W4²4121 Otto Henry Wehrman, first born and first son of Simon and Fredericke Grupe Wehrman, was born on Mar. 20, 1878 at the home of his grandparents, Heinrich and Caroline Tacke Grupe near Centerville, WI.

While still an infant, his parents moved to Town Herman and lived with his paternal grandmother, Sophia Suelwald Wehrmann. The family moved to Center Township in Outagamie County, WI where Simon Wehrman purchased a farm.

Otto Henry attended the Center Valley School, grades 1-8, Appleton High School and Marquette College in Milwaukee, where he studied Dentistry. After graduation, he was practicing in Clayton, IN, where he met his future wife, Harriet Benson Halfacker. They moved to Chicago, IL where he opened an office and practiced Dentistry in Cook Co. for 20 years. He died on Mar. 21, 1919, one day after his 41st birthday. He had been ill with a bad cold but refused to turn his patients away. He worked until he went to bed with pneumonia. His death certificate states that his death was caused by Lobar Pneumonia with secondary Contributory Pulmonary Edema.

At one time, he owned land in Texas and sent his brother Louis there to inspect it. He later disposed of it since it was of little value. He occasionally brought his foot pedal operated drill to his parents home and took care of dental work for the whole family. Louis, when in his 70's, still had good filling in a tooth, filled in his youth by Otto.

He is buried in Montrose Cemetery, Chicago. A street in Chicago was named in his honor. His home address was 4078 Le Claire. His wife moved to California after his death, taking her three young sons with her. Her second son, Jacob "Russell", spent the greater part of his life with an aunt in Indiana. Harriet remarried a Mr. Milton, who owned a fruit ranch in California.

W4²41211 Cecil Marvin, oldest son of Otto and Harriet, was killed in an airplane accident on the day of his High School Graduation in 1928. He was buried in Placerville, CA.

W4²41212 Herbert "Donald" Wehrman, second son of Otto and Harriet Wehrman, born Oct. 13, 1916, worked on his stepfather's fruit ranch, when older he was employed by the Forestry Service near Denver, CO. He was inducted into the Army on Nov. 2, 1942 during WWII and received his honorable discharge on Oct. 7, 1945. He participated in the Rome Arno Campaign which included the Anzio Beachhead, the air combat of the Balkans Campaign, and air offensive of Europe. He was sent back to the states once, suffering battle fatigue, but returned to duty until the war was ended. He returned to Placerville, owned his own home there and was employed by the El Dorado County Maintenance Dept. Winters were spent in plowing snow off mountain passes to famous ski resorts.

Don was married and divorced but did not have children. He retired in 1978 due to ill health. He purchased crypts in a beautiful cemetery and had his mother's and brother Cecil's remains moved to this location, saving a crypt for himself on the other side of his mother. He died of congestive heart failure on Feb. 10, 1978, alone and was found in his home - possibly two days later.

According to his own arrangements, he was cremated and his ashes placed beside his mother without any services, as was his wish. A good friend notified his two cousins, the only ones that he communicated with, namely, Avis Wehrman Schlintz and Ethel Hartsworm McDonald, and his brother, Russell Wehrman, his only living family member.

W4²4123 Jacob "Russell" Wehrman, third born and third son of Otto and Harriet Wehrman was born Aug. 23, 1911 and was 8 years old when his father died. He went with his mother to California but lived most of his "growing up" years in Indiana with his mother's sister.

He met and married Edna Carol Clay, nicknamed "Bunny" and lived on a farm that she inherited from her mother. They raised six children; a set of twin sons, two other sons and two daughters. They were divorced in 1974.

Russell, at the time, apparently lives in Florida for most of the year. He is retired - his ex-wife, Bunny, lives at rural North Salem, IN.

W4²4122 Edwin Christoph attended the Center Valley School grades 1-8. He and his brother, Gustave, were sent to Oklahoma by their father to work land that he had purchased there. The land proved to be of little value and Edwin went to Lima, Ohio, where he lived for the rest of his life. He worked as an iron worker for the Lima Locomotive Works, was a section hand for Erie Lockawana Railroad in Lima, a car walker for Nickle Plate Railroad, Lima and a janitor for Baldwin Lima Hamilton Corporation of Lima until his retirement.

Edwin and Clara did not have children of their own but adopted a son who seemed like their own flesh and blood.

Edwin died in 1961 at 82 years old, his wife died in 1974 at 93 years of age.

When searching for the whereabouts of W4² 4123² 2 Claude Gustave Wehrman, son of Gustav and Blanche, I finally contacted the Military, since he had made a career in the Merchant Marine. I received a report that he had died in Los Angeles V.A. Hospital on Oct. 17 1969. I obtained his death certificate. It listed his home address as 4974 Kingsley, Montclair, CA. I wrote to this address addressing it to Vivian Wehrman, listed as his wife on his death certificate. The reply came from Florence Evelina Bullard Blissett, Claude's half sister, and the address given on Claude's death certificate was her home. She wasn't sure that he ever was married to Vivian but they had separated and Florence (Lena) was with him when he died of Lung Cancer. His death certificate stated that he died of Bilateral Bronkopneumonia, due to carcinoma of lung with metastases to medistassmum and bone. His burial in Veterans Administration Cemetery, Los Angeles, was Oct. 23, 1969.

Lena wrote two letters and planned on writing all information on Claude, sending pictures, etc. In her last letter she was going to have surgery on her eyes. After that she never wrote. I wrote several letters asking that her daughter or husband let me know if she was all right. The letters never were returned, but they did not reply, either. Thus, Claude's record is incomplete.

He was married to Gladys _____ and had stepchildren but they had separated. He then was either married to or lived with Vivian Edwards. When he died he was alone except for his stepsister and her husband.

W4²4124 Antonia Minna Jetta Wehrman married Ben Hartsworm and they operated a Tavern-Hotel at Binghamton. To the existing building, constructed in 1894 by Charles and Henry Schmidt, they built a large addition, with living area below, hotel rooms above. The west end of the upper story was a ball room, the new part in the east were rooms for renters.

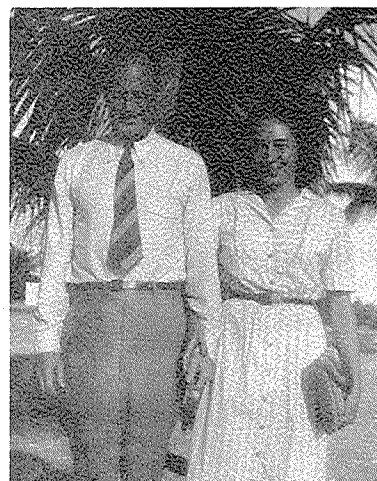

Ben's parents owned an adjoining store and house. Passages went from one building to the other. In the store there was housed the first Post Office in the entire area. Ben also built a livery stable.

Tonia died when the youngest son, Gerald, was a baby. Her seven children were brought up by relatives.

Ben and Tonia were also on a farm for a while, located at Highway 76 and Mc Carthy Road. Ben spent his last years with his daughter, Lorraine.

His father collected his wages but saved the money for him. His brother-in-law, Ben Hartsworm, operated a store, hotel, etc., at Binghamton, WI. It was here that he met a young school teacher who taught the local school and boarded there. She was from New London and had taught formerly in the town of Isaar.

He married her on his 25th birthday, they operated his father's farm in Town of Center along with his brother, W4²4128 Henry. When Henry married, he took the home farm and Louis purchased a 50 acre farm near Binghamton from his father's cousin, Conrad Selberg. He farmed there until 1945, when he had a heart attack and his second son was released from military service and took over the farm. He then moved into the house, purchased from his youngest daughter, W4²41265 Lyla and her husband, Carlton Schlintz, and lived across the drive from them on their farm. They remodeled the small house. It is located in the Town of Ellington and they lived there for many years.

They were members of the St. John's Evengelical Kirche, which later merged with the Reformed and became the Evangelical and Reformed Church, then later merged with the Congregational Church and became the United Church of Christ, for all of their married life. They have always been regular in attendance, Louis sang in the choir and served as a trustee on the board, was Superintendant of Sunday Schoool. His wife, Lula was a Sunday School teacher and a long time member of the Women's Guild.

Louis suffered a stroke in 1976 and and has since been unable to walk. Lula broke her hip in 1978 and after that they resided, first at Americana Healthcare, then transferred to the Outagamie Health Center in Appleton, where they shared a room and made it their home. In Aug. 1980 Lula died at the age of 92 of Congestive Heart Failure, having had a bad heart for 8 years. Louis was 95 on 9 Nov. 1980. He is in fairly good health and gets around very well with his wheelchair. They celebrated their 69th Wedding Anniversary on 9 Nov. 1979. She is entombed at Appleton Highland Memorial Park in the Star of Hope Mausoleum, Appleton, WI.

Louis has many visitors and spends every Sunday at the home of one of his children or grandchildren. He is a religious man and his strong faith has sustained him through sickness and sorrow.

In Memory

Your face lives on in my memory
Although we must need be apart.
The love that you held for me, my dear
Lives full and deep in my heart.

I feel your presence yet, each day
In labors your hands composed;
In the flowers that you loved the best—
The beauty and scent of the rose.

Your spirit lives in your daughter, still,
In your grandchildren, joys of your life,
In a brother who is a twin of yourself—
In the undying love of your wife.

WWII - 1942
STAFF SGT. LELAND C. SCHLINTZ
3rd Army Div.

W4²41264 Avis Lenora Wehrman went to Binghamton School. She worked at Scolding Lox, Appleton, WI until her marriage to L. Clifford Schlintz in 1944.

Clifford entered service six months prior to WWII. Served in 3rd Armoured Division, Field Artillery, at Camp Polk, LA. He suffered a torn cartilage in his knee, operation was not successful. He was unable to go with his battery overseas, trained men in other Armoured Divisions. He received a Certified Disability Discharge after months in an Army Hospital in Temple, TX. He was discharged with the rank of Staff Sergeant. His full name was Leland Clifford Jorgenson, changed to Schlintz after the death of his mother and adoption by his Schlintz Grandparents. His father and mother were divorced and whereabouts of his father were unknown. His mother had been remarried but his stepfather, Lawrence Manderfield, never adopted him. Cliff and his twin brother had two half sisters, Rosemary and MaryLou, from this second marriage.

In later years, Cliff and his brother were reunited with their father, but, sadly, his father died only a few years after this reunion.

For the last 25 years Cliff suffered from a muscle disease which finally overcame him on Christmas Day, 1979. He was in the hospital for extreme pain (bursitis) in his shoulder, and expired there of a cardiac arrhythmia. He had been a farmer, after being discharged from the service, in partnership with his twin brother, Chuck (Lorraine Carlton Schlintz - married to Avis's sister W4²41265 Lyla). After dissolving the partnership and each running their own farm, Cliff contracted the muscle disease and was forced to sell the farm, spending much time in hospitals such as Appleton Memorial, University Hospital in Madison, WI, Mayo Brothers Clinic, Rochester, MN. Cliff and Avis, then bought a house in Center Valley, WI where Avis worked at the Center Valley Co-op. Several years later, after he had regained strength through the help of a drug, cortisone, Cliff also got a job at Center Valley Co-op. Cliff and Avis both worked here until late 1978, early 1979, when both were forced to retire through medical reasons. In 1974, they traveled thru Central Europe, a beautiful experience.

Avis still lives in Center Valley, in a house which she and Cliff built in 1963, keeping busy with her many hobbies (sewing, writing for a small local newspaper, this geneology, etc.) and her grandchildren! *1982 - MOVED TO APPLETON. PURCHASED A CONDO.*

W4²41265 Lyla Marie Wehrman went to Binghamton School and, also, worked at Scolding Lox, in Appleton, until her marriage to Lorraine Carlton (Chuck) Schlintz in 1945. They operate a farm in rural Shiocton, the same one they owned at the dissolution of the partnership with L. Clifford, and have a large dairy herd.

Carlton is an accomplished carpenter, and he and his sons have built or rebuilt most of the buildings on his farm. He also does the masonry in the interior remodeling, block walls, etc. He has a large workshop complete with tools and power tools, welder, etc.

For more of Carlton's earlier history, read above record of L. Clifford.

Lyla is kept very busy between her household, farm work and grandchildren!

Mary Charlotte Cwiklinski Medo Schlintz speaks fluent Polish, her mother speaks several languages. On their way to Neal's brother, Rick's wedding, Neal and Mary had to turn around and go back because Mary started early labor with Michael. He was born prematurely and had quite a struggle in early months but is a healthy and happy little boy now.
