## 16 Acres of Trees Planted This Year

Davis County farmers planted 16 acres of pine trees this spring, reports Verle M. Arnold of the local Soil Conservation Service office. He said this makes a total of 225 acres of trees planted in the county within the past few years.

Farmers planting trees this spring were: James Olinger, 3,000; Norman Hansen, 5,000; Dr. R. E. Rasmussen, 500; Robert Hockersmith and Dr. James Mincks, 250; and Boy Scouts of Troop 92, 250 at Boy Scout Camp Wapello.

The species planted were red, white, and Austrian pine. Trees were planted at the rate of approximately 1,000 per acre.
