SOS

The Student Orientation Staff (SOS) was developed to help the new students adjust to Buena Vista College Life more easily. The staff begins work in the spring to plan for the summer and fall programs. The staff participates in various workshops as they get ready for the new students. This year Sue Gross was the chairperson for the summer program (Preview Days). As New Student Days

chair Marcy Jensen organized activities for the first few days of the new students stay at Buena Vista. Students participated in various activities, including Casino Night, new students dance, Human Caterpillar, and the culmination of New Students Days, the All Campus Dance. Barb Westre worked hard as the SOS chairperson to make the new students feel welcome.

New students participate in the grocery cart races and in the Human Caterpillar on the Chapel Lawn during New Students Days.

FOOTBALL

The 1982 football season for the Beavers of Buena Vista began on September 11 with a game against the Eagles of Westmar. Several all-conference players were gone, from last year, but Coach Jim Hershberger felt the Beavers had a good nucleus and might be considered a dark horse in the conference derby.

The Beavers started out on a winning note beating Westmar 29-11, but luck was not to remain with the team. They finished the season with a 4 and 5 record, losing to Northwestern 44-7; Dubuque (in overtime) 16-13; Central 35-10; William Penn 45-3; 16-13; Central 35-10; Wartburg 27-13; and Simpson 13; and Luther 34-9. Their wins included Westmar 29-11; William Penn 45-3; Simpson (for Homecoming) 28-10 and Upper Iowa (in the UNI-Dome) 30-6. This was the first time in thirteen seasons the Beavers dropped below the .500 mark.

Hard work and a successful team brings rewards as the BV women's tennis team and coach Marge Willadsen are well aware. The netters finished with an 8-3 over-all record and a 5-1 showing in conference play, bringing home to BV the Io-Kota championship crown. It was the first championship for the BV Women's Tennis Team since 1976, and ensures a bright future.

play-offs, but did have several new and exciting experiences.

As Homecoming approached, the Beavers were facing a 2-4 record and Simpson was a formidable opponent. This would be the final home game for departing seniors, and they intended to make it a good one. The Beaver's stunning victory over the Redmen brought their record to 3-4, and new hope for the play-offs. However, this was not to be.

The final game marked the first time many of the Beavers played on artificial turf and under a dome. Neither affected BV in adverse way as they defeated the Peacocks of Upper Iowa 30-6. The Beavers were disappointed with their 4-5 record, but are looking forward to next season and are optimistic about future games.

WOMEN'S TENNIS

Women's Volleyball

Coach Harriet Henry and the BVC women's volleyball team enjoyed a successful season ending with a 19-12 record. They placed third in the Io-Kota Conference with 6 wins and 5 losses. Deb Leslie was named to the first team all conference due to her impressive outings during the past season.

Men's Tennis

Men's Tennis of Buena Vista College consisted of one returning senior Jeff Anderson and coach Dr. Carl Adkins. There were eight underclassmen raring to play. Six gruelling weeks went by and their record 0-6. Yet their luck changed and the Beavers came back to a 8-8 meet record for the season. Jeff Anderson was the captain and with three varsity letters and two MVP's will be missed next year. Good luck and hope to see a Northwest Team Iowa Tourney Trophy in Siebens Center show case.

Twelfth Night

On November 4, 5, and 6 Schaller Chapel was transformed into an Italian villa during the time of William Shakespeare. This was when Shakespeare's famous comedy "Twelfth Night" was presented by the BVC drama department. The play is considered Shakespeare's finest comedy since its purpose is strictly to entertain the audience, rather than teach a lesson.

The comedy comes from five main characters; Sir Toby, Maria, Sir Andrew, Fabian, and Feste the Jester, and their experiences in life.

Dr. Michael Whitlatch, director, noted that the only problem was in understanding Shakespearean verse and that once that obstacle was overcome, progress went quickly.

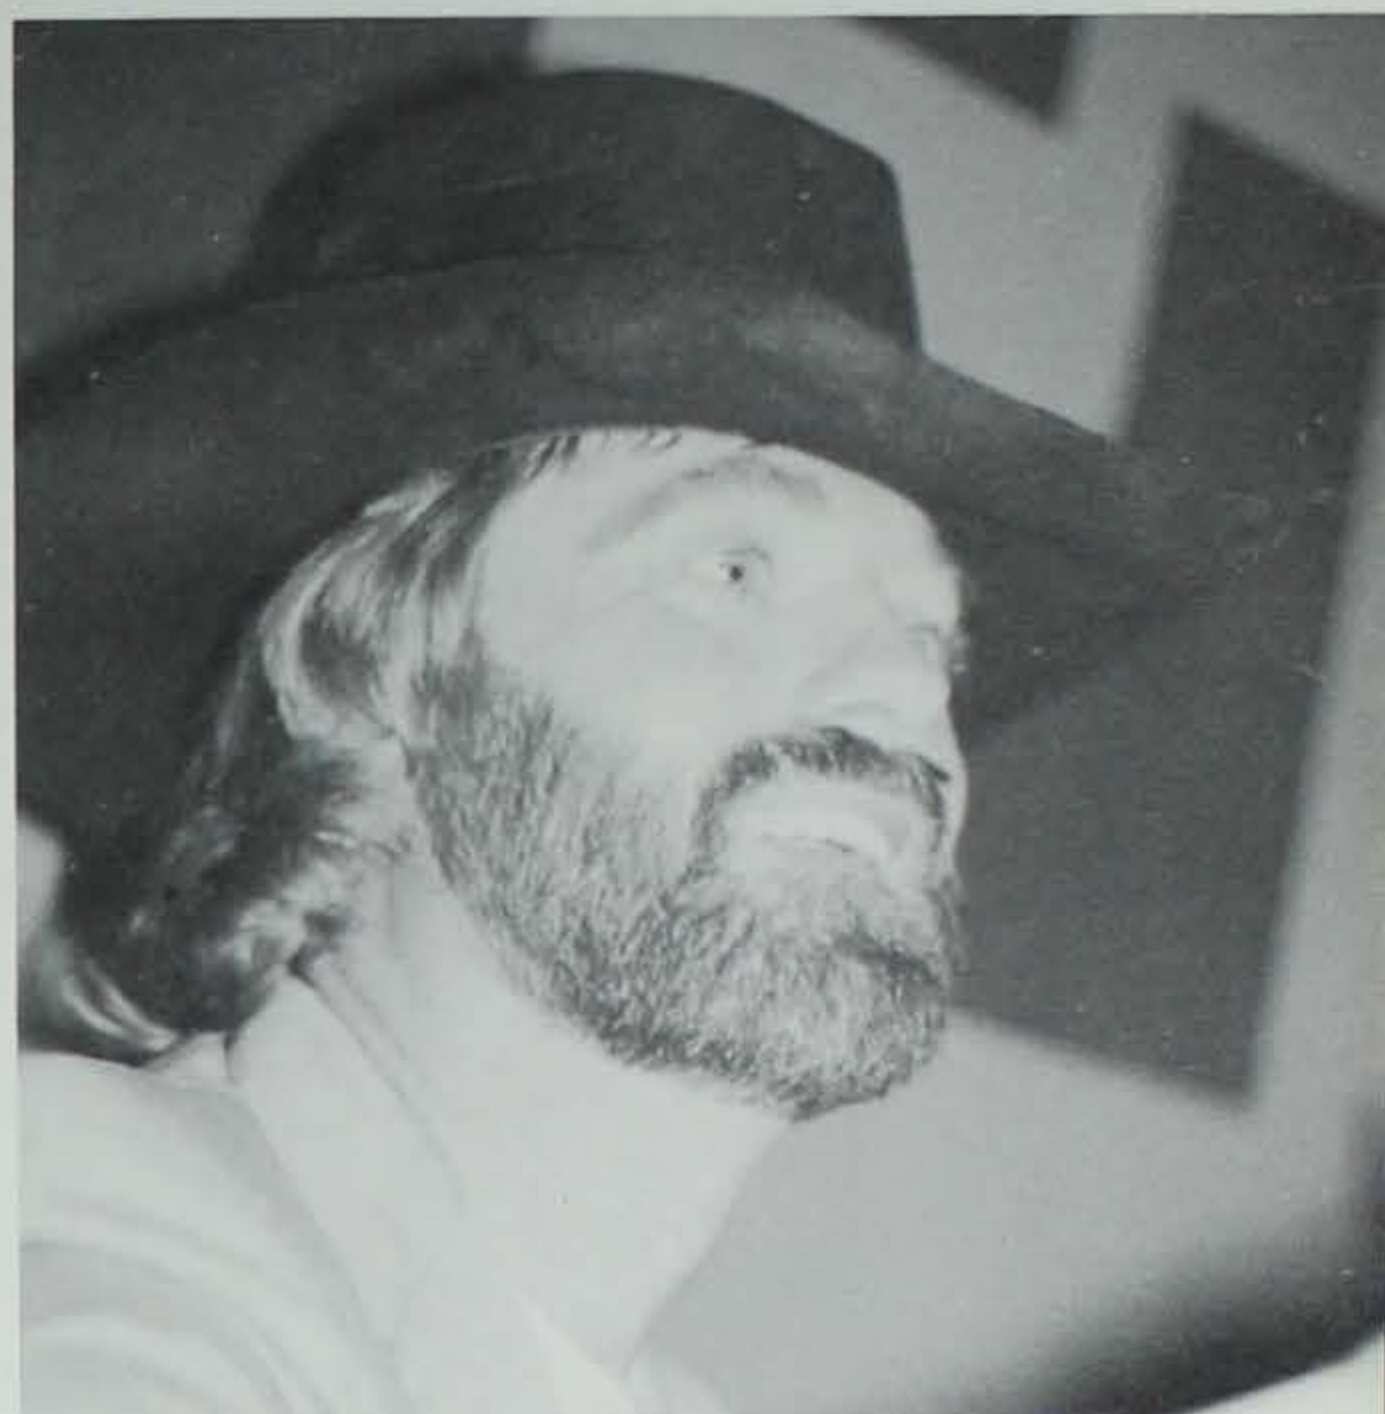

The costumes for the 18 cast members were colorful and authentic to the period. The props and scenery were beautifully arranged and added to the feeling of the show.

Those who attended enjoyed this production because of its humor and the ease of understanding the story line.

The Michael Murphy concert was presented by the Student Activities Board, as the beginning of a great Homecoming week.

This was the first major concert brought to BV campus since 1978. Some of Murphys hits include — "Wildfire," "Carolina in the Pines," and "What's Forever For."

Homecoming Week 1982, "Under The Big Top" began with the first major concert held at BVC since 1978, featuring Michael Murphey. Other events included the traditional Midnight Breakfast, complete with costumed diners. Several days of house competitions, the Variety show and the crowning of Homecoming Queen Lisa Greenfield, was the climax of the weeklong activities. Athena-McCord Houses bested the competition and won the house contests.

Saturday, the sun shone brightly over one of the longest Homecoming Parades in recent history. 1968 BVC graduate, Larry Bitner, one of the 1982 Parade Grand Marshals, reviewed over 40 floats and marching bands as they wound their way through the crowd-lined streets of Storm Lake.

The largest football crowd of the season watched as the Buena Vista College Beavers downed the Simpson Redmen 28-10.

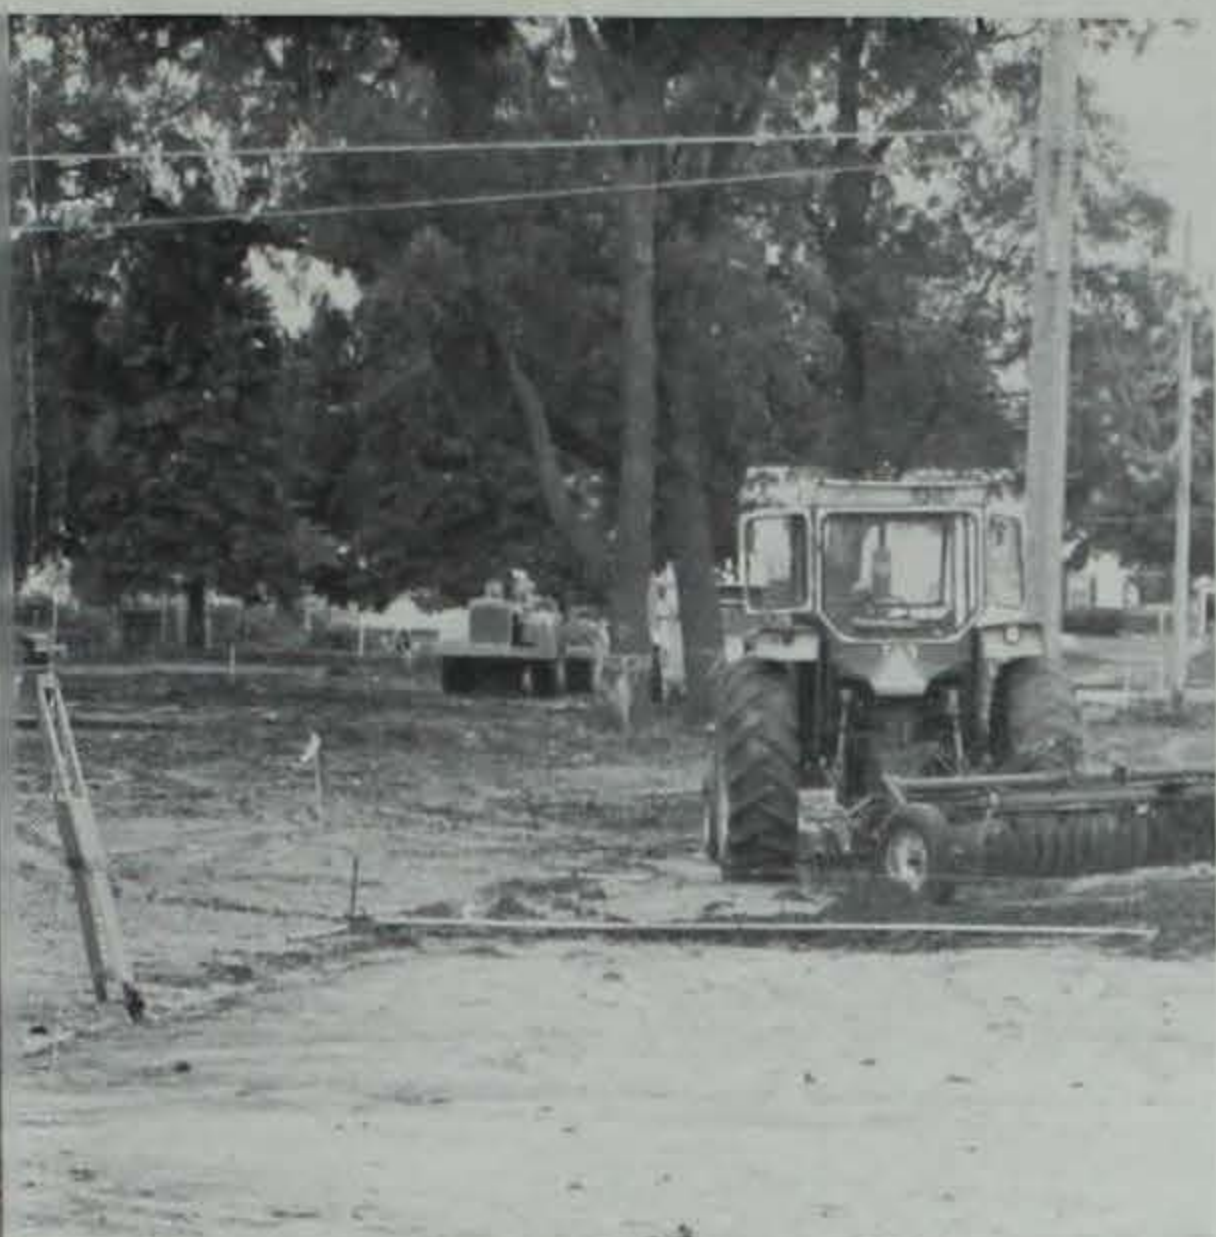

Following the game, many alumni attended a special reception at the Harbor House, while many students attended the 1982 Homecoming Dance held at the Cobblestone.

Construction of a new 500-car parking lot began in mid-August and was supposed to be completed in approximately 45 days. The project was delayed for several weeks due to a rainy fall season, but was finally completed in the middle of December.

The construction of the lot cost approximately \$531,000 and features special "good neighbor lights" that do not shine into neighborhood homes. Spaces were also provided for motorcycles and many trees and shrubs were left in place.

"The parking lot has been a most difficult architectural problem. It was a challenge to save as many trees as possible and to make it attractive to the campus and neighborhood, yet stay within our budget. The parking lot is very expensive, but we felt it was essential to make the campus a part of the beautiful park system of Storm Lake. A supermarket type of lot would have saved 10 to 15 percent in the cost, but it would not have been worthy of our beautiful lake location. We were also concerned about the families living close to the lot," commented Buena Vista College's President, Keith G. Briscoe.

SPIRIT

The Buena Vista Cheerleaders are a group of dedicated and enthusiastic women. They are at every football game, all home basketball and wrestling meets and several away basketball and wrestling meets.

They work hard to get the crowd fired up, spread school spirit, and perform very well together.

The cheerleaders often don't get the recognition they deserve — They do a Great Job!

DRILL TEAM

This was the formation year for the Buena Vista College Drill Team as the campus had never had a drill team before even though many women were interested in starting one. A general meeting was called in December in which 23 women attended and discussed uniforms, songs and performance dates.

Since the groups had no money to work with Student Senate stepped in and donated \$200 which was used to purchase flash gloves and material for skirts. Each girl supplied her own leotard, hose and foot apparel.

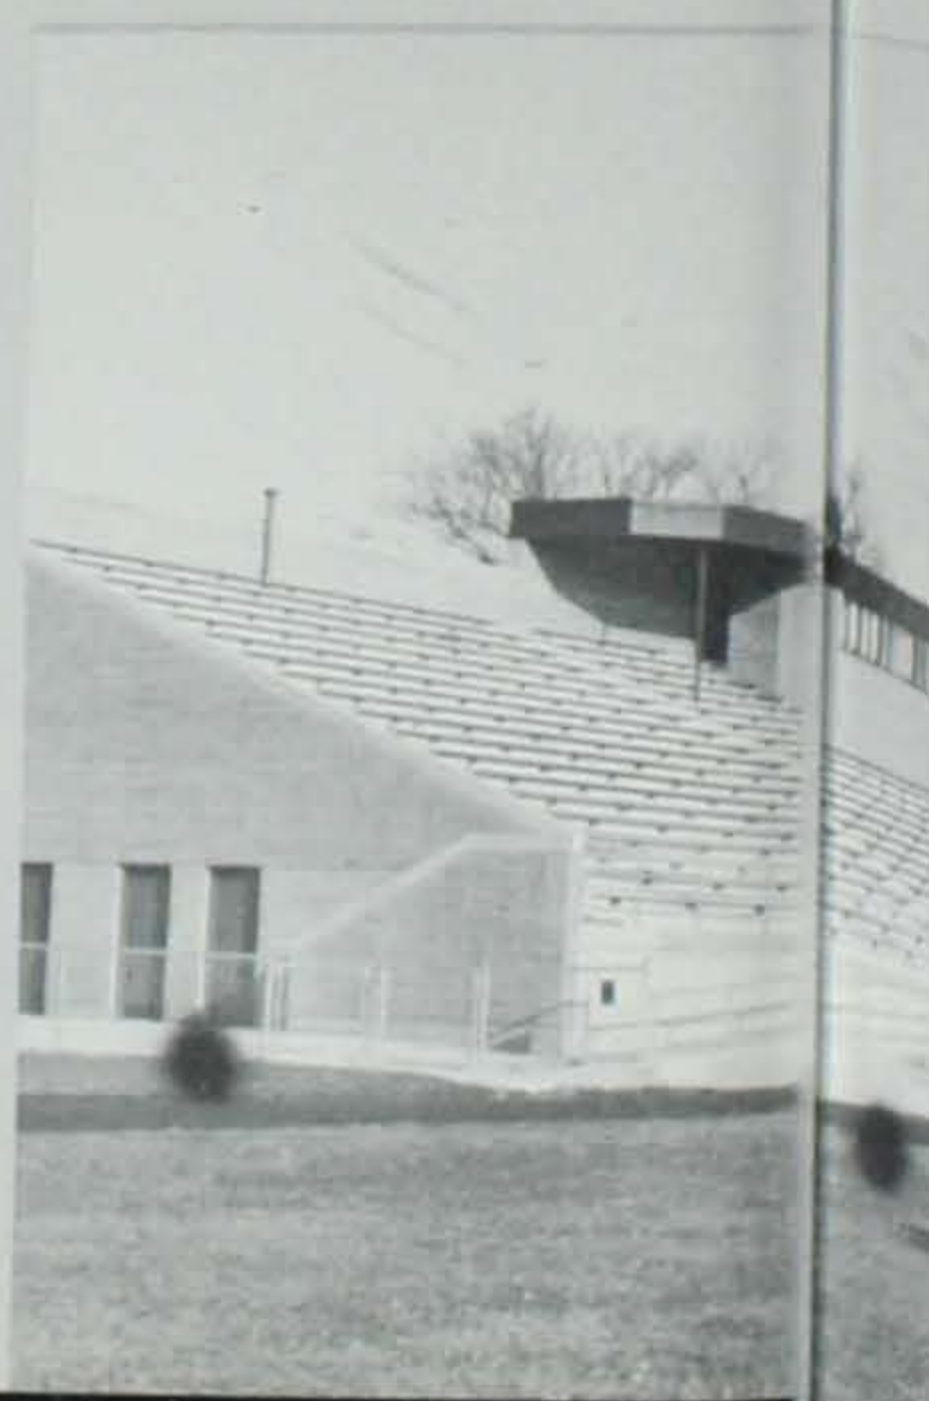

During the halftimes of two games on February 15 women performed a dance routine to the song "Mickey" which was choreographed and taught by Vicki Miller. The group received many compliments for their sharpness and synchronization.

Tryouts are held in the spring for the upcoming year. Advisor for the group is Dana Shackelford.

BUENA VISTA CAMPUS

Buena Vista College is a changing campus. By the fall of 1984 the architectural visions will become a reality. Let's take one last tour of our campus. We see Schaller Memorial Chapel with its majestic steeple overlooking the well-used chapel lawn. Directly behind the Chapel is Dixon Eilers Hall, housing our college president, Dr. Keith Briscoe, and other offices on first floor. On second floor we still hear the echoes of professors and students working together in a learning environment. Swope Hall is the women's residence hall. Smith Hall houses the art department, which occupies the lower level. KBVC radio and BVTV are found on second floor along with the Learning Center and computer lab. Offices and classrooms are on third floor. In the Science Center, Epply auditorium dominates first floor along with classrooms and lab rooms. More science classrooms and labs are found on the second floor. In Lage Campus Center, the familiar noises of the cafeteria and the Beaver Den will be remembered by all. Siebens Center houses the gymnasium, swimming pool, and many other departmental facilities. Bradford Field seats 3,500. White Hall is a co-ed dorm and Pierce Hall is the men's residence hall. Northeast of Pierce-White is Ballou Library. That ends the tour of Buena Vista College as the students of 1982-1983 will remember it.

STUDY

Contrary to popular belief, several BV students do know where the library is and use it often. (although the search continues for the student who got lost going there years ago)

Foreign languages — German, French, Spanish, Russian and Chinese are among the many classes offered at BV.

Another foreign language to many students is computers. Basic, Cobalt and Pascal are some computer courses offered. Many majors are now encouraged to study computers.

Coaching minor sports looks like an interesting class to participate in. The students are required to plan lessons. (ask Deb!)

Student teaching involves a lot of work, although Kris seems to be enjoying it!

Intense note taking and close attention are quite visible in most classes!

There are now four different computer centers on campus, all of which are usually in great demand for use by the students!

Student Senate

Student Senate is the Buena Vista College student governing body. Its purpose is to provide the means whereby the members of the Student Senate express themselves and views of other students effectively in college programs which directly affect their

welfare; coordinate and regulate the activities of the student body for the benefit of the entire educational community; and work in conjunction with the administration in all matters concerning the welfare of the student body.

One of the largest extra curricular organizations on campus is SUB. This group is active year round and are involved in the planning, and production of many of the programs at BVC. It is open to any interested student and through SUB, opportunities open for the development of leadership and management skill, exploration on new interests, and growth in interpersonal relationships. SUB is comprised of nine committees covering a variety of activities. This past year has been very successful for SUB. The committees and some of their sponsored events follow. The Cinema Committee presented many popular films at the Vista Theatre including "Rocky," "Dragonslayer," "Porky's," and "The Warriors." These films were shown on Thursday night at the nominal cost of \$1.00. Community Services is involved in activities to aid others. Yearly they offer a cash prize during the blood drive where 100 pints of blood was given by BVC students. The "laser art" print sale was the main project of the Cultural and Fine Arts Committee.

Iowa suffered from a long, cold winter and the Spring Break Florida trip to Daytona Beach was a welcome relief for the 29 students who participated in the SUB Outdoor Program Committee event.

If you wanted to get in shape, or perhaps just sit and try something new, you could join the aerobics or wine-tasting mini-courses offered by the Mini-Courses Committee.

Abagnale. This "Master thief," sometimes called the great imposter spoke of his experiences posing as an airline pilot, a doctor, a FBI agent, and a college professor, all before the age of 21. He was finally arrested overseas and today is president of his own company. He also speaks at seminars and college campuses stressing to young people not to grow up too fast.

This speaker and other informative programs such as Woman's History Week and the popcorn forums held in the Beaver Den, were under the sponsorship of the Ideas and Issues Committee.

BV MEDIA

TACK KBVC BVTV LOG

Buena Vista Media is constructed of THE TACK, a weekly newspaper directed, written, edited, reported, and photographed by BV students. THE TACK informs students of news, upcoming events, and special features relating to BV campus. KBVC the college radio station AM 55, FM 108, and cable TV is a contemporary rock station run and organized by mass communication students. The station is on air from 7 a.m. to 12 a.m. There are over 30 DJ's working at KBVC.

BVTV the college TV station is aired on the local cable network. BVTV provides practical experience in TV production through news-casting, special features, FYI talk shows, movie reviews, The Nickalodian and more. BVTV also covers many events happening on campus such as ball games, commencement and speakers.

THE LOG, the college yearbook was reinstated this year, after a six year lapse. The Log is interested in capturing the life of BVC in its photos of the student, faculty, and special events that have taken place over the academic year.

Order of the Keys

Order of the Keys is an honorary organization for women of the campus. Over 100 women living in the residence halls were selected to be a part of the organization. Each member receives keys of different colors to designate the year of their awards. Freshman are awarded blue keys to signify friendship, sophomores receive gold for understanding, while juniors get purple for opportunity, and seniors receive a silver key as a symbol of achievement.

Officers for the Order of the Keys were Mary Nieland, President; Marj Williams, Vice-President; Brenda Burkett, Lori Jepsen, and Sue Gross continued as Secretaries. Diane Dykema served as faculty advisor.

Council for Exceptional Children

The Council for Exceptional Children is a national organization which focuses upon the needs and concerns of exceptional individuals. These include the mentally retarded, the visually handicapped, the emotionally disabled and the talented and gifted.

(1) Marla Stern, (2) Sandy Folden, Dr. Sara Oelberg, Leslie Cotton (3) Sue Gross, Monte Montgomery (4) Peg Webster and Shelley Crail.

Science Club

The purpose of this organization is to stimulate interest in the natural sciences, enhance knowledge of members through their work and the work of others, and, through fellowship, encourage better relations between students and faculty. Special events conducted by this organization include the annual Science Day for high school students, science picnic, camping trips and field trips.

Circle K

Circle K is an international service organization under the sponsorship of Kiwanis International. Circle K has helped with volunteer work at Methodist Manor, finals week survival kits and ushering for campus events. The Muscular Dystrophy Dance Marathon is among its service projects. It also participates with other college members of Northwest Iowa's Circle K district at conventions, meetings and projects. Membership is open to all interested students.

Esprit De' Corps

Esprit de' Corps is the official host organization on campus. It is comprised of 25 members chosen from all four classes. Esprit de' Corps works with the Admissions Office by giving tours to prospective students and their parents and by acting as hosts and hostesses for college events. Membership is determined by an interview process that occurs every fall.

Spring Fest

Beautification Day

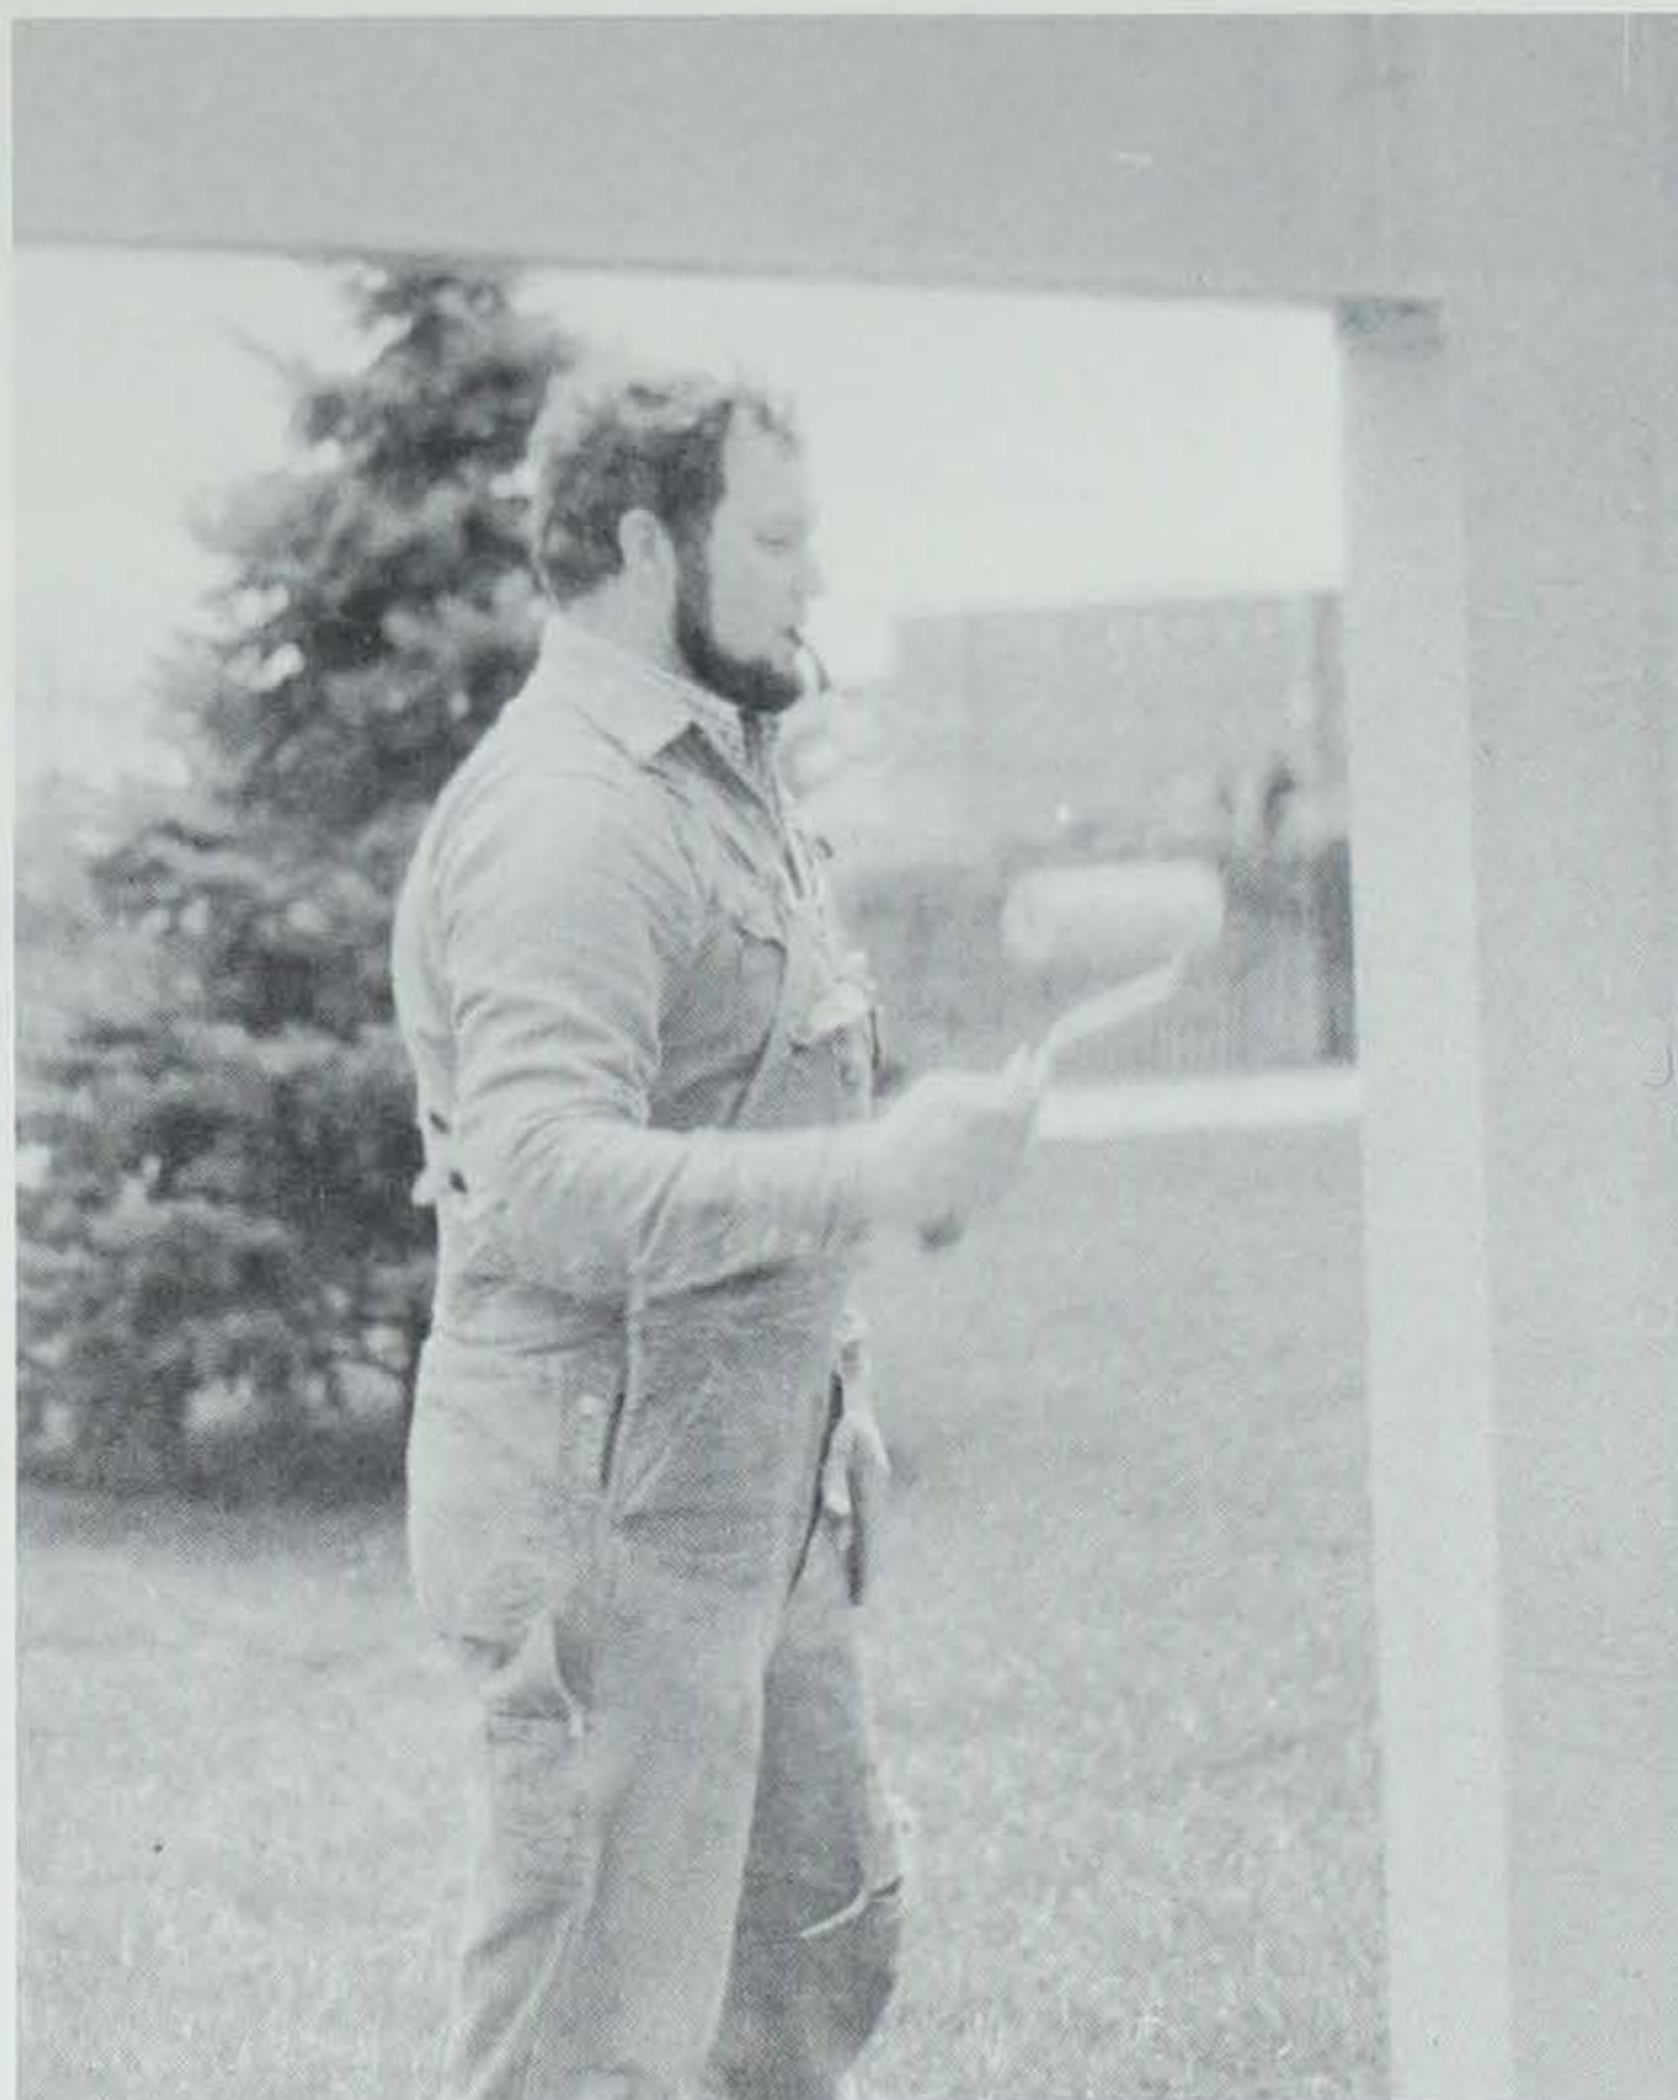

A new tradition was started this year by combining some annual events and making them a single week-long celebration. The week was called Spring Fest and was ended with Hog Jam '83. All the festivities took place from Friday, April 29 to Saturday, May 7.

It all started with Parent's Weekend, when all parents were invited to spend a day or the weekend with their B.V. student. Activities included Swope/White Women's awards ceremony, Academic Awards Banquet, a picnic with faculty and administration, Art Show and the spring musical "Fiddler on the Roof."

The week continued with brother/sister floor competitions and special entertainment in the Beaver Den in the evenings. The tug-o-war was won by Presley/LoFoy, the Frisbee Golf tournament was won by Eve/Bird, and the Canoe Races were won by Follon/Biere. Each team got points for participation and if they placed 4th place or higher. Presley/LaFoy won the overall competition and the people participating from that team received free tickets to Hog Jam. A hypnotist, John Ivan Palmer, made a few students think about never going to sleep again! Another evening brought back Dave Wopat with his humorous and entertaining Coffee House Show.

Beautification Day started off with rain in the morning but cleared off nicely, in time for a picnic beside Lage with John Biggs, providing the musical entertainment. Each house or brother/sister floor was given an area to work on and each was assisted by volunteers from the faculty, staff, spouses, or friends.

BAND and CHOIR

Buena Vista Concert Choir directed by Robert A. Pfaltzgraff presented a stupendous Christmas concert in December. Following 1st semester second semester started out planning for Tour and picking new songs. Tour came and the 30 members were excited. Tour started in Northern Iowa for church services and then moved on to Minnesota. While in Minnesota the choir performed in various churches and schools and ended in Minneapolis. There the members relaxed and went to a ball game. From there the choir came back to Iowa and ended their final concert in Fort Dodge.

Hear the Music

Buena Vista Marching Band started out the year with a Marching camp and performances for the half time shows. Their biggest event was marching for Homecoming and playing for other schools during their games. After football season was over quick rehearsals were arranged and a Christmas concert was performed by the Concert Band. During second semester planning of the tour began. The concert band and Jazz band practiced everyday and Tour was here. The band stopped at many schools and visited Kansas City. The last performance of the year was commencement in May.

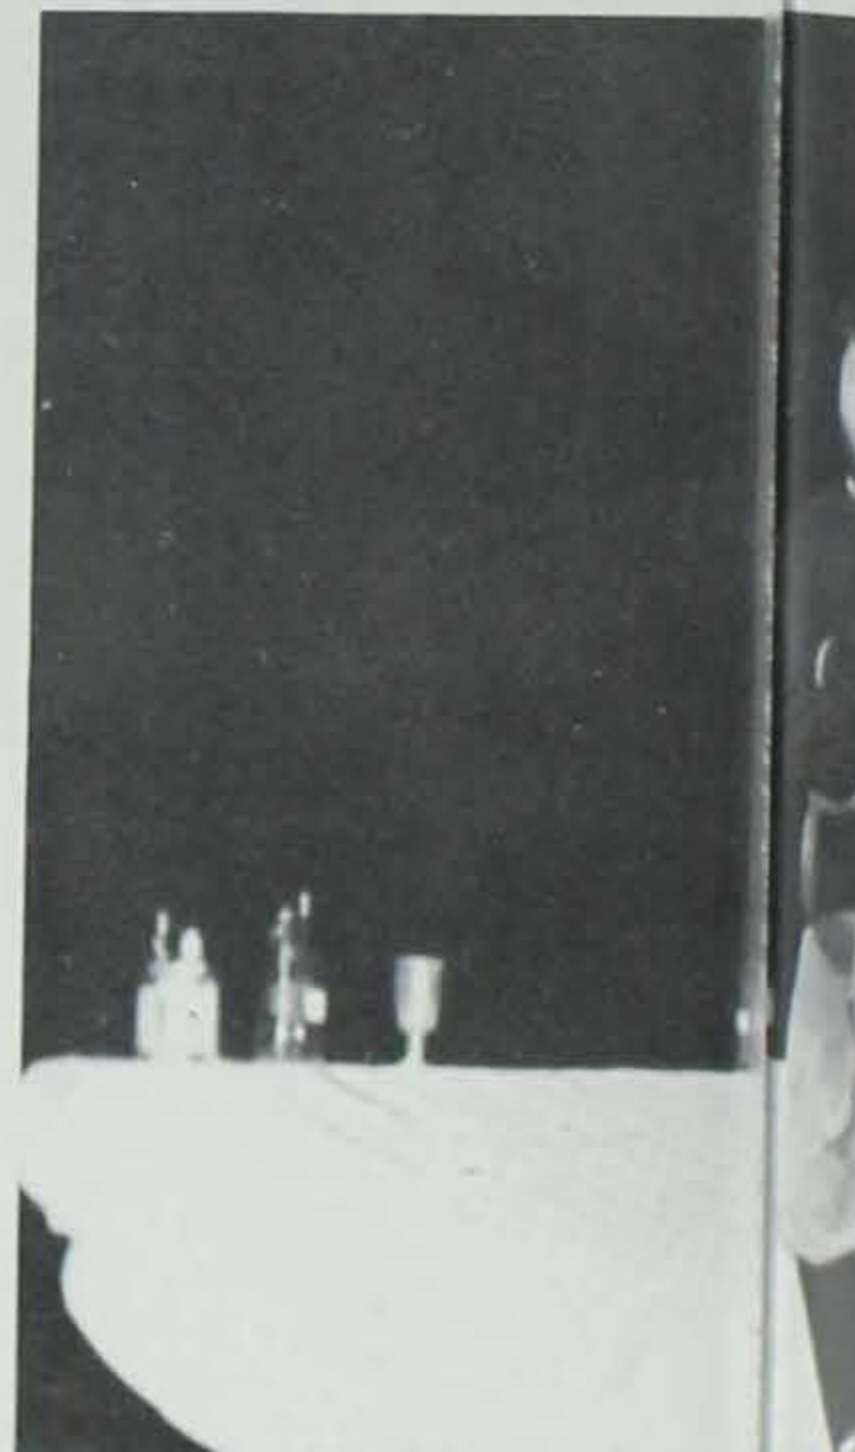

Fiddler on the Roof

The musical "Fiddler on the Roof" was presented by the music and drama departments on April 28, 29, 30, in Schaller Memorial Chapel. "Fiddler" is an ode to Jewish history, the Jewish soul, and the survival of a people. The play is based on the book by Joseph Stein with lyrics by Sheldon Harnick and music by Jerry Bock. The authors present a look at the Jewish people of Tsarist Russia — persecuted, skeptical, joyous — with unyielding spirit. The theme of the musical tells of traditions broken, violated, and changed; and of traditions that have made survival possible.

Above, Teuye, the Dairyman (Brent Schawl) pleads with the constable (Jerry Heying), to let his people stay in the village. Below, Teuye and his daughter Hodel (Lori Zender), say goodbye at the railroad station before Hodel leaves to be with her boyfriend Perchik, who had been sent to Siberia.

A New Look

Mr. and Mrs. Harry Schaller funded the renovation of Schaller Memorial Chapel.

Energy efficient windows and draperies were put in. The entire inside of the chapel was painted and other repairs were made also.

Schaller Memorial Chapel was dedicated in 1963 in the honor of George J. Schaller, Harry Schaller's father, who was a BV alumni and Storm Lake businessman. Harry Schaller is presently the chairman of the Board at Citizens 1st National Bank in Storm Lake.

Ground breaking for the new School of Business, took place March 29, 1983. Almost immediately, heavy equipment was brought onto Chapel Lawn and began excavating.

It has been interesting to see the daily changes on BV's campus.

GROUND BREAKING

Even the snow on the ground didn't dampen the spirits of those gathered for the official ground breaking ceremonies Tuesday, March 29, 1983.

The ground breaking is the first step in construction of the new Conference Center and School of Business.

A pre-ground breaking service was held in Schaller Chapel with speeches from dignitaries of the college and honored guests from the community. At the service's conclusion all in attendance ventured to the chapel lawn to watch President Briscoe and others use shovels, trimmed with many blue & gold ribbons, dig into the ground. Snow plows and blowers were used the day before to clear away the snow from the perimeter of the proposed new building.

Upon completion, the partial under-ground structure will house not only the aforementioned sections but also the cafeteria and the bookstore among others.

(clockwise) students, faculty, staff and friends of the college gather on the Chapel steps to watch the historical event of the Forum Ground Breaking.

Dr. Dennis Dykema, Chairman of the Forum Building committee and Dr. Sandra Madsen, President of the Faculty Senate dig in at the ceremony.

President Keith Briscoe and BV's first lady Carmen Briscoe give their shovels a toss.

Assistant Director of Development, Brad Bawise hands the shovel to the next ground breaker.

WRESTLING

Baxter's Beavers, as the BVC wrestling team is named, won their fourth consecutive Iowa Conference championship, at the same time qualifying five matmen to the NCAA III tournament in Wheaton, Ill. This was a three-way tournament struggle between BVC, Central and Wartburg.

It was a very good year for BV wrestlers. It had some ups and downs, some injuries, but on the whole, the performance of the team was enough to give them the championship they deserved.

Men's Basketball

The 1982-1983 Men's Basketball season was one in which disappointment followed disappointment. The Beaver shooters had a difficult season with one win, defeating Upper Iowa, 104-81, and 23 losses. They played hard and morale remained high as they put forth a valiant effort at every outing, only to lose in the end.

Also, Joel Grau, coach for the men for the last three years, announced his resignation. During his time as coach, BV compiled a record of 10-65.

Counter clockwise: Don Grant shoots from the top of the key. Alec Engbretson drives the baseline for two points. Scott Bender puts it up from outside. Randy Barkema goes inside for two. Todd Peterson takes the open shot.

Women's Basketball

The past year was one of great success for coach John Naughton and the BVC lady Beavers basketball team. They racked up a 20 win, 8 loss season allowing the Beavers to advance to the play-offs in Naperville, Ill. This was the first time the BV women had played in the NCAA Division III, Central Regional Tournament.

The results in tournament play were not as expected as BV succumbed to host school, North Central College, in the opening round, and Augustana in the consolation game.

Another accomplishment for the lady Beavers was having their team ranked as high as third in the NCAA III ratings, the first time any BVC athletic squad ever ranked that high.

The future looks very bright as the squad only lost three seniors and Naughton will have an experienced team for the upcoming 83-84 season.

Men's Baseball

The 1983 men's Baseball team ended their season with a 6-3 record in the Iowa conference, giving them second place.

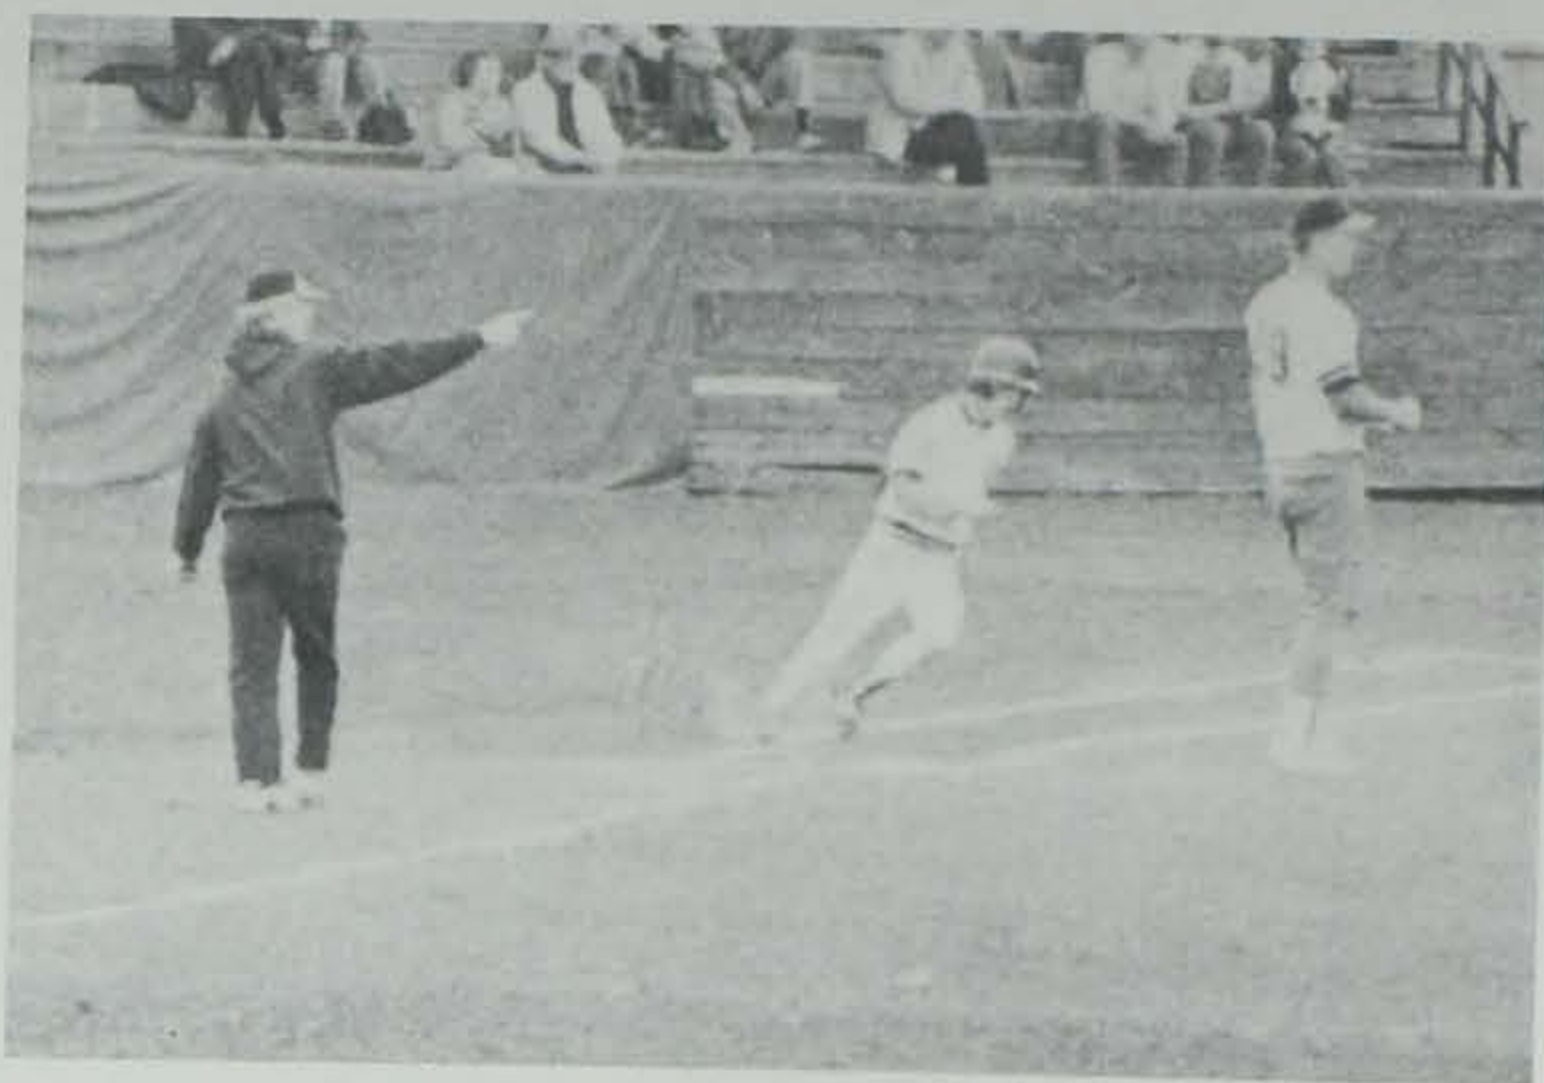

The team shattered the previous team conference batting average of .350 to a new record of .360.

Some outstanding team members were: Don Grant .363 conference batting average, MVP Barry Larson .500, Dan Moore .418, Mike Anderson .375 and Al Pink, team captain 3-1 conference pitching record and an ERA of 3.31.

By Sharon Poff

Under the direction of Coach Marge Willadsen, the softball team won every title in sight before falling in the final game of the national tournament.

Highlights of the year included a pre-season ranking of ninth in NCAA Division III, later moving up to sixth in the polls.

After their return from the southern trip, Buena Vista won 21 of 24 games in season play, several by shutout. They claimed the first ever Iowa Conference Women's Softball Championship, edging William Penn late in the year to finish with a impressive 13-1 record. The Beavers tied Morningside for the league title in the Io-Kota Conference where their record was 8-1 for the year.

Selected as the host team for the Division III West Regional, Buena Vista won its first game

against Sonoma State of California and lost to Augsburg College of Minnesota before coming back to claim the next two against Augsburg for the title.

Then it was on to the national tournament, held May 21-23 at Eastern Connecticut State University at Williamantic, Conn. The Beavers were seeded fourth coming into the tournament.

After losing the opening game, Buena Vista battled back through the loser's bracket to earn a shot at Trenton State College (N.J.) in the finals. Trenton State had beaten Buena Vista in the first game and had reached the finals as the only undefeated team.

Although the Beavers scratched out a 1-0 win the first game, Trenton State came back in the Championship game to defeat Buena Vista, 6-0.

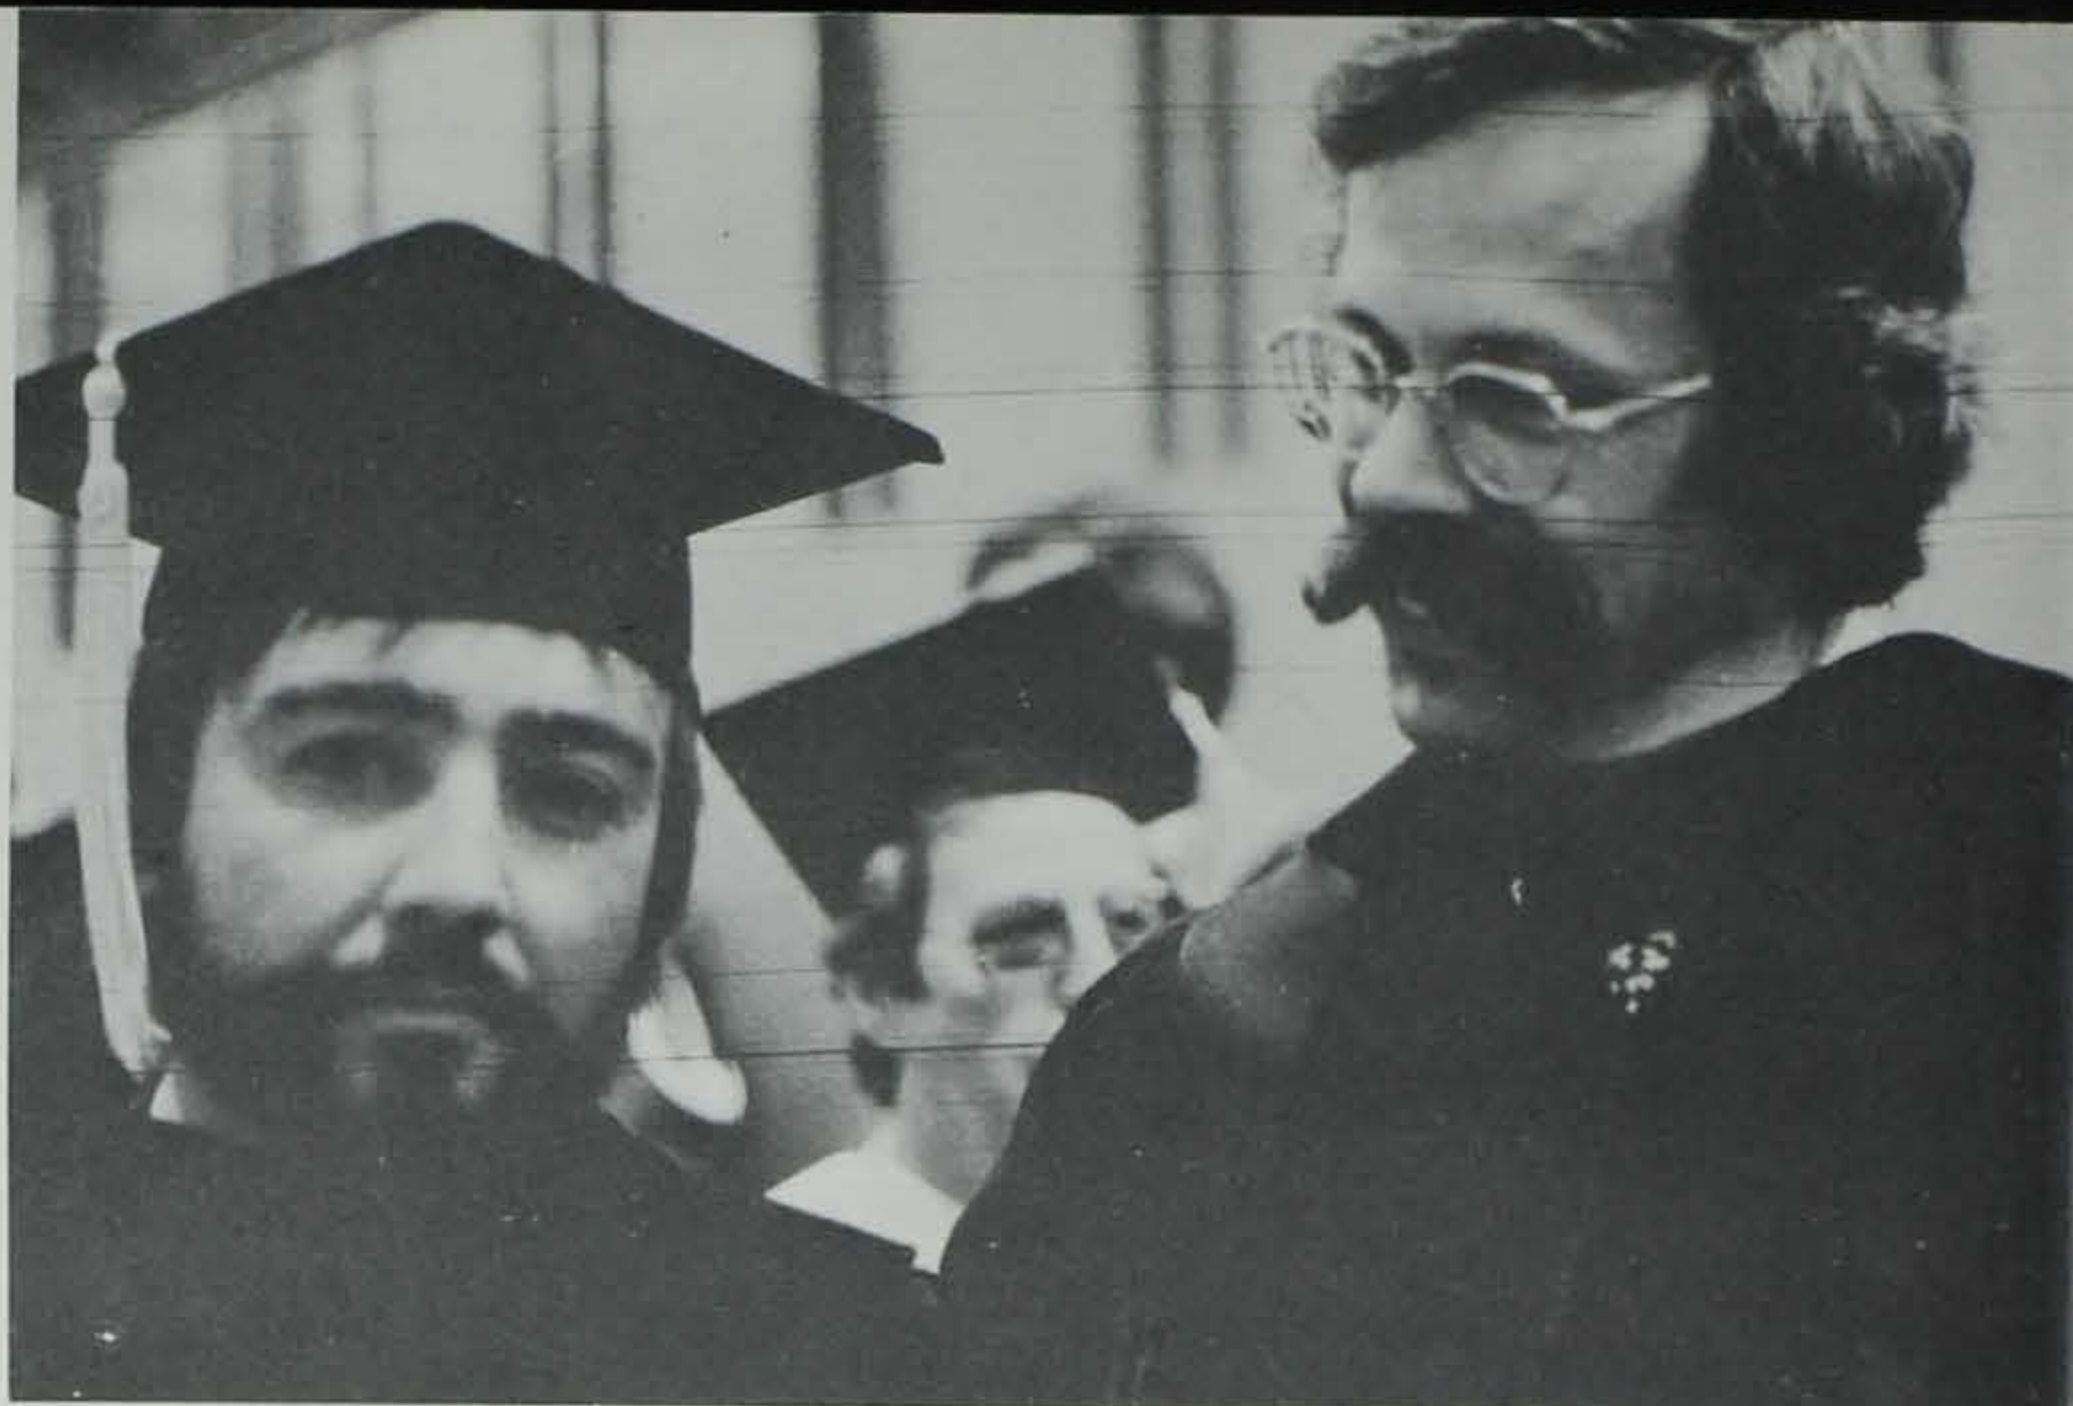

Three Buena Vista players were among the 12 women selected for the All-Tournament team at nationals. Earning the honors were pitcher Chanel Finzen, first baseman Jill Walquist, and centerfielder Jackie Jerkovich.

Buena Vista also had five of its players named to first team All-Iowa Conference, three players named to the second team; four players named to All-Io-Kota Conference team; and four players named to the Division III West Regional team.

Graduation

Buena Vista College's Ninety-second year of graduating Seniors. The exercises were held on May fifteenth, Nineteen Hundred Eighty-Three. Baccalaureate exercises were held in Schaller Chapel in the morning and Commencement in Siebens Center 2:30 p.m. There were Three Hundred Six graduates that received degrees, and Three Honor Graduates Joleen Beckman, Darcy Duesenberg and Gary Seity. Special Honorary Degrees went to Terry E. Branstad (Governor of Iowa) and Edwin L. Barbour for Doctor of Humanities degree. The services lasted for an hour and the graduates were done and out on their own. There were three-fourths of the 1983 graduating class that had jobs waiting for them. Congratulations Seniors and a job well done.

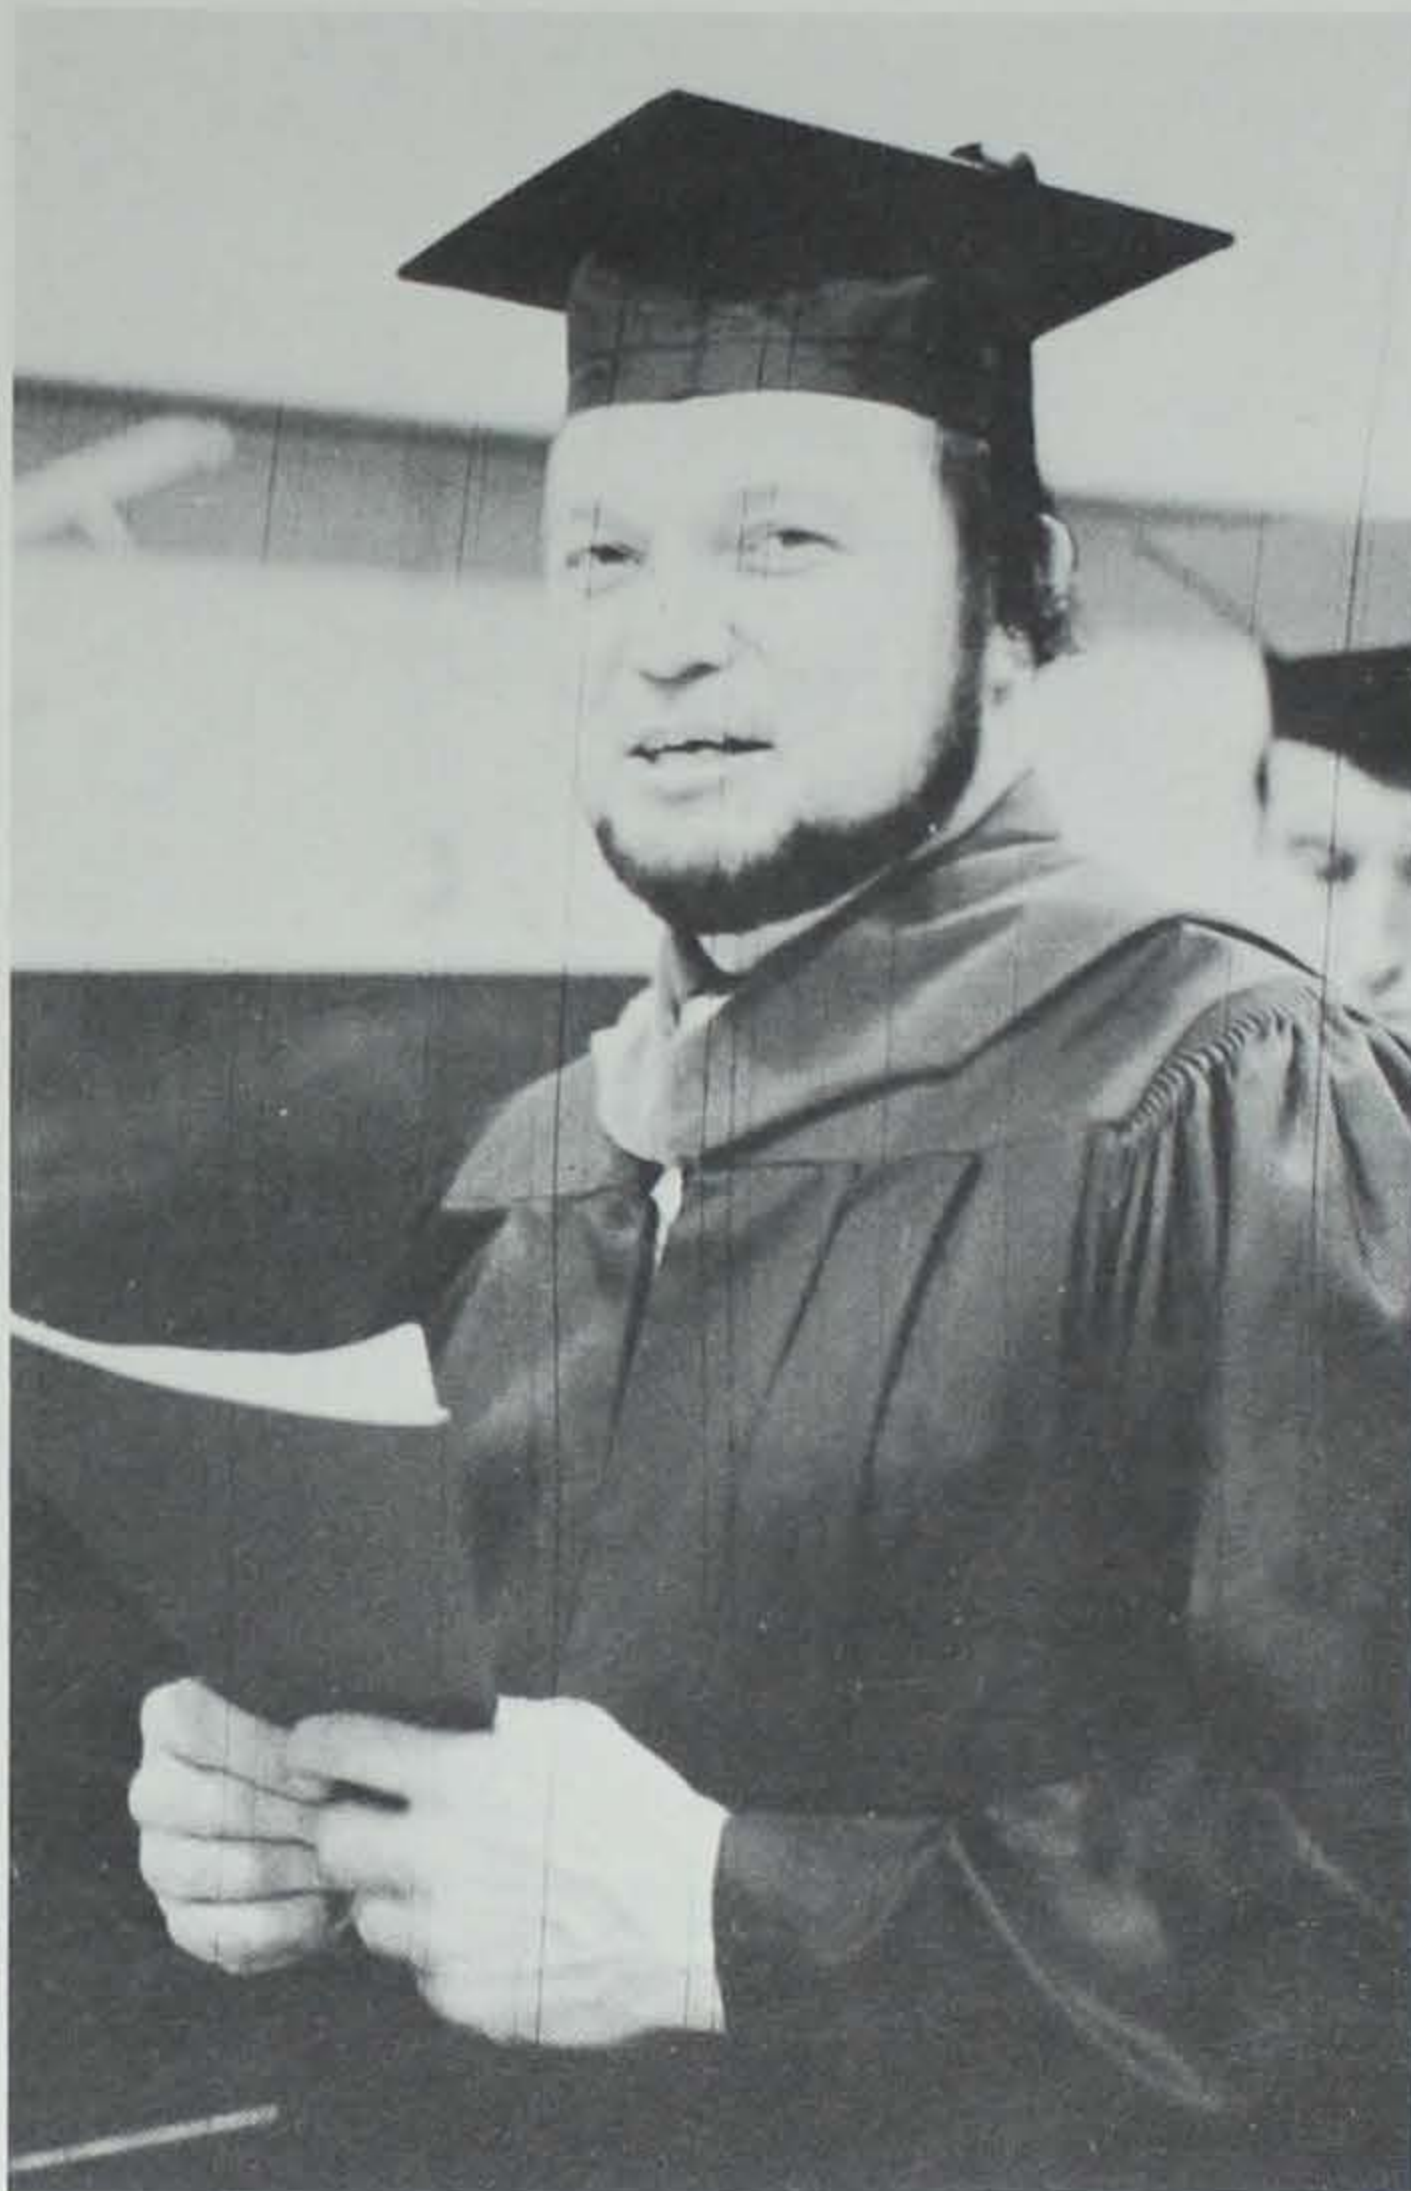

1. Mr. Keller and Mr. Peril. 2. Oh did I do the right thing. 3. Patiently waiting. 4. A couple more hours.

5. Governor Terry E. Branstad. 6. What was the name of that student? 7. I hope Modern Art goes along with my students. 8. Last minute of discussing grades.

Editors Note:

Finally, the finishing touches have been made, the last layout and typesheet done. All pages at last sent in, although past the proposed deadlines. The 1882-83 Beaver Log Yearbook is out. Many long frustrating maddening and fun hours have been passed putting the Log together.

I would like to thank those who put forth the effort and confidence, both moral support and actual working hours, to make The Log a reality.

Naming all who helped on The Log would be impossible, although the Student Senate deserves recognition. Student Senate took the risk and gave 90% of the Finan-

cial backing for The Log.

This is the first Beaver Log published at Buena Vista College since 1978. I feel that an institution of this caliber needs a document, showing the people, places, activities and many accomplishments made throughout its history. The chance for us to look back on our college years and actually see and read about this part of our lives is important.

Please excuse the mistakes made by human error, and enjoy your Beaver Log Yearbook.

Beaver Log Editor,
Susan B. Buske

Alma Mater

Praise to thee, oh Buena Vista
Alma Mater, Dear
All thy Loyal sons and daughters
Do thy name revere.
By the beauteous lake resplendent
Stand thy halls so fair,
Fraught with mem'ries, rich in learning
Rich in friendships rare.
