Mr. Gary Walters, Chairman  
Hardin County Soil  
Conservation District  
P. O. Box 108  
Eldora, IA 50627

Dear Mr. Walters:

I recently reviewed the February 24, 1981 Hardin County Index. Your 1980 annual report was excellent, as was the article on No-Till Farming on page one of the paper.

It is good, from my viewpoint, to have the newspaper people write articles on various practices. This eliminates the time it would take our (SCS) people to write such articles, and allows them to complete other tasks. I encourage you to continue to develop a good working relationship with all the media in your district.

The annual report itself was also very well done. Your comments and those of Carroll Hobson on the need for increased conservation tillage were especially impressive. I was also pleased to see your District Conservationist, Steve Manternach, discuss the need for installing a total resource management system. Landowners definitely need a well thought out plan for a total system rather than installing a practice or two at a moments notice.

Please express my gratitude to your fellow commissioners and to your staff for the excellent work they are doing.

Sincerely,

  
William J. Brune  
State Conservationist

HARDIN COUNTY SOIL CONSERVATION DISTRICT

April 3, 1979

Gentlemen:

I would like to thank you for helping sponsor the Hardin Soil Conservation District Annual Report.

We thought it was an excellent report, since we had a two page report in the Hardin County Index and one page in the Iowa Falls Citizen newspapers.

The friends of conservation, like yourself, have been very helpful to this district, and we appreciate all the various ways that people contribute to our program.

We expect to have even greater progress in 1979, and if we can be of any service to you, please let us know. If you have the opportunity to refer anyone to us, you can be sure that we will help them with their soil conservation problems.

Sincerely,

Martin Broer, Chairman  
Hardin Soil Conservation District

April 7, 1981

The Hardin Soil Conservation District Commissioners sincerely appreciate your cooperation in our county's soil and water conservation programs.

Thank you for showing your support by advertising in the Herald Index and Iowa Falls Citizen newspapers during the issues of February 25, and 27, which contained our Annual Report.

Such activities would not be possible without your support.

Sincerely,

Gary Walters, Chairman  
Hardin Soil Conservation  
District Commissioners
