THE 1937 RUDDER

PUBLISHED BY THE STUDENTS

OF

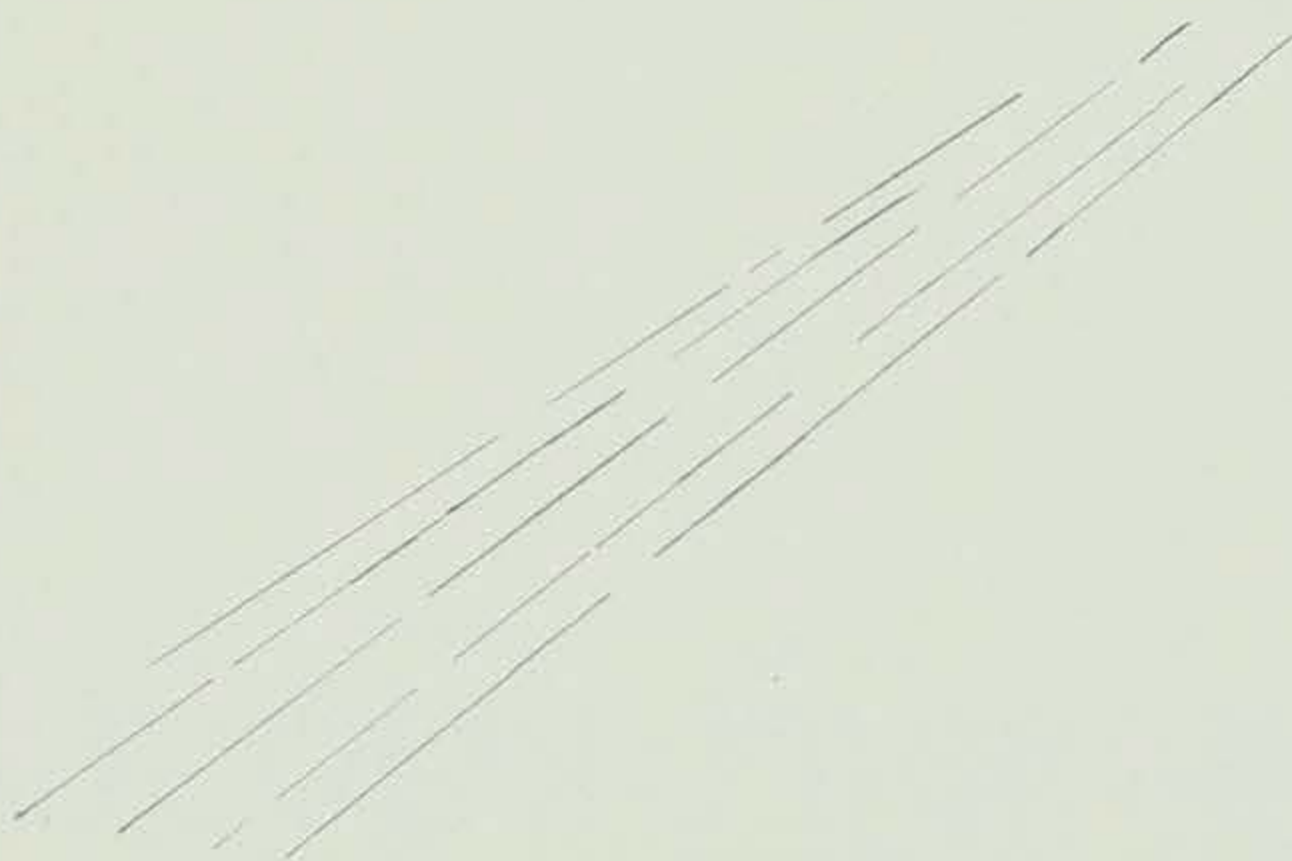

BUENA VISTA COLLEGE

STORM LAKE, IOWA

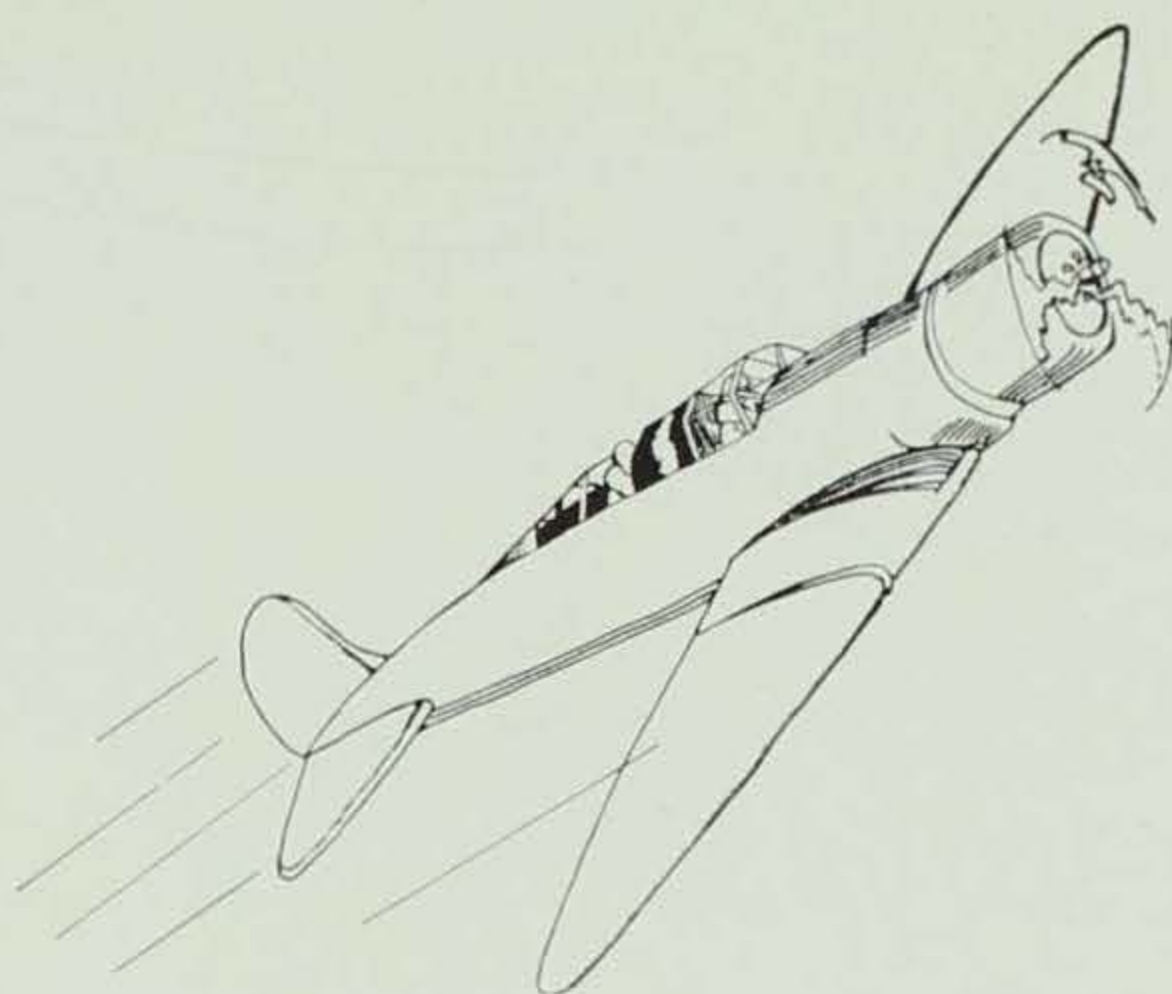

ROBERT H. WESTBROOK

"To live in hearts we leave behind
Is not to die."

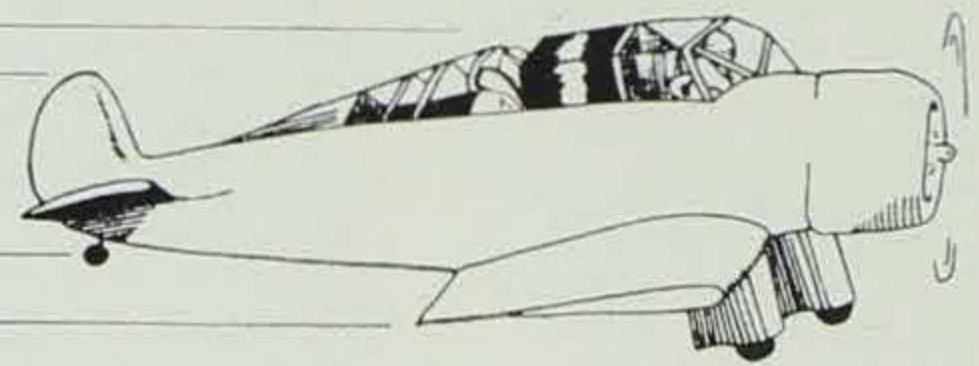

A TRIBUTE

To the memory of Robert H. Westbrook, an
enthusiastic instructor, a sincere and loyal
friend, we dedicate the 1937 Rudder.

May the 1937 Rudder bring to each Pilot and Passenger an appreciation of the pedagogical training, the Christian ideals, and the happy associations of Buena Vista College.

May it serve to perpetuate friendships formed about this port, and bring back reminiscences of joyous days about the hangar.

CONTENTS

BOOK ONE
Pilots

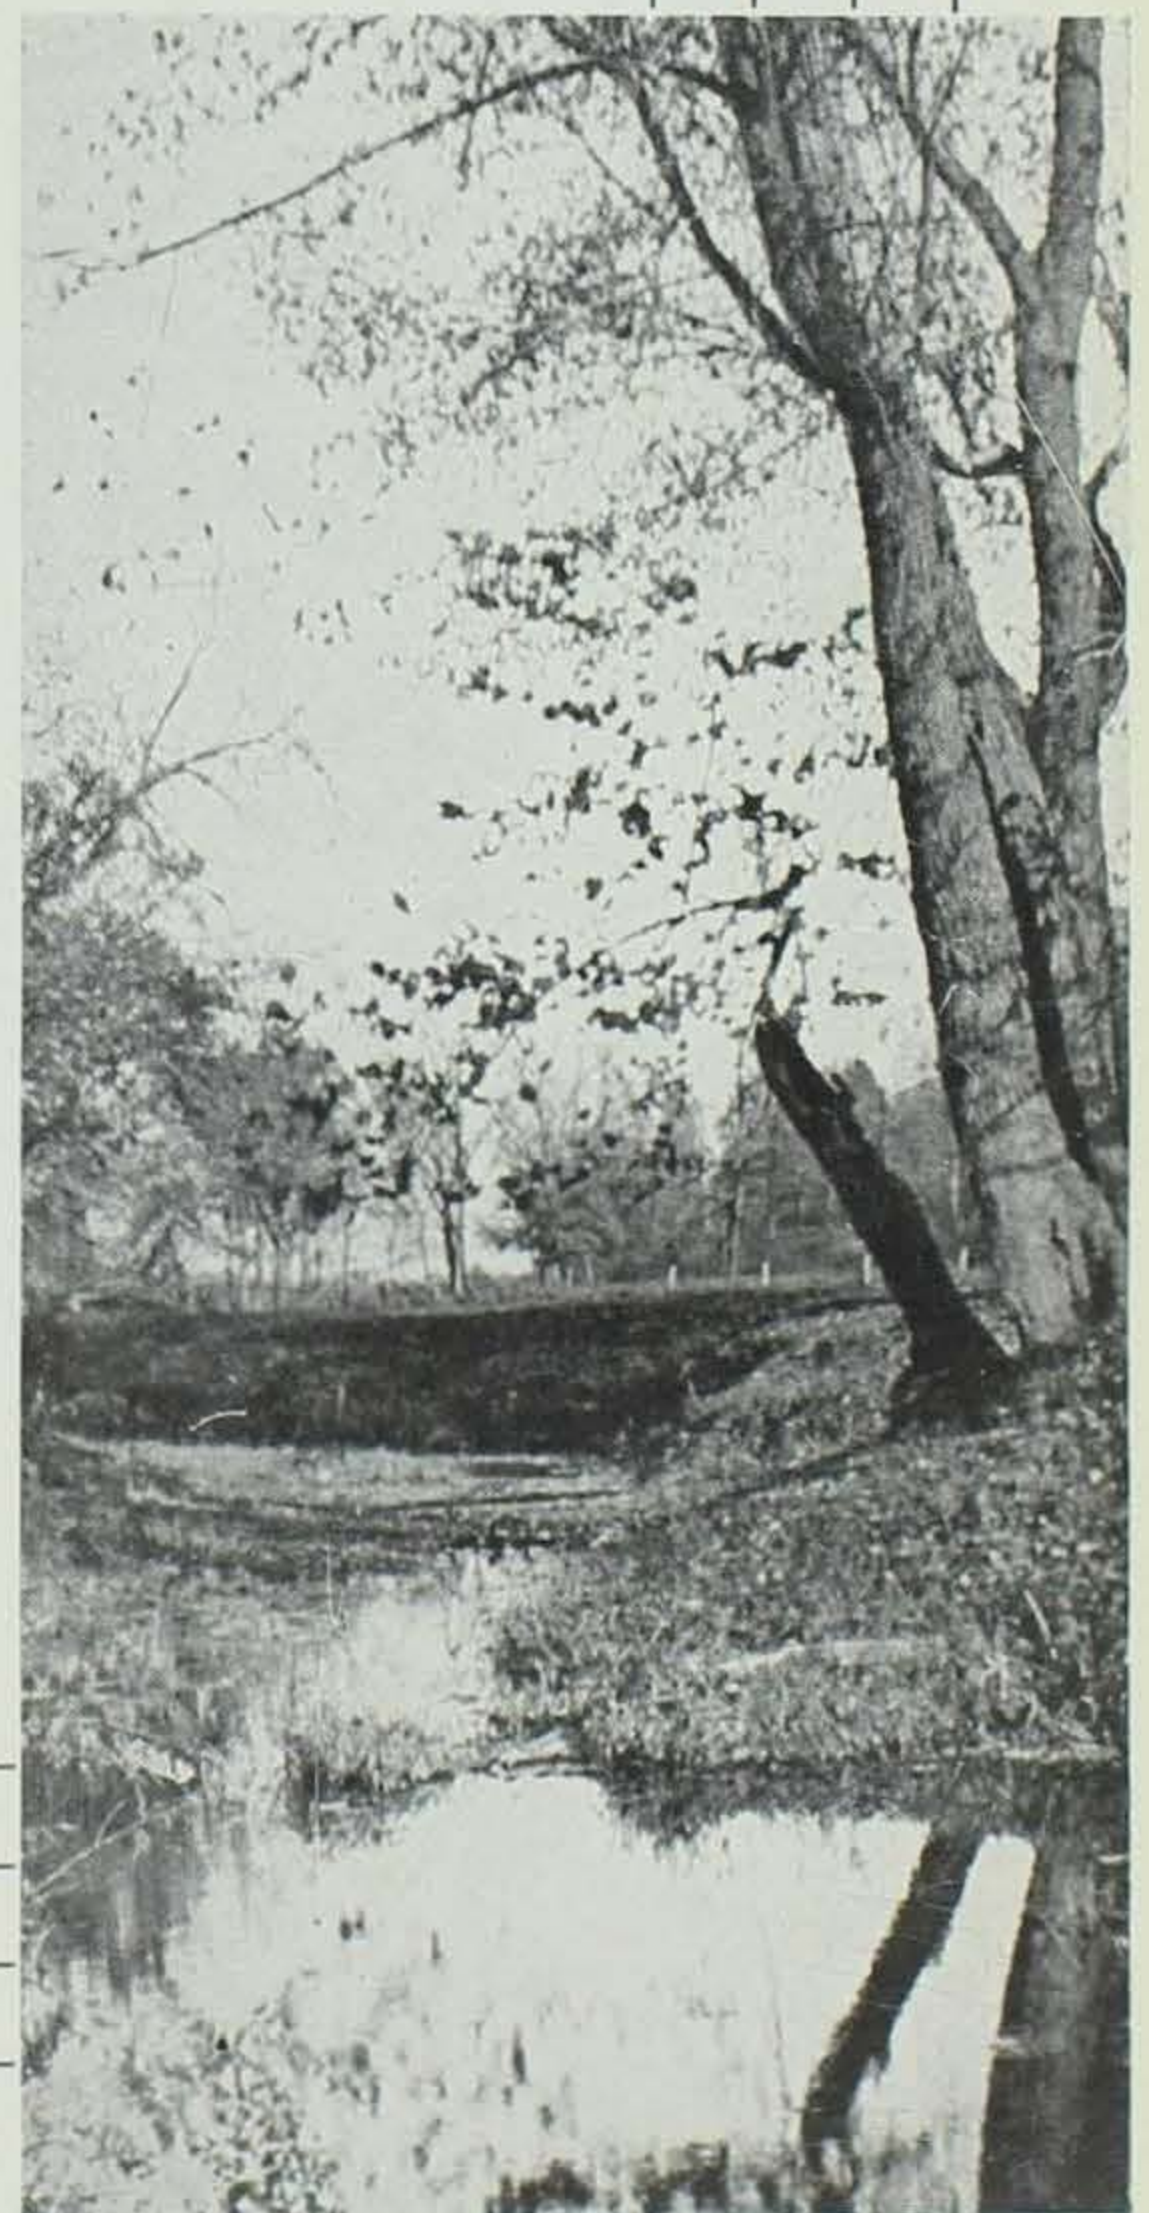

BOOK TWO
Passengers

BOOK THREE
Shipwrights

BOOK FOUR
About-the-Hangar

BOOK FIVE
Sky-Larking

THE LAKE

BOOK ONE

"A spirit conscious of a higher mission
Is usually on the wing."

A pilot must have wisdom, courage, love, and understanding of work and fellowmen to guide his passengers through pathless depths beyond their comprehension. Because of this we liken each instructor to a pilot.

PILOTS

HENRY OLSON, PRESIDENT

B. A., St. Olaf College
M. A., University of Iowa

WALTER A. STEVENSON, M.A., Ph.D., D.D
Dean of Public Relations

BOOK TWO

"We call them flighty, but so are birds and angels,
And every kind of life above the common."

Unhesitatingly, eagerly, confidently the passengers gather regularly in the great ship to zoom through realms of knowledge. The route is straight but there are many landings. The port of graduation is the reward of the patient traveller.

The old saying that a sophomore can be recognized anywhere by his cocky manner is not to be disputed at Buena Vista. However, we feel assured that we have something to be cocky about. In numbers we are legion, with nearly one hundred strong (?) and able (?) members. We keep mentally and physically fit by putting the freshmen in their proper place. Our star shines brightest in athletics. In the past season, ten of the football lettermen and four of the basketball quintet came from our ranks. Equally representative are we in other activities and scholastic achievements.

*You can always tell a Senior,
he is so sedately dressed;
You can always tell a Junior,
by the way he swells his chest;
You can always tell a Freshie,
by his greenish looks and such;
You can ALWAYS tell a Sophomore,
but you can not tell him much!*

CLASS HISTORY

On September 14, 1936, the largest freshman class in the history of Buena Vista College was registered. The number neared two hundred, and the second semester found additional students added to our class.

Among the first activities of the year were the freshman "Mixer" held at the home of President Olson and the Homecoming parade in which the freshman class was well represented.

Freshmen were active on the gridiron, the basketball floor, and in the track line-up, as well as making up over half the membership of the band and choir. Every play produced this year has had some members from our ranks in its cast of characters and production cast.

As a class we sincerely hope that we will be of value to our Alma Mater and keep up its reputation as an active and growing college.

BOOK THREE

"We man the rudder and reef the sail,
And test the ship for the stress of the gale."

The shipwright tests and overhauls; he works in terms of the future when the ship will make its flight in safety. The athlete trains for the race that will be. He is a determinant in the standing of his school as much as the instructors or scholastic achievements.

SHIPWRIGHTS

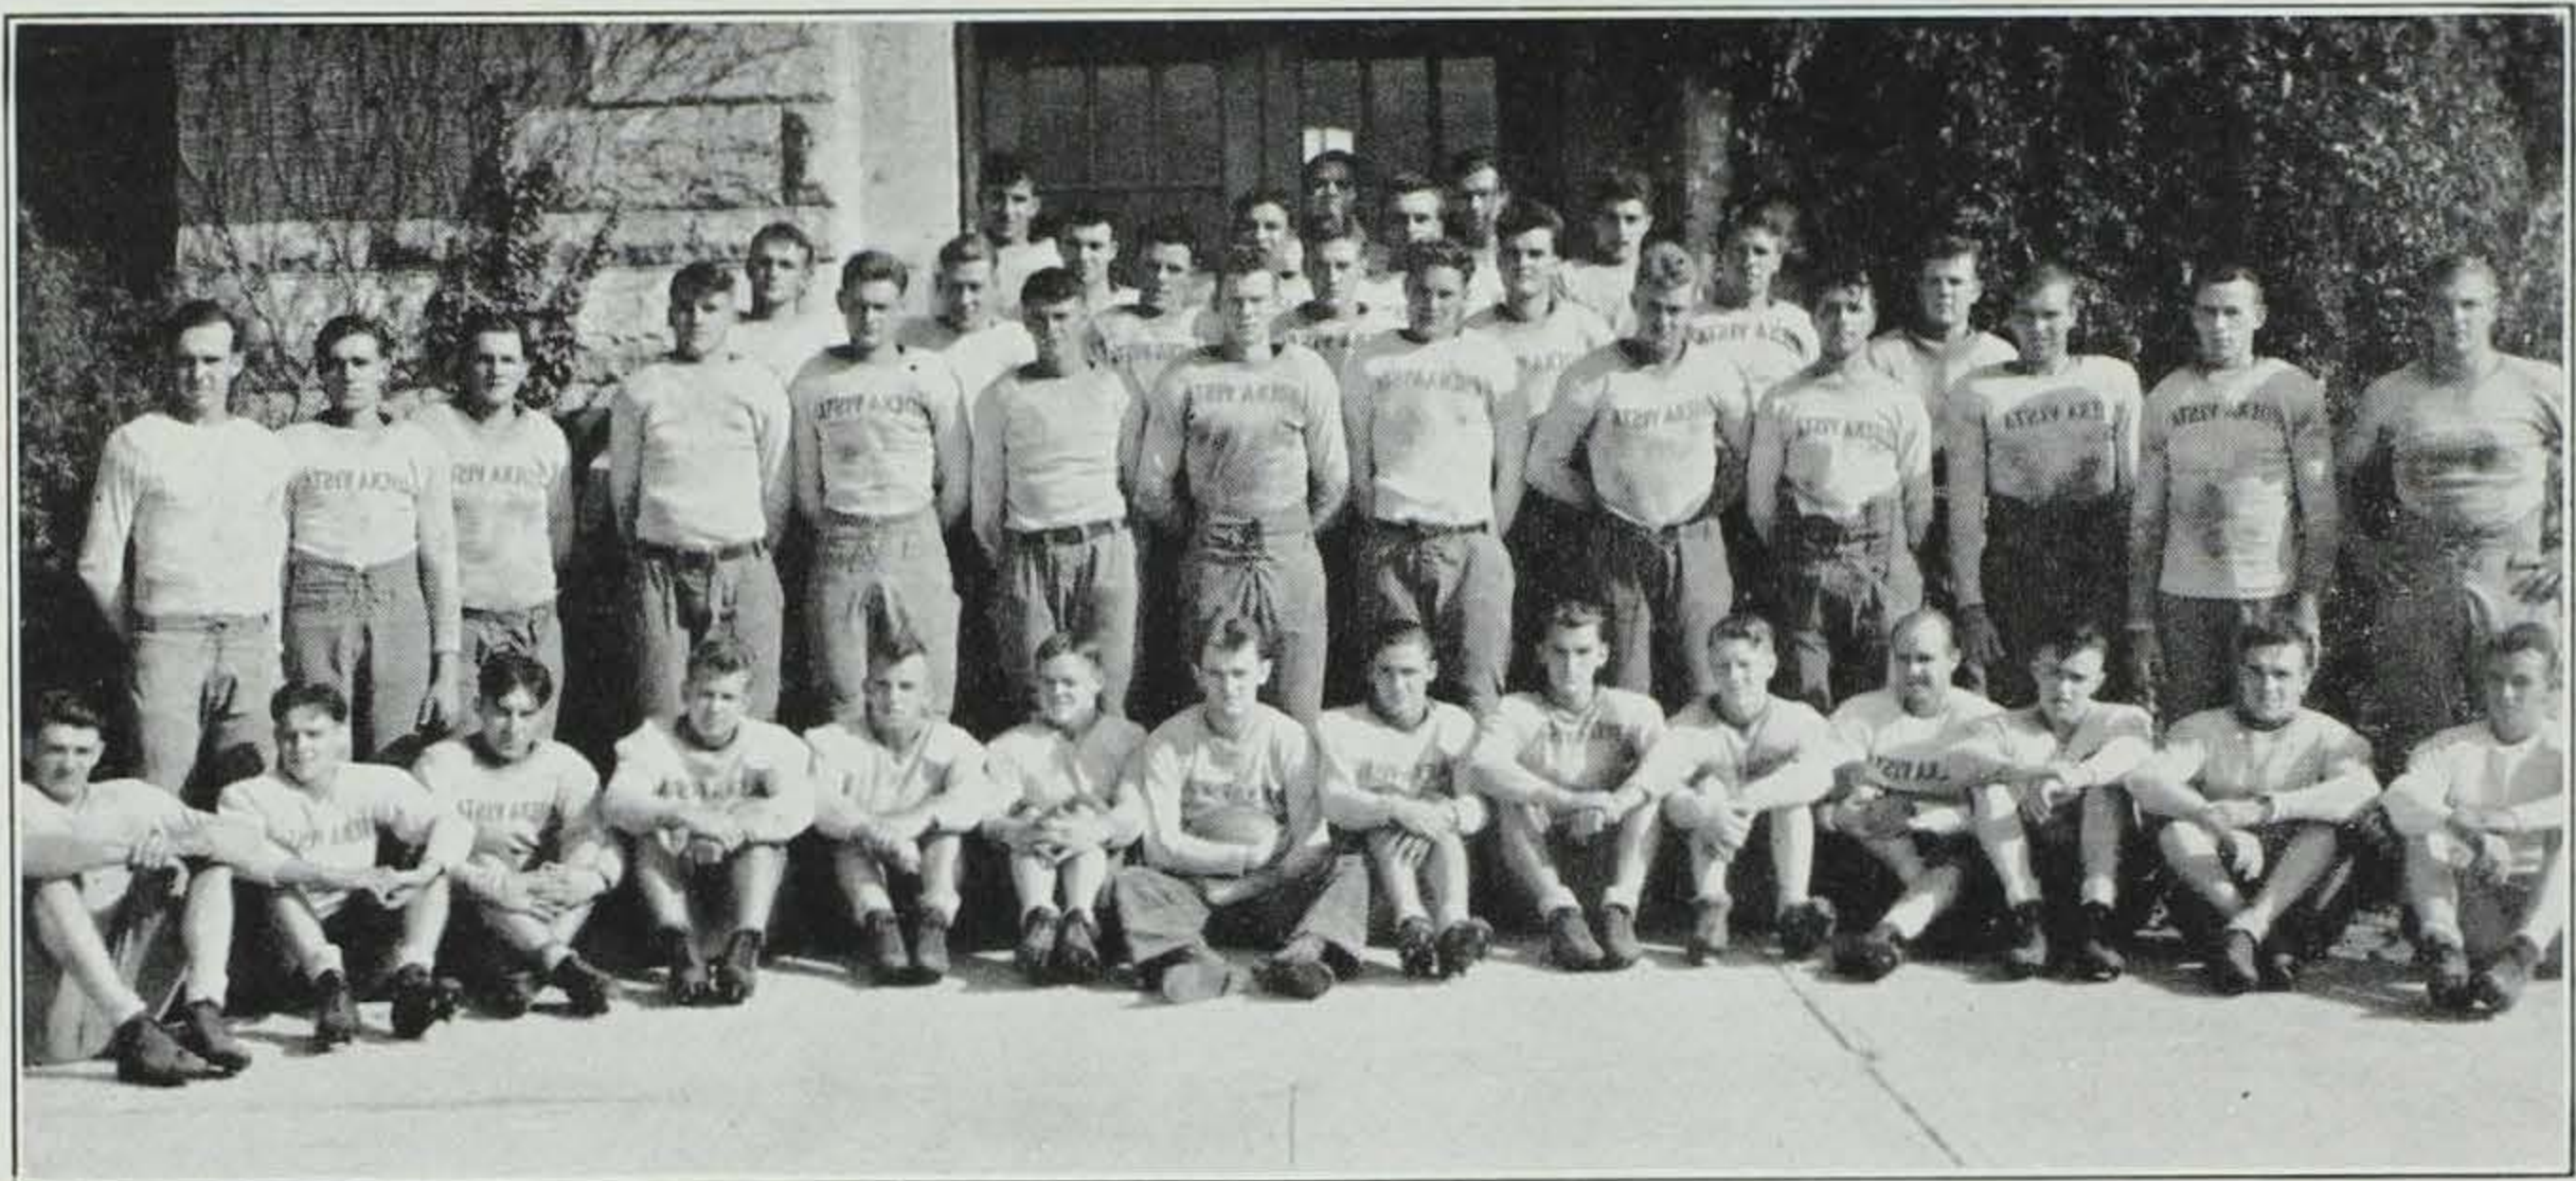

ALBERT L. DALLAGER

Albert L. Dallager, director of athletics and head coach at Buena Vista, was graduated with an A.B. degree from Coe College in 1926. While attending Coe he played on conference championship football and basketball teams. He received his M.A. degree from the U. of Iowa with a major in physical education.

Every year Buena Vista fans are optimistic about the football team's chances for an Iowa Conference championship, but this year's prospects were even brighter until injuries and ineligibility hampered the squad. However, aided by the largest squad in the history of the school, the Beavers won five out of six conference games and two out of three non-conference games.

After a slow start the basketball team finally ended the conference season winning six and losing five for a percentage of .545.

Under his able guidance we are sure Buena Vista will keep its present high prestige in athletic circles.

THE SQUAD

BUENA VISTA 8—DAKOTA WESLEYAN 6

The 1936 edition of the Dallager football machine opened its war campaign with an 8 to 6 victory over the strong Dakota Wesleyan eleven on September 18.

Behind for nearly three quarters, by a score of 6 to 2, the Beavers put on the steam in the waning minutes of the final period to push over a touchdown for a two point victory margin.

This game served notice to Beaver opponents that they were strong and needed only a little polishing to make them a really great scoring machine.

BUENA VISTA 6—CENTRAL 7

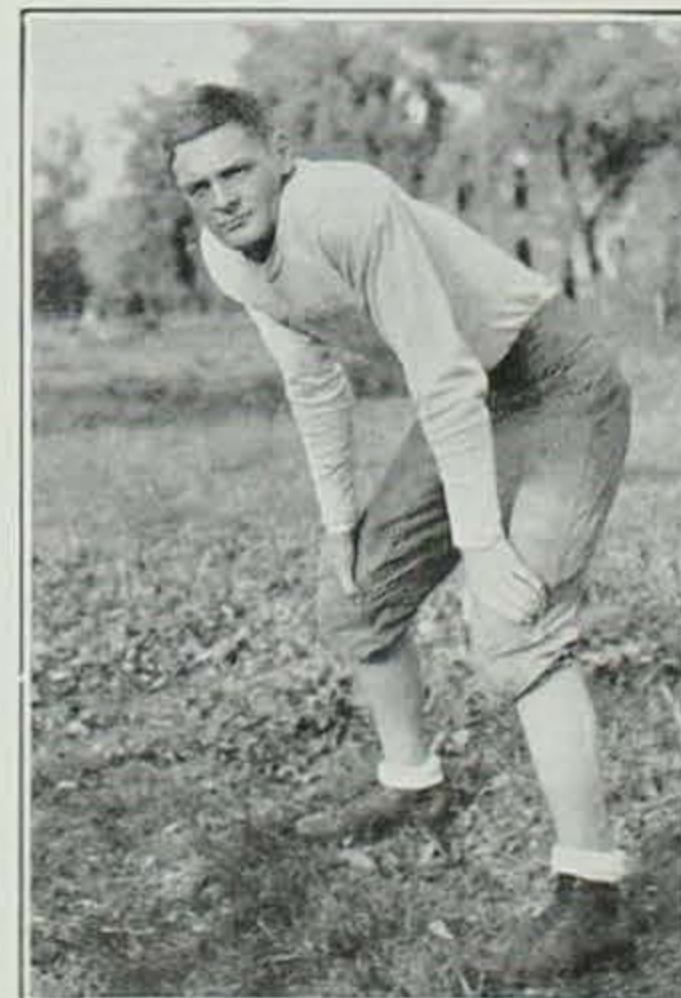

Buena Vista opened her conference competition against the Central College Dutchmen on the latter's home field. It was a thrilling game with B. V. emerging on the short end of a 6 to 7 score.

Central started strong, and by unleashing a series of bewildering spinner plays were able to score early in the first period in spite of stubborn resistance on the part of the Beavers.

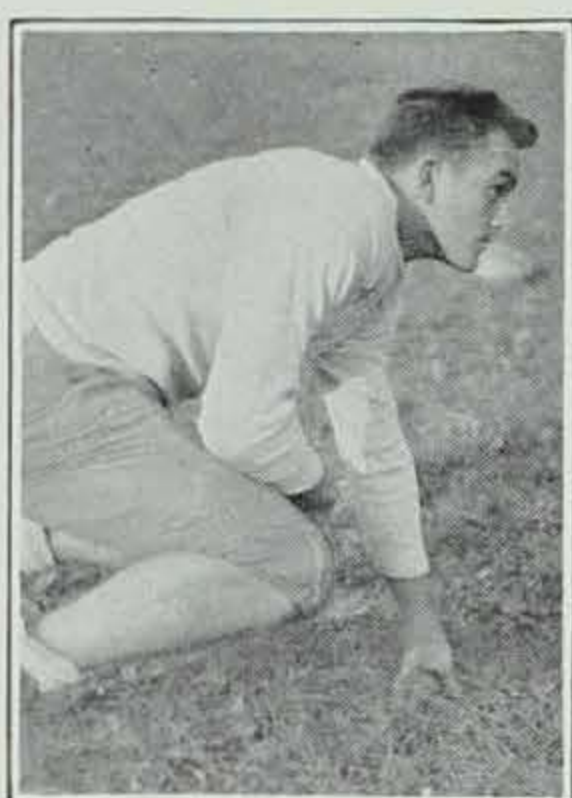

In the final period the beavers bottled up the Dutchmen offensively and defensively and finally scored a touchdown on a perfect pass play. Late in the same period the Dallagermen recovered a Central fumble and carried it to within inches of the coveted chalk line only to be frustrated by the referee's pistol.

Prentist Jones, of Cherokee, was elected captain of the 1936 football machine at the close of the season in tribute to the valuable services he rendered during the campaign.

Jones played at quarter and was one of the best passers in the Iowa Conference. His reputation as a pass heaver won him a berth on the all-conference alternate eleven.

PRENT

VAN

ALL CONFERENCE GUARD

Don Van Peursem was honored by being placed on the All Conference team at the close of the 1936 season. An end on last year's team, Don was moved into the guard position this fall and played brilliantly at that position.

Van is rugged and fast, making him the type of player that fits into the system used by the Beaver mentor. Van has two years left at the Beaver school.

BUENA VISTA 25—PENN 0

Buena Vista fans saw a display of aerial fireworks October 2, as the Beavers bore down on the Penn Quakers burying them under a 25 to 0 score. Jones' passing arm was the big factor in this victory. He also contributed six points when he took a punt in mid-field and streaked down the sidelines for a touchdown. Perfect blocking aided Jones on this run.

The Beaver goal was never in danger during this contest. The result was cheering to the pessimistic Dallager.

BUENA VISTA 20—UPPER IOWA 0

The Beavers won their third victory in four starts by demolishing Upper Iowa University, 20 to 0, on October 9th. The Beavers' first touchdown was the result of a pass Jones to Layman. Caviness converted from placement. The final scoring took place in the fourth period when the Dallagermen completed the rout of the big team from Fayette. The game was slowed up by the frequent injury of Upper Iowa players.

THE PLUNGER

Playing his last year for his alma mater, Scott Keister gave his best and was rewarded by being placed at the fullback position on the All Iowa Conference Team. His line plunges made him great.

Kiester is big and fast, a plunger and a great pass snagger. He will be missed next season.

SCOTT

BUENA VISTA 0—AUGUSTANA 20

The Beavers saw their hopes for an upset victory go glimmering October 16, 1936, as they took a beating from the Augustana Vikings at Sioux Falls, South Dakota. The score: Vikings 20, Beavers 0.

The Beavers held the South Dakota champions scoreless during the first period but were soon buried by repeated scores on the part of the Vikings. It was Augustana's day!

BUENA VISTA 13—WESTERN UNION 7

Buena Vista won a close one on October 24th. It was Homecoming for the Beavers and their opponents were Western Union gridders. The score: B. V. 13, W. U. 7.

Western Union scored first after a poor punt had put the ball in their possession on the B. V. 22 yard stripe. The try for point was good. Score: B. V. 0, W. U. 7.

In the second half the Beavers came back to score against the Golden Eagles and then tie the score when Caviness sent the ball between the uprights for the extra point. From that time until late in the game both teams tried hard to break the deadlock but failed. Finally the break came, and the Beavers forged ahead on a beautiful pass Jones to Keister. Score: B. V. 13, W. U. 7.

BUENA VISTA 8—DUBUQUE 6

Dallager's gridders spoiled the day for old Dubuque grads by winning the Dubuque Homecoming game 8 to 6. The game was played under most unfavorable weather conditions. In fact that final October Saturday offered weather that upset many favored teams.

Dubuque scored her points on a long run for a touchdown early in the game.

The Beaver points came as the result of a touchdown and a safety.

BUENA VISTA 12—WAYNE NORMAL 0

Buena Vista met and defeated Wayne Normal 12 to 0 on an icy wind-swept field November 7th. It was more of a victory than the score indicates. Buena Vista piled up a total yardage of 326 against 124 for their opponents.

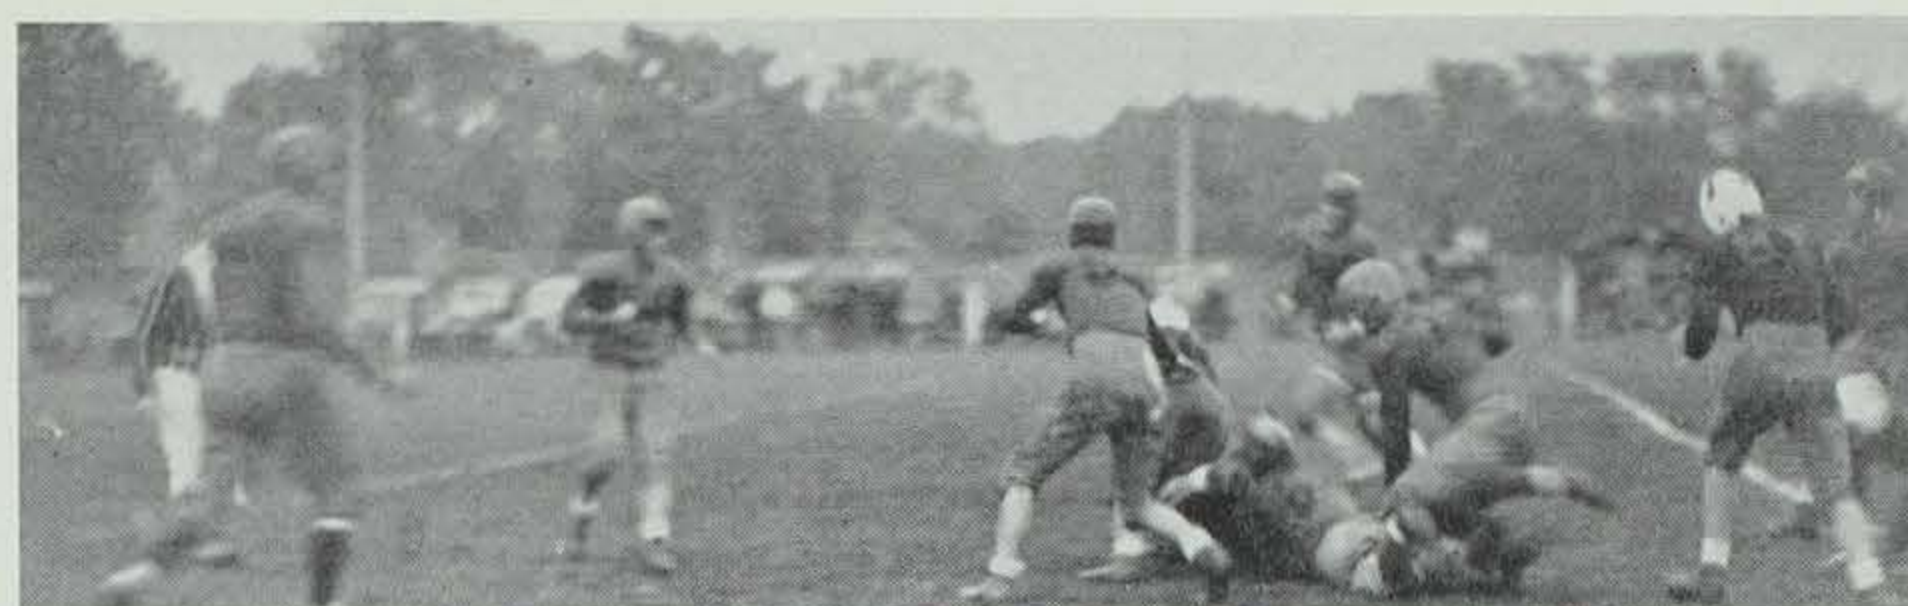

BUENA VISTA 20—WARTBURG 0

The last game of the season was played on the Wartburg College gridiron Armistice Day, B. V. winning 20 to 0.

After a slow start in the first half, the Beavers came back to push over a touchdown in the third period thereby breaking the scoreless deadlock. A little later Keister cut through tackle and raced 60 yards behind good blocking for a touchdown. Doherty converted.

Jones took the ball on a lateral pass from Keister in the final period and carried it over for the final Beaver touchdown of the 1936 season.

Beavers pound Wayne's goal line

Buena Vista triumphs over Upper Iowa
20-0

In the final football meeting of the grid season, Coach Al Dallager recommended that twenty-six football players receive varsity letters.

Heading the list of the major letter winners are two seniors, Scott Keister of Goldfield, and Cullen B. Roe of Afton.

The juniors to receive awards are Harold Nitzke of Storm Lake, Richard James of Storm Lake, Lee Ellis of Spencer, Darwin Friedlund of Linn Grove, Mike Caviness of Greenfield, and John Stock of Marathon.

Six sophomores, Don Van Peursem of Orange City, Lyle Rubis of Terril, Ralph Layman of Terril, Wilmer Peck of Meriden, Marion Evans of Glenwood, and George Cornell of Greenfield.

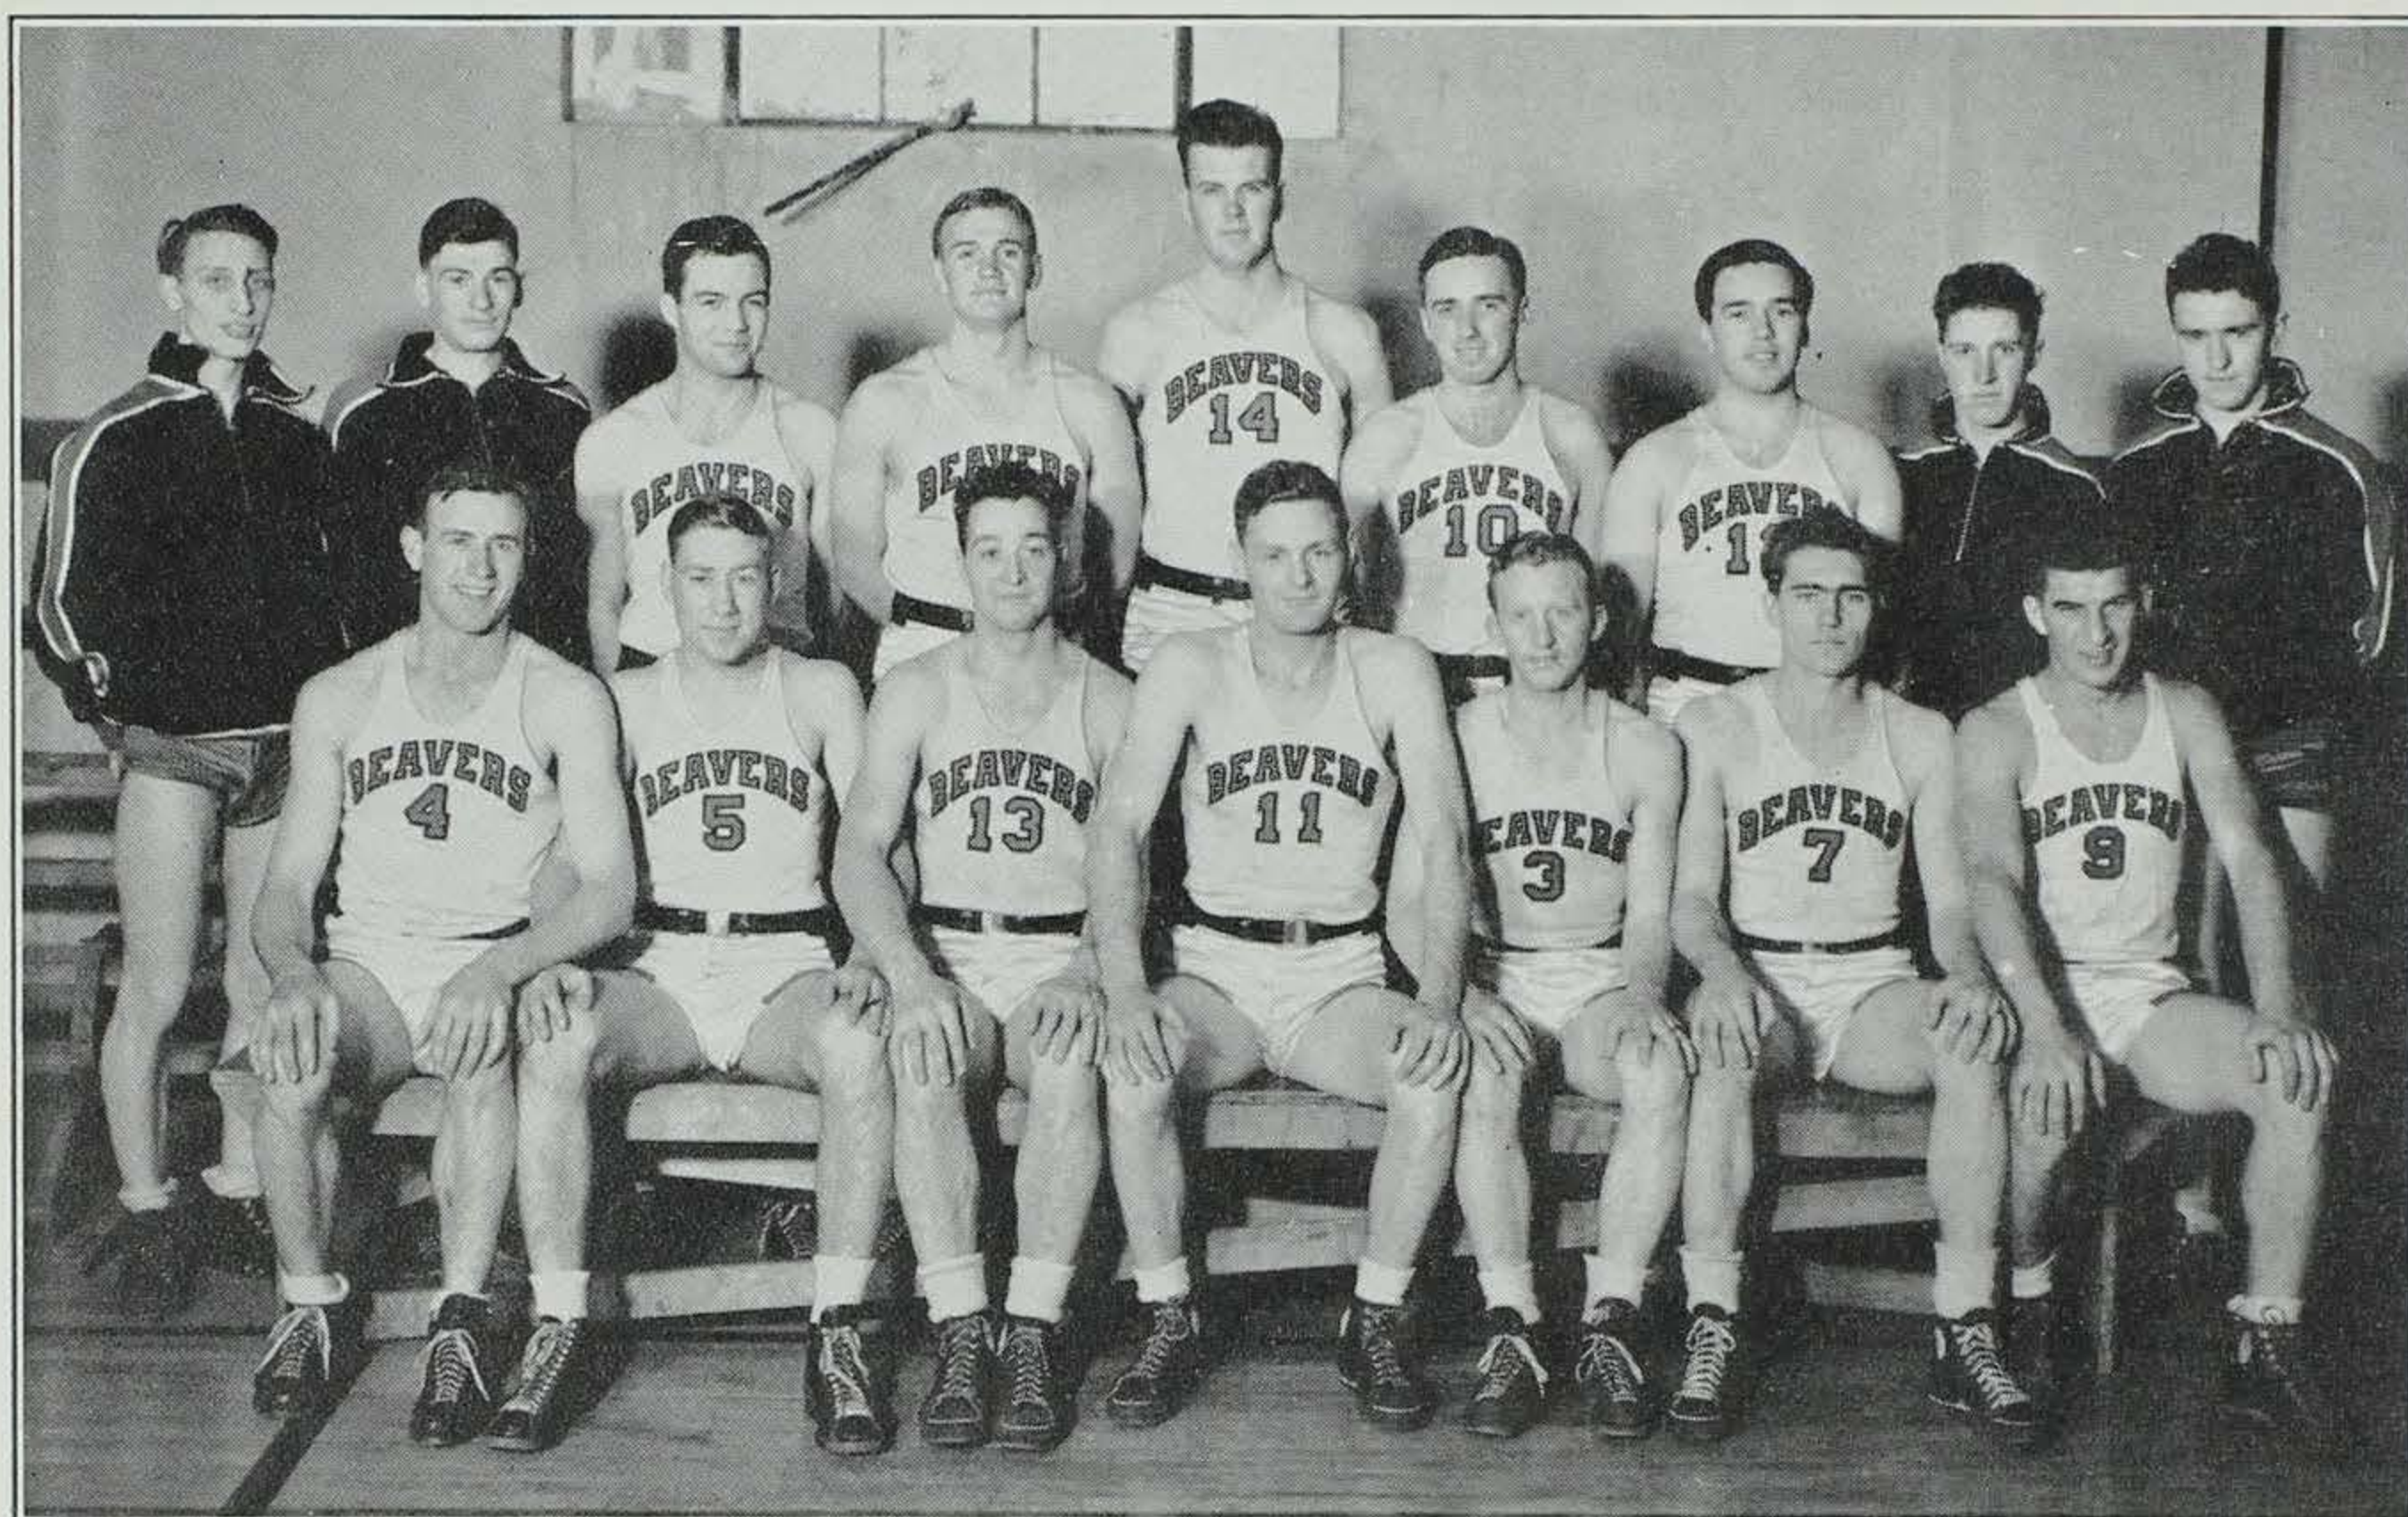

The freshmen letter winners are Bob Shirley of Perry, Bob Kolb and Herb Thayer of Storm Lake, Victor Lee and Max Blair of Logan, Gerald Taylor of Terril, Dick Fuller of Spencer, Louis Nagl of Carroll, Earl King of Albert City, and Harry Emery of Manilla.

There were nine winners of minor awards: Ross Edwards of Marion, Burdette McKinnis of Aurelia, Gerald Holaday of Greenfield, Waldo Lind of Denison, Keith Chase of Villisca, Art Hudek of Pocahontas, Art Sutton of Des Moines, Dale McIntosh of Cleghorn, and James Doherty of Arnolds Park.

Of the entire group of letter winners, the Beavers will lose only three by graduation: Keister, Roe, and Hudek.

BASKETBALL

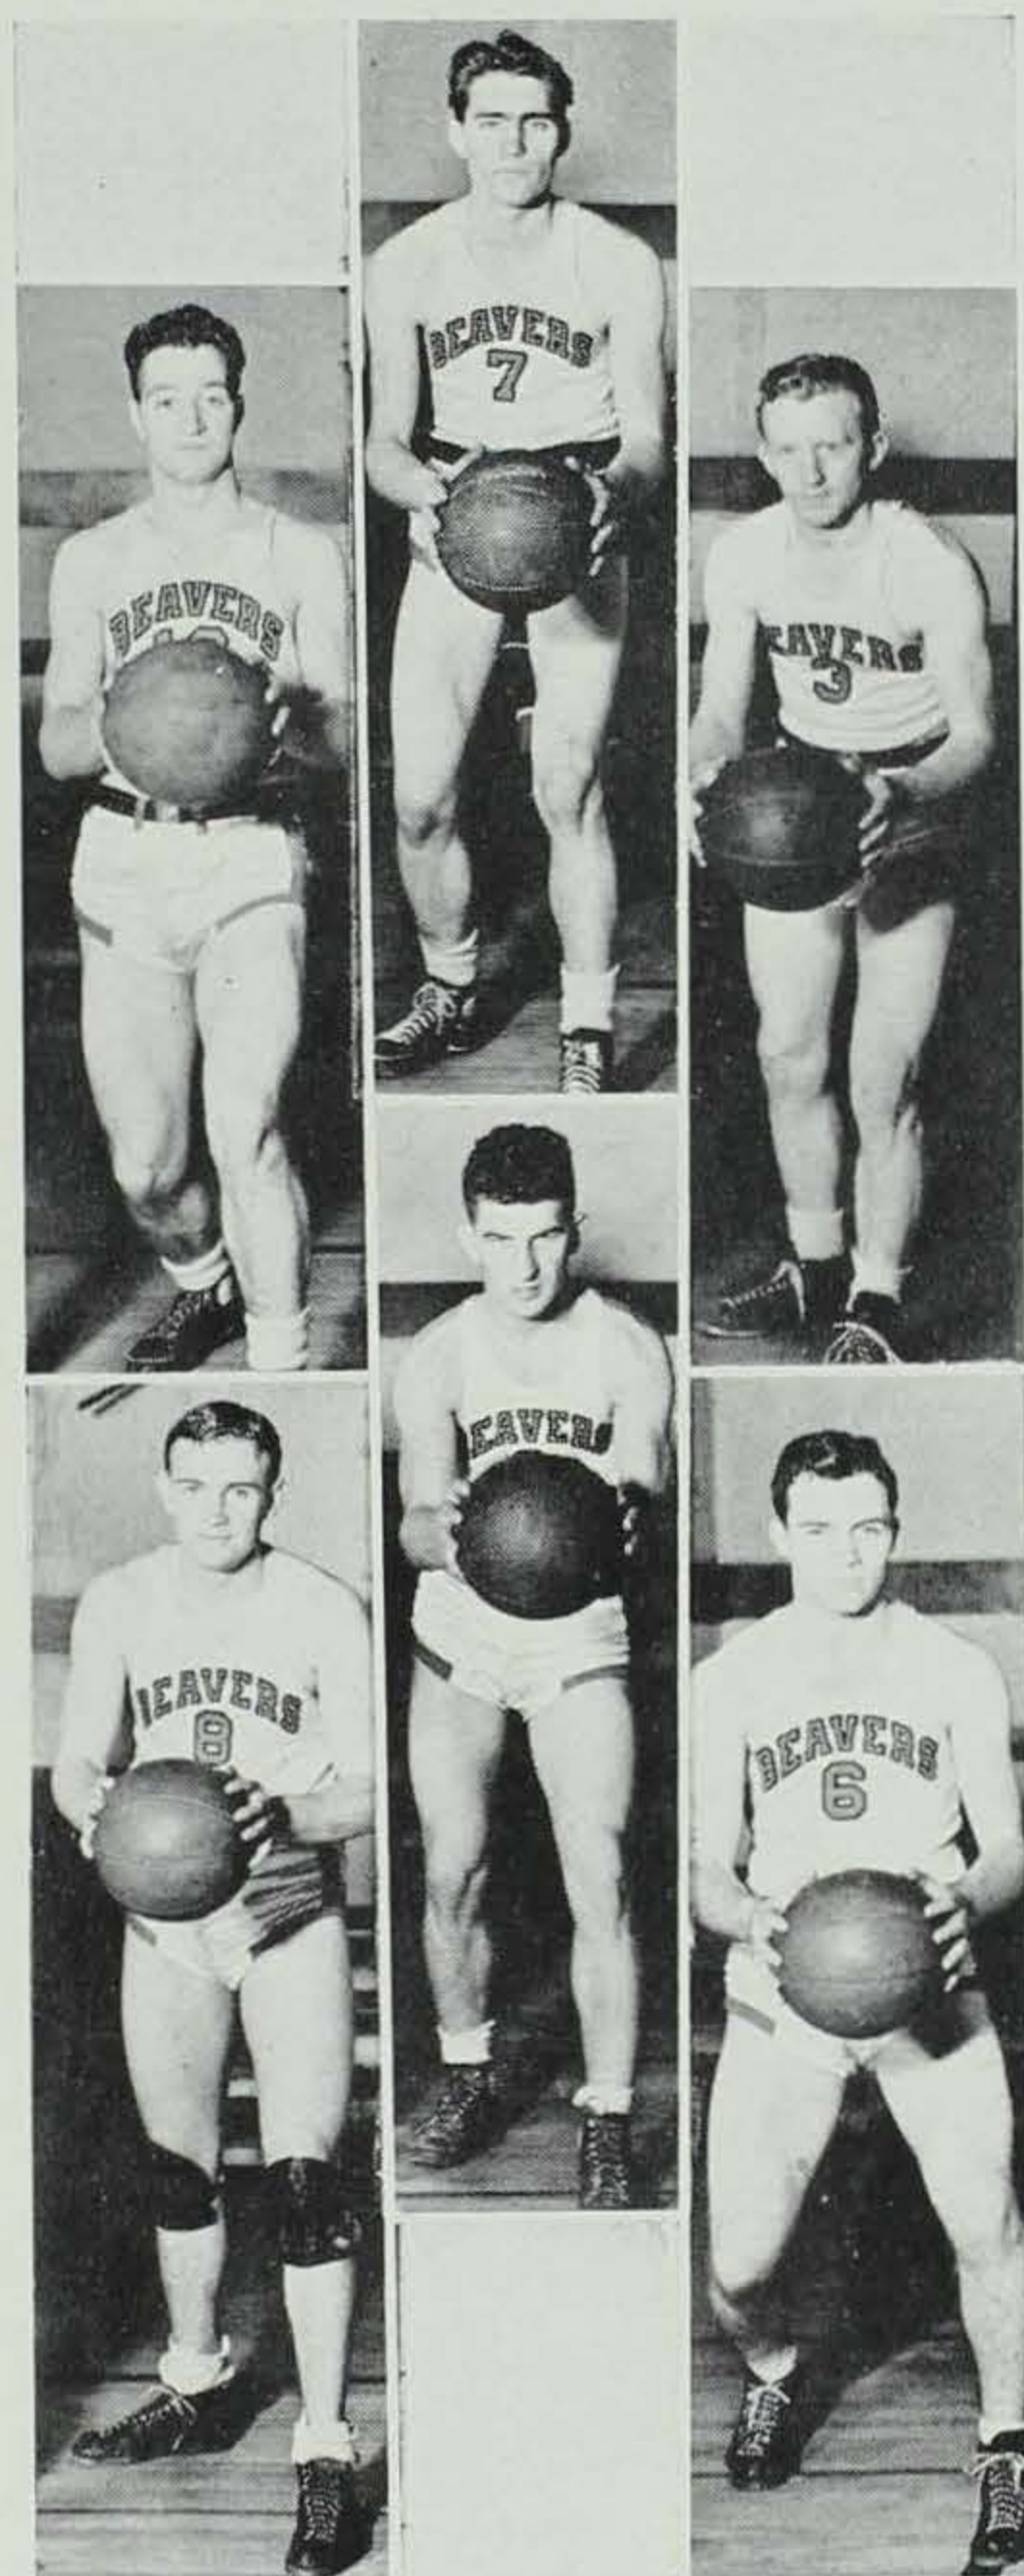

Buena Vista opened the 1936-1937 basketball campaign at Manson, December 1st, playing the world famous Globe Trotters. The Globe Trotters lived up to their advance notices by easily beating the Beaver Cagers 45 to 33. In a return game a few days later the Professionals again subdued Buena Vista but this time the scoring was more even, the score 45 to 43.

Buena Vista met Western Union in the first conference game just before the Christmas holidays. Handicapped by the illness of Layman, high scoring center, the Beavers were unable to stop the sharp shooting Golden Eagles and Buena Vista lost 34 to 31.

After the holidays the Beavers, attempting to get into stride for the conference race, were stopped short by a quintet from Hastings in the College tournament at Morningside. The setback was only momentary, however, for Daller's cagers won one a little later from the formidable Upper Iowa team by a score of 29 to 27.

A few days later, finishing up a road trip Buena Vista met the strong Luther team on their own floor. The Beavers fought hard but were unable to stop the barrage of baskets and were finally beaten 33 to 20.

Back on the home floor the Beaver's floor game suddenly began to click and Buena Vista fans hopes rose as Dubuque was buried under a 55 to 38 score.

Lyle Rubis, a mighty mite, was one of the outstanding cogs in the Beaver Quintet. Playing as an alternate guard he covered himself with glory.

"Chick" Evans played a strong game at forward, and was responsible for many of the points scored by the fighting Dallagerites.

Cuddy playing at forward was fast and elusive. A clever floorman and a consistent hoop finder best describe him as a player.

"Bud" Nitzke, small but plenty fast, played a very fine game at one of the guard posts.

"White Cloud" Layman, one of the cleverest centers in the league, was the high point man and the most deceptive of the ball handlers.

Max Blair, playing in the role of a reserve, helped to pull several of the tight ones out of the fire for his mates.

Hopes for revenge on Western Union for a previous beating remained unfulfilled when the Golden Eagles smothered the Buena Vista offense long enough to spell defeat for the Beavers 44 to 51.

Buena Vista met Penn next and had no trouble keeping ahead all the way, finally winning 39 to 22. Wartburg, a newcomer in conference, proved tougher than expected but Buena Vista took command of the game in the final quarter and won by a score of 46 to 37.

Buena Vista cagers were the favorites when they met Penn on the Quakers' own floor, but Penn staged a determined drive in the last half to nose out the Beavers by three points.

Stung into action by the unexpected defeat at the hands of the Quakers, Buena Vista fought out a hard game with Wartburg and emerged with a 56 to 39 victory. Ralph Layman, high scoring Beaver center, boosted the team to victory by counting 27 points.

Buena Vista finished the season satisfactorily by winning a fast hard fought game from Upper Iowa. Upper Iowa staged a rally late in the third quarter but Buena Vista came back in the final minutes to outscore the Peacocks. The final score stood at 30 to 26.

BASKETBALL SCHEDULE

BASEBALL

The spring of 1937 witnessed the debut of Buena Vista as a baseball school. Under the efficient tutelage of Coach Dallager, B. V. has been able to turn out a very formidable baseball squad.

The team's power is still an unknown quantity. However, there is reason to feel sure that the Beavers will be far from a pushover for any team in the league.

SCHEDULE

April 30	Western Union here (Double-header)
May 6	Upper Iowa at Fayette
May 7	Wartburg at Wartburg
May 8	Columbia at Columbia
May 14	Wartburg here
May 19	Western Union at LeMars (Double-header)
May 28	South Dakota there (Tent.)

TRACK

Buena Vista's 1936 track team, consisting mainly of two relay teams, got off to a good start April 10, when the whole squad journeyed to Estherville for a practice meet with the junior college. It was a walk-away for the Beavers in the track events as Dallager's pupils scored a first and second in the hundred-yard dash, a first, second, and third in the 220-yard dash, first and second in both the mile and half mile run, and walked away with the relay events. In the hundred, Edson beat out a teammate, Chaim, to win in the fair time of 10.3. Cottingham captured the 220 in 23.5, closely trailed by Edson and Chaim. Jones had no trouble winning the 440-yard dash and the distance men, Crabb, Rubis, and Bennett outran all competition.

Buena Vista was less fortunate in the field events, failing to capture any firsts and placing in only the javelin, high jump and discus.

The Buena Vista track team suffered a severe set-back when Caviness, veteran dash man, injured his leg so severely during the hundred-yard dash that his able services were lost for the remainder of the season.

April 23, Buena Vista entered two teams in the Drake Relays. The half-mile team composed of Edson, Chaim, Layman, and Cottingham, nosed out Simpson, by five-tenths of a second for a first in the Iowa Conference division. The mile relay team made up of Edson, Peck, Jones, and Cottingham, was lost in the scramble during the first lap, but began to come to the front in the second lap. A brilliant race by Jones put the Beavers in third place and Cottingham made a desperate attempt to pass the leaders in the home stretch, but failed by two yards.

The next Saturday, Buena Vista, fresh from the triumph at the Drake Relays, attended the Sioux Falls Relays. Fighting the cold wind, a soft track and that old bugaboo, over-confidence, Dallager's runners failed to show their former speed, and were unable to place in the competition.

On May 24-25, the Beaver squad competed in the Iowa Conference track meet held at Simpson College. Preliminaries were held on May 24, and two sprinters, Cottingham and Edson, qualified for the finals in the hundred-yard dash.

The following day the Beavers, competing against the best track teams in the conference, were able to accumulate ten points for sixth place in the conference. Cottingham placed third in the hundred-yard dash and second in one heat of the quarter mile while Edson took second place in another heat of the 440.

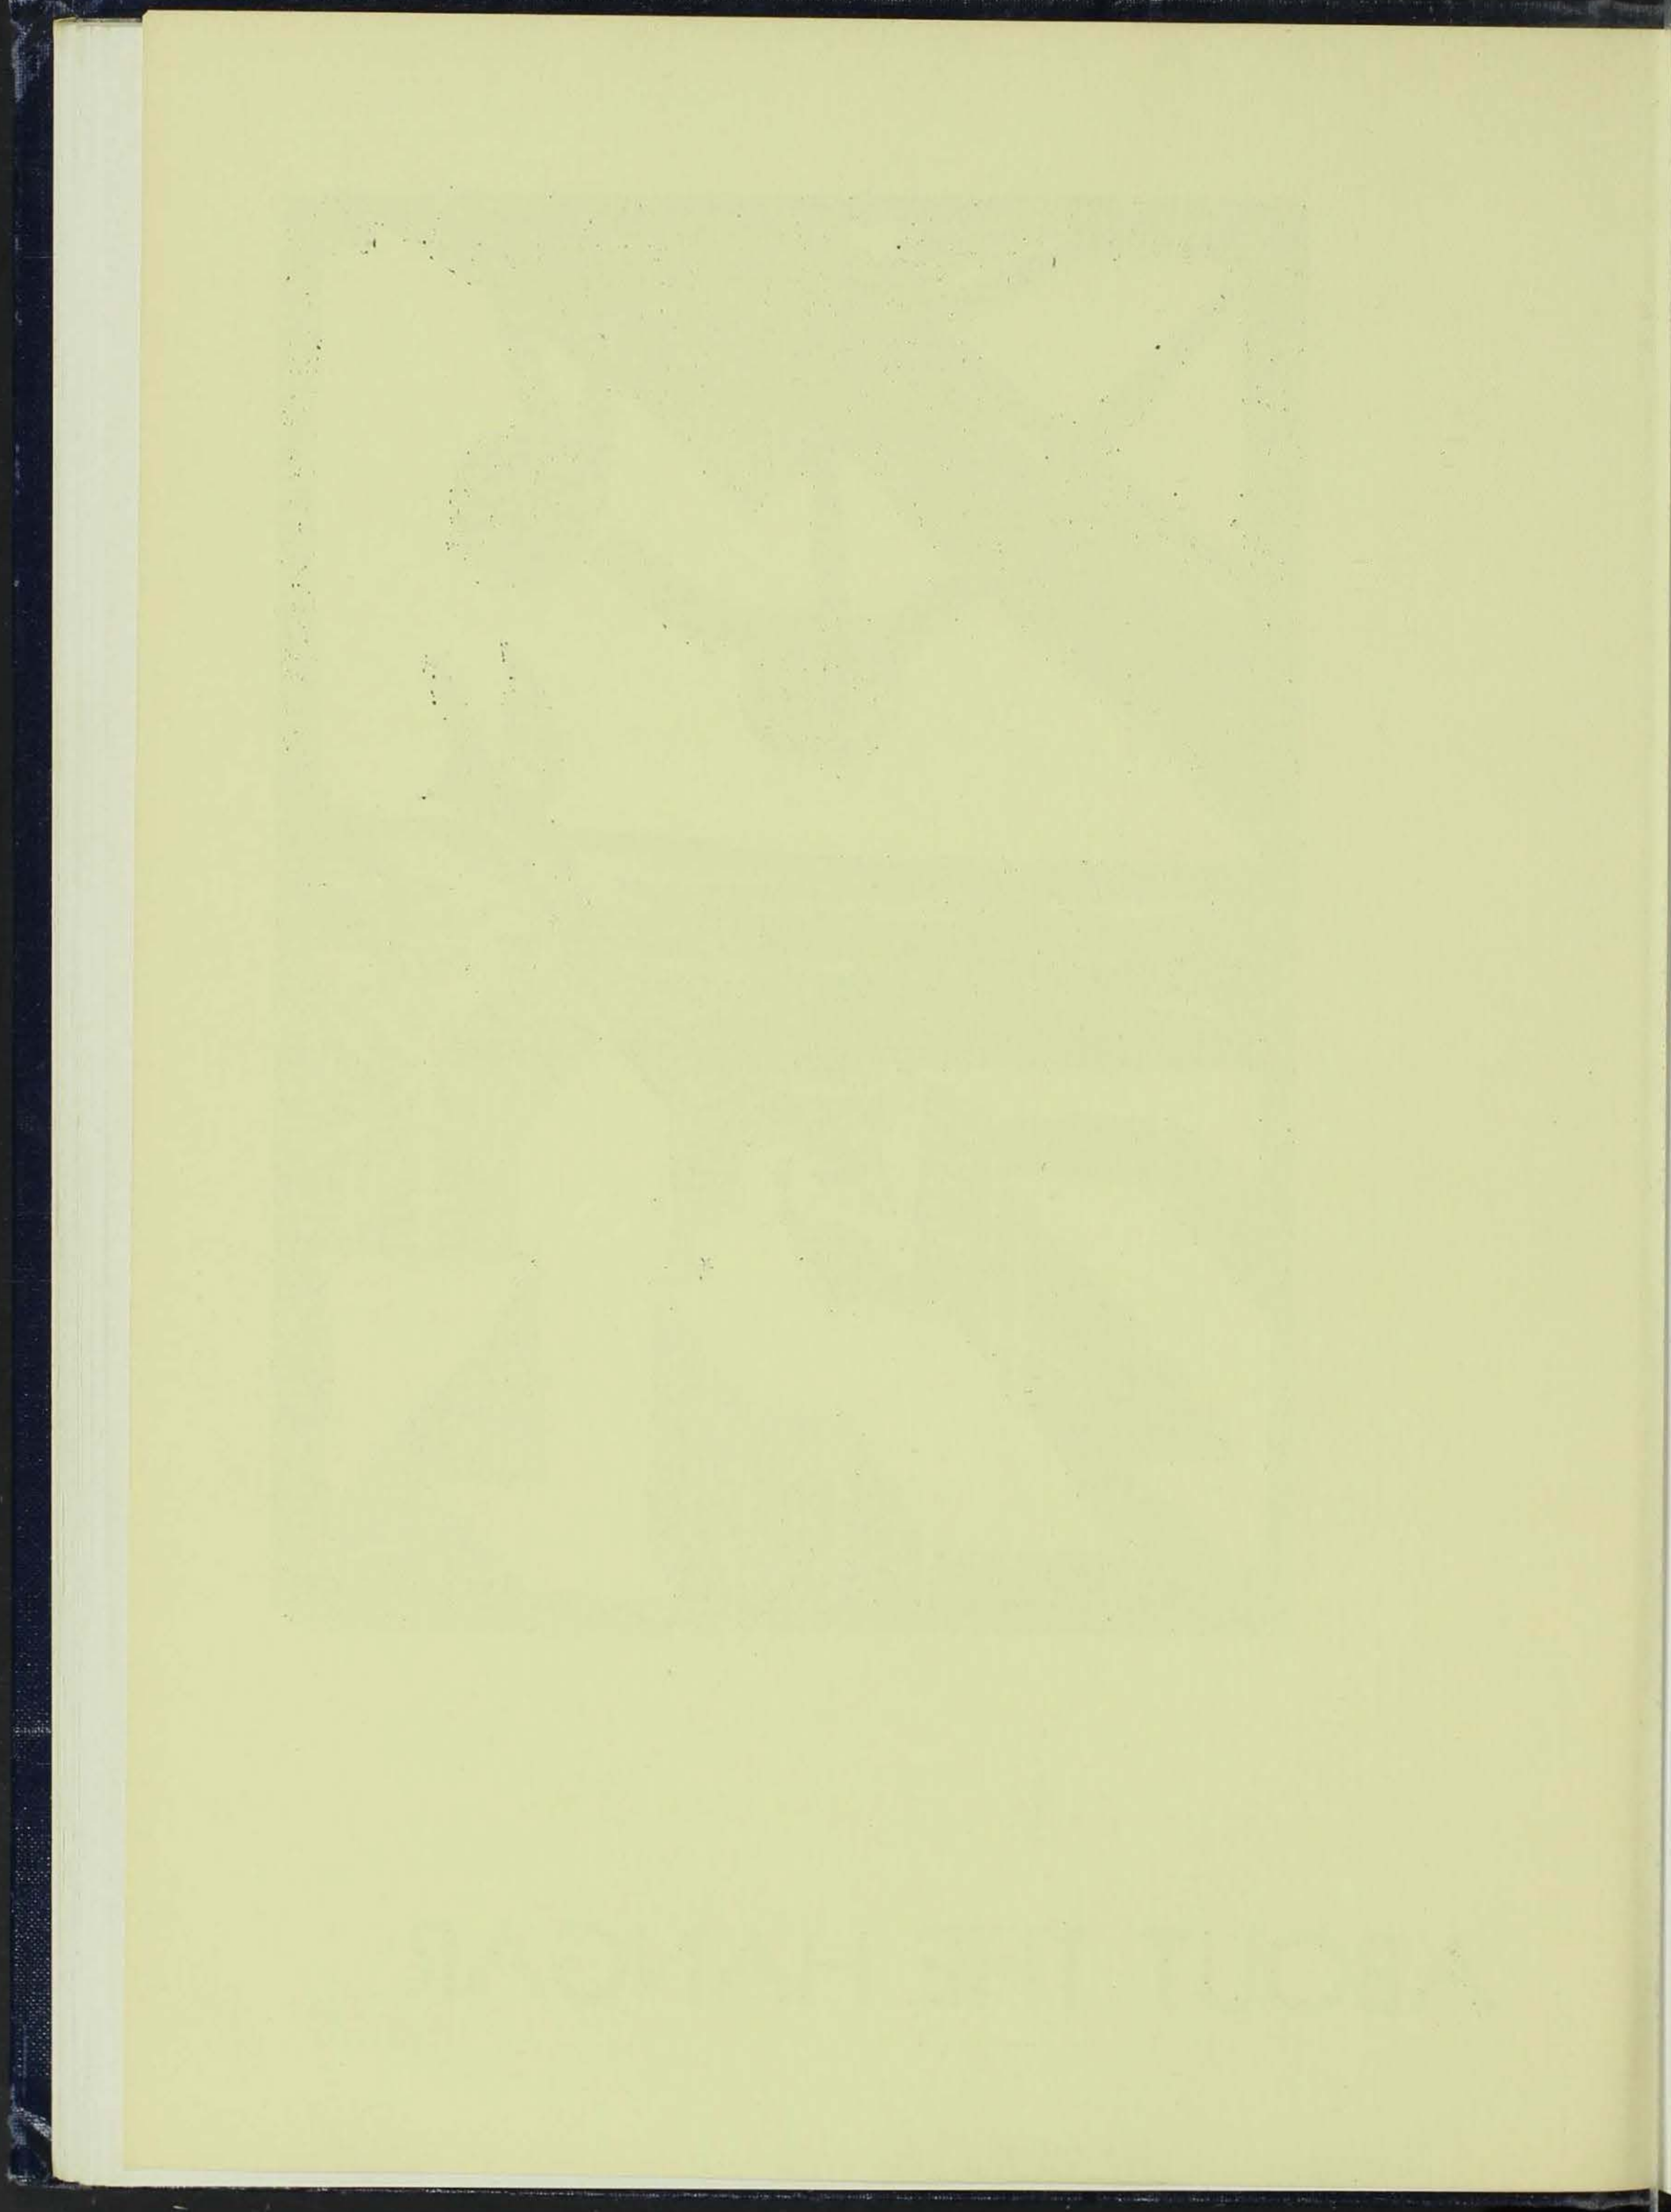

BOOK FOUR

"Our resting place seems a state,
Not place . . . a state of happiness."

And when the flight is over we forget the hardships and remember only the happy landing. Our activities, each one a happy landing in itself, will remain among our golden memories when we are no longer voyagers.

ABOUT THE HANGAR

THE HANGAR

SCHOOL SONGS

"Our Buena Vista"

Oh, Buena Vista, our Buena Vista,
You are the mightiest alma mater in the land.
It's not the numbers that one remembers
But it's your spirit, your noble purpose that makes you grand.
We'll not forget you—how could we forget you,
We'll be a-pulling for you throughout the years.
You stand for good times; you stand for good sound learning.
Shout the praises of old Bee Vee.

BOB BARFOOT, '39.

"Buena Vista On"

(Tune: Shipmates Forever)

One and all come marching!
Buena Vista on!
College colors flying
Come every daughter, every loyal son.
Pulling all together
A victory will be won.
Let's sing together!
Shout together!
Back the Beavers as they go
Right on to victory!

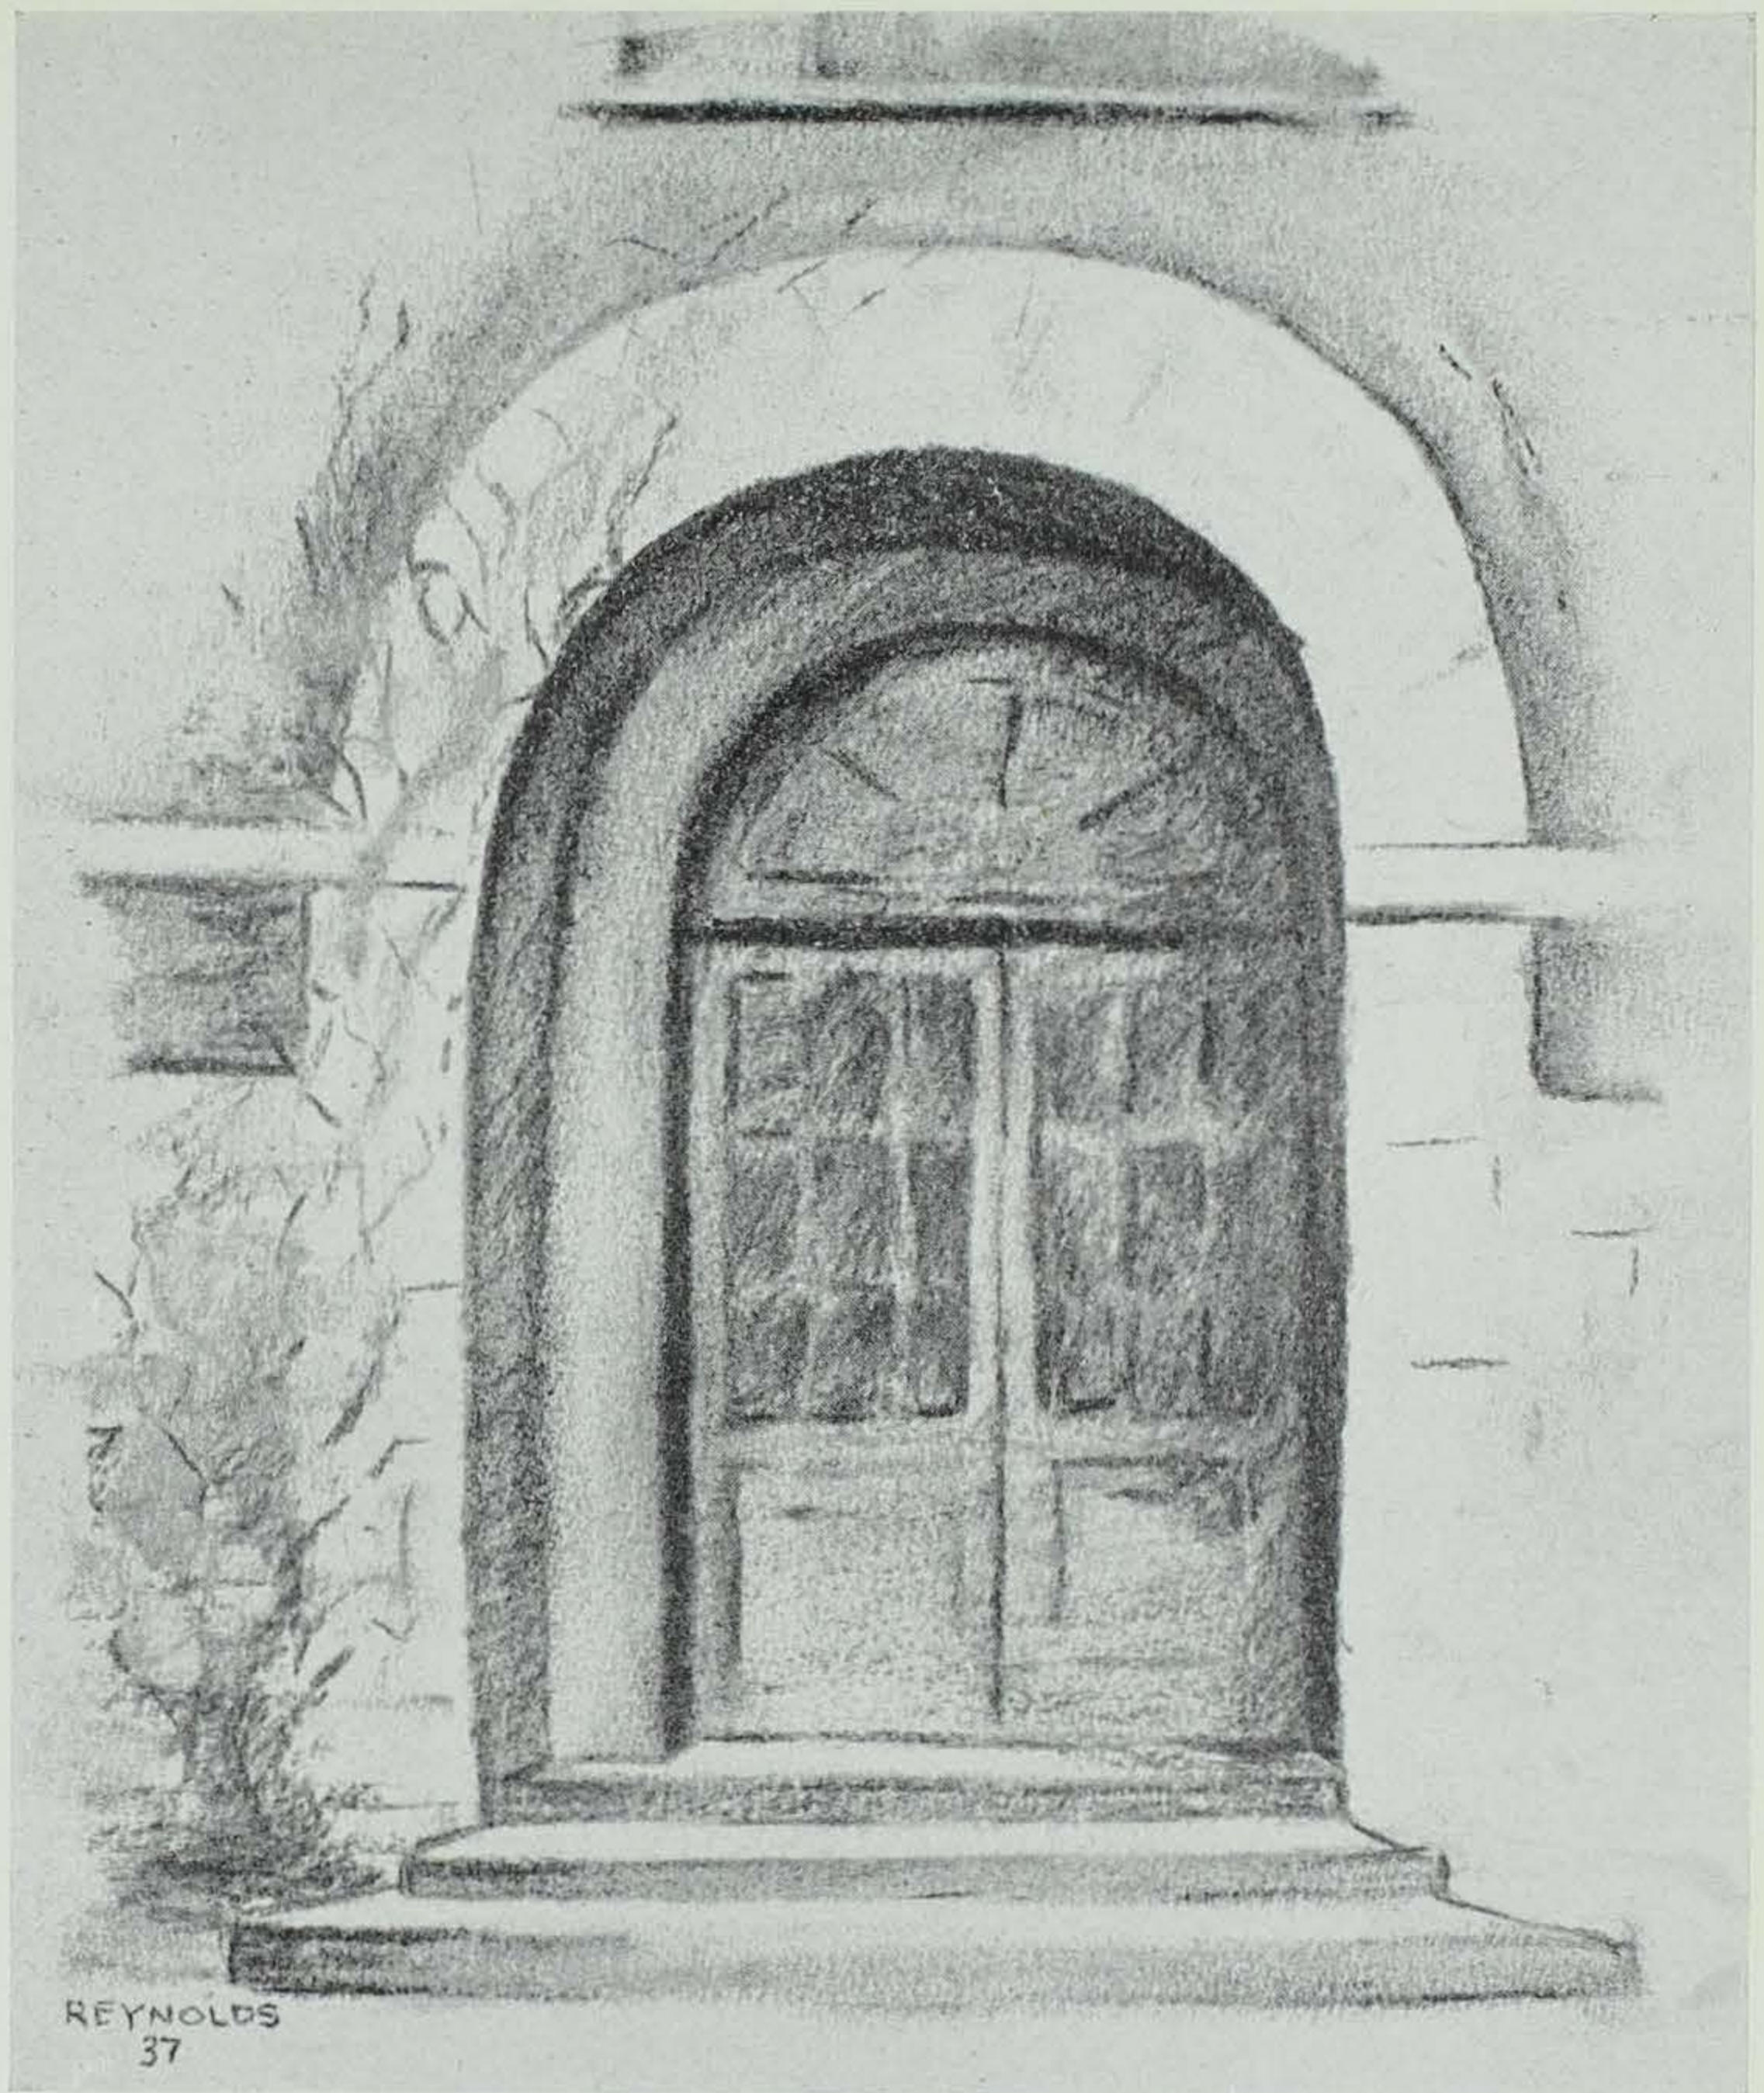

LOUISE FLYNN, '38.

"Beaver Battle Song"

(Tune: Anchors Aweigh)

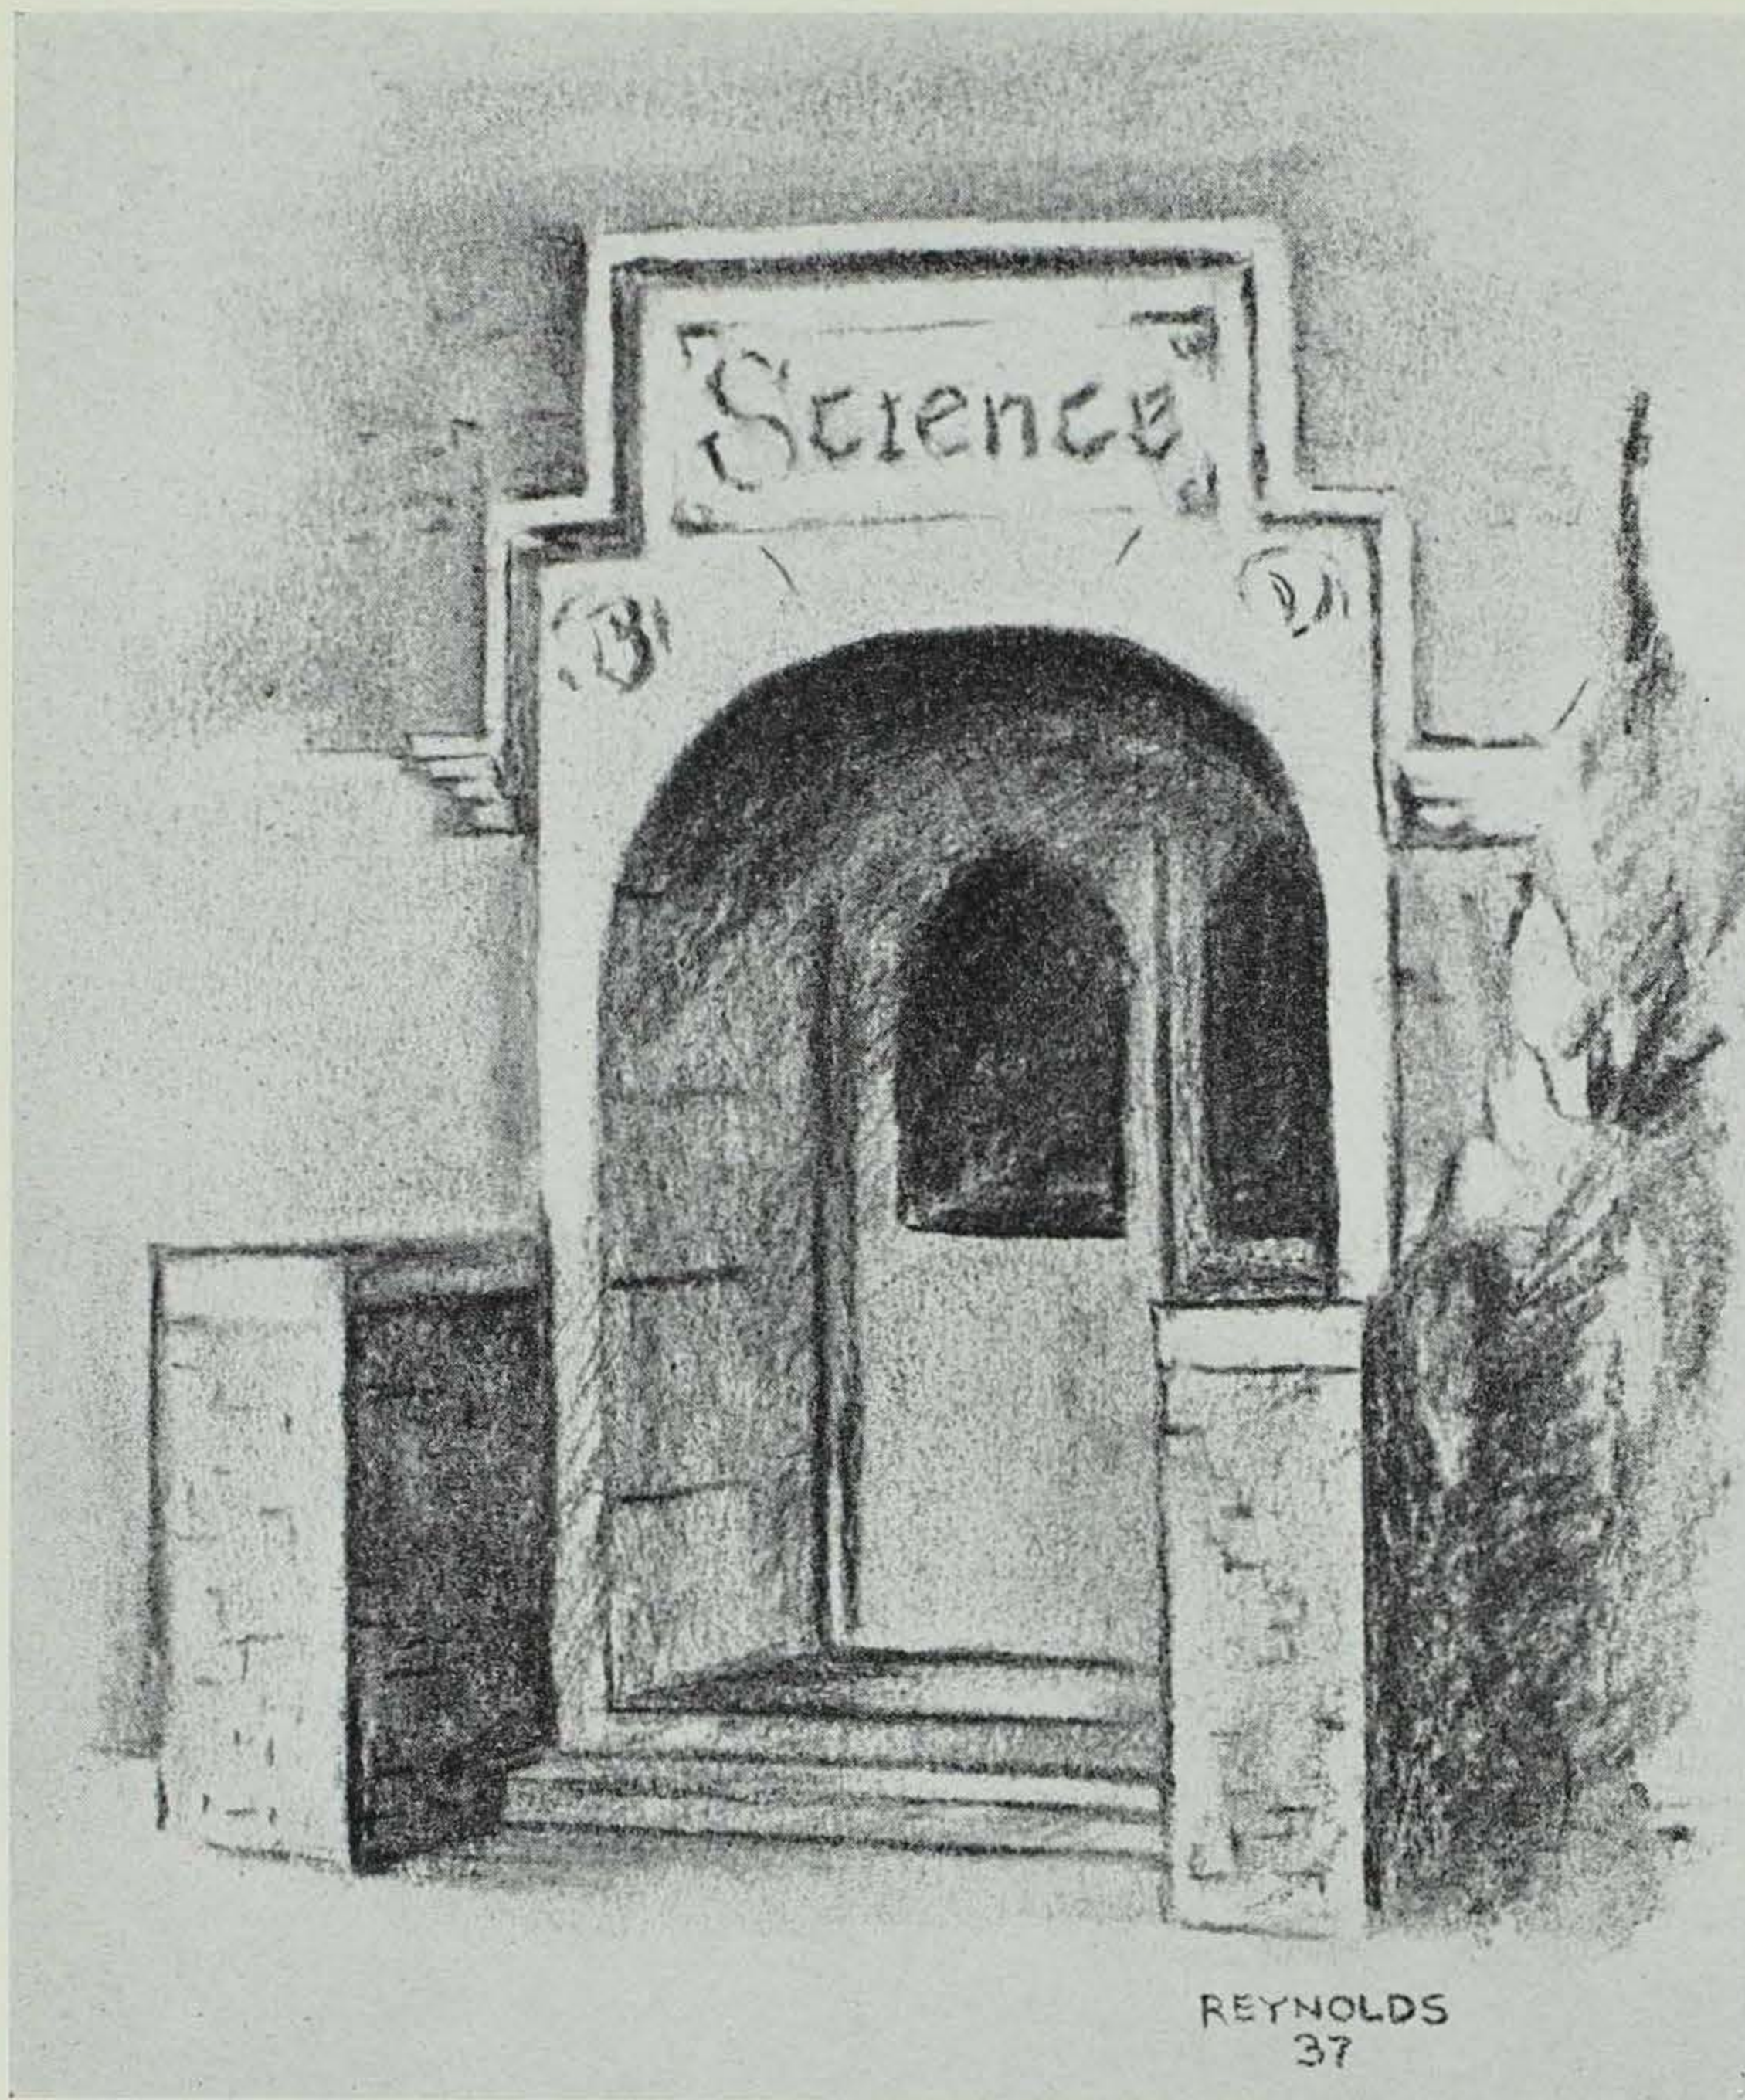

Fight, Beavers, fight tonight,
All down the line,
Battle with all your might,
Be in there fighting all the time,
And
We'll stem the onward rush,
We'll turn the tide,
We'll conquer every foe
With all of Buena Vista on our side.

JOHN MAZE, '37.

OLD MAIN

*The threshold of my door
Is worn by feet of youth
Who, eager, search for truth.*

SCIENCE HALL

*Much is there waits you here
that others missed,
Much lore I hold
Still worthy of the learning.*

Youth travels on through all futurity
Yet hoping here to leave a name
That will not perish in the dust.

MARIAN C. BRAUER, *Dean of Women*

The Inter-sorority Council was organized in the year of 1923-1924. The membership is composed of the Dean of Women, the presidents of the sororities, and one other representative from each sorority.

The purpose of the Inter-sorority Council is to create uniformity and harmony in activities among the sorority women.

STUDENT COUNCIL

NEWTON MACK	<i>President</i>
GEORGE W. WORLEY	<i>Senior Representative</i>
MABEL C. SANQUIST	<i>Junior Representative</i>
LOUISE FLYNN	<i>Sophomore Representative</i>
PAUL SHEFFIELD	<i>Freshman Representative</i>
JOHN J. MAC ALLISTER	<i>Faculty Advisor</i>

The Student Council for 1936-1937, was organized in September, with Newton Mack as president. Under his intelligent leadership the Council was very progressive. Mr. Mack was responsible for the adoption of a new constitution which definitely makes the Council the active agency to represent the student body in matters concerning government, activities, and school functions.

One of the outstanding projects undertaken by the Student Council was the revival of the school annual, the "Rudder," which had been discontinued four years ago. This particular undertaking called for a great deal of careful planning and much hard work. Many serious obstacles had to be overcome and the successful completion of this most difficult task shows the true spirit of the Student Council.

SOCIAL SCIENCE CLUB

RALPH W. ASHBAUGH

President

THELMA WOOD, ROGER CLEMONS

Directors

The Social Science Club fulfills its purpose by giving to the students an opportunity to understand the social, economic, and political problems that are theirs.

Topics discussed by the group during the year included the Spanish Civil War, the 1936 presidential election, third party activities in 1936, and President Roosevelt's proposal for the Supreme Court reorganization.

Prominent speakers who were brought to the campus under the sponsorship of this club were: Mr. Vincent F. Harrington, Sioux City; Mr. W. C. Daniel, Bronson; Dr. G. W. Clark, Fort Dodge; Mr. Guy E. Mack, and Mr. Charles E. Pendleton, Storm Lake.

Faculty advisors to the group are Dr. L. W. Sampson, Harry DeVries, and John J. MacAllister.

NATURAL SCIENCE CLUB

OFFICERS

JOSEPH M. GUTEL	<i>President</i>
RUSSELL B. HICKS	<i>Vice-President</i>
HAROLD WOOD	<i>Secretary</i>
HAROLD SETH CRAWFORD	<i>Treasurer</i>
HARRY E. TROPP	<i>Faculty Advisor</i>

The Buena Vista Natural Science Club was organized under the supervision of Doctor G. M. Wissink in the fall of the 1934-1935 school year with six charter members. Its paramount purpose is to foster an incentive toward higher scholastic achievement in the study of natural and physical science and to promote a better understanding of and appreciation for the importance of science and scientific thinking in modern life.

These purposes are being achieved by having high, integrated, scholastic entrance requirements, by holding regular open meetings at which current scientific topics of general interest are presented and discussed, and by presenting, when possible, scientific ideas in campus activities.

This year the Science Club had a wide variety of topics presented by outside speakers, the college faculty, and the student body. Among the interesting topics discussed were "Amateur Radio," "Weather Forecasting," and "Crystal Cutting."

This year seven new members possessed the requirements for membership. The Science Club took an active part in many school activities. Chief among these were an electric high-voltage display at the Rudder Carnival featuring "Professor Wottasnozzle," and an astronomical float in the Homecoming parade.

At the close of the school year, the culmination of the Science Club activities was an outing held on the west shore of Storm Lake.

Front row: H. Crawford, R. Clemons, Mr. Tropp, V. Bonnichsen, H. Wood, L. Lovely

BUENA VISTA AMBASSADORS

The Gospel Teams, taking the name of Buena Vista Ambassadors, carried on a very creditable piece of work this year. This work was under the direction of Rev. Bloomquist, director of religious activities, and John Maze, student director.

Seven teams conducted services in the various churches of northwest Iowa. Each team was responsible for the theme of the program to be presented. The teams were composed of six members each: three speakers, a soloist, an accompanist, and a presiding member.

The department of religious activities was introduced into Buena Vista College, for the first time last year, under the capable direction of Miss L. Dorothy Green. The success of this year's work can be traced, to a great extent, to the unselfish work on the part of Miss Green.

The Buena Vista Ambassadors is a self-supporting organization receiving most of its revenue from service collections. The department of religious activity sponsors the work carried on by the organization.

The Gospel Teams give students an opportunity to take an active part in religious work in the various communities. Through this work the organization realizes the principle to which it is dedicated, the development of spiritual interest within the students.

TEAM LEADERS

Carl Burkhart, Grant Jennings, Newton Mack, Dave Shaeffer, Orlyn Thieman, Robert Wise, and Gerald Peterson.

SPEAKERS

N. Mack, G. Mack, J. B. Stevenson, O. Thieman, Dave Shaeffer, R. Ashbaugh, G. Jennings, Vernon Nelson, D. Shotwell, C. Burkhart, and W. Johnson.

B. V. PLAYERS

JOYCE PETERSON	President
MARIAN HARRIS	Secretary
ELINOR ELSTON	Treasurer
MARIAN C. BRAUER	Director

The Buena Vista Players, which is the largest organization on the campus, aims to further interest in dramatics, to keep its members informed as to what is being done in the field of present day dramatics, and to give each member an opportunity to appear in plays as well as to direct them and to participate in back stage work.

Twice a year invaluable talent is unearthed by voluntary tryouts judged by the Active Chapter. The criterion is a set-up involving stage personality and interpretation in which enunciation, dramatic technique, interpretation, and stage presence count a certain per cent.

Anyone who carries a role in a public performance automatically becomes a member. Students may also become members by making an application for technical work.

The organization consists of seventy-one members.

The public performances this year have been three one-act plays for Homecoming: "Maker of Dreams," by Oliphant Dawn; "Babbit's Boy," by Glenn Hughes, and "The Medicine Show." The three-act comedy, "The Late Christopher Bean," was very successfully given in the College Chapel.

The final performance of the year, another major production, was given at commencement.

JOYCE PETERSON

ALPHA PSI OMEGA

OFFICERS

ELOISE SAUER	Grand Director
JOYCE PETERSON	Grand Business Manager
MARIAN C. BRAUER	Faculty Advisor

Alpha Psi Omega is a national honorary dramatic fraternity for the purpose of providing an honor society for those doing a high standard of work in dramatics, as well as wider fellowship for those interested in the college theatre.

A regularly enrolled student of the college with satisfactory scholarship, who has participated in a major role of one long play or two one-act plays, or a minor speaking part in four full length plays or five one-act plays is eligible for membership. Staff work may also be credited toward membership as equivalent to minor roles.

MUSIC CLUB

In the fall of 1936 the music students of Buena Vista College felt the need of an organization for the purpose of furthering musical activities in the college, and as a consequence a Music Club was formed. Regular meetings are held at which time the sponsors of the club, Professors Bloom and Lee, and members of the club present musical selections. These are presented for entertainment and for the benefit of the students by building up an appreciation for various kinds of music.

This new organization will no doubt be a lasting group on the campus. It is hoped that future Buena Vistans will carry out the work of this group and receive the benefits which all practical music students have received this year.

A CAPPELLA CHOIR

In the fall of 1927, the Men and Women's Glee Club of Buena Vista joined forces and formed what has since been known as the Buena Vista College A Cappella Choir. Until the fall of 1933, the choir limited its performances to territory near Storm Lake, but in that year the choir began a program of expansion which has resulted in the most widely publicized and popular organization on the campus.

In 1933-1934, the choir made numerous trips to surrounding towns where concerts were presented. Also in that year "The Messiah," by Handel, was presented. The choir was under the direction of Prof. Charles Sager at that time.

Since 1935, due to the capable direction and untiring efforts of Prof. John H. Bloom, the choir has presented an extensive program, which included several radio broadcasts over WHO, Des Moines; a musical comedy, "The Mikado," and numerous concerts in various cities over the state.

Much of the credit for the nation-wide reputation of the choir must go to Prof. Bloom, for his capable direction has made membership in this splendid organization a pleasure and a coveted privilege.

BAND

Buena Vista College's 1937 band, under the direction of Professor Reid Knechtel, has become an integral part of the College Music Department and the general activities of the College. Besides providing instrumental training for student musicians, the band has added much to the college spirit at pep meetings and at athletic events.

The band played a very important part in Buena Vista's most successful Homecoming last fall. Besides leading the big Homecoming parade, the band sponsored a contest among the high school bands in this section which proved to be one of the most colorful musical events this year. The band members appeared at Homecoming in new white sweaters, which added much to their appearance.

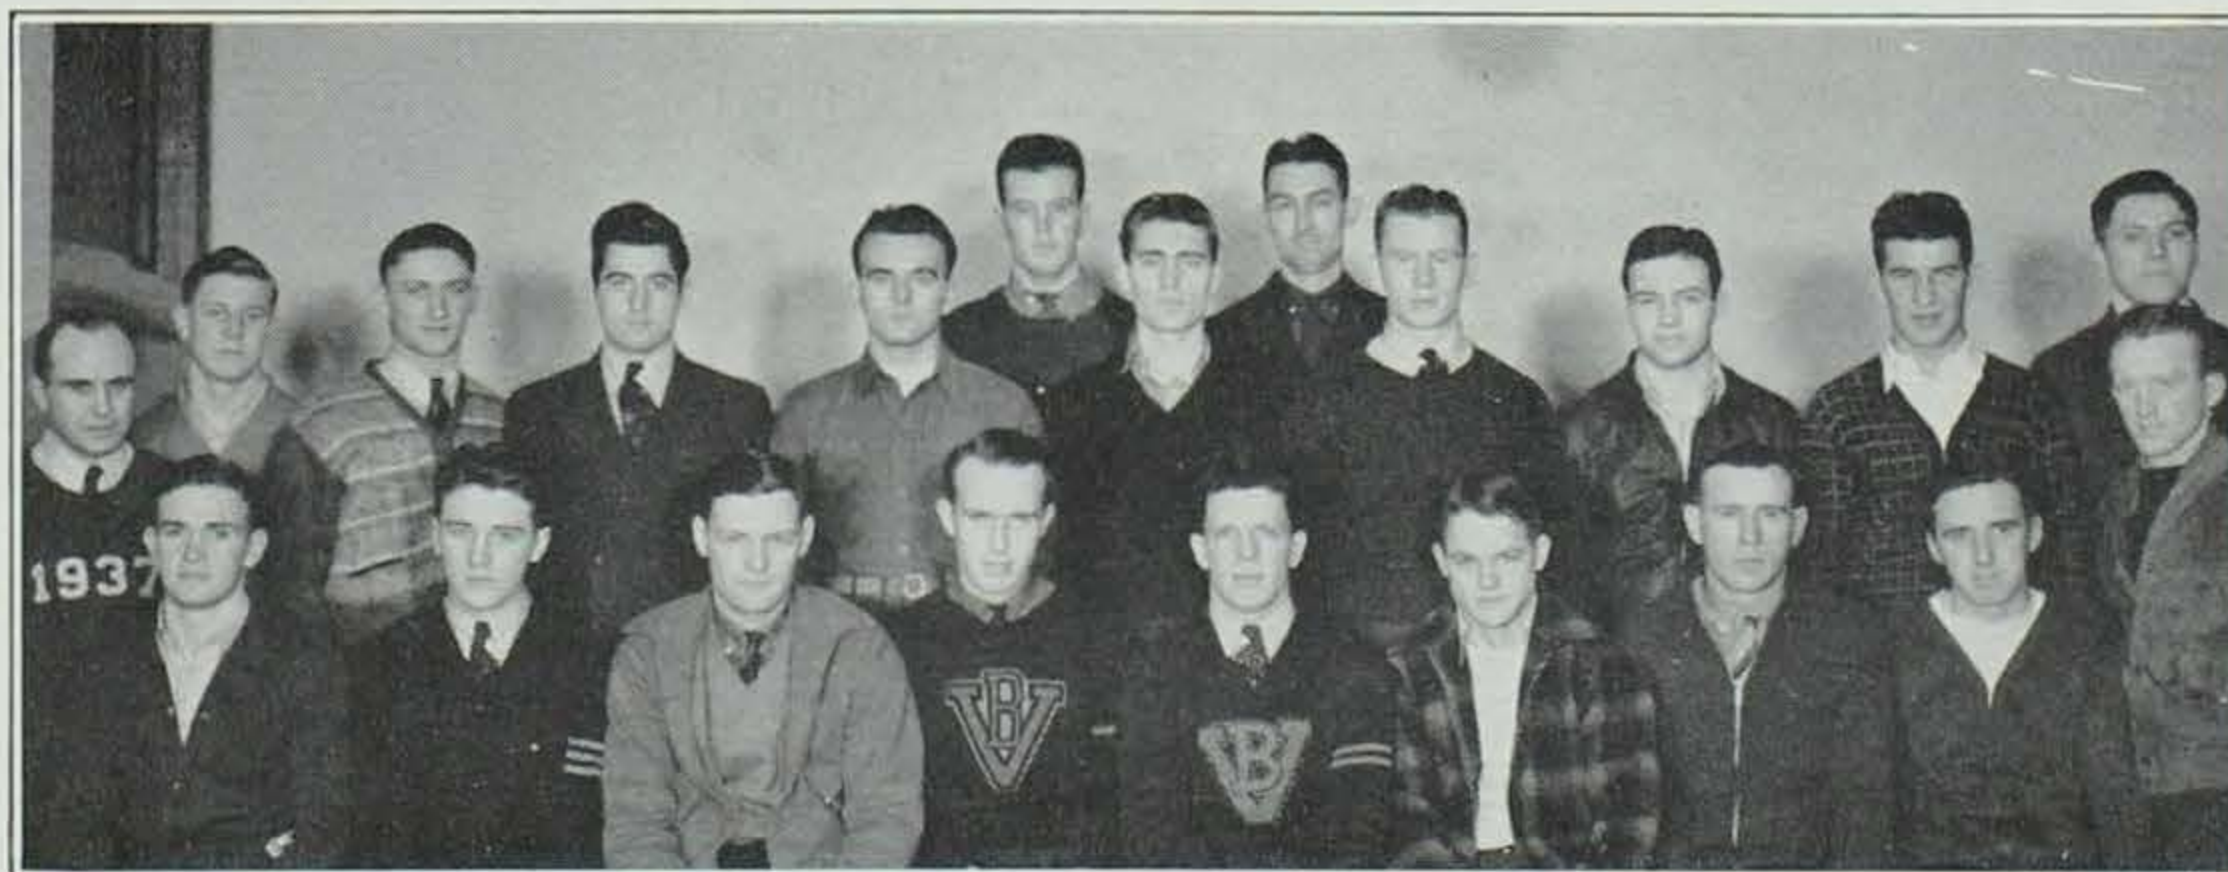

Professor Knechtel is finishing his first year at Buena Vista, and it has been under his direction that the band developed into a marching organization for the first time in several years. Buena Vista is proud to have Professor Knechtel at the head of its instrumental department.

LETTERMEN'S CLUB

OFFICERS

SCOTT KEISTER	<i>President</i>
PRENTIST JONES	<i>Vice-President</i>
HAROLD NITZKE	<i>Secretary-Treasurer</i>
AL DALLAGER	<i>Sponsor</i>

The Lettermen's Club, revived in 1935, is an up and coming organization of our athletes. Its aim is to promote good fellowship and to be a bond that will hold the athletes together thus helping the coach to promote competitive sports. In the future graduate members will be able to keep in touch with each other and help their Alma Mater through the medium of this splendid organization.

First row: R. Layman, E. King, P. Jones, C. Roe, S. Keister, S. Cornell, V. Lee, D. Doherty
 Second row: D. Caviness, G. Taylor, D. Cottingham, R. Fuller, D. Van Peursem, L. Rubis, J. Stock, M. Blair,
 H. Nitzke, J. Cuddy, H. Thayer
 Third row: R. Shirley, Coach Dallager
 Lettermen not in the picture: D. Friedland, L. Ellis, R. James, M. Evans, W. Peck, W. Lind

Standing: E. A. Cady, Anna M. Hamer, Helen Briggs, Delores Kopka, Wilbert Jensen, Joyce Peterson,
Louise Flynn, Elinor Elston
Sitting: Margaret Burgess, Marian Blue, Jack Peterson, Irene Albrecht, Mabel C. Sanquist

LAMBDA EPSILON LAMBDA

JACK PETERSON	<i>President</i>
MABEL C. SANQUIST	<i>Vice-President</i>
IRENE ALBRECHT	<i>Secretary and Treasurer</i>

In 1936 the English department formed an honorary society which was named "Lambda Epsilon Lambda." It was organized to further interest in English lore and to encourage study in this field. Any English major or minor, who can meet the qualifications set up by the charter group, can become a member of the society.

At the regular meetings, the group devotes much time to the discussion of modern literature and poetry. These presentations of literary problems are helpful and creative.

TACK

The Tack, the college newspaper, is published by the journalism department of the college under the direction of Professor Kermit L. Buntrock. The year 1936-1937 has been very successful for the Tack, every issue being a six-page edition, with the exception of the March 22, Tack, eight-page issue.

The Tack is a member of the Iowa College Press Association, and the editor, Louise Flynn, is a member of the association's board of directors.

WESTBROOK MEMORIAL

As a memorial to the late Professor Westbrook, head of the department of Physics, a demonstration set of polaroids was purchased. This instrument is designed for the study of polarized light, a phenomena in which Professor Westbrook had been deeply interested.

Donations were given by the students, faculty members, trustees of the college and other sympathetic friends.

The Whoodangers, organized 1936, is one of the most recent organizations of the campus. Its primary function is to attract better and obese cooks for our bachelor association. This training is especially valuable to any one who is contemplating membership in this organization.

Meetings of the Whoodangers are held every Friday night to discuss sesquipedaliaverba. Sometimes outside speakers are invited to speak on misogyny.

This organization, although sometimes causing the Dean of Men loss of sleep, has probably stimulated the development of more real spirit on the campus than Beaver Boosters have witnessed in many a moon.

K. K. K. (MALENTENDU)

Kayuga Kavern Kwintuplets organization was formed in the fall of 1936, by five Buena Vista coeds, for the purpose of fellowship, social unity, and to further college spirit, pep, fun, and frolic. It has gained recognition not only through the activities of its members on the campus, but through the development of true, unbelievable friendship and fellowship among these five girls of such different personalities.

Life at the Kavern has been one riotous existence for all concerned. A good many affairs have originated at the Kavern—not only affairs of the heart, but affairs involving such wild and woolly schemes as the FNR. One can never tell what the Kwints are going to do next. Their activities range from eating breakfast under the table to playing murder at midnight. (Dean of Women please note!)

As all good organizations have mottoes, here are the Kwints':

Kavern—"Tout Lasse, Tout Casse, Tout Passe."

Dorothy Brower—"Experto credite."

Mamie Sanquist—"Cum grano salis."

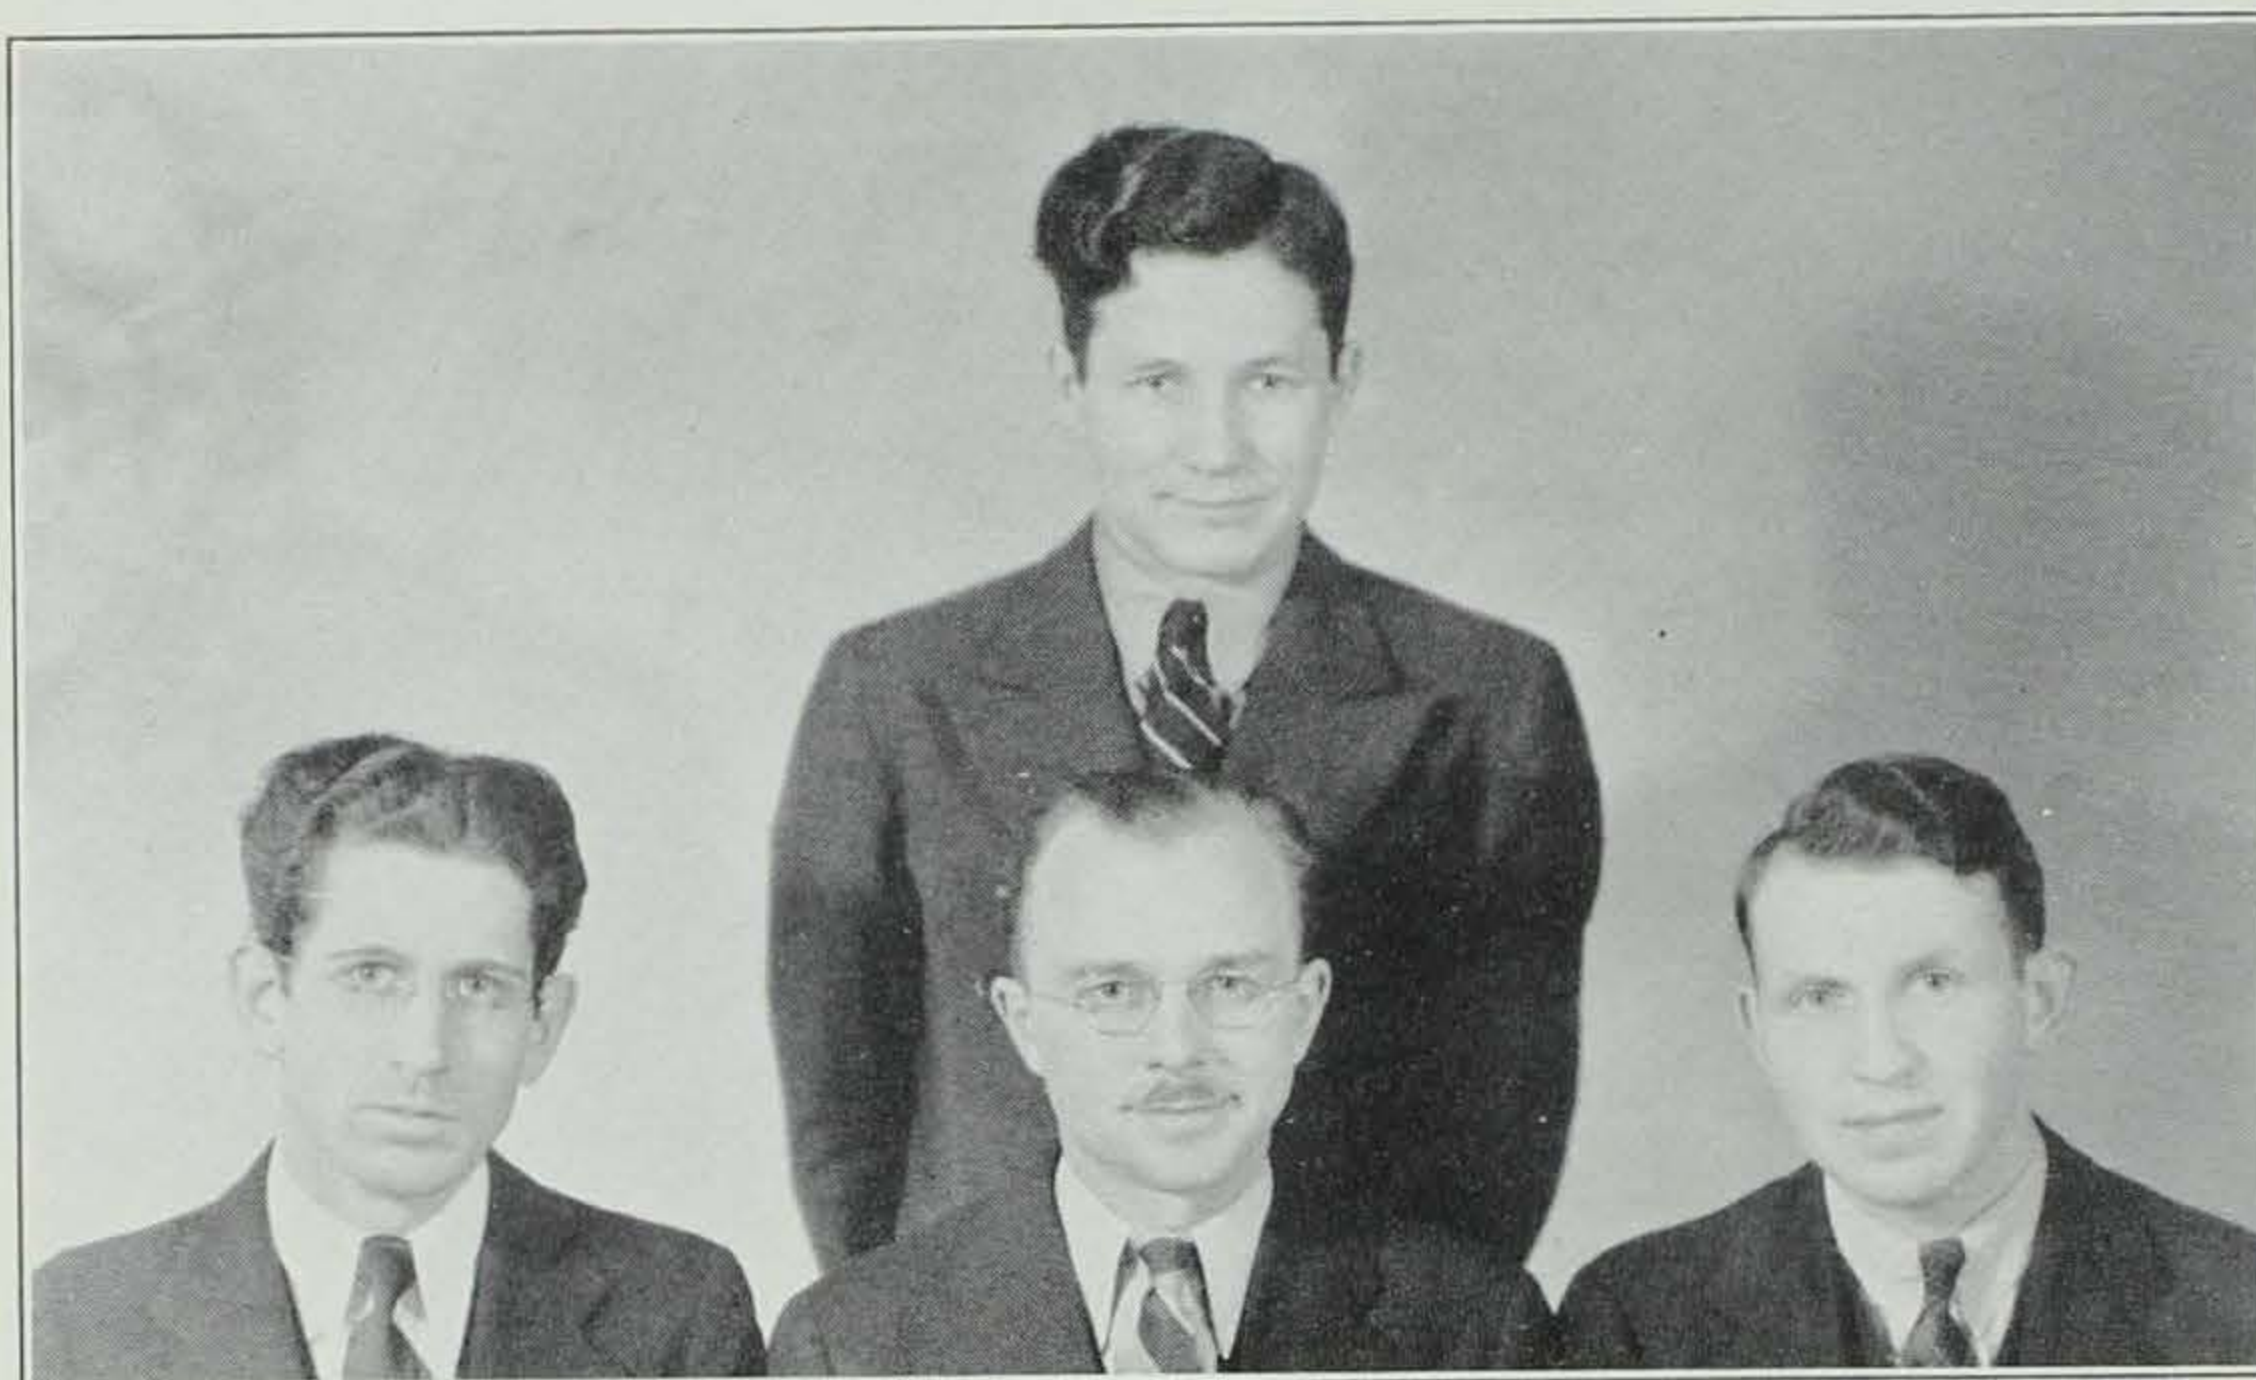

Arlyne Hendricksen—"L' affaire s' achemine."

Louise Flynn—"Reculer pour mieux sauter."

Marian Harris—"Natura abhorret a vacuo."

Wm. L. Haney, President

B B A

The BBA, a friendly organization of pedagogues of the new era, was formed October 15, 1936, by four enterprising individuals who banded together to mutually inspire, and to endure the segregation that learning and living require. The four square table whetted the spirit as well as body, the club-room provided varied recreation of reading, radio, relaxing, and entertainment; trips via *Tillie* permitted a renewed vigor and insight to meet the problems that faculty as well as students have to face; while the New York trek completed during Christmas vacation served to contrast with the rich earthiness of Northwest Iowa.

The vice-president helped plan with the faculty committee for social events and vocational guidance; the president had an interesting avocation in handling some personnel work among the men; the secretary was pushing the musical organizations to create pep and spirit; while the treasurer inspired the student council to develop the vision and singleness of the pioneer. All cooperated with the left wingers to achieve a part of the objective of homecoming, to assist the students with the promotion of a successful carnival, and to prevent those apple-polishers from receiving credit for veneer instead of the real McCoy.

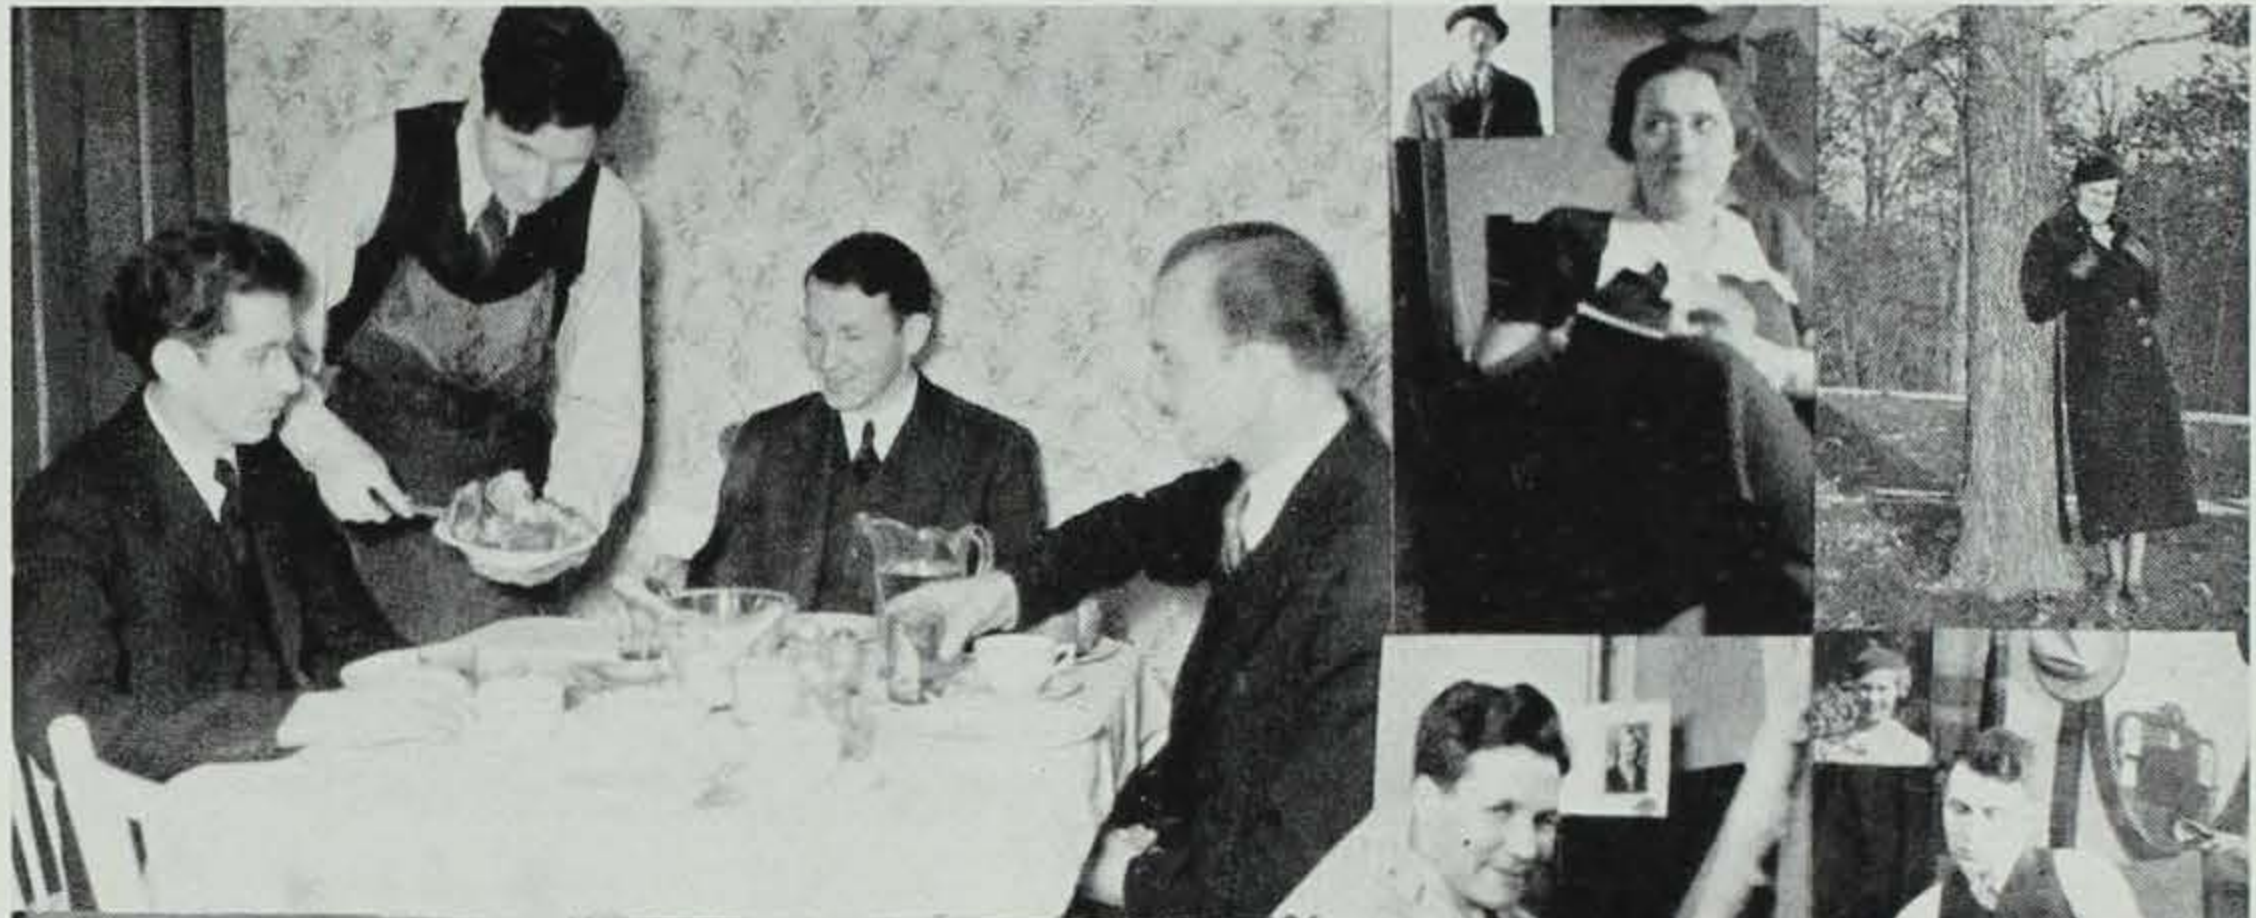

BBA fame and the news of its accomplishments spread rapidly and we were soon besieged with requests for agencies from all over the country. Only those applicants who were most highly qualified were accepted and installed as full fledged agencies with all the rights, privileges, and duties there-unto-appertaining.

SONG OF A COED

Oh, I had heard the fable
Of the Moth singed by the Flame:
"Beware, sweet maid, a lying tongue
Makes love a dangerous game."

But I flew to Love's alluring Flame
Without an instant's doubt.
I must have been a sterner Moth,
I put the candle out.

INCONSEQUENTIAL

Boys keep their friends longer than girls, but
lose their tempers quicker. Girls learn to talk
sooner and always have a larger vocabulary.
Girls get better grades in school, but boys are
better at football, as a rule. Boys who chase girls
usually get caught.

Good Printing

You may have copy of literary perfection.

You may have illustrations of startling clarity and ingenuity.

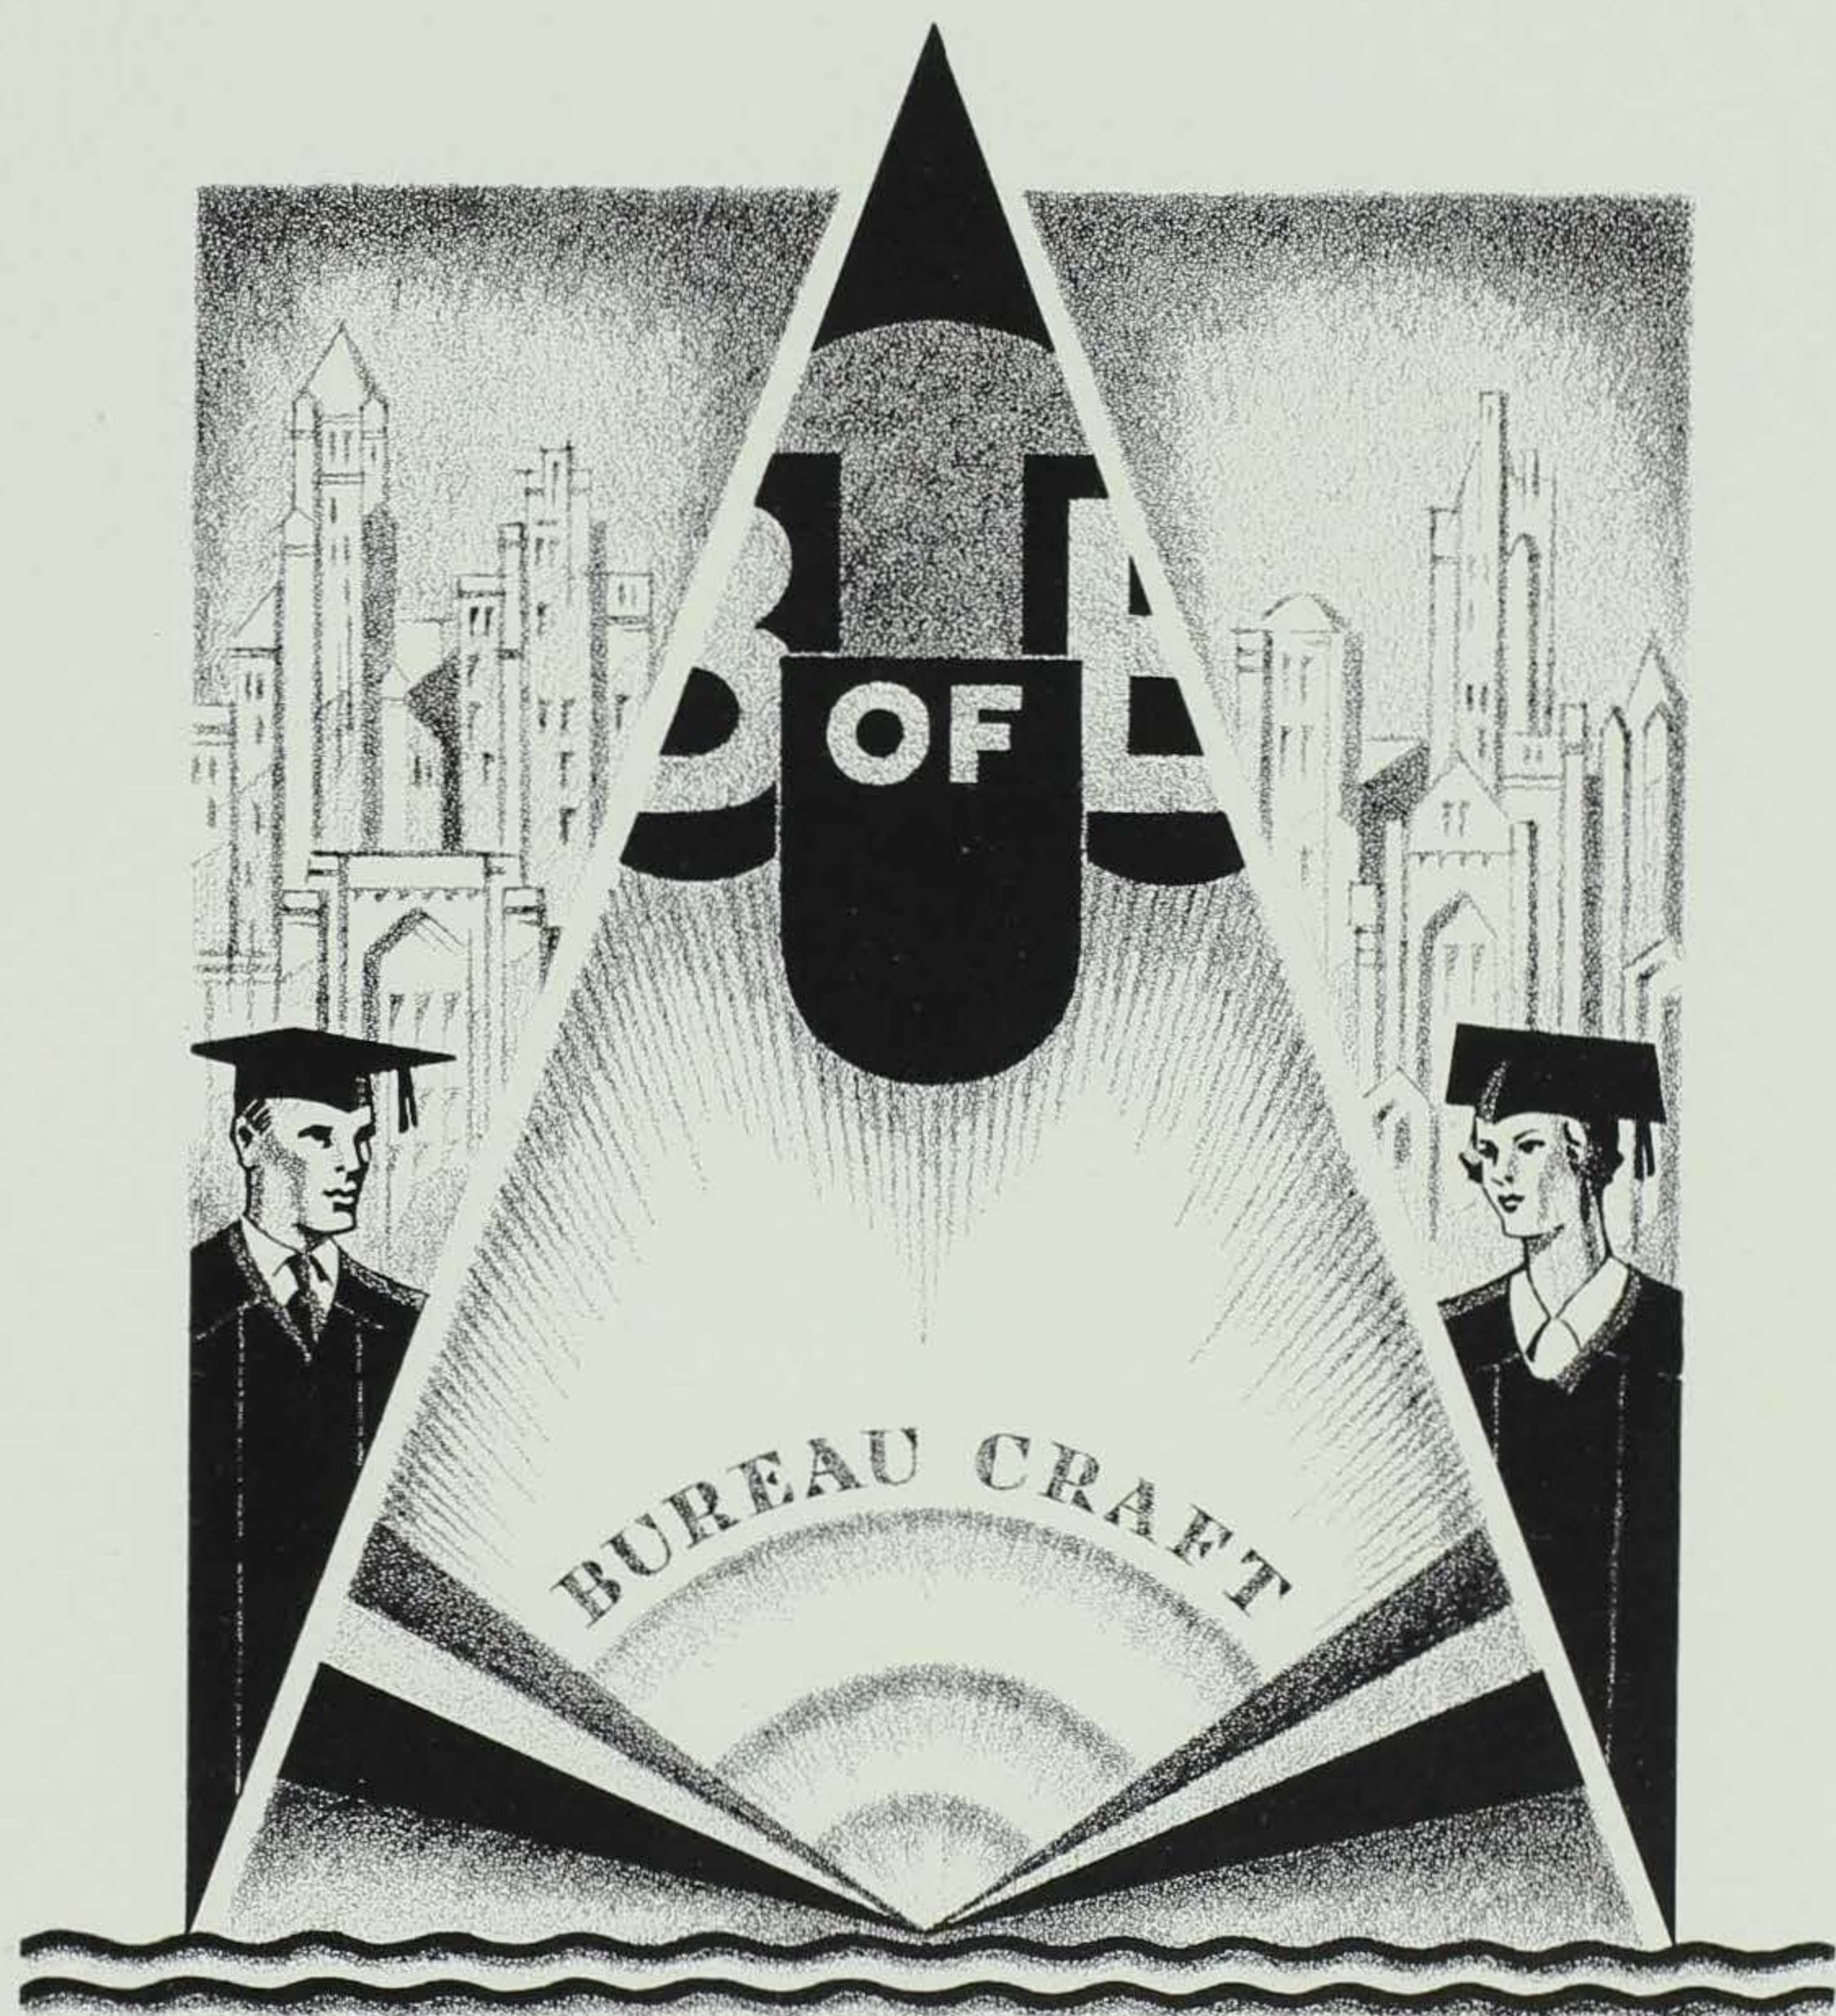

You may have a record of events that set forth the achievements of a school year.

BUT...if you do not have *good printing*, all your efforts are in vain.

We specialize in the printing of school annuals, and through years of experience have built up an enviable reputation for *good printing*.

We offer this 1937 RUDDER as a specimen of *good printing*.
