expensive and defective to keep on the road. After studying the matter, the trustees bought a new silk screen process machine for about half the price of a new mimeograph, with many advantages not available with a memeograph type duplicator.

Several members of St. Paul's attended the festivities held at Maynard, Iowa, June 30 in honor of Pastor Kumpf's 45th anniversary of ordination. The local congregation sent him congratulatory letter and a purse of $ 45. Pastor Kumpf's son, Rev. Harold Kumpf, was

the festival speaker.

"Bennie Earl Henze and Irma Mae Tjelmeland picked a blizzardly November 21st as the date of their marriage. The organist didn't make it, the singer did not make it, but the bride and groom and preacher were there as well as a large group of relatives and friends from here and afar. Wayne Metge very kindly consented to sing the Lord's Prayer at a moment's notice without accompaniment, so the wedding was not entirely without music."

State Law Broken by Our Church—"According to the Code of Iowa a Minimum aisle of 42 inches in width must be maintained in places of public gathering, including churches. This law we did seriously break on Christmas Eve. Fortunately, there was no fire, no sudden illness, no panic. There was an attendance of 431. Over the size of the attendance we rejoice greatly, but point out that as a congregation we had better begin making arrangements to take care of larger crowds without breaking the law. We need a new and larger

church, not only for the special services, such as Christmas Eve and Easter, but our Sunday attendance (which fills the church) would be better if people knew that there would be room for them if they came to church just before the bell. As it is now, unless you are there 30 to 35 minutes before bell time, you sit wherever there is room to squeeze another one in."

(Shirley's note: Pastor Braun used these opportunities to push the congregation into thinking "new church, new church". You know us dyed-in-the-wool Lutherans—we don't like change.)

Illegal Parking at Church—"Complaints are still received about illegal parking at church. The point system is in operation. How long local officers will wait before issuing tickets we do not know. But church folks should be law-abiding folks. Blocking access to fire hydrant, to side-walk, to private drives is illegal. It is also illegal to block passage on any street, SO—PLEASE! One-half of what we spend on ourselves we pay to the League treasurer before we leave the Park. This money is then used for its general benevolence program. Example: if you spend $4 on yourself, $2 will be paid at the end of the evening to the "Unseen Guest:. Total expenditure for the evening, $6."

"The Maundy Thursday storm did things to the baby bed in the church's cry room. The tower, not so young any more, decided to leak vigorously, and did so all over the old baby bed, ruining the mattress, the bedding, and causing the old iron bed to rust. The tower has been refloored with waterproof roofing and the old baby bed has been replaced."

Pastor's Message – "In a town which has a gift for keeping new industry out, and in a community where farms are growing larger while farm population is growing smaller, the church's growth, except from within the congregation, tends to remain static. Hence we may congratulate ourselves that we show a gain, even though it be small—a gain of nine souls, five of them confirmed adults. Our congregation and community is and will remain just a feeder for larger towns and cities until we see the light and broaden the economy of our town by the introduction of new business ventures. Operating a congregation in a small town is an expensive business because we lose our youth just at a time when they begin to earn and could repay the congregation for all the years of training and service they have received."

Pastor reported he'd contacted all but 8 homes – making 793 calls (visits)

Linda Smith and Delores Norell represented St. Paul Lutheran at Youth Leadership Training School in Cedar Falls.

The 1961 emphasis of the 8-year plan is on type of building(s) desired for

our new church plant. To gain some definite ideas along this line, the church council appointed Mr. and Mrs. Leland Weuve, Mr. G. H. Hilleman, Mr. and Mrs. Harold Mahlow, Mr. and Mrs. Ralph Watson, Mr. and Mrs. George Speers to view recently built churches and note features which we might wish to have the architect include in plans for our church. This committee, under chairmanship of Leland Weuve, urges all members, while vacationing to observe new churches, gathering information, and reporting to the local committee. On the first Wednesday of October the committee will report its findings to the church council. Pastor and Mrs. Braun have consented to serve on the committee ex officio.

"The members of the committee appointed by the council to view churches recently built, did so individually and in groups. After reporting at a meeting to each other, and discussing what they had seen, the committee decided on what they would like to see in our new church. Your committee reports that it suggests a church seating 480 in the main part exclusive of choir, that the construction be of stone or brick with adequate class room space for Sunday School above ground, that there be a multi-purpose area suitable for Sunday School opening, dining area, etc., a narthex with coat racks, adequate office, storage, rest rooms, choir, kitchen, nursery."

OUR 1962 BUILDING PROGRAM EMPHASIS –

Our Building Program, adopted in 1959, lists "consider site" as the 1962 emphasis.

Before we can consider site we must know how much room

will be needed for the church plant. This we cannot know until we have an architect's preliminary plan based on the report of the 1961 committee's recommendation.

The 1961 committee suggested "a church seating 480 in the main part exclusive of choir, that the construction be of stone or brick with adequate class room space for Sunday School above ground, that there be a multi-purpose area suitable for Sunday School opening, dining area, etc., a narthex with coat racks, adequate office, storage, rest rooms, choir, kitchen, nursery." The question of off-street parking, wanted by some, frowned on by others, was not a part of the 1961 committee report.

So far this year the trustees have met with three architects (two of them spoke also to the council). In August we will meet with other architects, and then engage one to make preliminary studies and advise us on the amount of ground needed. Only then will we be able to act on the 1962 emphasis "consider site."

SOFT BALL LEAGUE – St. Paul soft ball team is in the church league again this year. The starting line-up included William R. Eckhart, Richard Scott, James Hartwig, John Hilleman, Darwin Funke, Alan Hilleman, Richard Braun, Roger Henze, Richard Southard, Donald Rittierodt, Robert Vajgrt, Ben Henze, Howard Hilleman. Ben Henze is manager; any St. Paul members wishing to play should give their names to Ben.

SOFTBALL SEASON ENDS—A great deal of interest was generated by the church soft-ball league games this summer. Both players and fans showed a lot of enthusiasm for the sport. Our team played twelve games and lost only two.

CHURCH CUSTODIAN PROBLEM SOLVED –

The problem was solved when beginning on July 1st the work load was split between Mrs. Walter Mehlisch and Mr. Denny Thompson. Mrs. Mehlisch takes care of the church and parish

house cleaning, and Mr. Thompson the outside work (lawn, snow removal, etc.) plus Sunday bell duty, opening and closing church for services.

Mrs. Mehlisch has agreed to ready the meeting room in the parish house for Women of the Church meeting, for Sunday School and for funerals. Other groups, such as Luther League, Married Couples, shower parties, wedding receptions, etc., must make their own preparations and leave the building as clean and orderly as they found it.

Shirley's note:Harvey "Pat" Hilleman was the custodian for quite a number of years. After he was incapacitated and could no longer do it, Harold Hilleman tried keeping up with the outside and volunteers from the ladies group did the inside custodial duties. Notice the "bell duty". The bell had to be hand rung by a rope. As a child, I always thought it was neat to sit within viewing space to see the rope pulled. It was in the "cry room".

Checker: Mrs. Donald Wiese

Cashiers: Mrs. C. R. Lampkin, Mrs. Phyllis Hilleman

Shirley's note: I kept hoping that I would find when the first ice cream social was held because it is such a tradition at St. Paul. This is the first recorded ice cream social that included sandwiches. Notice that the menu is exactly as it was in 2009, except no pork burgers. I am wondering how people managed those stairs to the basement—even though they'd been replaced by some not-so-steep by this time. I presume that they had food in the basement so the patrons didn't have to carry their trays down those steps. And, notice the co-chairman—our own Edith Stuckmyer

Shirley's note #2: I recently interviewed Edith and Goldie Walker (before I knew about this ice cream social) and Edith told me that her family didn't come by horse and buggy to church. They also remember the wicker basket for dropping in the quarter for communion and going behind the altar when going back to their seat. There was a balcony at the time they went to Sunday School and there

was a class there in the balcony, in the east room in the church and even on the stairs and elsewhere in the church. They recalled how women sat on the east side and the men on the west side.

They recall getting candy or an apple in a mesh bag at Christmas.

Children 13 (or about to become 13) are eligible to enroll in confirmation school which will start September 29. Class will begin each Saturday at 9 a.m. and end at 3:00 p.m. with one hour recess at Noon. Knowing the text of Luther's Small Catechism is the entrance requirement. Those who do not know the full text are accepted on condition that they will make up the entrance requirement deficiency during the school year without neglecting the regular assignments. Catechism assignments are made regularly in our Sunday School from an early age on. Confirmation instruction time is too valuable to be wasted on memory drills. This work should be done beforehand in Sunday School years.

Shirley's note: Whoops! All the girls and one of the boys in our confirmation class were 12 when we started confirmation school.

In fact, I think one of the girls was still 12 when we were confirmed.

WORK TABLE TOP REPLACED IN PARSONAGE—

The deteriorated linoleum work table top in the parsonage was replaced with formica and the old sink refitted with two new faucets October 17 and 18. This was a project of St. Paul Lutheran Church Women. Thanks!

Shirley's note: I'm not sure if this refers to the small square table that was on the left side of the stove in front of the window or the long table that had shelves above it that divided the kitchen. When we were in Saturday School (Confirmation School), we sat with our chair backs up against this table and Pastor Braun sat at the side of a table just inside the door across from us. We would use those shelves to put our books or other papers on when we weren't using them. It's the same table with "hutch" that is used at the ice cream socials to store the pies and cakes.

BURIAL – Pastor Arthur H. Schultz, 63-0-11 died suddenly November 6, at Minneapolis, Minnesota, was buried at Kellogg, Iowa, November 9, 1961. (The deceased, a classmate of your present pastor, was minister of our church from 1928 to 1947). Blessed be his memory!

(Shirley's note: Pastor Schultz was well-liked, not only in our church, but in the rest of the community. He was an avid golfer and liked sports. There's a story in my family about Pastor Schultz going fishing with my great grandfather, Carl Damman, on many occasions. On one occasion, a big fish got away from my great grandfather and he uttered a swear word. Pastor Schultz admonished him for it and told him to say "Keokuk" instead.

In fact, I think one of the girls was still 12 when we were confirmed.

WORK TABLE TOP REPLACED IN PARSONAGE—

The deteriorated linoleum work table top in the parsonage was replaced with formica and the old sink refitted with two new faucets October 17 and 18. This was a project of St. Paul Lutheran Church Women. Thanks!

Shirley's note: I'm not sure if this refers to the small square table that was on the left side of the stove in front of the window or the long table that had shelves above it that divided the kitchen. When we were in Saturday School (Confirmation School), we sat with our chair backs up against this table and Pastor Braun sat at the side of a table just inside the door across from us. We would use those shelves to put our books or other papers on when we weren't using them. It's the same table with "hutch" that is used at the ice cream socials to store the pies and cakes.

Grandpa inquired as to why and Pastor Schultz answered that it was the biggest dam in Iowa. Get it?)

1963 – Pastor Braun has spinal surgery in February

Pastor Braun dies March 20 after losing bout with cancer

(Shirley's note: Pastor Braun was active in the community also, being on the Library Board and having served as chairman. He also was a member of Lions. He was firm, but fair. He could be lots of fun when he wasn't having to be serious. He was never too serious to play games with us at Sunday School, Bible School, Confirmation School or Luther League. You will notice that he was never afraid to write his thoughts, feelings, or ideas in the bulletin or the Messenger.)

At the completion of the closing service, a procession formed and the congregation left for the new church. When the procession arrived at the Narthex doors there was a short service of Invocation, Prayer and Scripture. Then a service was held in the Nave of the new church. Mrs. Clarence Meier was the accompanist. There was a blessing of the Altar, Pulpit, Baptismal Font, and Church. The senior choir sang "Built on a Rock". Dr. H. W. Prior to 1979, Barb had been doing some of this ministry when the nursing home was on Main Street. In the beginning years, it was just the high school classes that went to the nursing home. The street behind the nursing home (2nd Street NW) was a dirt street at the time and Barb drove down the street with the kids after the services at the nursing home. The street was muddy and Barb's car got stuck. She told the kids

to get out and try not getting muddy and they walked back to church in time for church services.

Luther League Report –

Each month the youth from grades 9-12 gathered for an activity. Great variety was followed during the year. Besides business, devotions, discussion and social time, we had some special events. Highlights were the hayride, disguised supper served by our sponsors and joining with the Young Adult and

Fellowship Group families to sing carols for our shut-ins and nursing home residents. The annual picnic at Hickory Grove Park also was memorable. After the Lenten services we served coffee. The money received at the soup dinner was sent to Lutheran Social Service at Beloit in Ames and was matched by a Lutheran Brotherhood grant to help with the "Relationships" program which is designed for youth.

We thank our adult sponsors and all members of the parish for the support they have given us through prayer, time, energy and material good. Rebecca Ehlers, President

"Giving Thanks. That's why we celbrate with an Old Fashioned Service. We give thanks and praise to God as we celerate the history of St. Paul Lutheran Church. This congregation has such a rich heritage and our generation has been given a firm foundation upon which we can continue to do ministry in this place.

We have shared some of that history in this booklet so that we might rememer some of the many folks who have faithfully served this congregation. It is their commitment to the one, tru God that has given us a firm foundation. This is our story. This is God's story. As we remember our past, we look forward to the future, and we move forward in faith, trusting that God is guiding our journey.

Lutheran World Relief – 246 quilts and blankets

The Community Cupboard, Caring Center and Helping Hands – 146 quilts

Shirley's note: I have not been able to find out exactly when the first quilting group first started. Beings our ancestors did lots of quilting, maybe it started with them—only on a smaller scale and not for Lutheran World Relief. It seems that this expanded project possibly began shortly after our church was built in 1966 and there was plenty of room for such activity. Janie Pfantz has been involved many years. As has Annabelle Henze, LaNida Severidt, Helen Wendel, Mary Jane Isaacson, Wilma Eckhart, Goldie

Walker, Vivian Hilleman, LaLoni Kail, Patti Hilleman. My sister, Connie Lyall chaired this project for a number of years and I think this is one of the years that she and my mother, Edith Mahlow, had a regular production line going. They and others would piece and sew them at home in their "spare time" and then bring them to "quilting day" for being tied.

The Glove drive for West Marshall collected 14 hats and 21 mittens.

From Deacons' Report – The Board of Deacons has, with regret, accepted the resignations of Judy and Don Mahlow as the heads of the Altar Guild and the Tape Ministry. St. Paul Lutheran has truly been blessed with the efforts of Don and

Judy in their many, many years of service to these two responsibilities which are a very important part of the worship experience here at St. Paul Lutheran and for those who are unable to attend. A great big **"THANK YOU"** Don and Judy.

Shirley's note: Don was in charge of recording every Sunday service and then making duplicate tapes for delivery for the sick and shut-ins and the nursing home residents—for 27 ½ years! Judy coordinated the delivery of the tapes and also was chairman of the Altar Committee for a number of years.

St. Paul Lutheran has only had 19 full-time pastors since its beginning in

1884 because of some pastors having been with us for over 10 years.

TO BE CONTINUED---------

Shirley's note: Of all the historic articles I have worked on over the years, this is one of my favorites. It's close to my heart because of my fondness for St. Paul Lutheran and my Lutheran faith and most importantly, my belief in the Triune God. It is also of particular interest to me as I am one of the present-day members who is a direct descendent of two of our founders. Carl Damman and William Severidt were my great grandfathers. Also, both of my parents (Harold and Edith Severidt Mahlow) served faithfully on the church council—Dad on Board of Trustees, Board of Deacons and Board of Stewards, Board of Finance, and as vice chairman of the council. Then Mom took her turn serving as secretary of the church council for 25 years. The Harold Mahlow Scholarship is in Dad's honor.

In doing this research, my curiosity has been piqued as to our true beginnings as a congregation. Research leads me to believe that we were connected to St. John Lutheran Church in the very beginning. In 1944, St. Paul Lutheran celebrated its 50th anniversary of our first church building. In 1959, Pastor Braun and the church council declared that year to be the 75th anniversary because the first written records on hand were from 1884.

Another interesting tidbit is that in comparing the list of pastors at St. Paul Lutheran over the years and the list of pastors of St. John Lutheran, I found one minister had served both congregations—but not at the same time. H. Markworth was at St. Paul in 1898-1899 and then served at St. John 1912-1919. How did I come to that conclusion? Signatures. Pastor Markworth baptized my husband so I had the signature during the time he was at St. John and I had a copy of a church record from St. Paul with his signature. They were 100% the same.

I have been pondering over entries in both St. Paul and St. John records that pertain to my great grandfather, William Severidt. It appears that he was confirmed as an adult and the St. John records say "Confirmed in town". There is no record of this in St. Paul records. He's also first listed in Pastor Kumpf's history as one of the founders of the church.

One other item that I had run across when I was doing the Looking Back column for the Enterprise-Record was an obituary for a Reingardt who was the father of Mrs. Henry Schoppe, that listed him as a charter member. I realize that you can't believe everything that you read, but unless it's proved otherwise, you need to take it into account.

As you can see, there are a number of questions that have been raised by this in-depth research.

My apologies for any mistakes or omissions. Some omissions will be due to lack of research on my part due to there being so much and I ran out of time. Other omissions will be due to the information not being recorded in old records—at least not in those I had on hand.

The Time Line format was chosen because information can be more readily found than can be found in a "story" form with flowery language.

I will plan to continue researching the history of St. Paul Lutheran in future years so there is more available for the 150th anniversary. In other words, this will be an on-going project for years to come. If you have any additions or corrections, please feel free to give them to me.

I have chosen to include "Shirley's notes" like I did for the Looking Back columns in the Enterprise-Record as I feel they give background information and I always had lots of favorable comments about them. And besides, it's my "trademark".

Source of information: *Bulletins, Messengers, Annual Reports, secretary notes—most collected by either Roy & Alice Bogan or my mother, Edith Mahlow. Some were from my collection. Also, old histories written by Pastor Kumpf, Pastor Braun & Edith Mahlow, and Lois Hilleman's 100th anniversary history were very helpful. Pastors' salaries and memberships were taken from treasurers' reports found in the old annual reports.*
