

Save the earth

Grinnell Mutual Reinsurance Company and the Auxiliary of the Iowa Association of Soil and Water Conservation District Commissioners, co-sponsor the Soil and Water Conservation Poster Contest each year. This year the theme was "Living Waters." The Webster County Soil and Water Conservation District chose the following students' posters to advance to the regional level and were awarded ribbons. Each received \$25 from

the district. Pictured are Division 2 — grades second and third, Jenna Skophammer of St. Paul's Lutheran School; Division 3 — grades fourth through sixth, Jeni Burke of Manson Northwest Webster; Division 4 — grades seventh through ninth, Ashley Mahannah of Manson Northwest Webster. Kim Mikle and Carrie Glew received second places and were awarded ribbons and \$20 each from the district.
