With all my heart, God bless you all.

House Blessing

Bless the four corners of this house,
And be the lintel blest;
And bless the hearth and bless the board
And bless each place of rest;
And bless the door that opens wide
To stranger as to kin;
And bless each crystal window-pane
That lets the starlight in;
And bless the roof-tree overhead
And every sturdy wall.

The peace of man, the peace of God,
The peace of love on all.

Arthur Guiterman
