

Class of 1928

A vintage, light brown paper envelope is shown, laid flat. It features a central rectangular label with a decorative, slightly irregular border. The label is cream-colored and contains the name "Edlarene Leota Buchholz" in a black, cursive script. Above the label, a red wax seal is visible, partially broken, securing the envelope's flap. The envelope has a triangular shape on the left side and a small, dark brown stain near the top left corner. The background is a plain, light-colored surface.
