

THE  
RUDDER  
1927

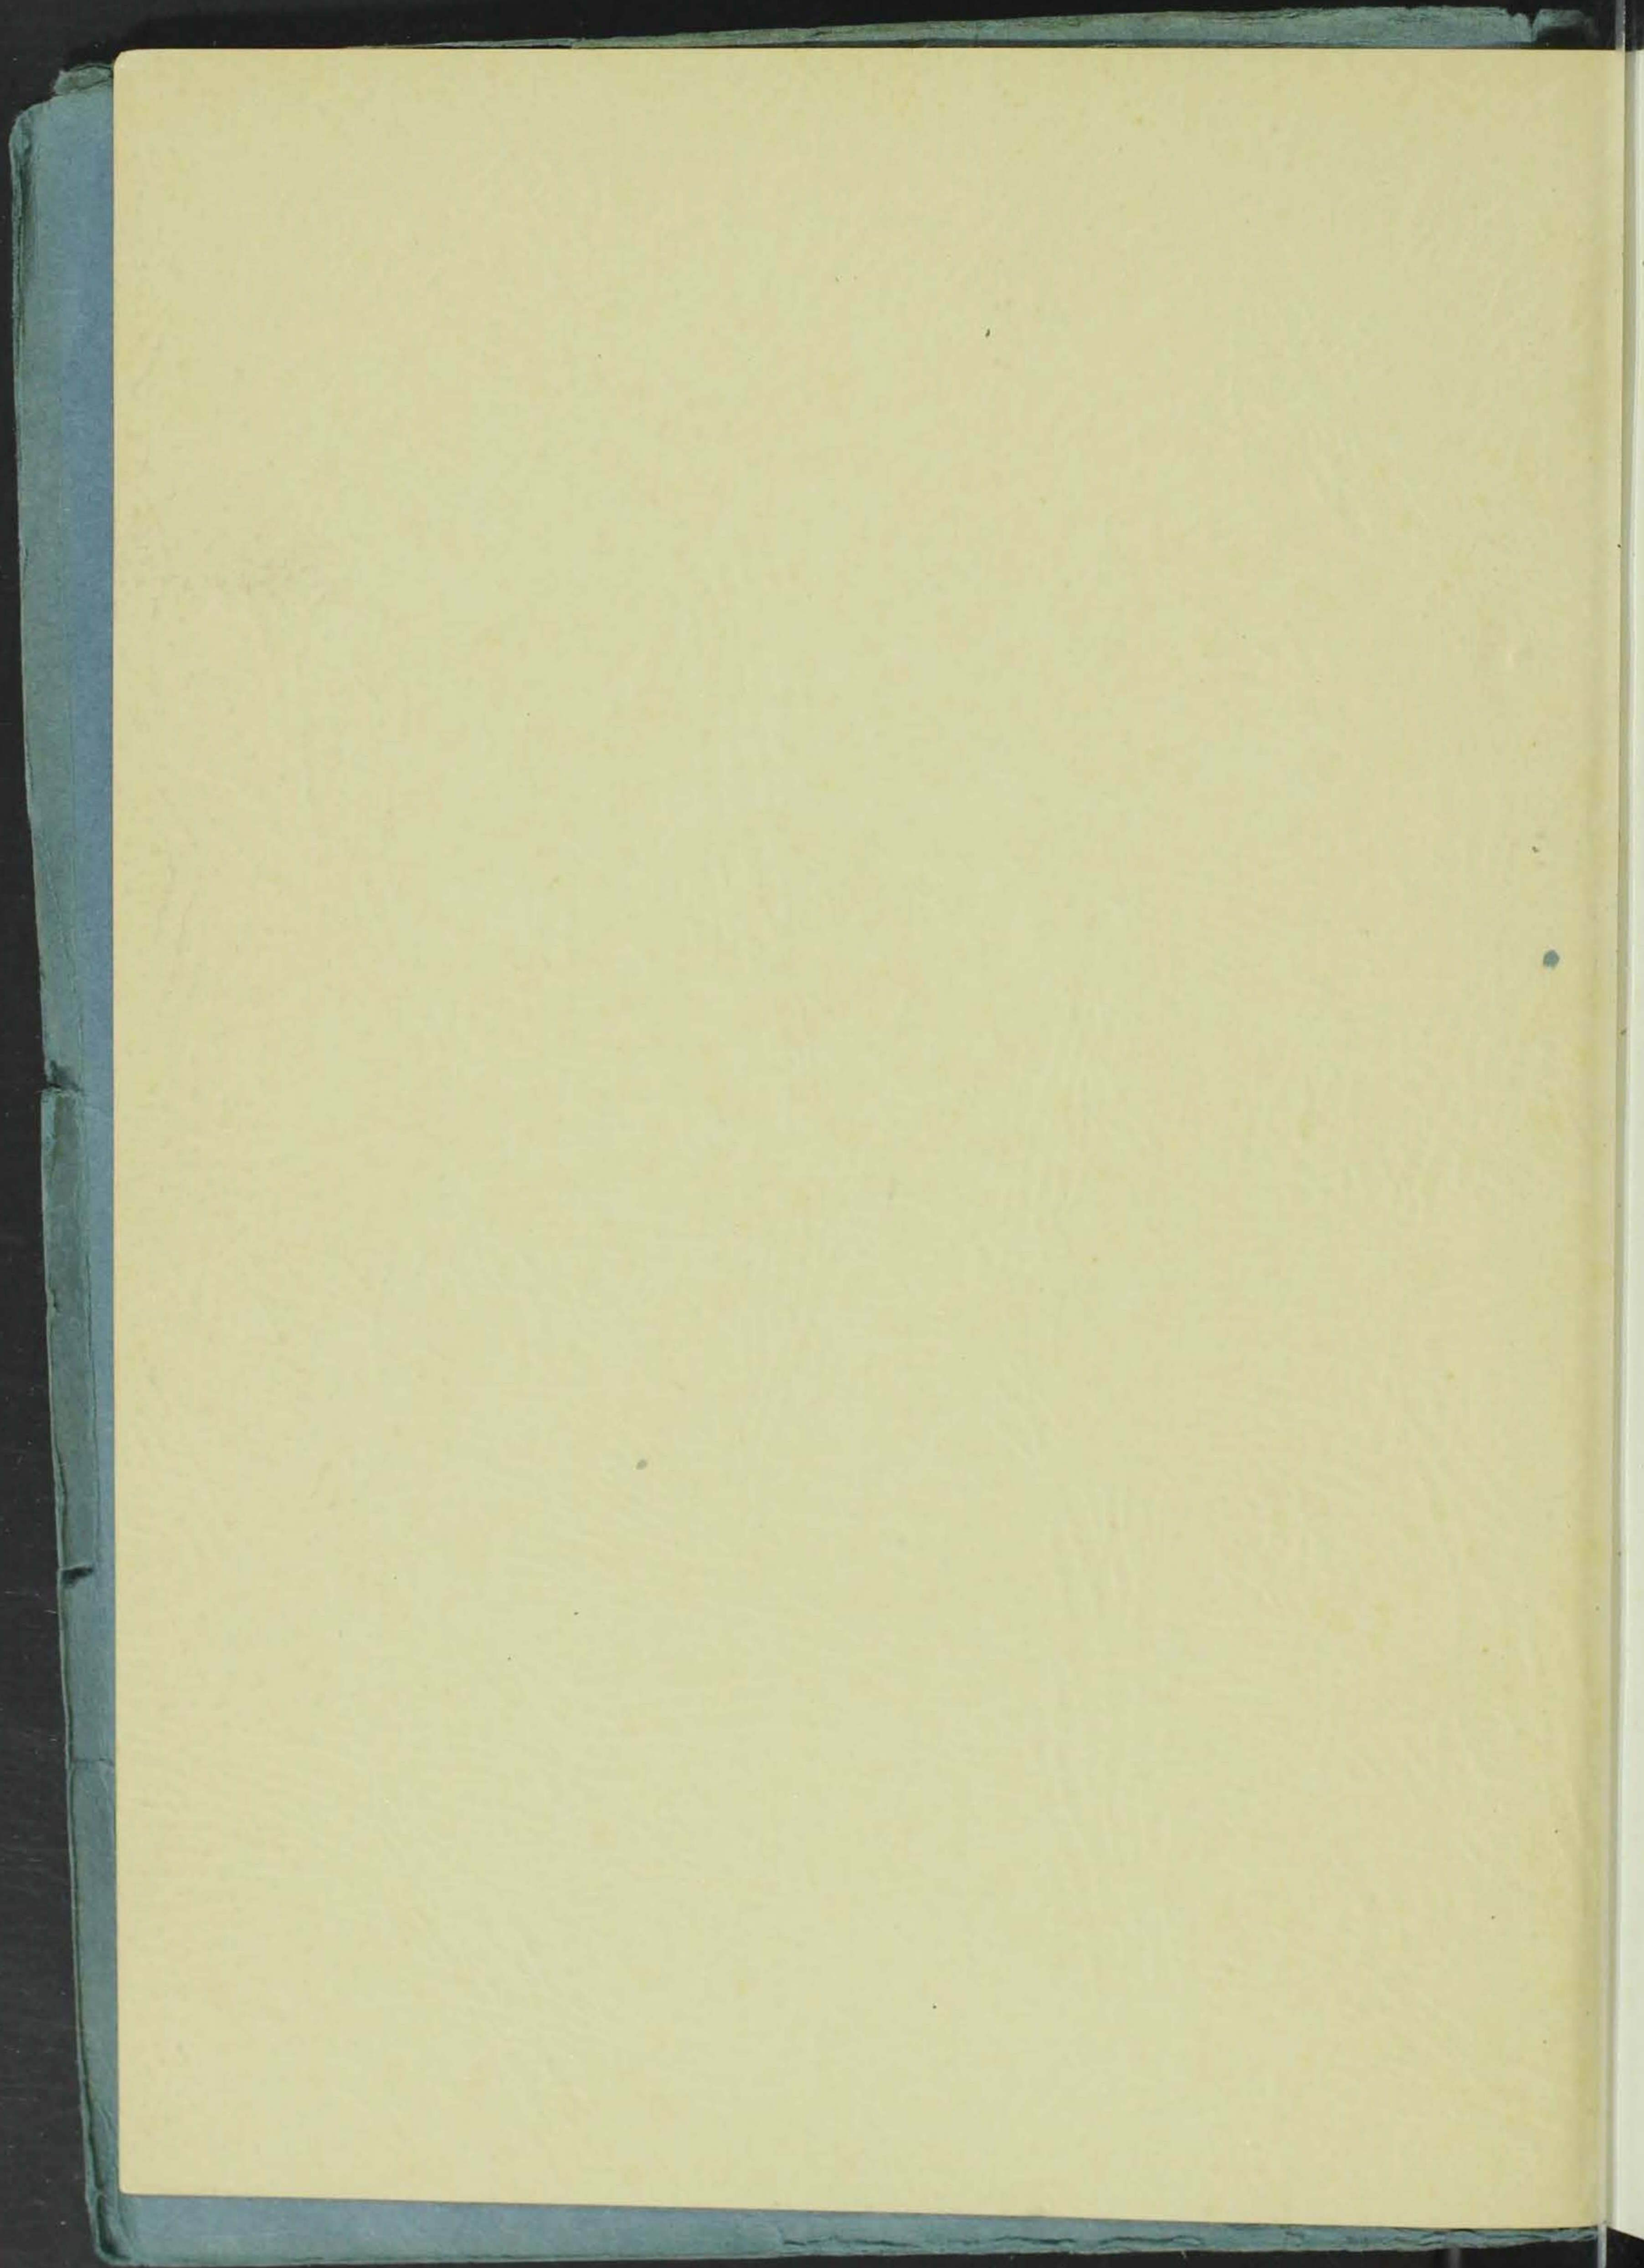

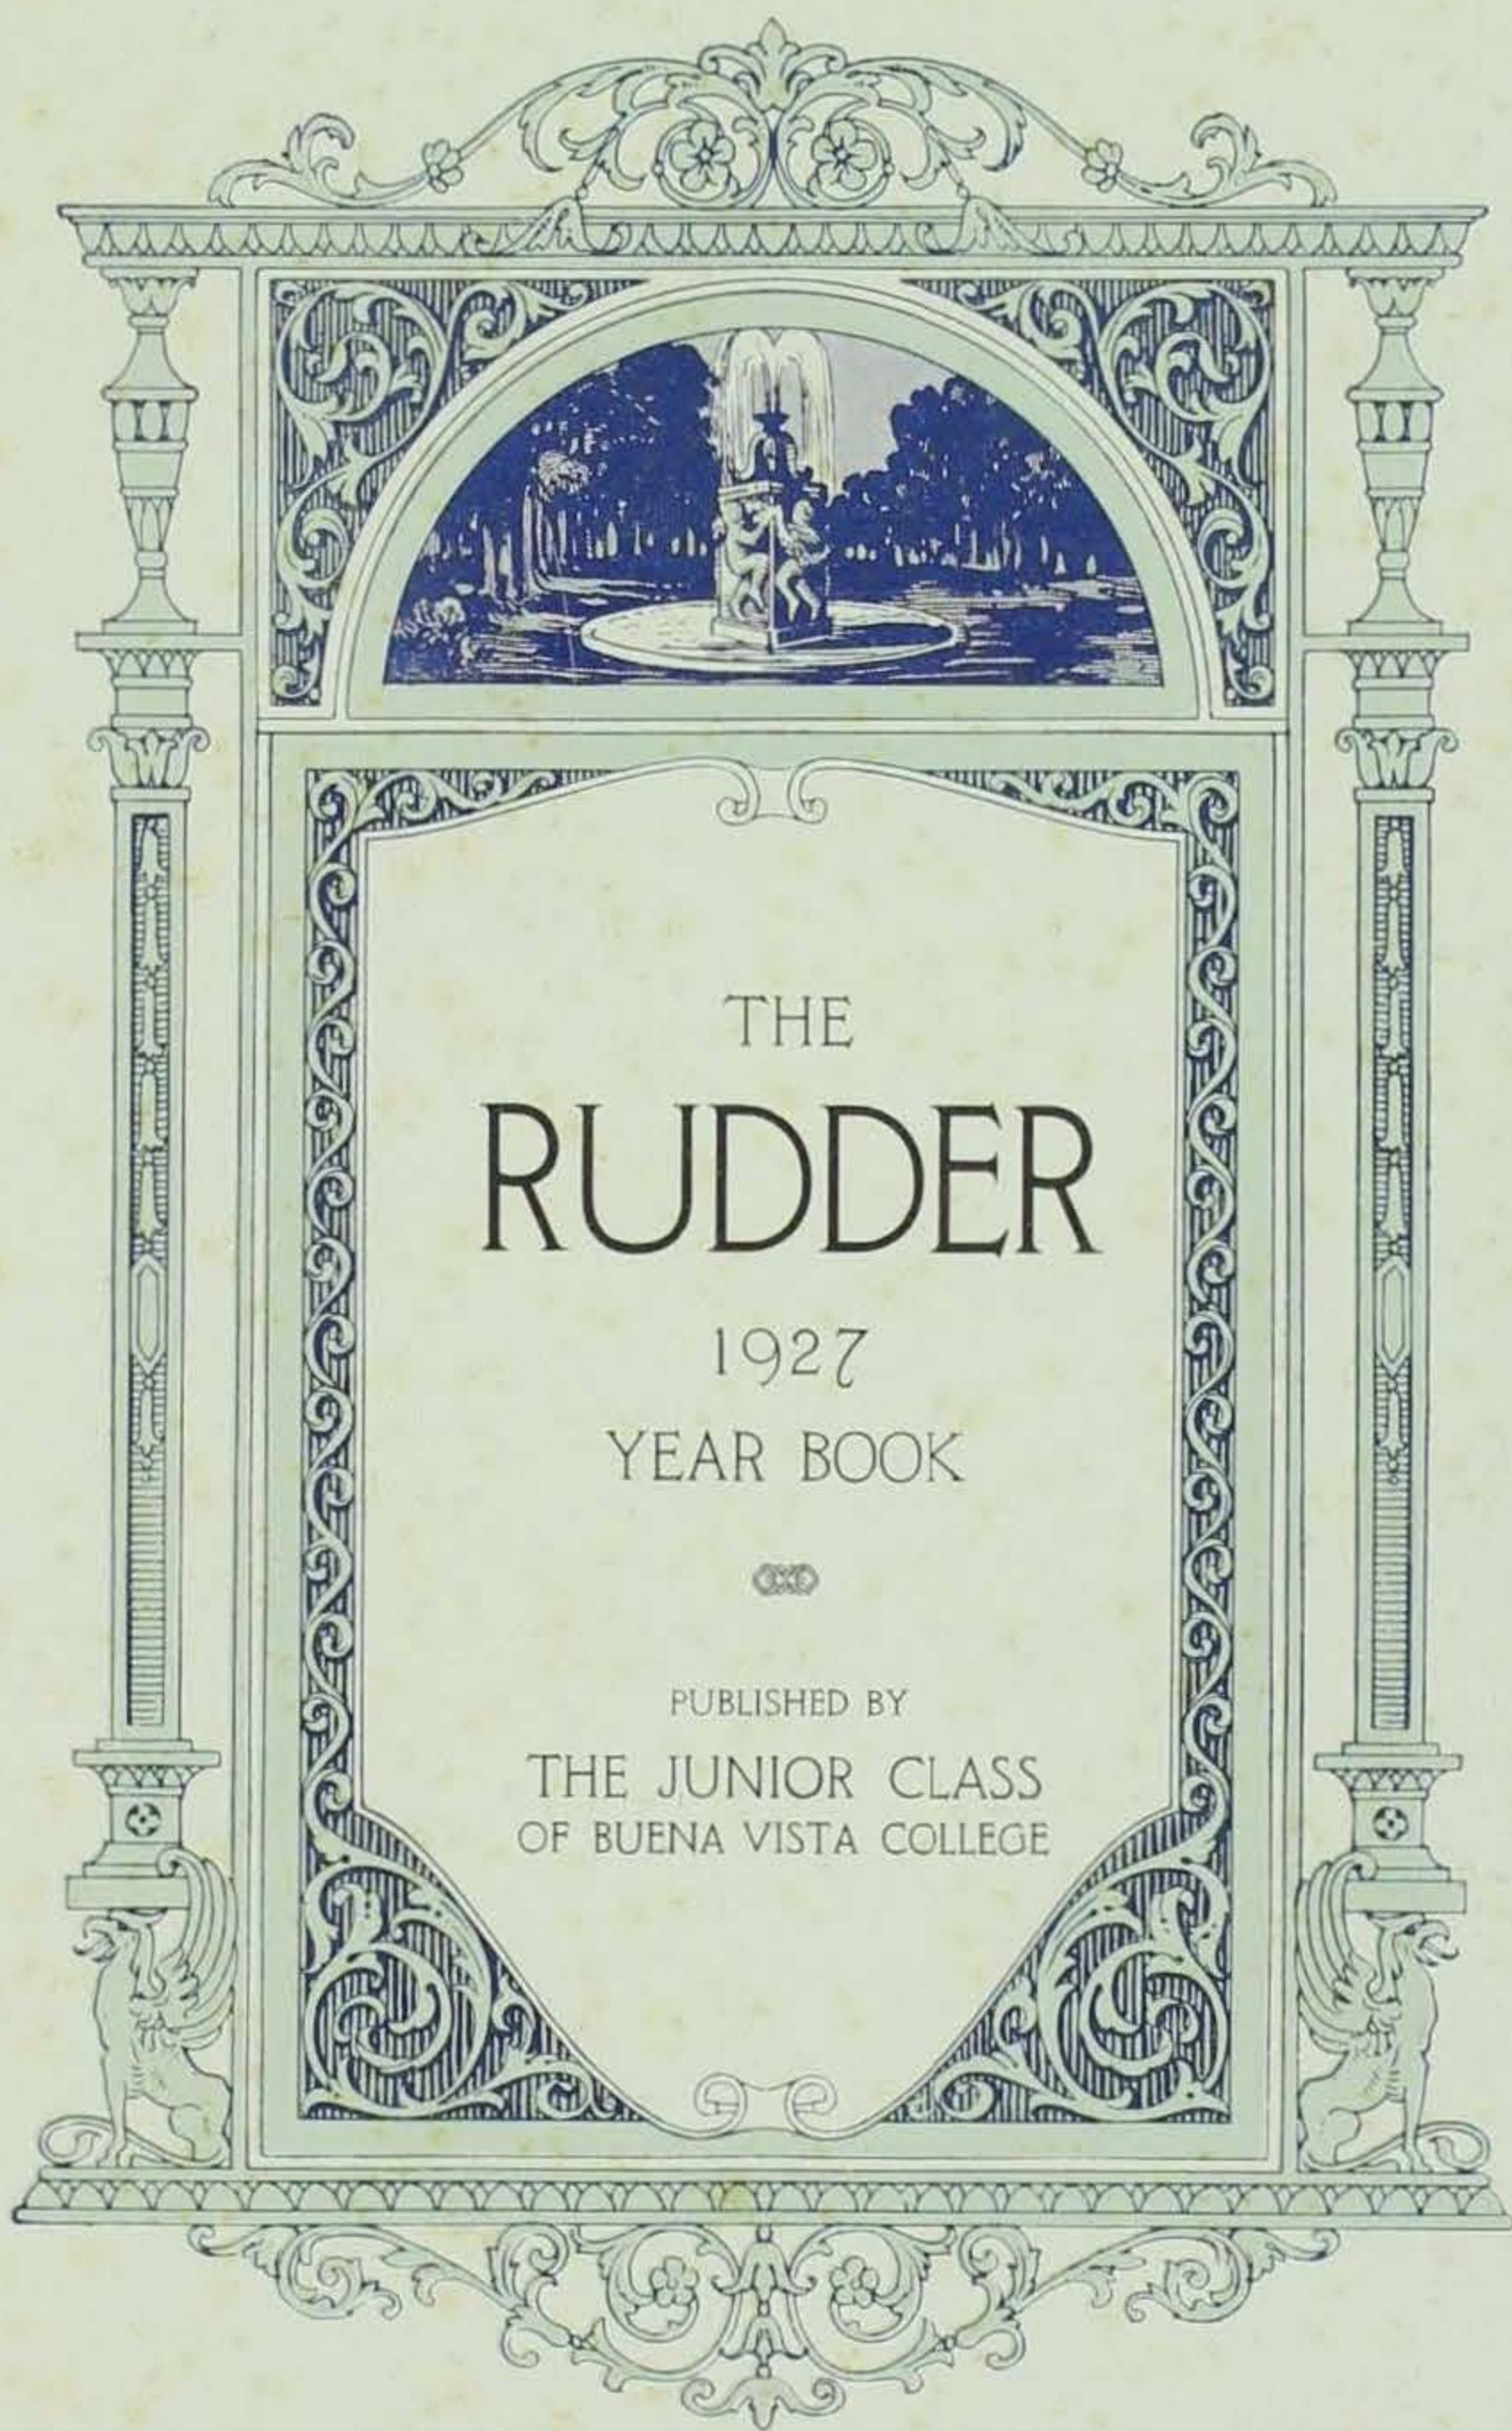

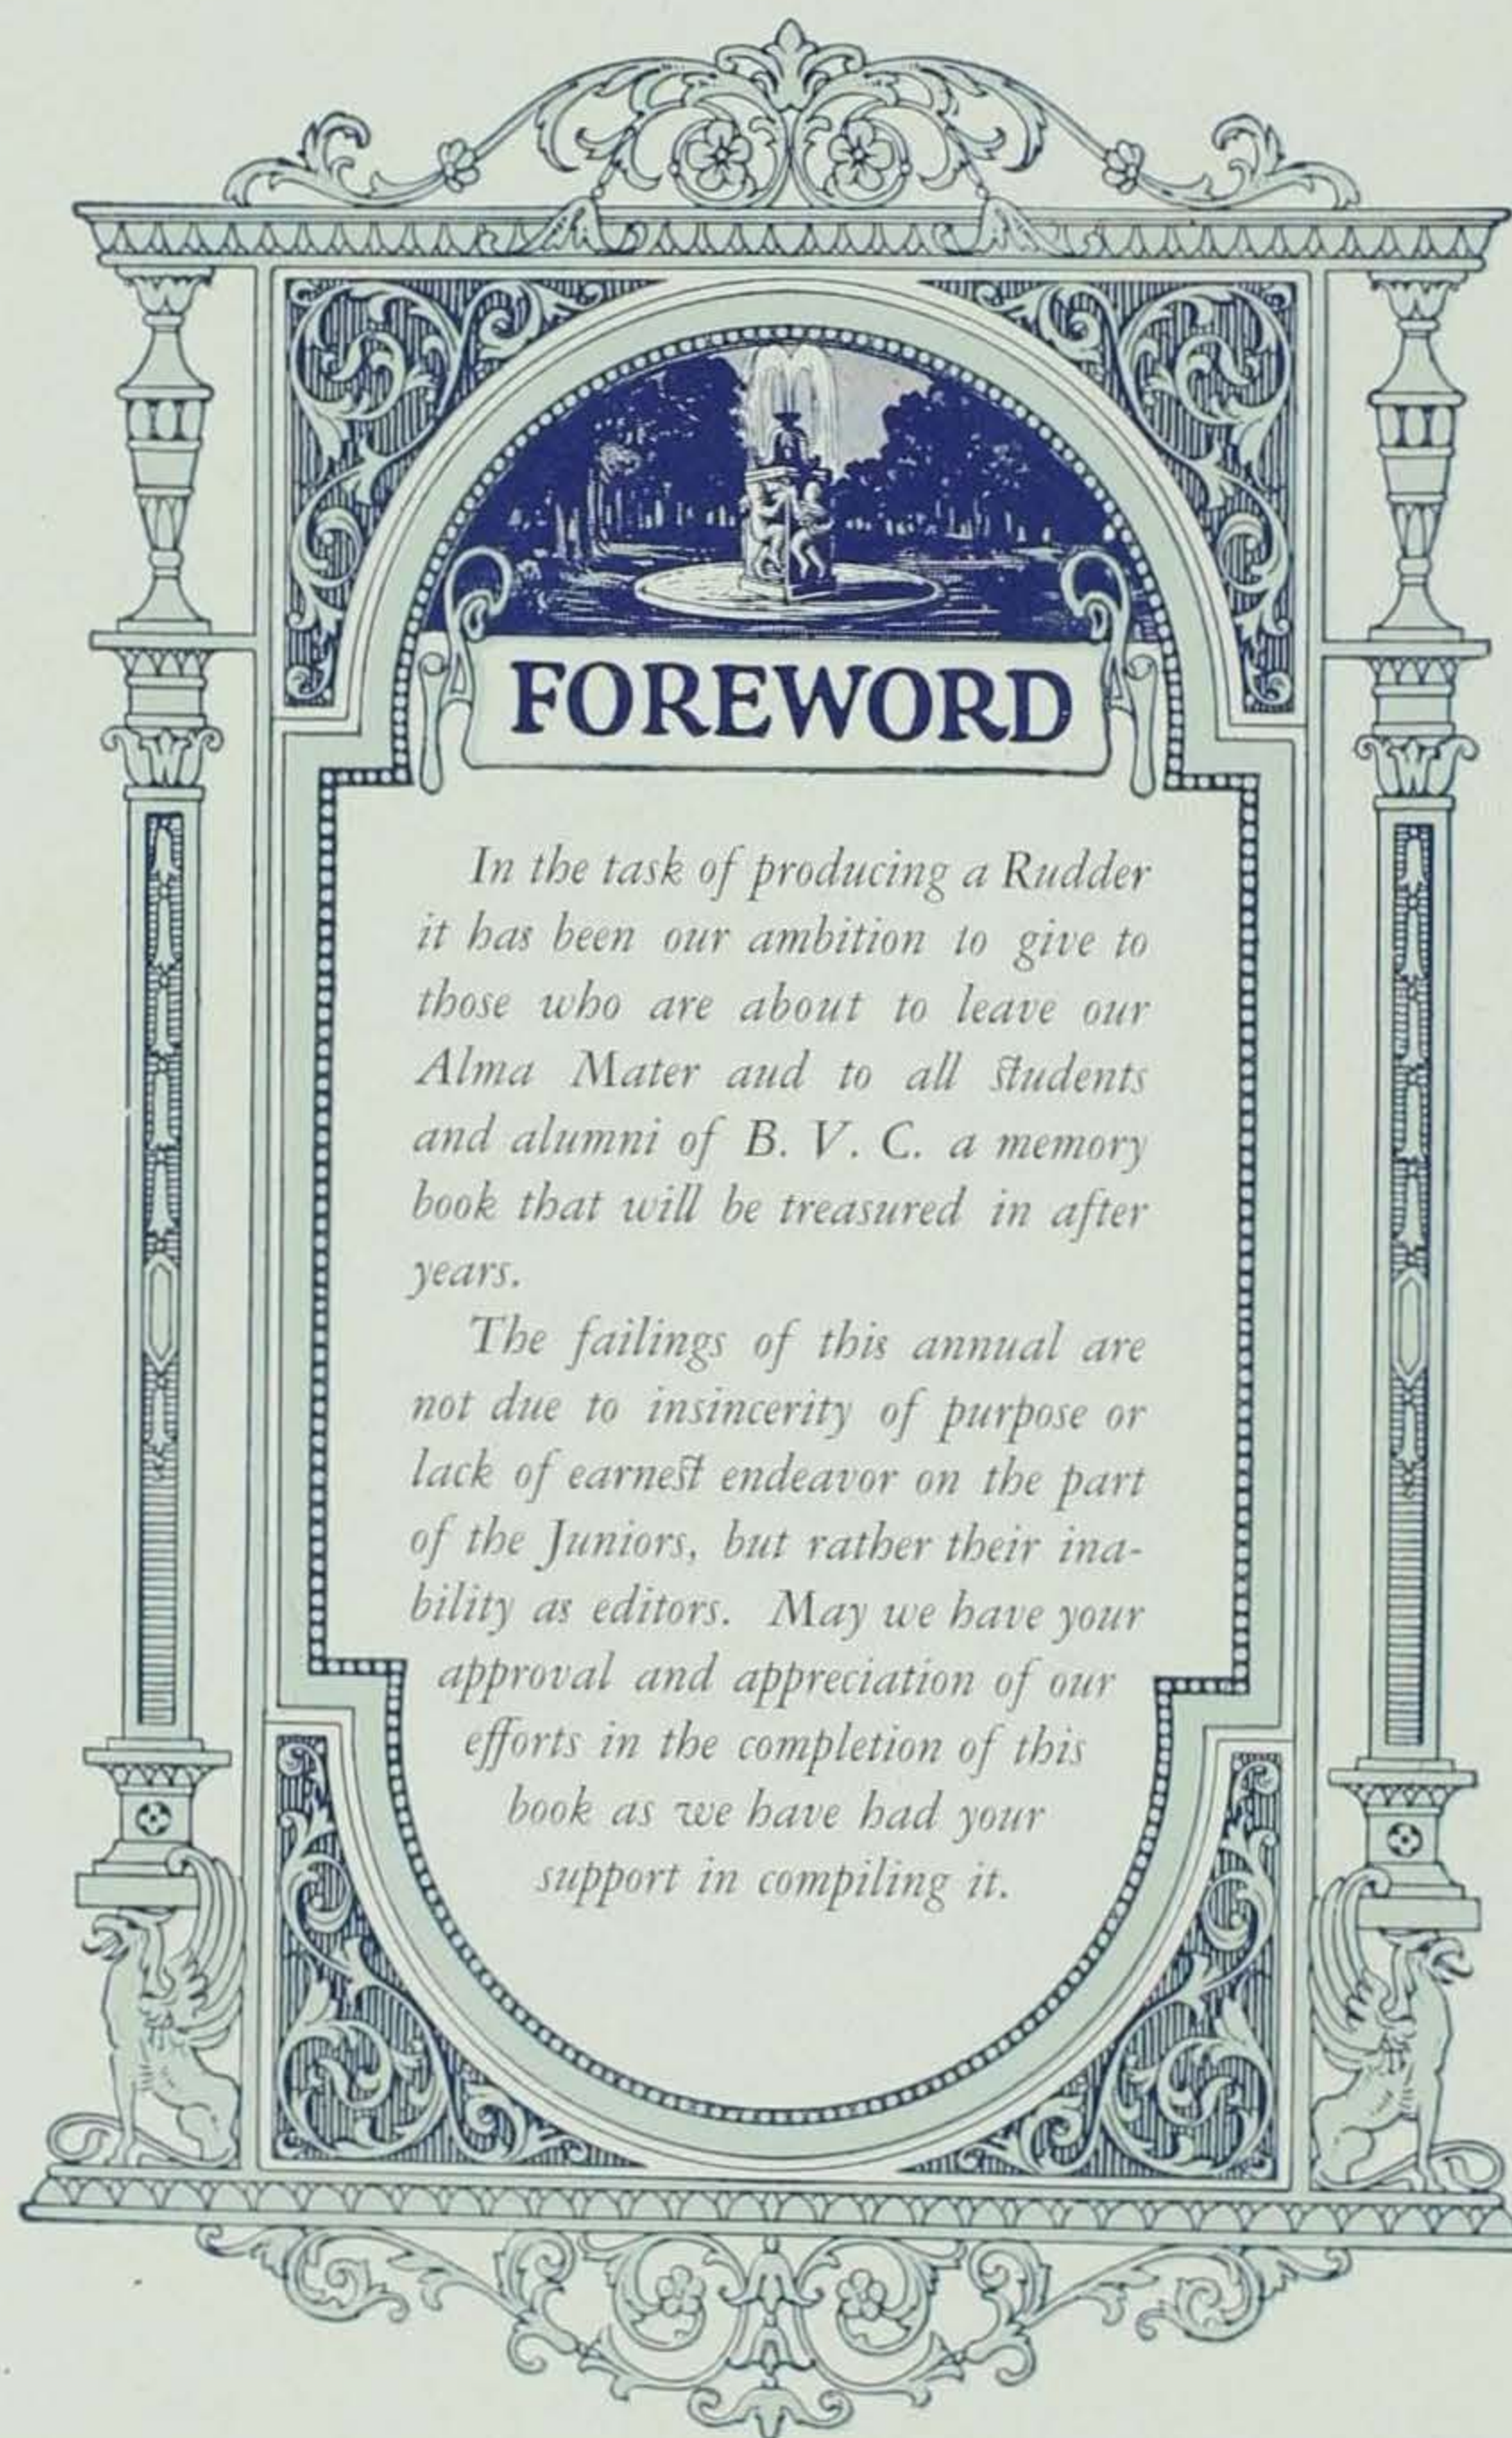

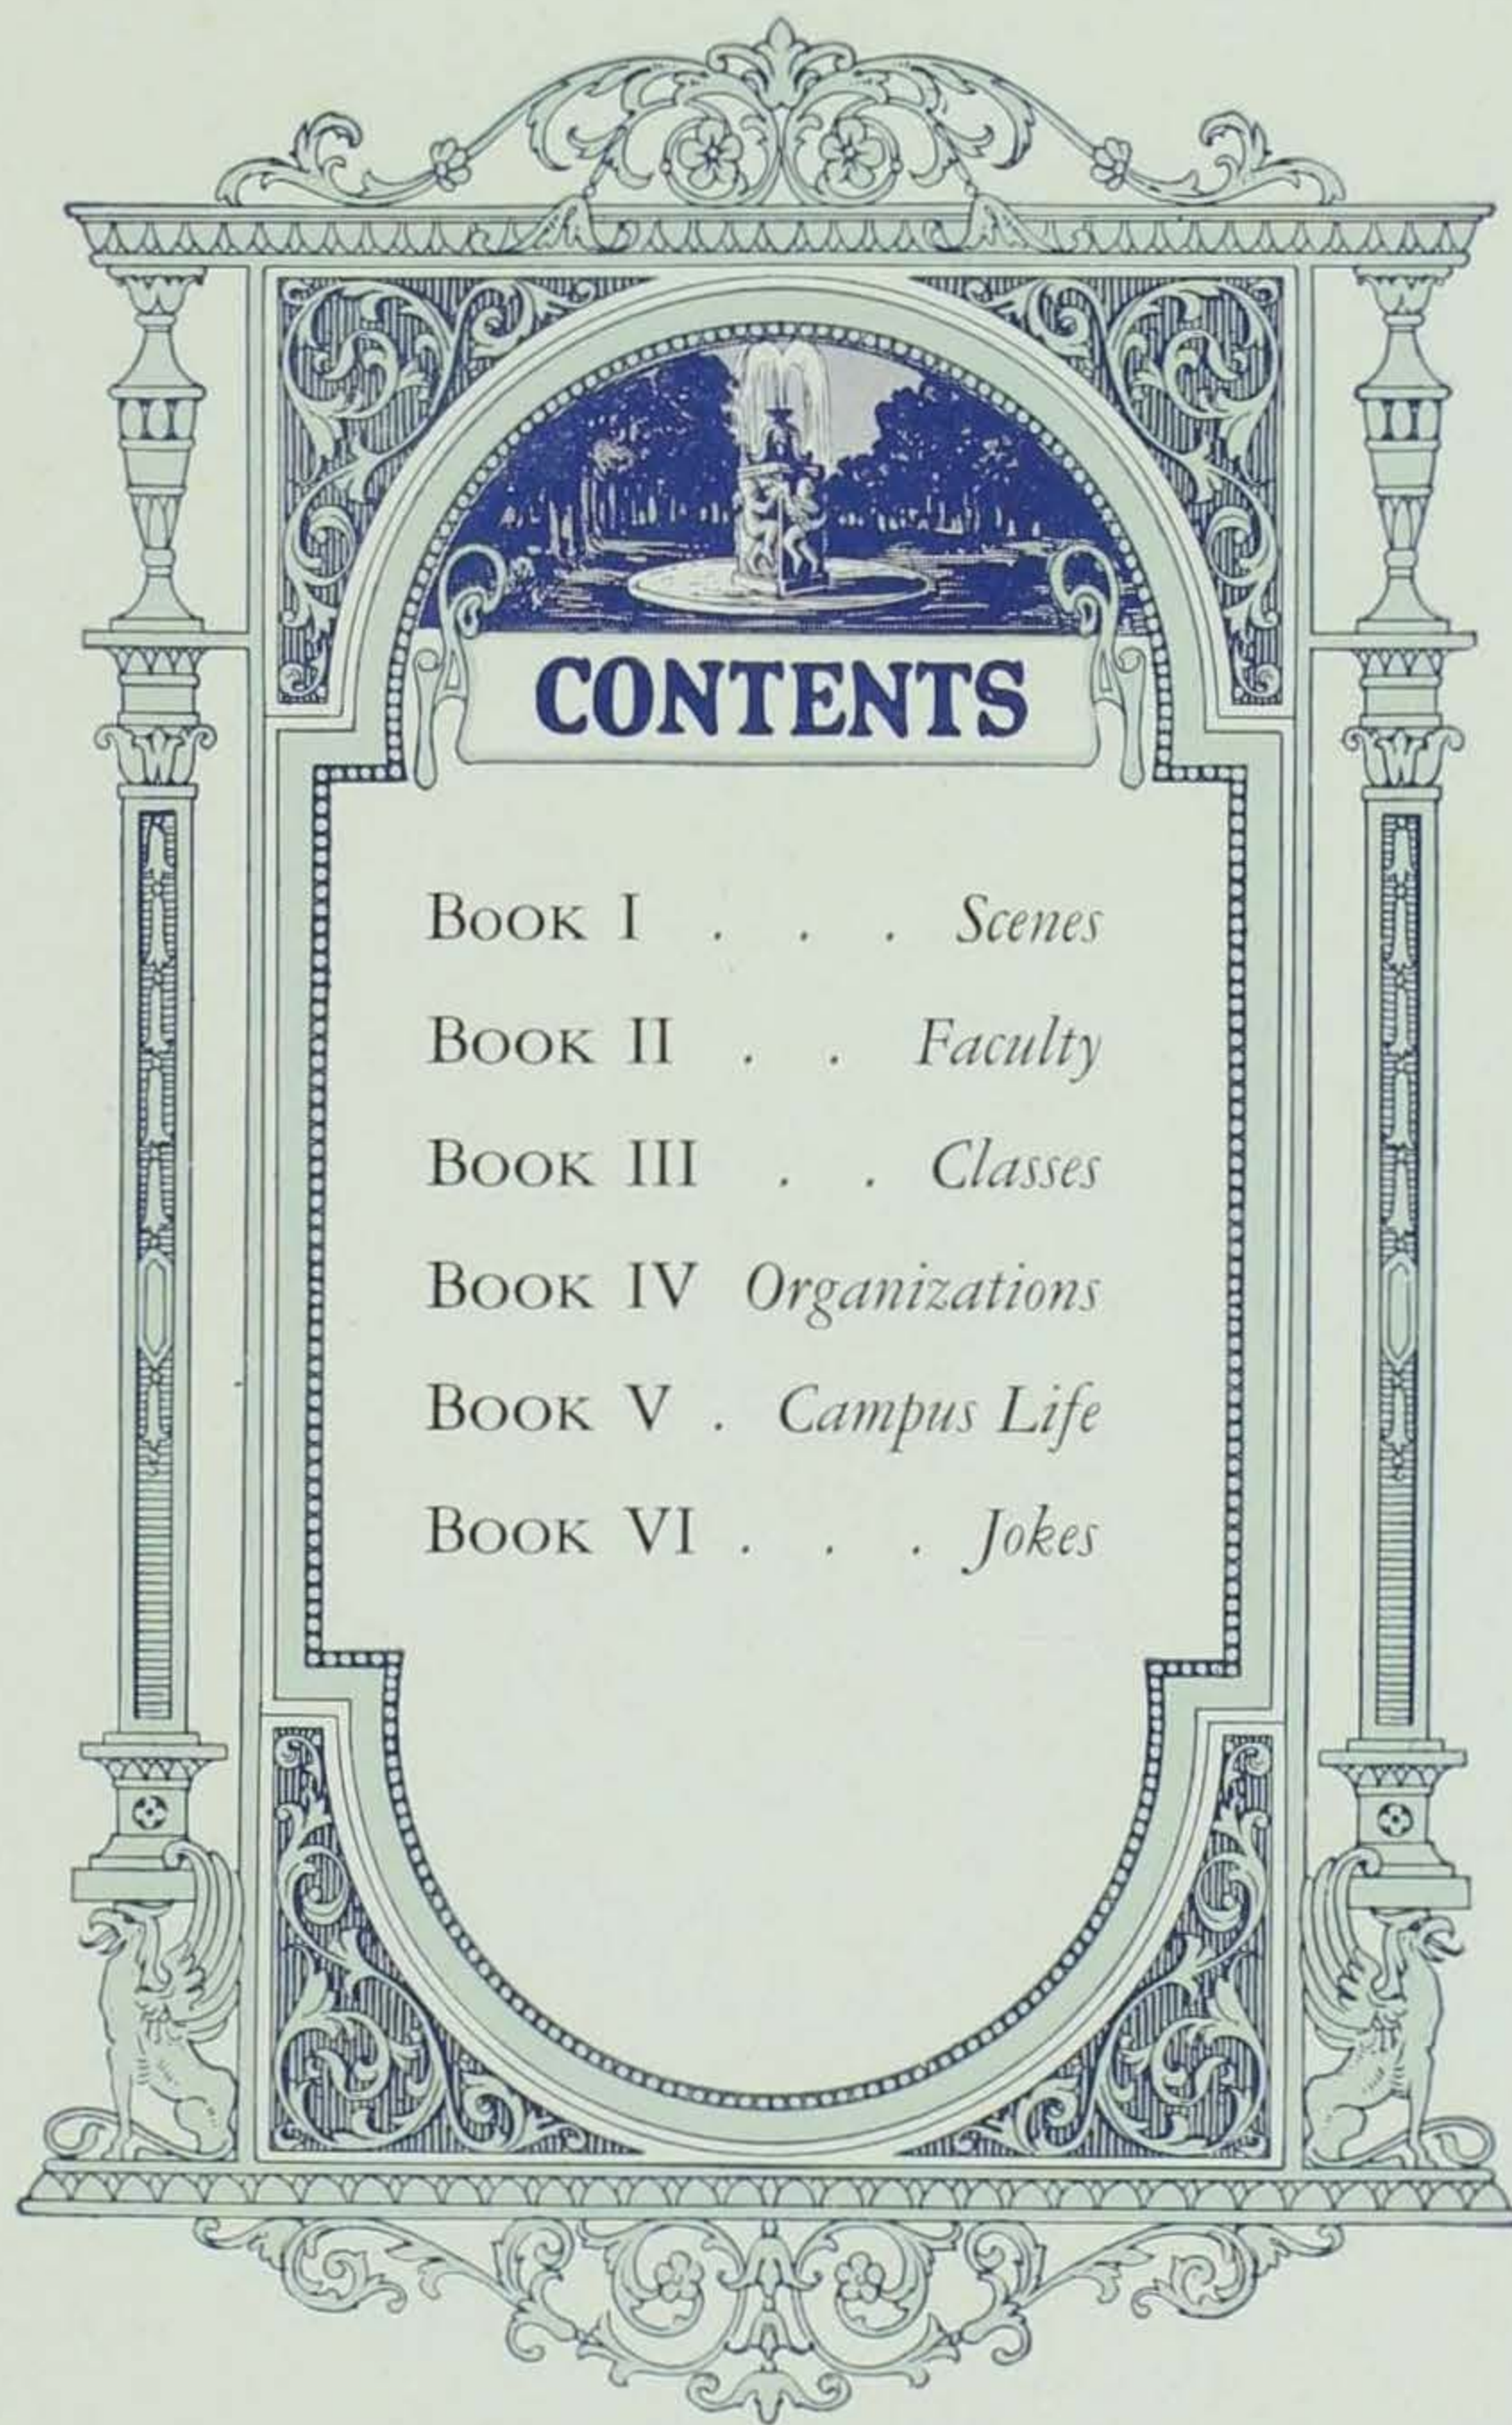

## FOREWORD

*In the task of producing a Rudder it has been our ambition to give to those who are about to leave our Alma Mater and to all students and alumni of B. V. C. a memory book that will be treasured in after years.*

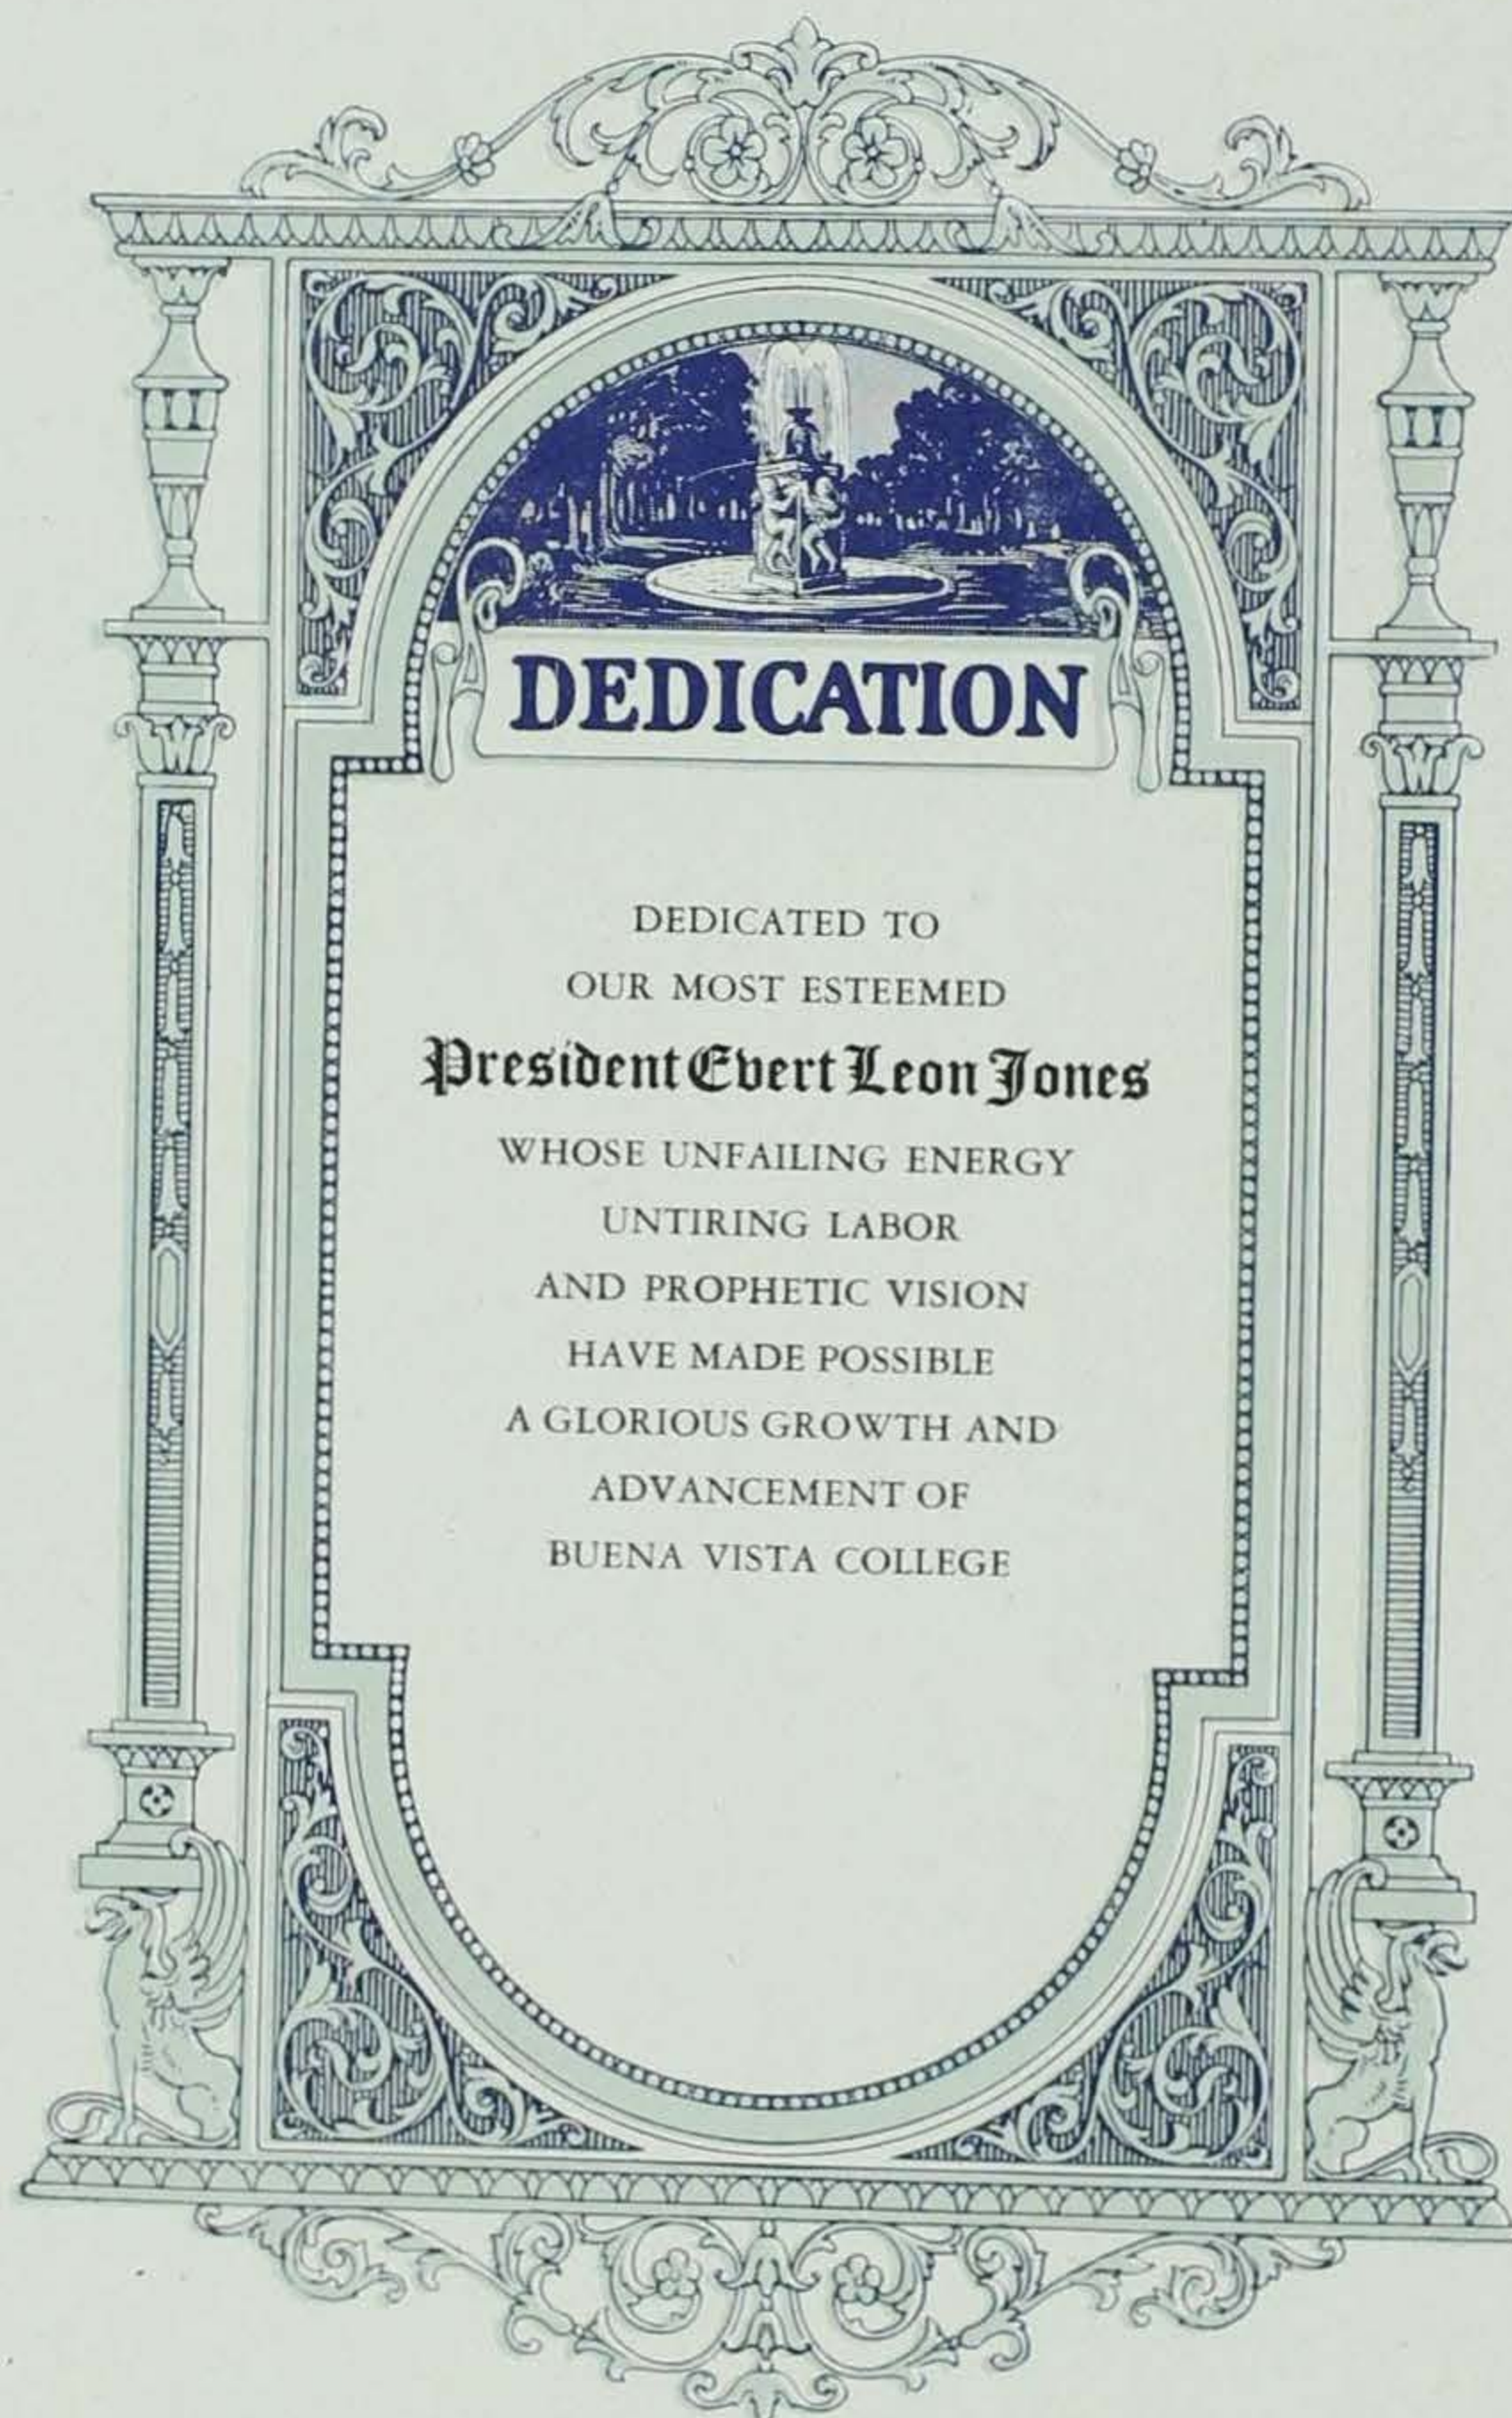

*The failings of this annual are not due to insincerity of purpose or lack of earnest endeavor on the part of the Juniors, but rather their inability as editors. May we have your approval and appreciation of our efforts in the completion of this book as we have had your support in compiling it.*

#### FIELD REPRESENTATIVES

Rev. Evert Leon Jones, D. D., has been president of Buena Vista College for the past two years. Before coming here he was in educational work for the Presbyterian Board of Education. Previous to that time he held pastorates in Philadelphia, Chicago, and Spokane.

J. R. Barkley, Director of Finance, was previously connected with the Board of Education of the Presbyterian Church in field work. Prior to that time he was engaged in Chautauqua and Lyceum entertainment. For ten years he practiced law at Moulton, Iowa.

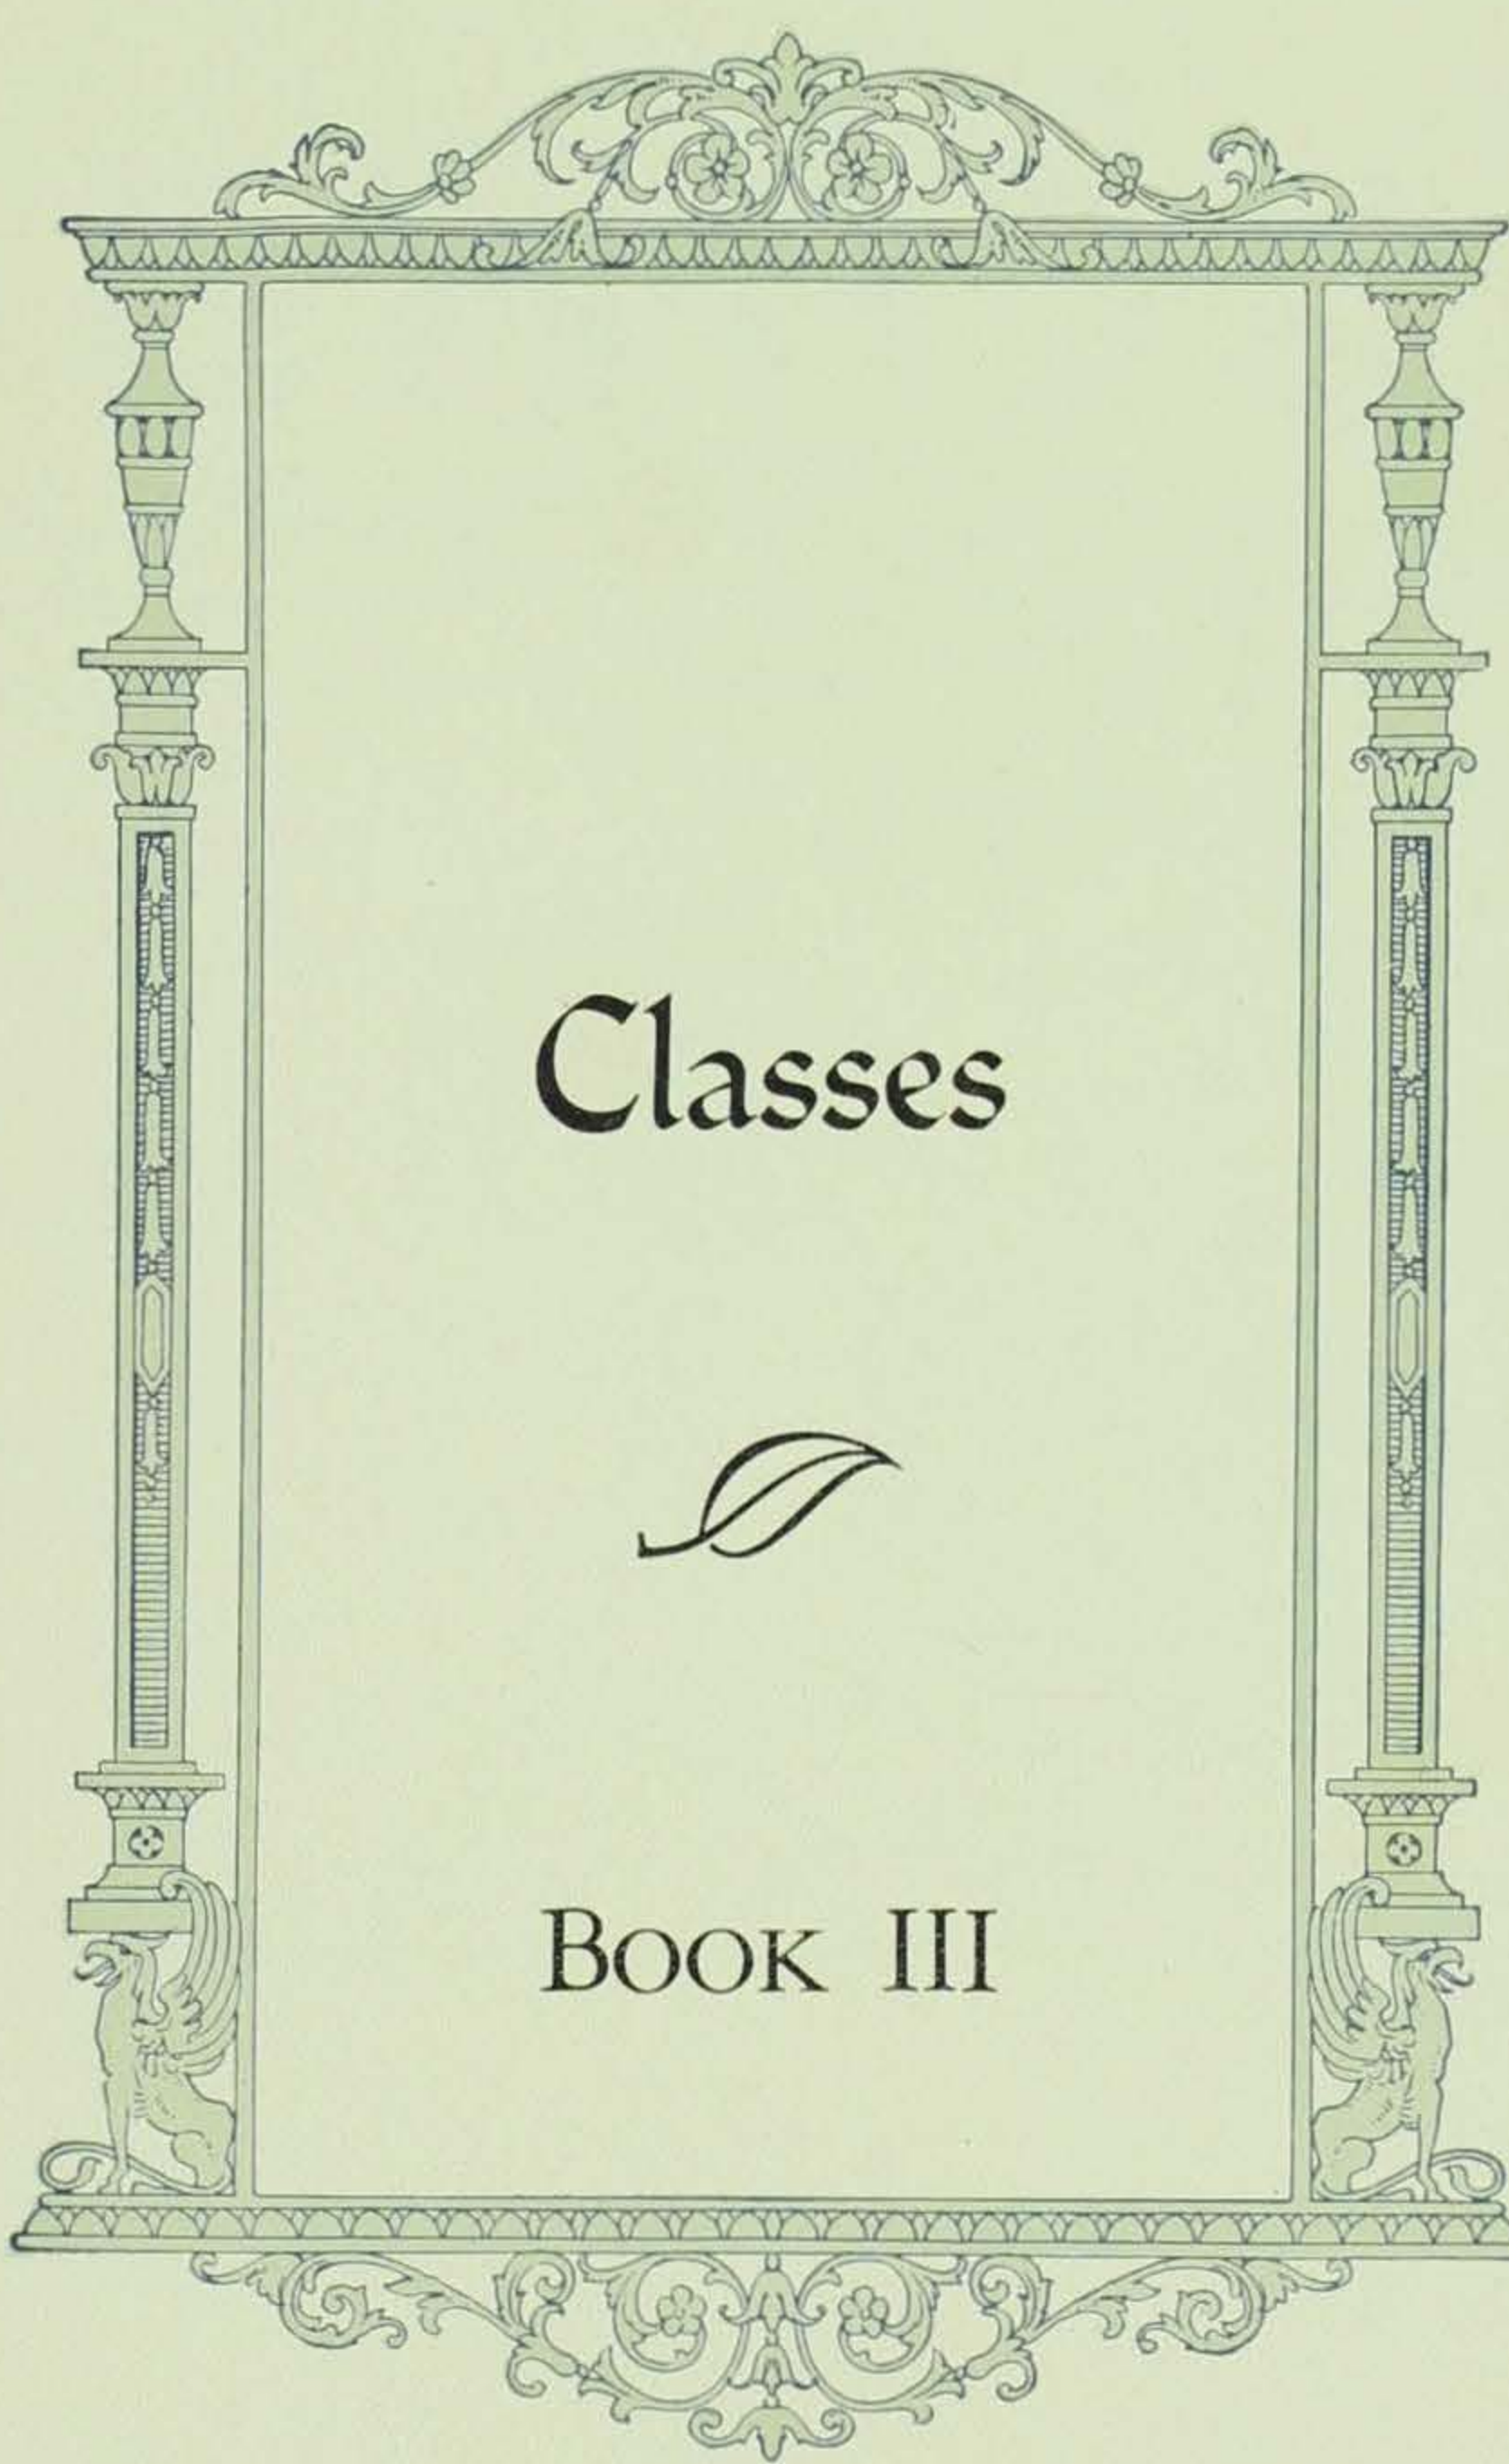

Rev. T. B. Couchman, Field Representative, held pastorates in several Presbyterian churches in Iowa before coming to Buena Vista.

SAM COULSON  
*Caretaker*

Buena Vista College and its every student has found in Sam a real friend. Much credit must be given him for the splendid way in which he takes care of our campus and buildings.

CHARTERED BY THE NATIONAL CONVENTION, MARCH 1924

Buena Vista College is fortunate in having a chapter of the National Forensic Fraternity, Pi Kappa Delta. It is interesting to note that the charter membership of the Iowa Kappa chapter is the largest in the organization, although installed in one of the smallest colleges to be so honored.

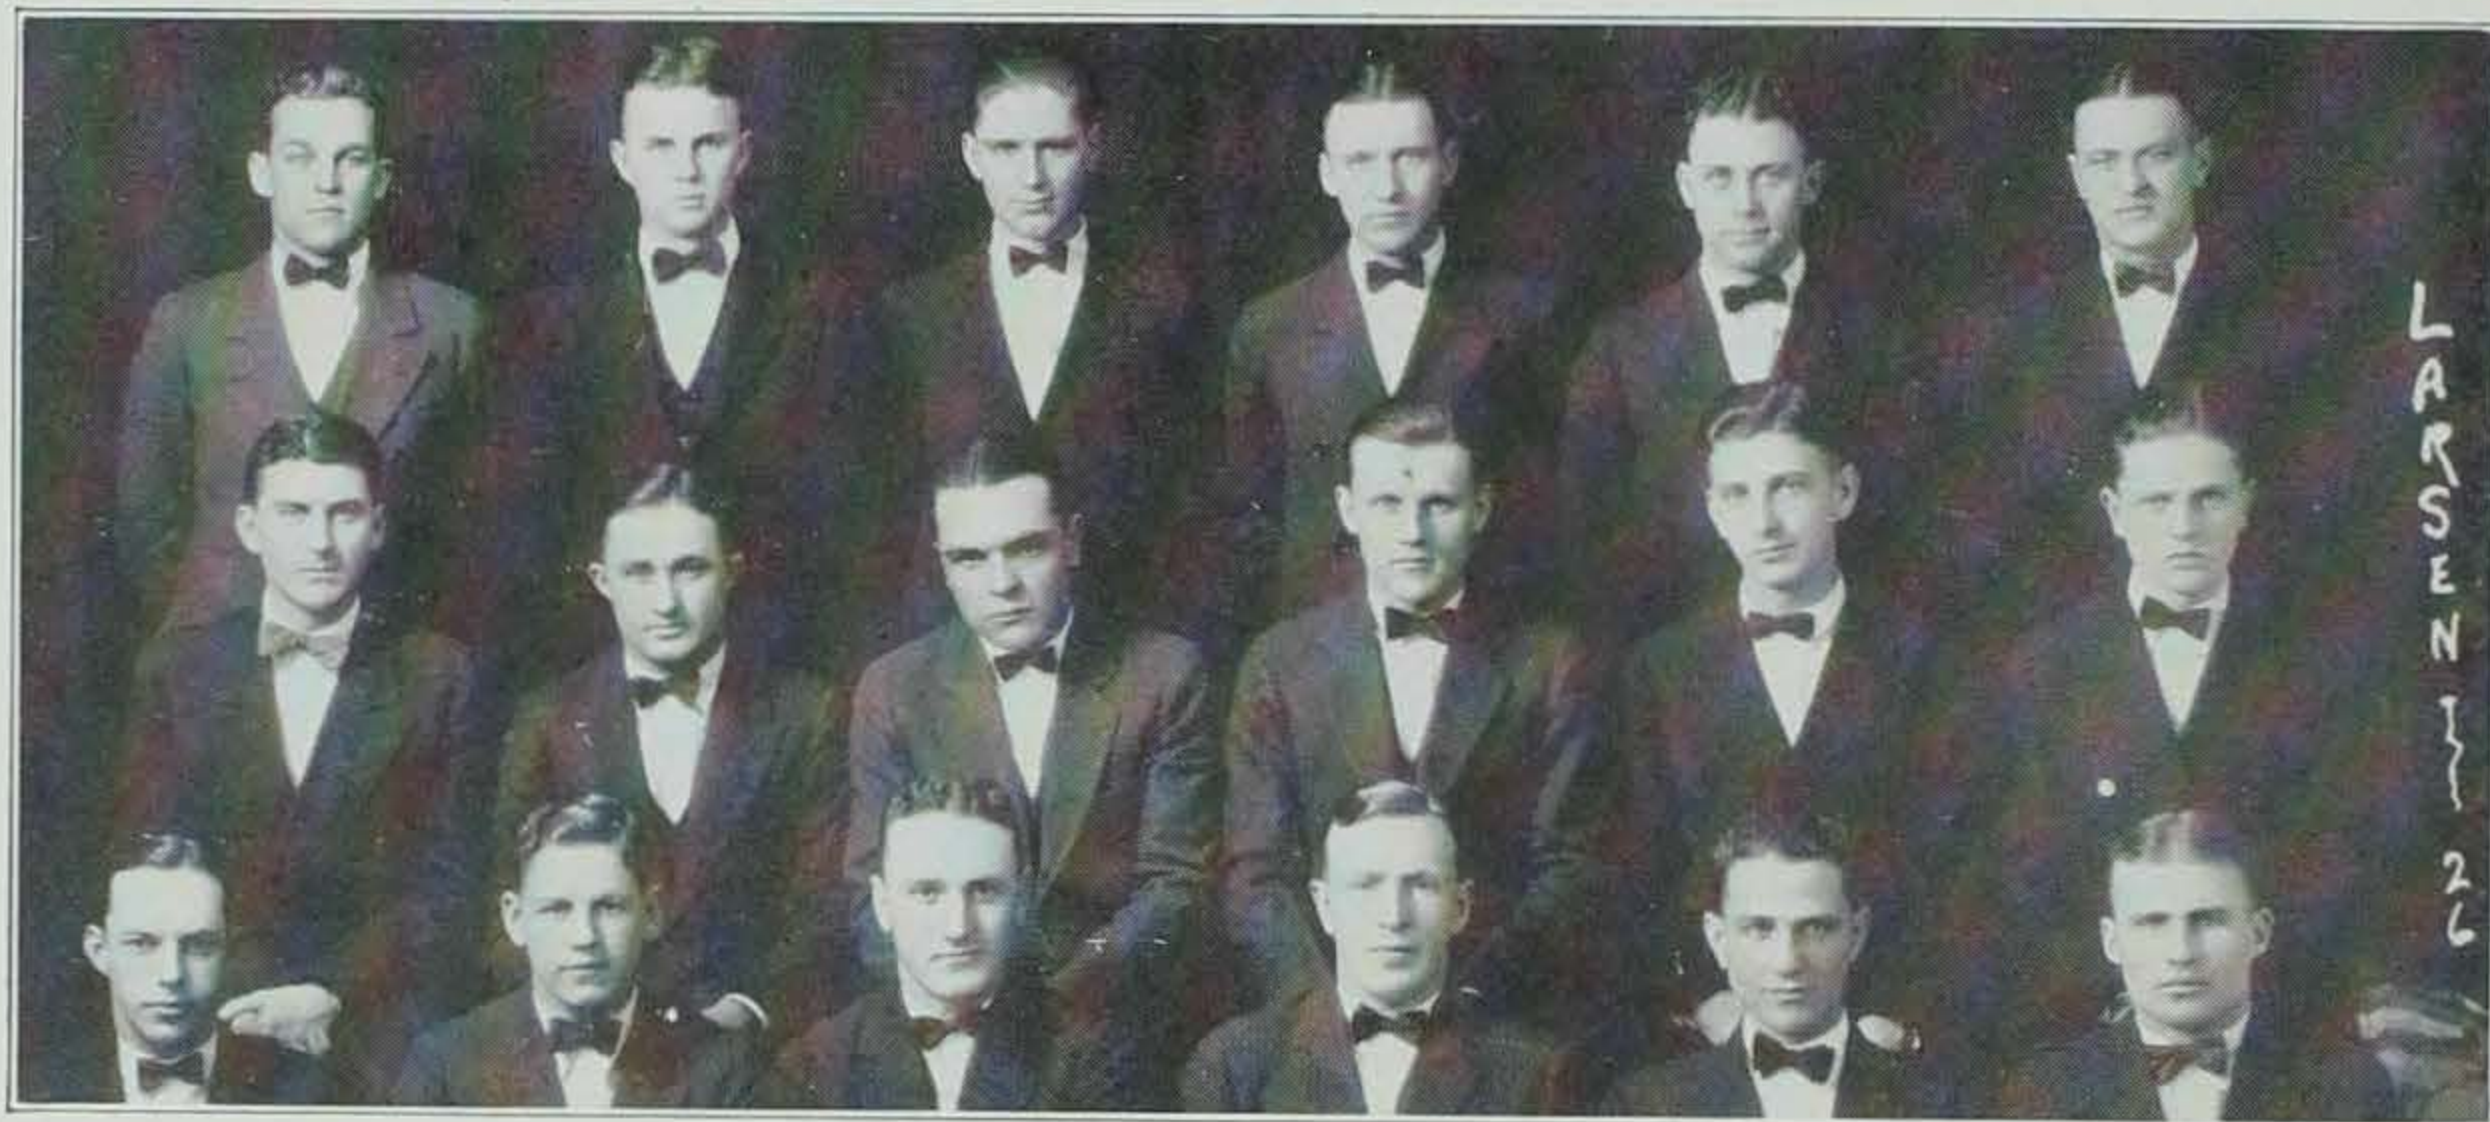

The purpose of the Fraternity is to stimulate progress in and to promote the interests of intercollegiate oratory, debate and extemporaneous speaking. Any student who has represented the college in any of three branches is eligible to the Degree of Fraternity, succeeding degrees being earned by further forensic work.

Miss L. Dorothy Green and Miss Ruth Maxine Ross were delegates from the Iowa Kappa Chapter to the National Convention of Pi Kappa Delta held at Estes Park, Colorado, March 29-April 1, 1926. Prof. Dewey Ambler accompanied them as third delegate. Miss Green brought back more honors for Buena Vista in that she placed third in this national contest. Although Miss Ross did not succeed in placing in the final contests, she made a very creditable showing, and the chapter is justly proud of their representatives.

Among this year's notable forensic achievements, Miss Ross's winning of the Iowa Women's Oratorical Contest is perhaps the most outstanding. This is the second consecutive year that the honor has been brought back to Buena Vista, Miss Green winning the contest last year. Thirteen intercollegiate debates have been engaged in during the year, the majority of which have been of the audience-decision type.

The prizes offered by Pi Kappa Delta in both men's and women's oratory and extemporaneous speaking have added a worthwhile incentive to work of this nature. Taken in its entirety this year has been one of real advancement under the leadership of the Fraternity.

Recognizing the high place the drama has held among the cultured and refined things of civilized nations and believing that there is a growing recognition of the value of dramatic production in spite of the moving picture, radio and other modern substitutes for the theatre, the founders of this order have bound together into one group such men and women in Buena Vista College as have demonstrated their theatrical ability in the production of dramatic work. It is the purpose of this order, the B. V. Players, as embodied in the preamble of their constitution, to stimulate progress in and to encourage each dramatic activity as may serve to enrich the traditions, honor and fame of Buena Vista College.

Toward this end, the B. V. Players of the year 1925-26 have been earnestly striving. Much interest was exhibited at the tryout held in the College Chapel October 8th, from which eleven new members were accepted from a tryout of forty students. The Reception Banquet for the new members was held at the Bradford Hotel on the evening of October 19th.

The B. V. Players present three plays during the college year. The first play, "The Youngest", was presented on the evening of January 15th, at the Empire Theatre with a greater degree of success than has accompanied any former play for a number of years. "Icebound", by Owen Davis, and "The Goose Hangs High", by Lewis Beach, will be presented later in the year. Much of the credit for the success in producing these plays is due to the director, Miss Burtis.

The club has met regularly almost every week for an evening of dramatic study. The meetings have been devoted to programs of a dramatic order, and to the caring for the business of the club.

### THE BEAVER BAND

The band consisting of sixteen pieces must be given credit for much of the pep shown at various athletic contests and college meetings. It is a marvellous musical organization for its size and is improving greatly under the direction of Prof. Aylesworth.

### THE B. V. GIRLS GLEE CLUB

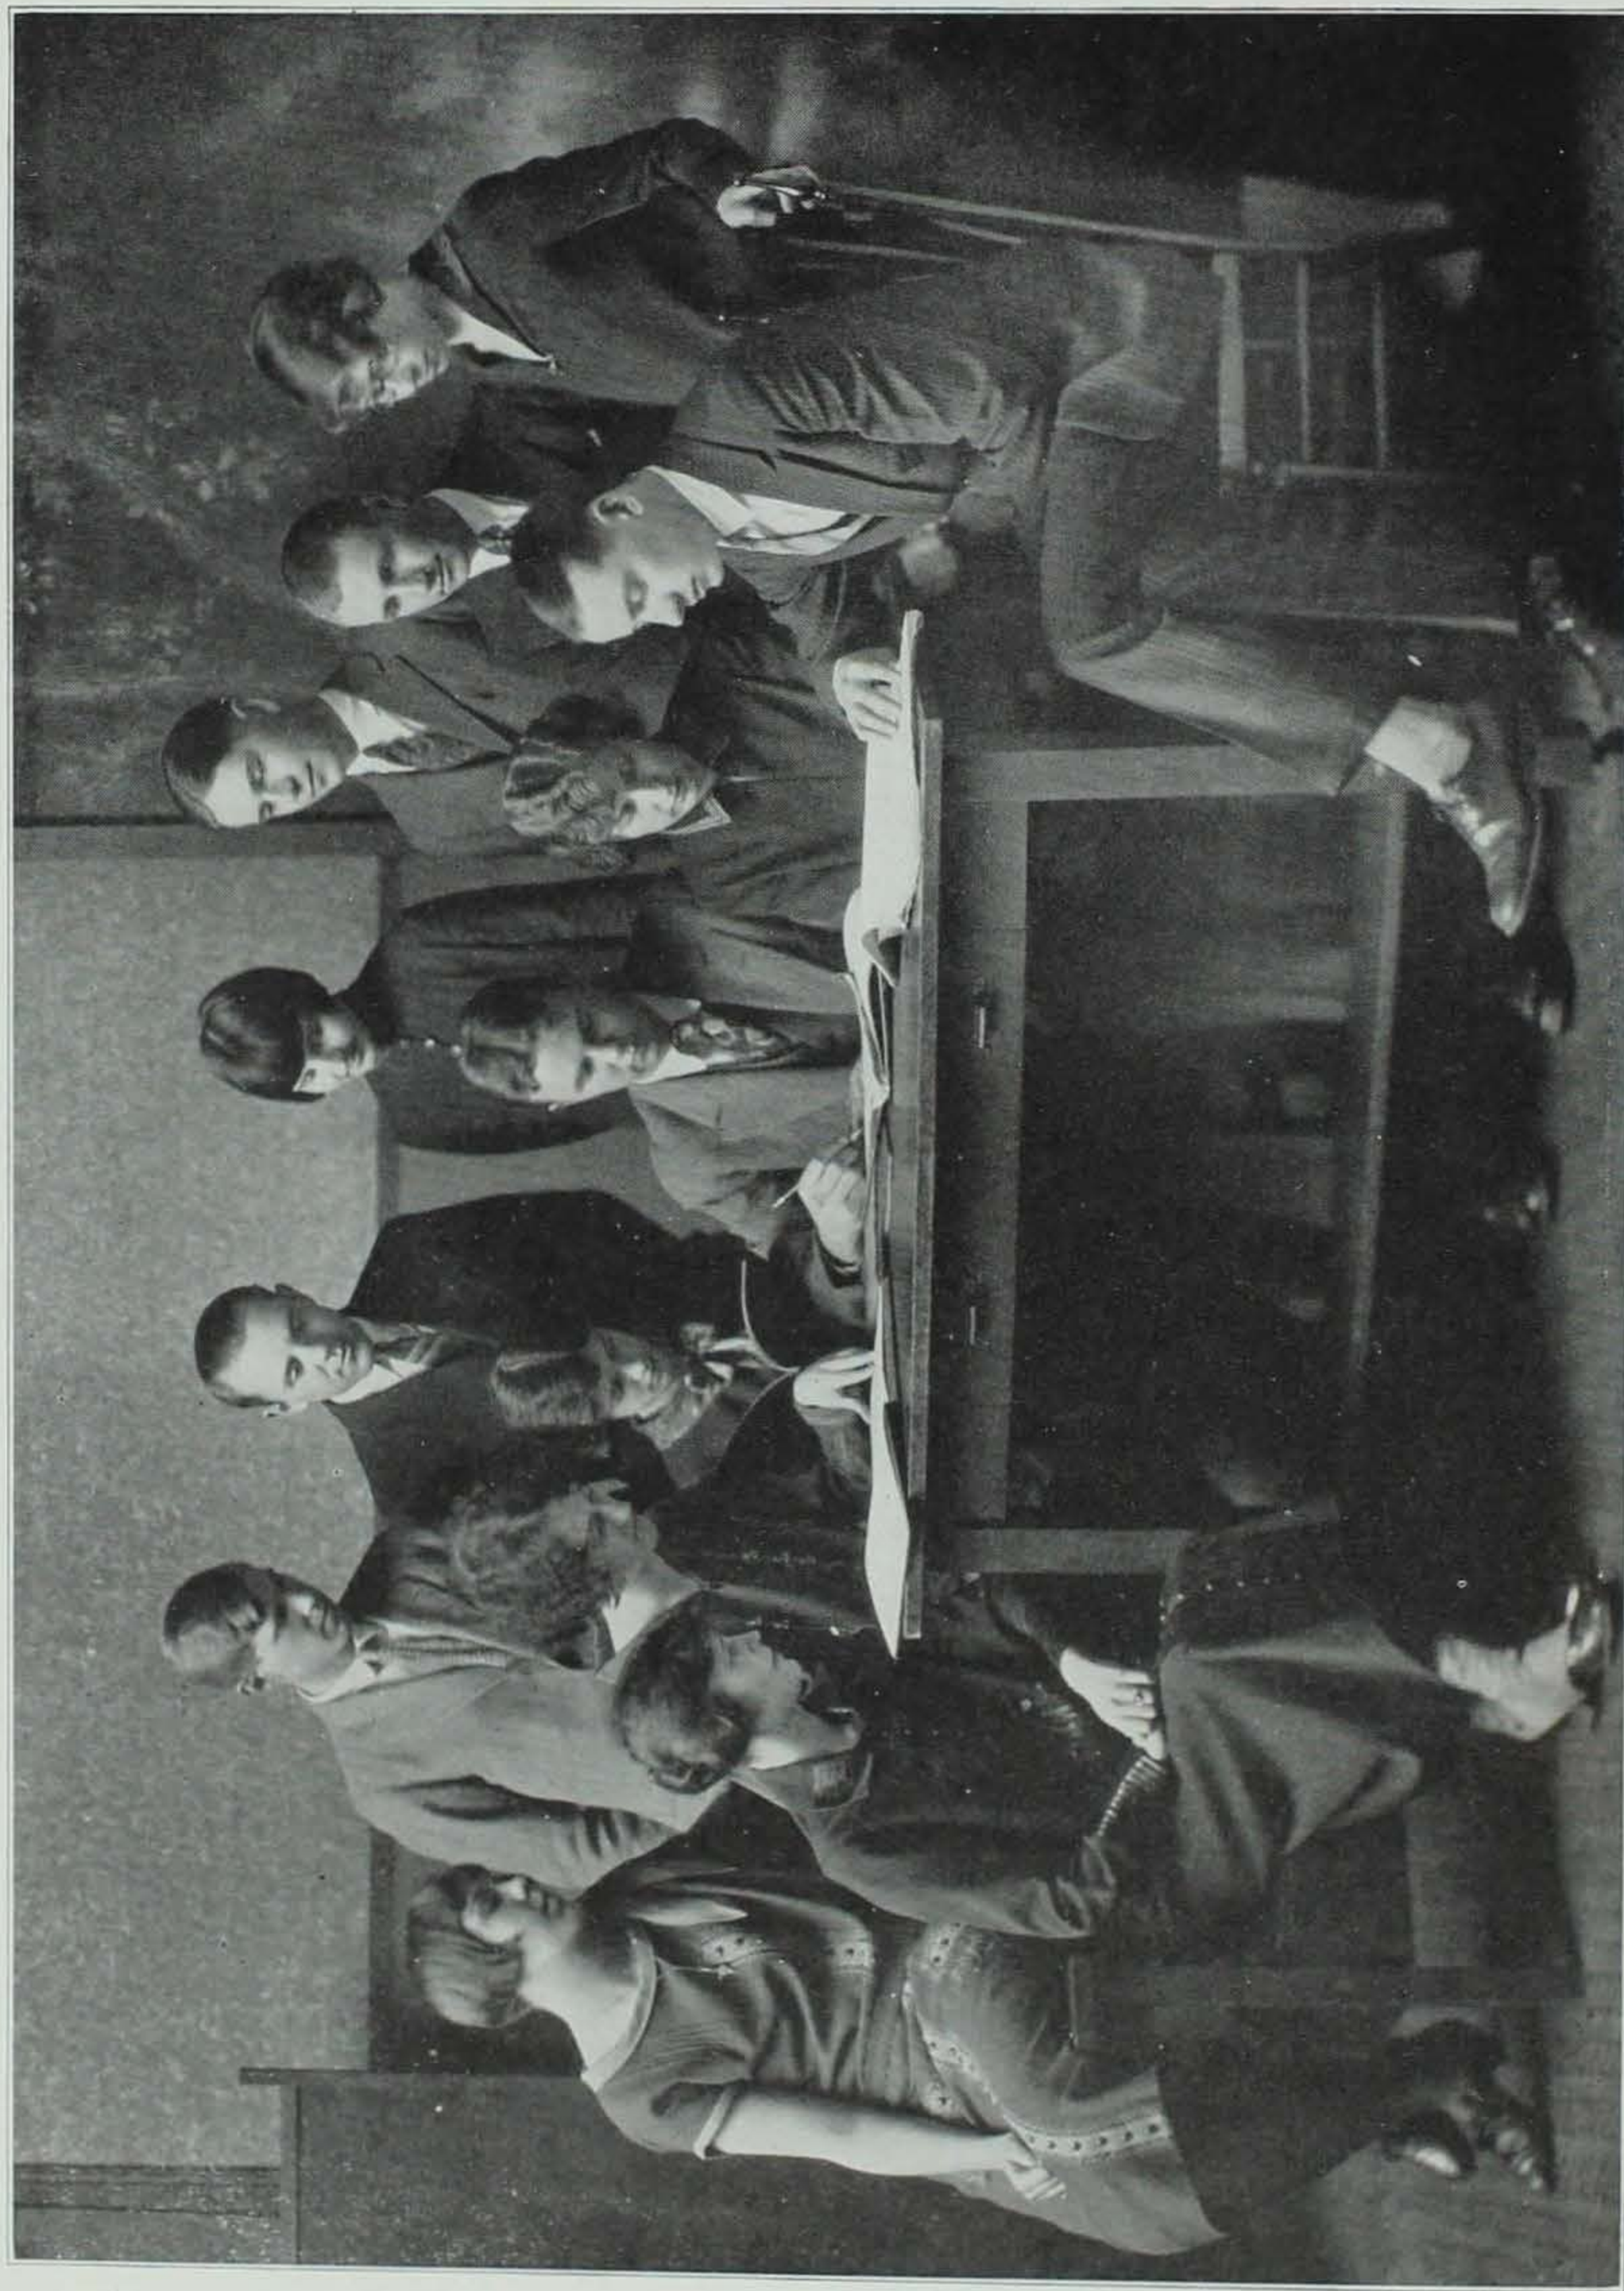

The Girls Glee Club is larger this year than it has been in the previous years of its existence. It not only furnishes music at the college, but appears before the numerous clubs of Storm Lake and gives full concert entertainment in the churches of the surrounding towns. In the spring of 1925 the club gave secular concerts in a number of towns. Under the direction of Mrs. Aylesworth the girls are doing very well.

## WOMEN'S ORATORY

Miss Maxine Ross, with her oration, "Flaming Youth" won first place in the home contest. Miss Ellen Jensen received second place with her oration, "Service". In the state contest at Central College, our Miss Ross easily won first honors and brought back to us the cup which Miss Green had won last year. Buena Vista is the only college in the Iowa Association which has ever won the cup for two consecutive years.

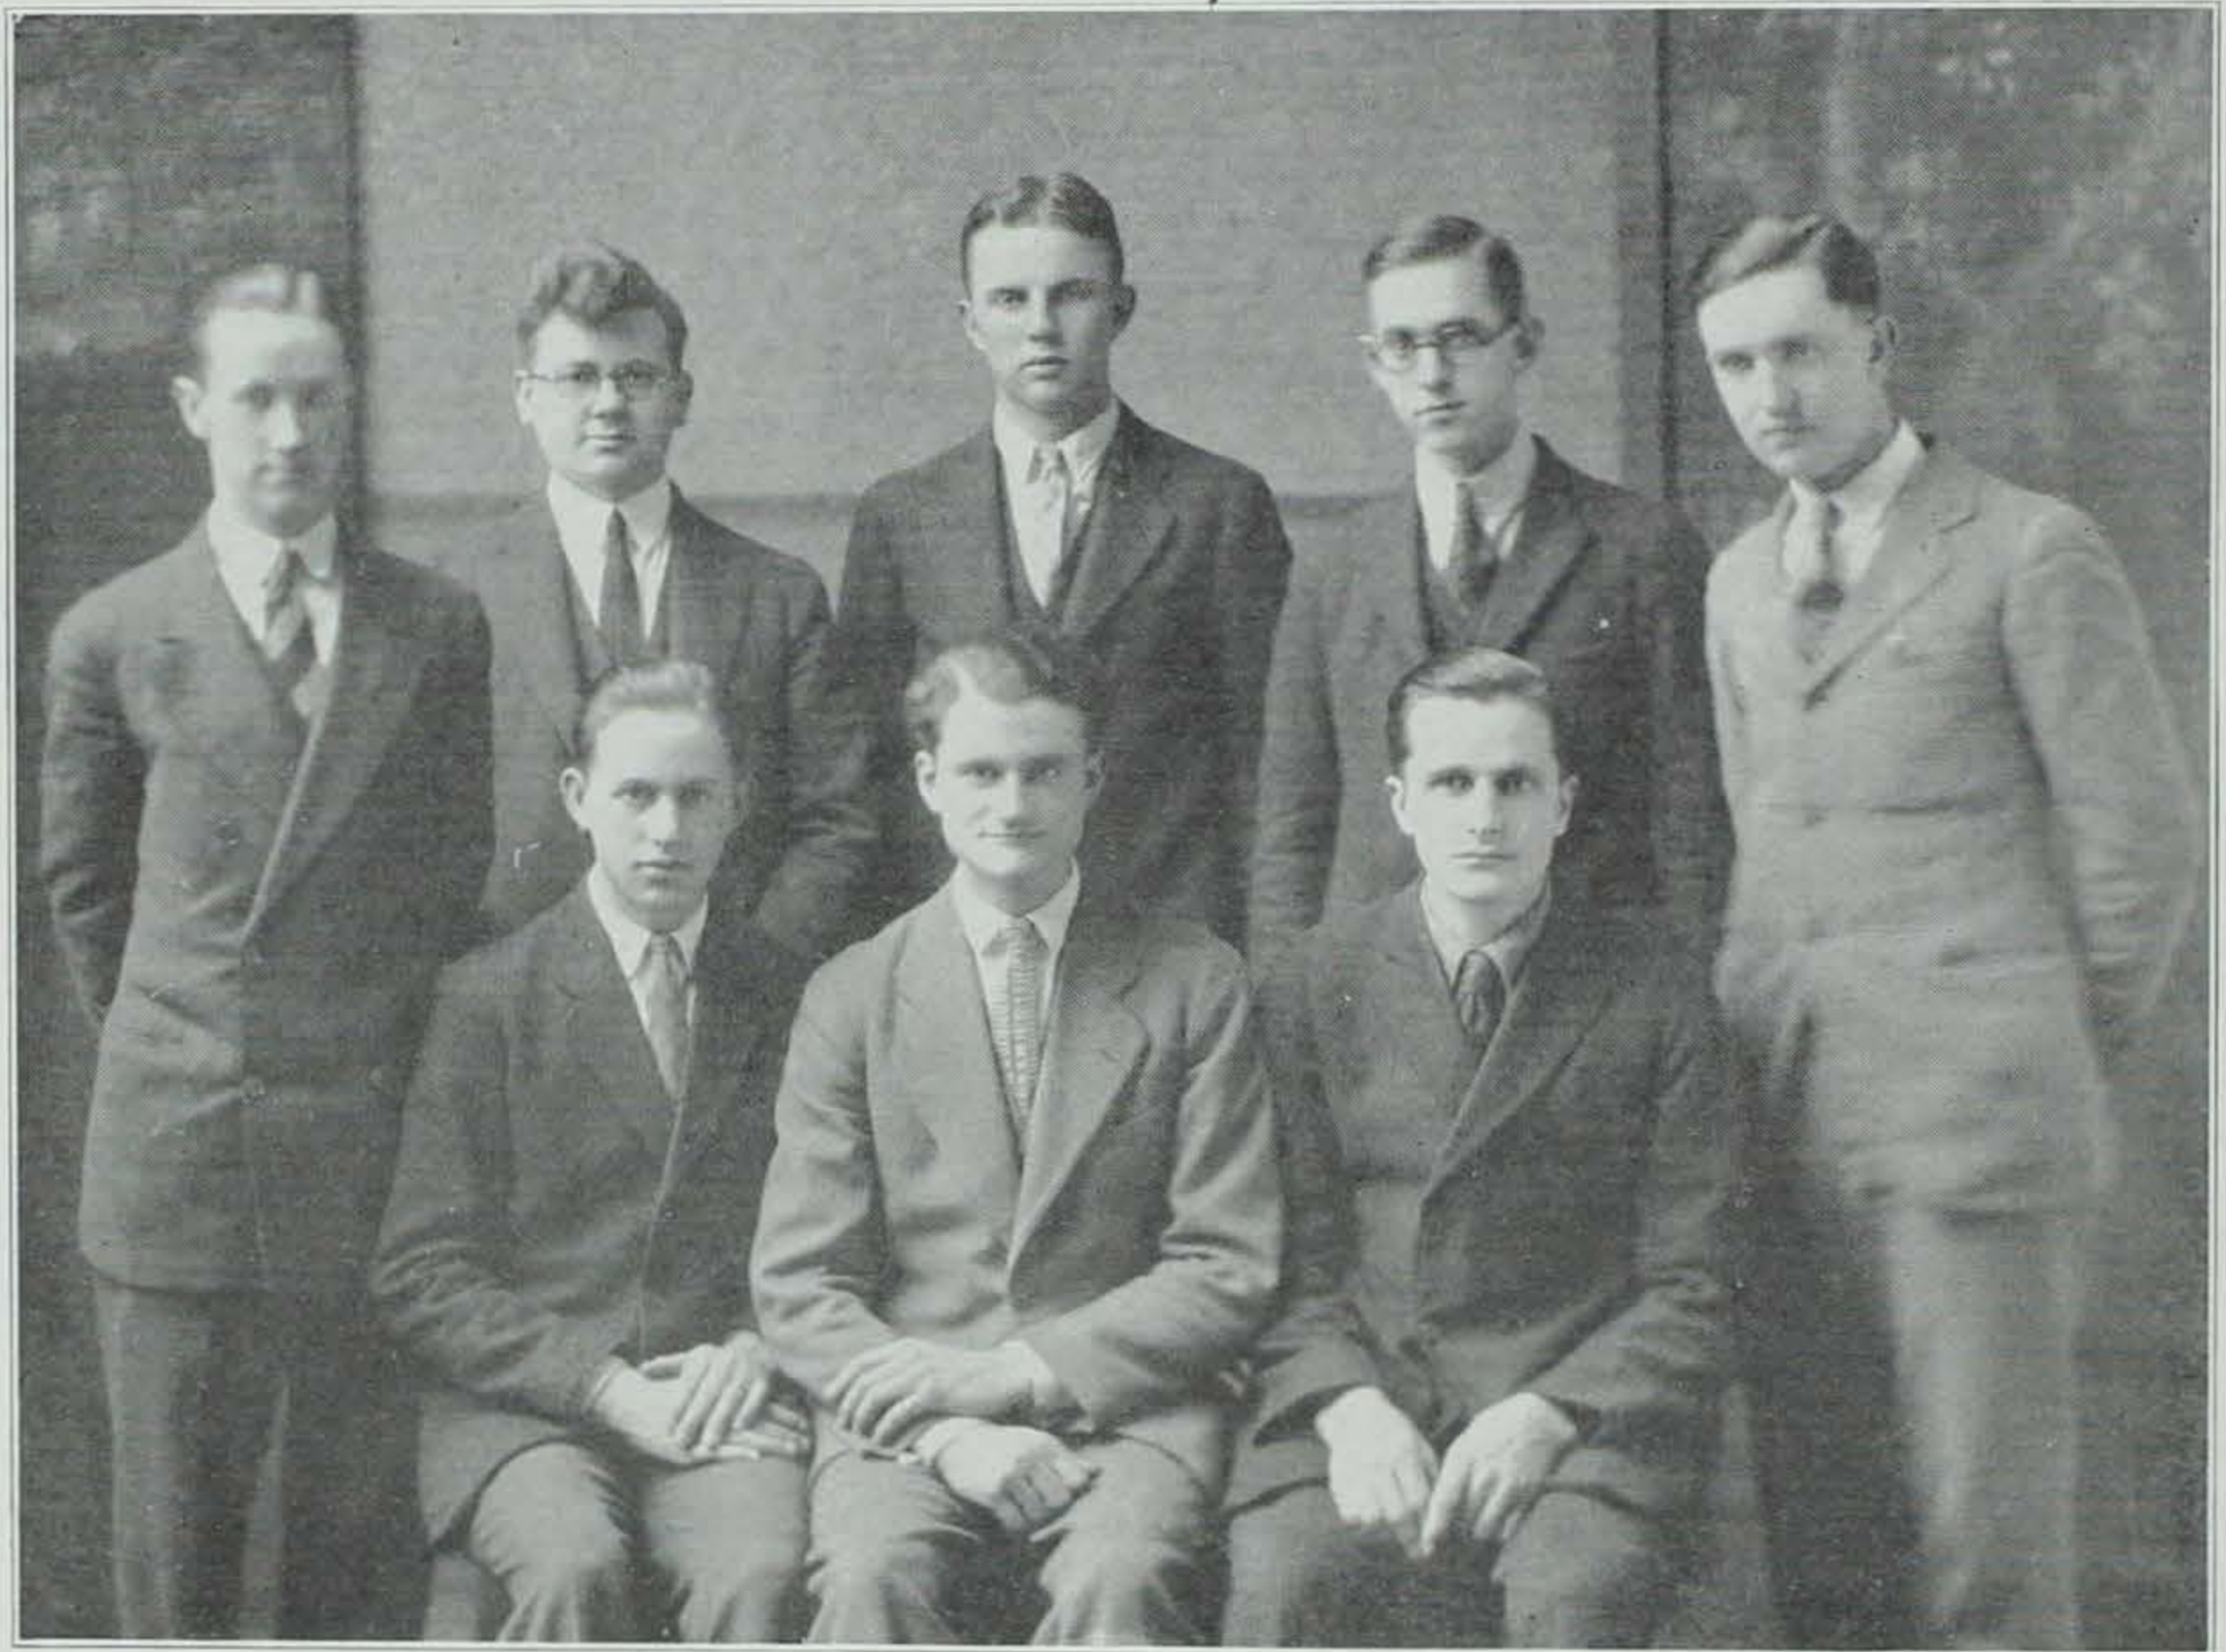

Miss Ruth Smith is this year's winner of the Extemporaneous Speaking contest. She also represented us at Central, winning fourth place.

## MEN'S ORATORY

Elmer Wilson received first place in the home contest, the name of his oration being, "The Purpose of American Leadership." Edward Karges, with his oration, "Shall America Burn?" ran a close second. Mr. Wilson entered the state contest at Parsons College, and placed third.

Mr. Wilson is also the winner of the home Extemporaneous Speaking contest, but as he wished to take oratory, Edward Karges represented Buena Vista in the state Extemporaneous contest, placing fourth.

## MEN'S DEBATE

Both the affirmative and negative men's teams have had a successful debating season this year, as well as an extensive one.

The affirmative team, composed of Charles Wheat, Wendell Edson, and Walter Hammer, has represented Buena Vista on the home floor, winning three out of their four debates. Upper Iowa, Central and Simpson went down before them, but State Teachers managed to defeat us.

The negative team was unlucky as far as victories went, losing all of its audience decisions, which is to be expected when a team travels. Nevertheless, our team, composed of Herbert Hurley, Andrew Cowan, and M. Esperson, did some excellent work and made their opponents work for their victories. The negative team has met Upper Iowa, Central, Simpson, and John Fletcher.

## WOMEN'S DEBATE

The affirmative team, composed of Ruth Smith, Iris Sutton, and Esther Berkler, represented Buena Vista on the foreign field this year. On an extended tour, they met John Fletcher, Simpson, and Central. Although the audience decisions went against them, we are proud of the work they accomplished.

The negative team, composed of Florence McFadden, Ruth Banghart, and Mabel Florey, represented Buena Vista on the home floor. Simpson was the first team met, and no decision was given. The Central team wasn't quite strong enough, and our girls won a two to one audience decision. There are several prospective debates ahead for this team.

Under the advice and spiritual guidance of Prof. Benthin the Y. M. C. A. has made considerable progress towards the end it should attain.

Deputation work has been done by the boys, new committees have come into being, and a membership of around forty has been built up.

The young men have succeeded this year in sending delegates to the state conventions, and hope to send some one to Lake Geneva.

With the start the "Y" has made this year and with the increase in interest among the young men, along with the increase in enrollment and completion of the new science hall, next year should see the Y. M. C. A. with a furnished room and the livest organization on the campus.

The Y. W. C. A. has been very active during the past year. An important part of their year's program was the support of a Japanese girl who is attending school in Japan.

Last summer two delegates were sent to the Geneva Conference and they expect to send at least that many delegates this year. A number of Y. W. girls attended the State Conference at Des Moines.

The purpose of the Y. W. C. A. is to put the "C" of Y. W. C. A. into every girl's life.

## WOMEN'S ATHLETICS

The Women's League, composed of a representative from each class with a faculty advisor, controls women's athletics at Buena Vista.

The point system is used: 100 points being required for a sweater and B. V. monogram. 25 points are given for hiking, 12½ for basketball and 15 for tennis.

Hiking is a glorious sport for Beaverettes in the spring. Those who do the required daily hiking are allowed to take four longer hikes, which are: Alta, 6 miles; around the lake, 12 miles; Early, 16 miles; and Sioux Rapids, 19 miles.

Basketball medals are awarded for those girls who attended the number of practices designated by the captain. This year Ruth Smith is captain of the team.

Tennis points may be gained by the girls playing in the semi-final of the spring tournament. This gives four medals a year.

The interest is high among the girls and enthusiasm is keen for sports. B. V. girls are wide awake and eager for action. Spring days will find the tennis courts full and spring mornings one can witness hikers doing their "daily miles."

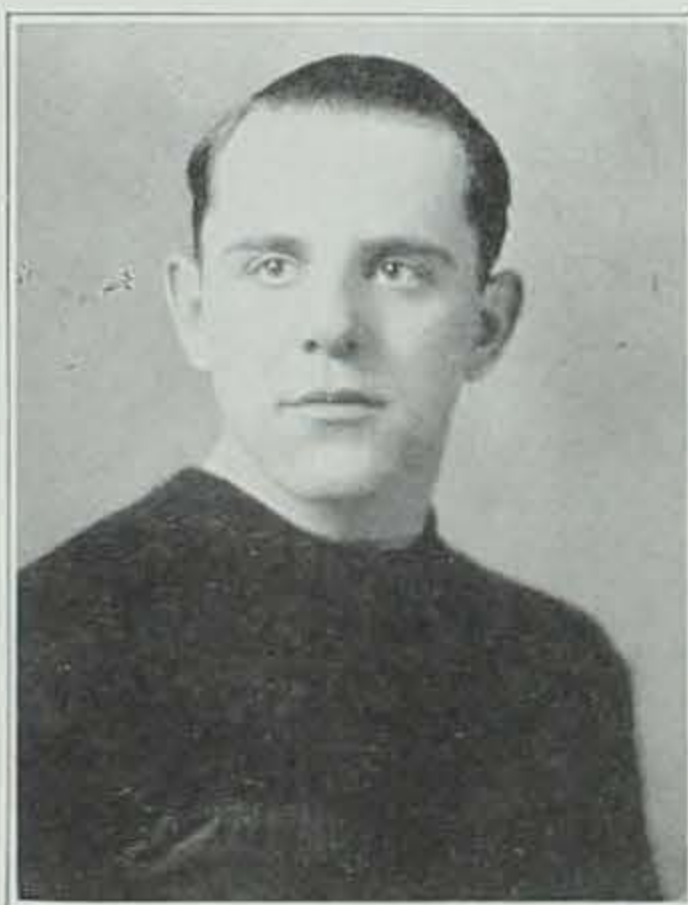

J. D. KELLY

“Jim” Kelly, the big coach in Northwest Iowa, has just given Buena Vista College the most successful year in athletics in her history. During the football season, the Beavers suffered only one defeat and that at the hands of Cornell College. Coach Kelly’s basketball team finished the season as Iowa Conference champions. Track promises better than ever before. Altogether, Coach Kelly has done extraordinary work with his few men this year, as well as for the three preceding years that he has been here.

# FOOTBALL

EDWARD HAGEDORN, Captain

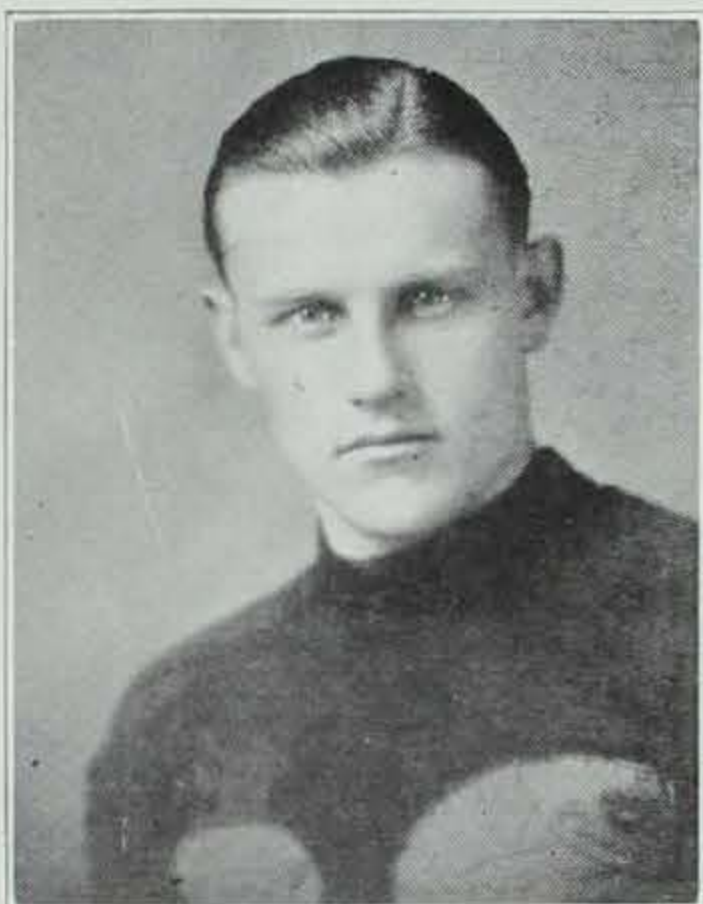

Captain Edward Hagedorn of Denison led the Beavers through the most successful season in Buena Vista history. "Heck" played his fourth year on the team and his second at center, going through both seasons without a bad pass. His consistent play all season won him the honor of being chosen All Conference Center and second All State Center.

ESTILLE HENSLEY, *Captain Elect*

Captain Elect Hensley was the mainstay of the Beaver line and was one of the best guards in the State. He was fast on his feet and his prowess on offense had much to do with the success of the Beaver plays.

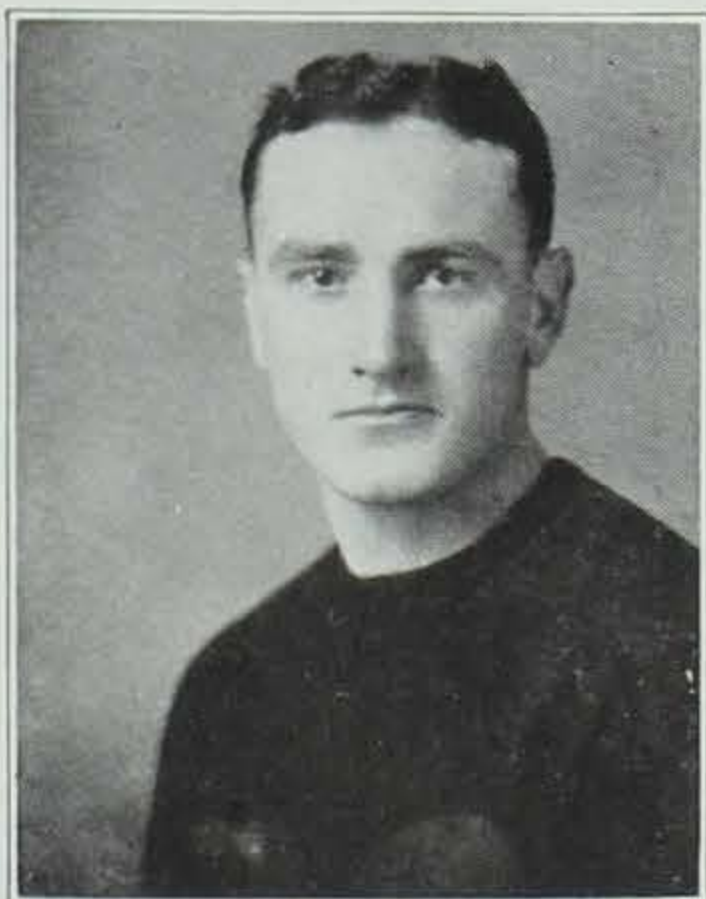

JAMES LESLIE ROLLINS

"Whitey" Rollins, Buena Vista's great half back, made his final year the most brilliant of his career with his wonderful open field running and pass grabbing. His injury received in the Cornell game probably kept him off the All Conference Team but he was picked on the second All Conference Team and the third All State Team.

EDWARD SAGGAU

"Eddie" Saggau again played quarter back and took care of the passing and kicking for the team. He was a hard man to stop and figured in every victory. Saggau has played his last game for Buena Vista and will be missed next year.

WALTER BRADFORD

"Bim" started the season in whirlwind style but was put out of the South Dakota game with a cracked ankle which kept him out of part of the season. However, he brought his career to a fighting finish in the Tabor game.

EDWIN SMAAGE

Smaage worked at both guard and center and probably played his best game at Coe. This will be his last year on the Beaver team as he graduates in June.

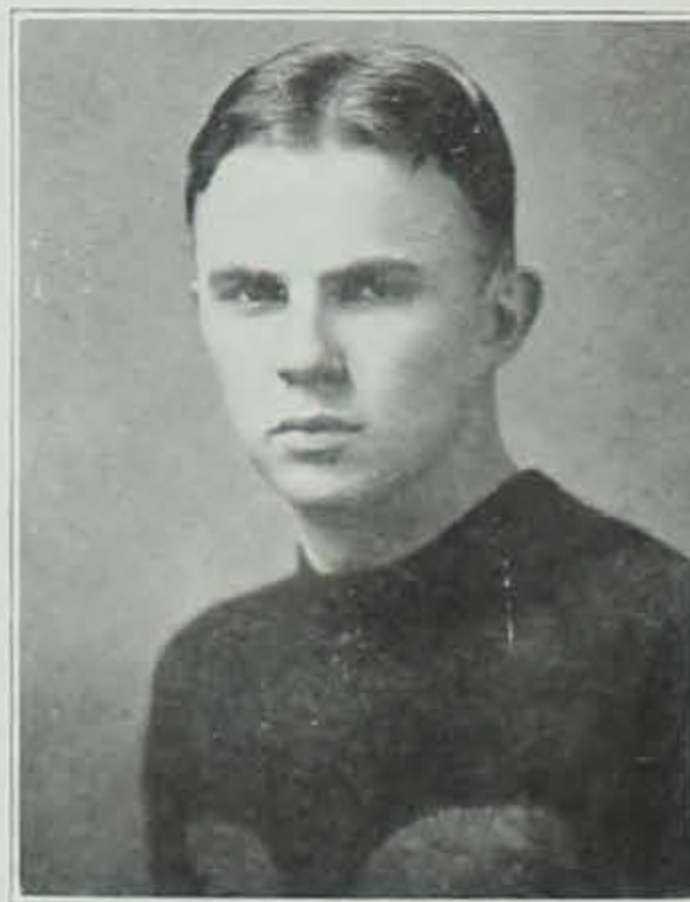

EDWARD KARGES

Karges was used at end again this year and never failed to come through when put in the game. He has one more year left and should be one of the best men on the squad.

ANDREW COWAN

"Andy" had developed into one of the best line-men on the Beaver squad and it was a big loss to the team when he broke his leg in the South Dakota State game.

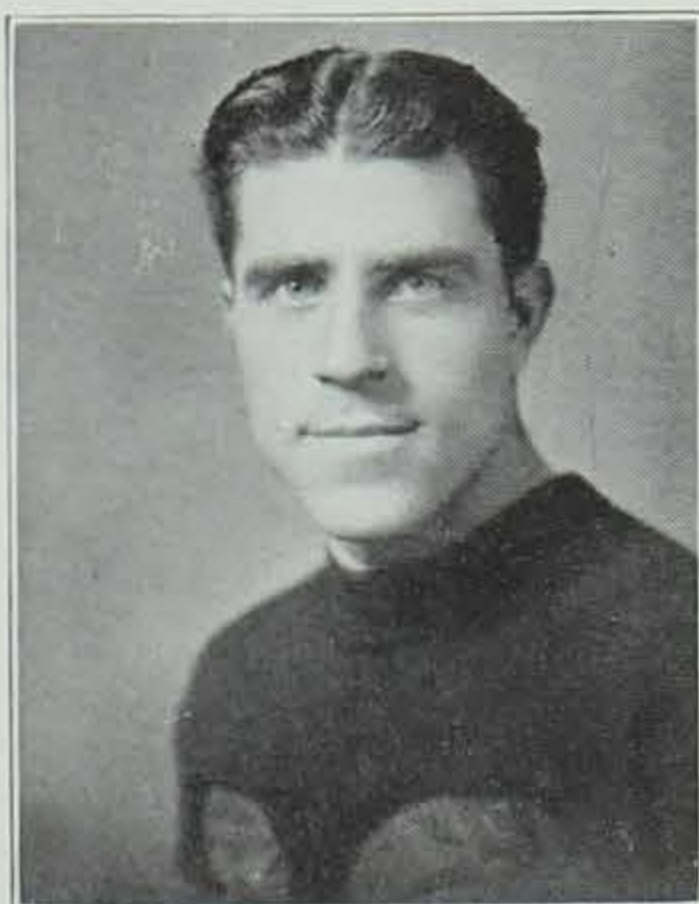

MARMADUKE CHRISTIE

"Duke" Christie of Escanaba, Mich., played a great game at half, held up his end of the scoring and excelled in pass receiving and defense. He should play real football next year.

GLENN COULSON

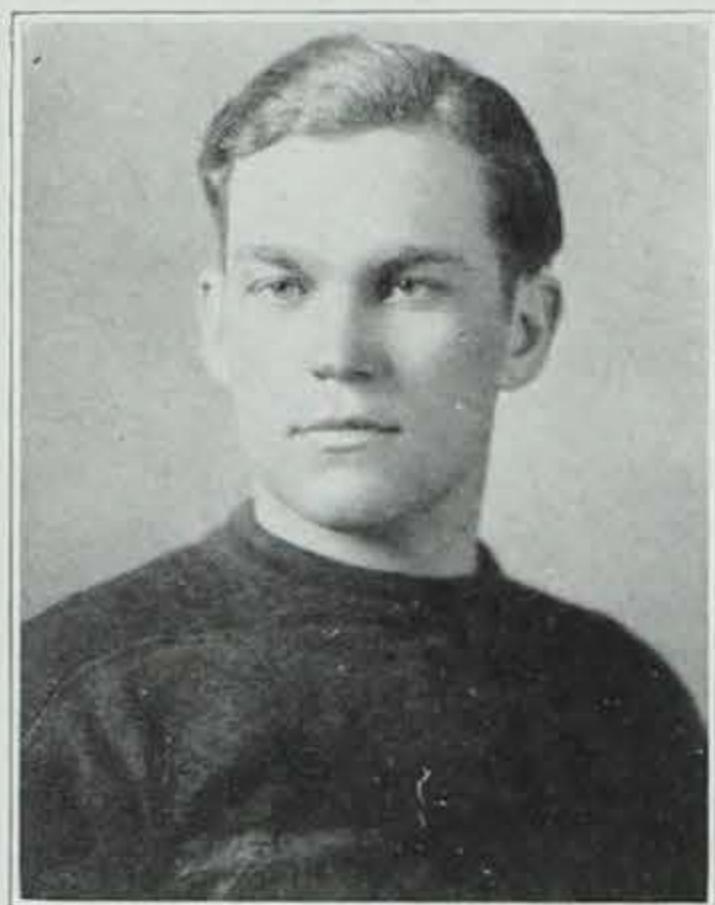

"Colie" showed the most improvement of any man on the team this year, and could have played end on anybody's team. He played in every game and was one of the best defensive men on the squad.

WALTER CRISSEY

Crissey started the season at tackle but ended up at guard. He was outweighed by every man he played against but not outplayed. He was at his best in the Cornell game.

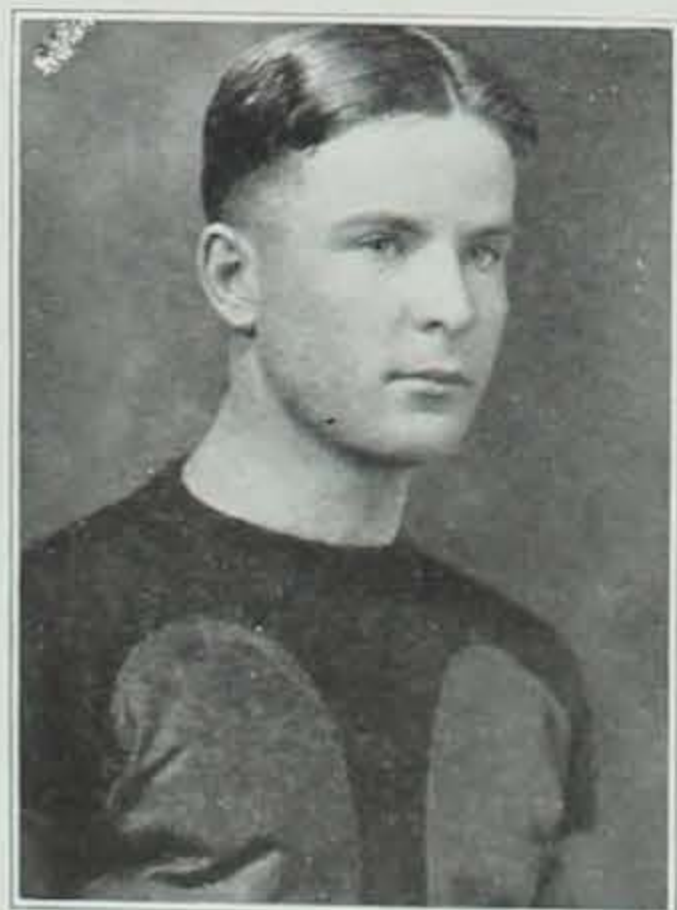

BEN DE LONG

DeLong never quite recovered from his knee injury of last year, but his fight made him one of the best men on the squad. He was picked as one of the best linemen in the Conference.

JEROME KERNS

"Red" comes from Rock Rapids and is one of the best Freshman athletes that ever entered Buena Vista. "Red" is the biggest man on the team and played in every game.

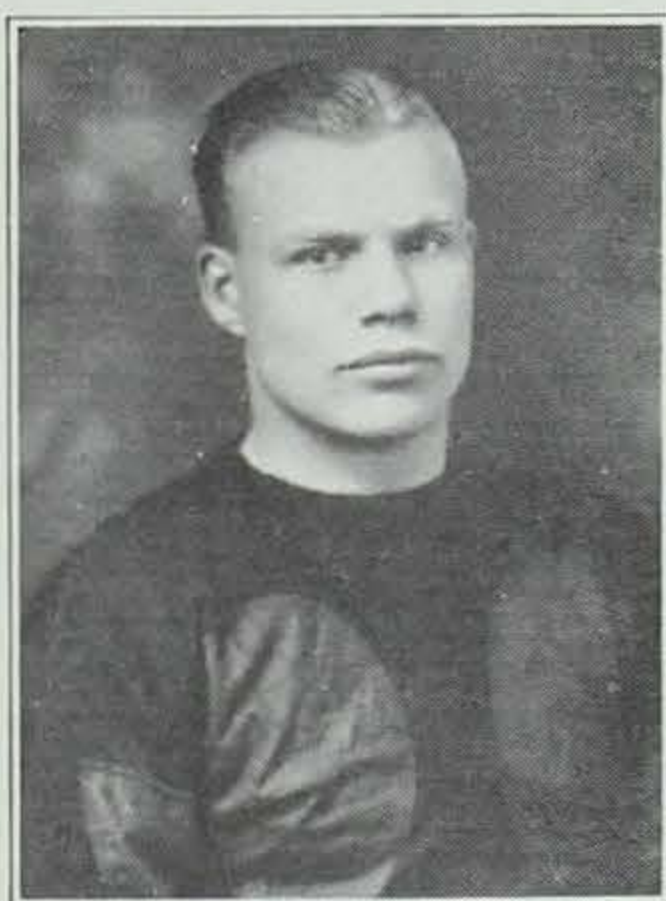

STANTON BEATTY

"Tod" was the lightest man on the squad but played in the hardest games of the schedule and held up his end of the line. He is from Storm Lake High School.

OSCAR ERICKSON

"Ike" Erickson, the Milford flash, started the season in great shape but cracked his ankle in the Northern Normal game and was on the bench for half the season. He was a real line plunger.

CHARLES MORRILL

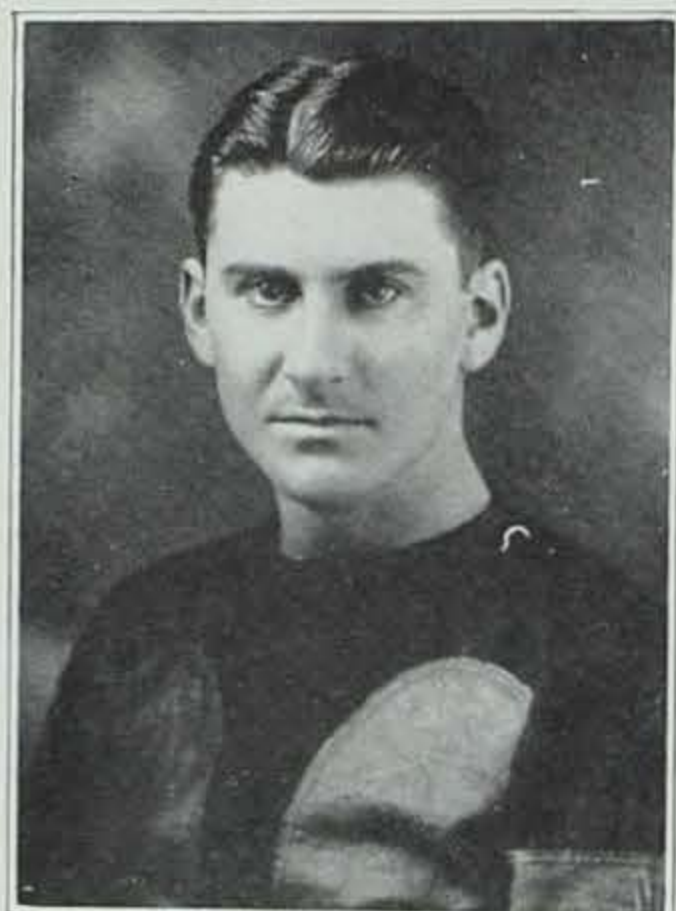

"Chuck," the blonde bullet, ran to fame when he scored the first touchdown in the South Dakota State game. "Chuck" has three more years.

WILLIAM JOHNSON

"Billy" played both half and quarter and was a real back field find. He also comes from Rock Rapids and has three more years of competition left.

MICHAEL DARDIS

"Mike" Dardis of Milford was an able lineman and with a few more pounds added to his one hundred and fifty he will be a great asset.

LESLIE REDENBAUGH

Redenbaugh came back to the squad after a year's absence, and played a great game at guard. He was the biggest little man on the team.

## THE BEAVERS

### 1925 TEAM THE STRONGEST IN HISTORY

Playing by far the hardest schedule ever attempted by a Buena Vista team, Kelly's gridders won eight straight victories, and lost one, their final game, to Cornell, a team that was probably the strongest collegiate aggregation in the mid-west. The squad was strong in every department. The passing and kicking featured the offense whereas the traditional defense showed as usual. Many times opposing teams failed to score even after getting inside the ten-yard line.

A ten days trip in South Dakota started a strenuous season. Here Kelly's men won their first three victories in the brief space of eight days, from the strongest teams in the Sunshine State. The initial game was played with South Dakota School of Mines. Despite unfavorable atmosphere due to strange altitudes, the Beavers won 14-10. Three days later the team met Northern Normal (1925 Champions of South Dakota) whom they easily defeated, 15-0.

The real test of the season came when they met South Dakota State, last year's champions of the North Central Conference. Coach West's Jack Rabbits were the only team to beat the 1924 Beavers, so Kelly's men were out to avenge that one defeat. The game, a battle royal during the first half, turned to a riot when Morrill picked up a loose ball and went 60 yards for a touchdown. Soon after, Rollins returned a punt forty-five yards and the Beavers were ahead 14-0, a lead they kept until the final gun. It was a costly victory however, Bradford sprained his ankle and Cowan, late in the game, was put out with a broken leg.

A week later Kelly took his men to Cedar Rapids to meet Coe for the first time in the history of the two schools. Though materially weakened by the loss of Cowan, varsity guard, Bradford, veteran end, and Erickson, halfback, the Beavers triumphed over the Kohawks, 6-0. The teams battled on even terms for nearly three quarters when a lateral pass, Rollins to Saggau, started the winning play. From then on the Beavers were content to use defensive tactics.

The next week Still College was the victim of the Beaver's rampage. A forty yard drop kick by Rollins, opened the scoring. Touchdowns by Beatty and Johnson gave the Storm Lake team the 16 point lead which constituted their margin of victory.

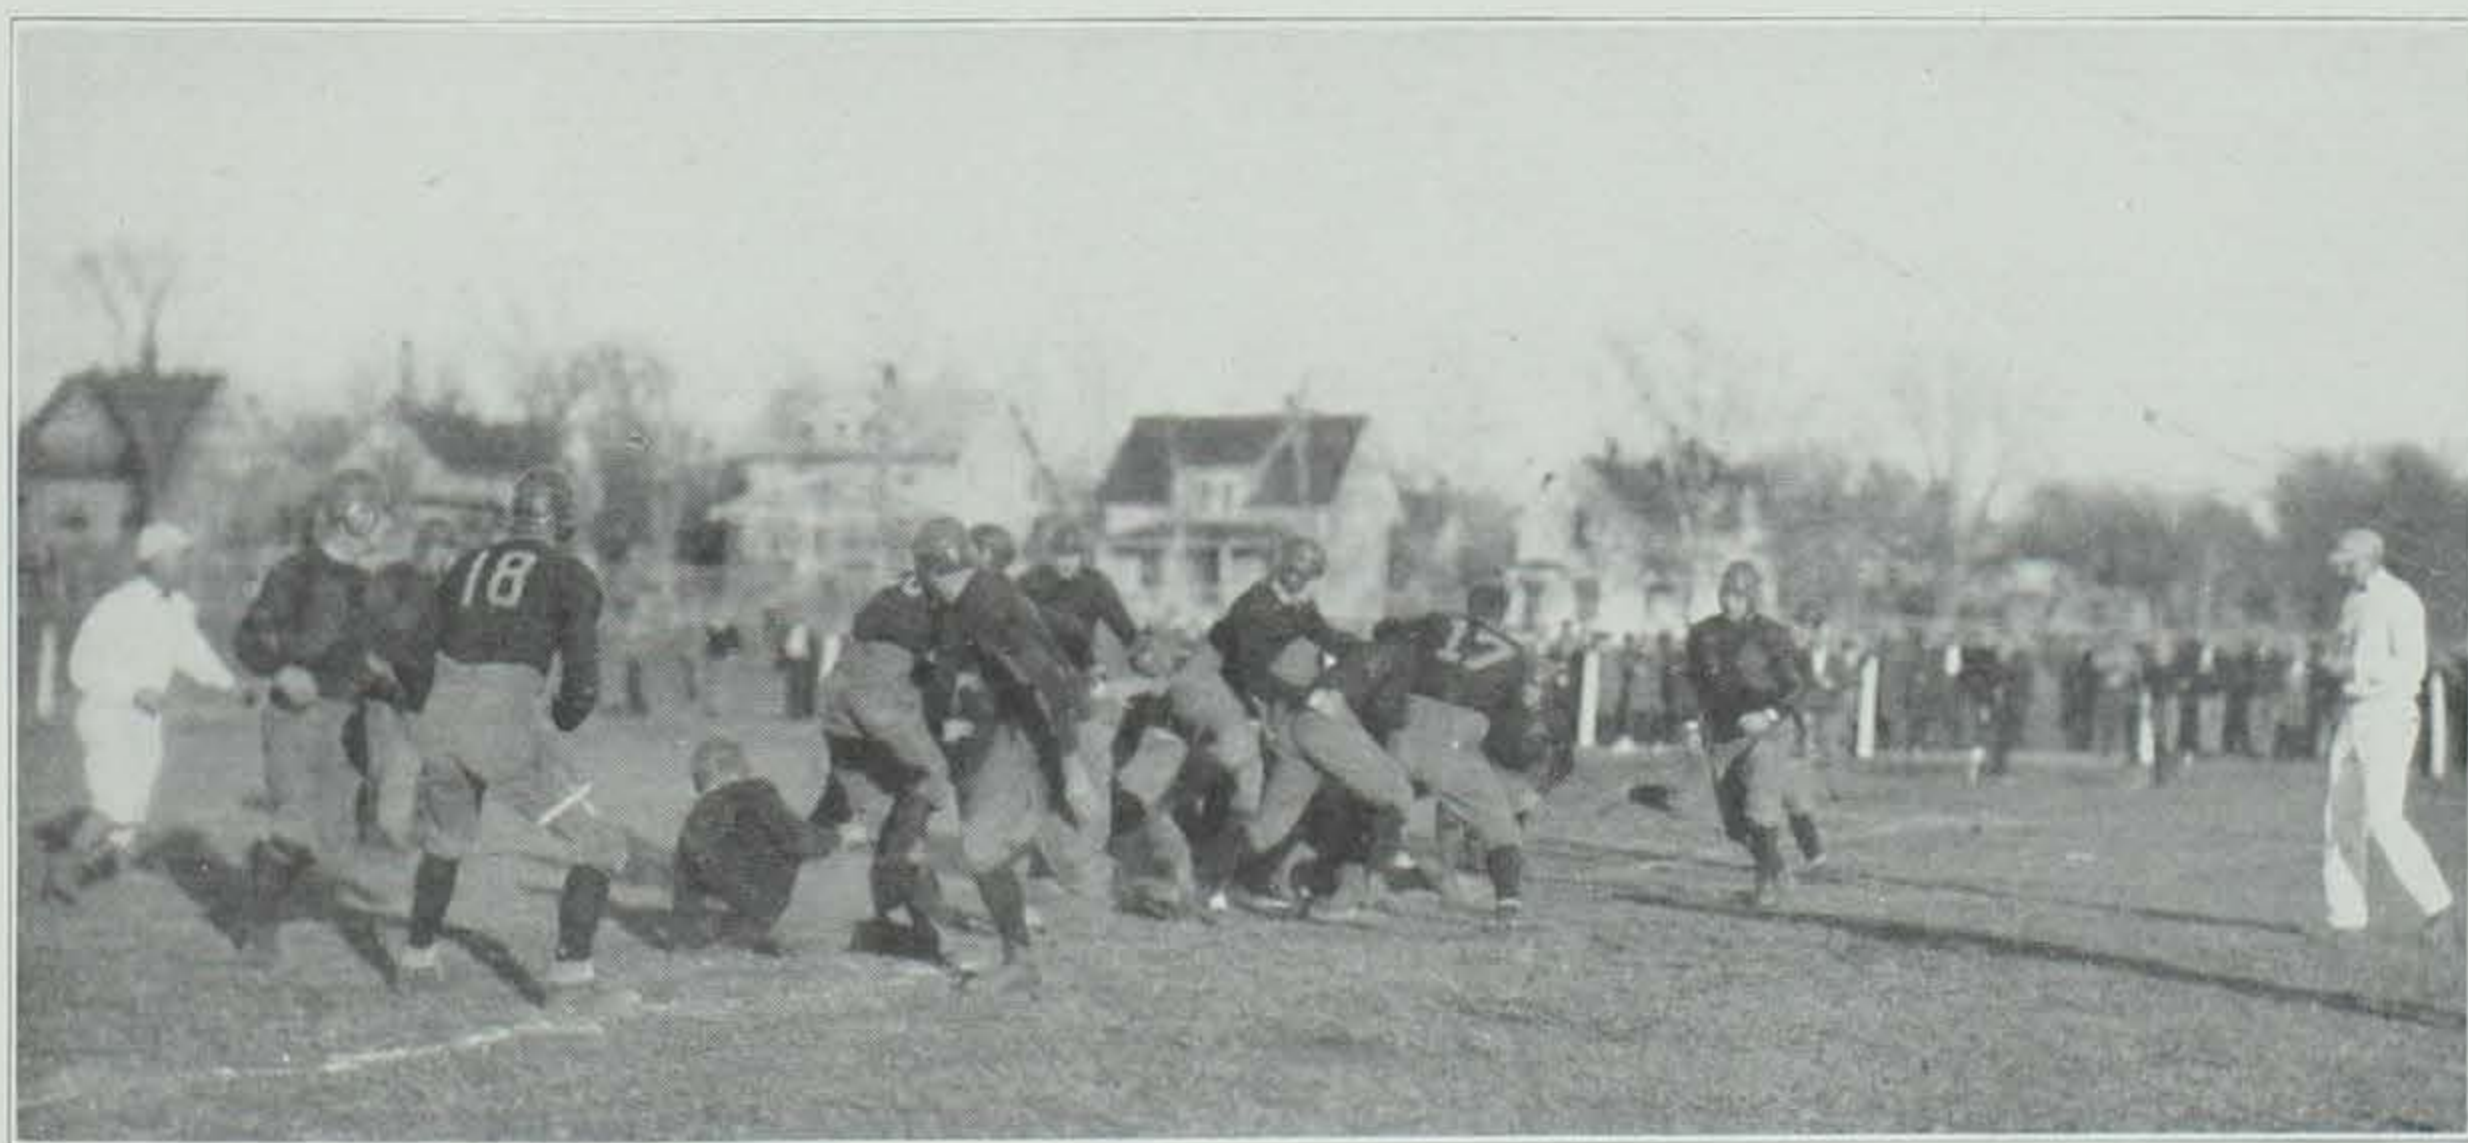

The B. V. Trinity game furnished the feature event for the annual Home Coming. The Sioux City Irish, primed for this traditional battle, put up a game fight, but were no match for their seasoned rivals. Johnson, half back, opened the scoring when he plunged off tackle for five yards and a touchdown. Rollins took a long pass from Saggau and raced across the goal line for the second score. The game ended 13-0.

B. V. Rooters saw their team defeat Western Union 17-6 at LeMars. Rollins set a season's record for drop kick when he sent the ball through the uprights from the 48 yard line. Coulson took the ball to the one yard line on a pass and from there Saggau carried it over. A pass, Saggau to Rollins, gave the last score.

Tabor was scheduled to fill a date after Missouri State Teachers had cancelled. Needless to say, B. V. won. Score: 13-6.

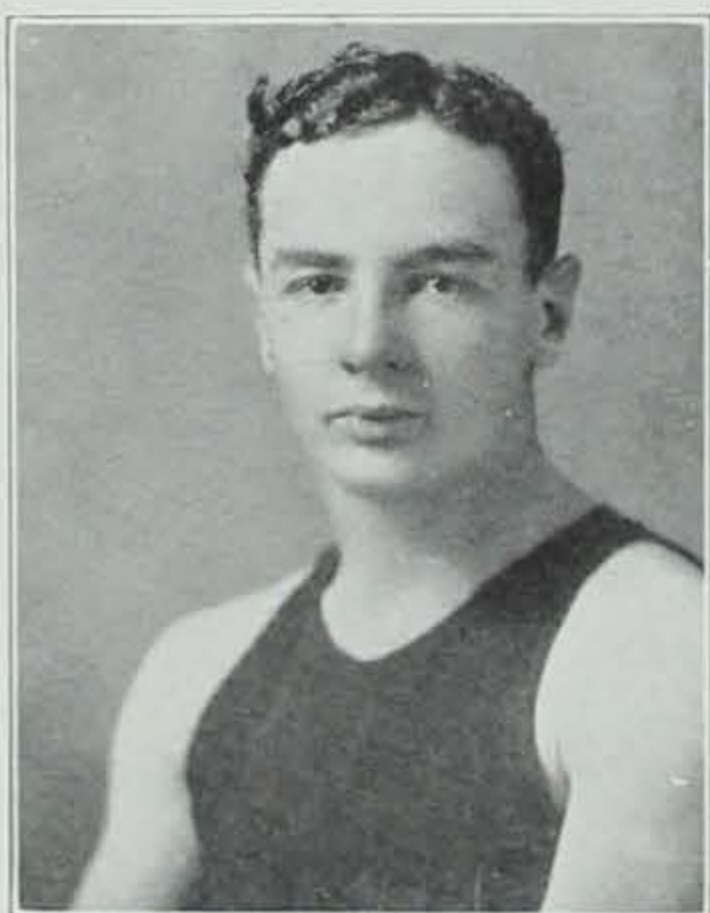

The Cornell game was the one dark spot. A long hard schedule had left its marks. Five varsity players were unable to play. The field was a sea of mud and Jud Dean was too good for the boys. The score: Cornell 19, B. V. 0.

Thus ended a most successful season. Victories over Northern Normal, South Dakota State, and Coe would alone be enough to make a big year without the other victories which the team piled up.

# BASKETBALL

MARMADUKE CHRISTIE

Captain Duke Christie played forward and was one of the Beaver scoring aces. Duke made a fine captain and led the Beavers to a Conference Championship.

JAMES LESLIE ROLLINS

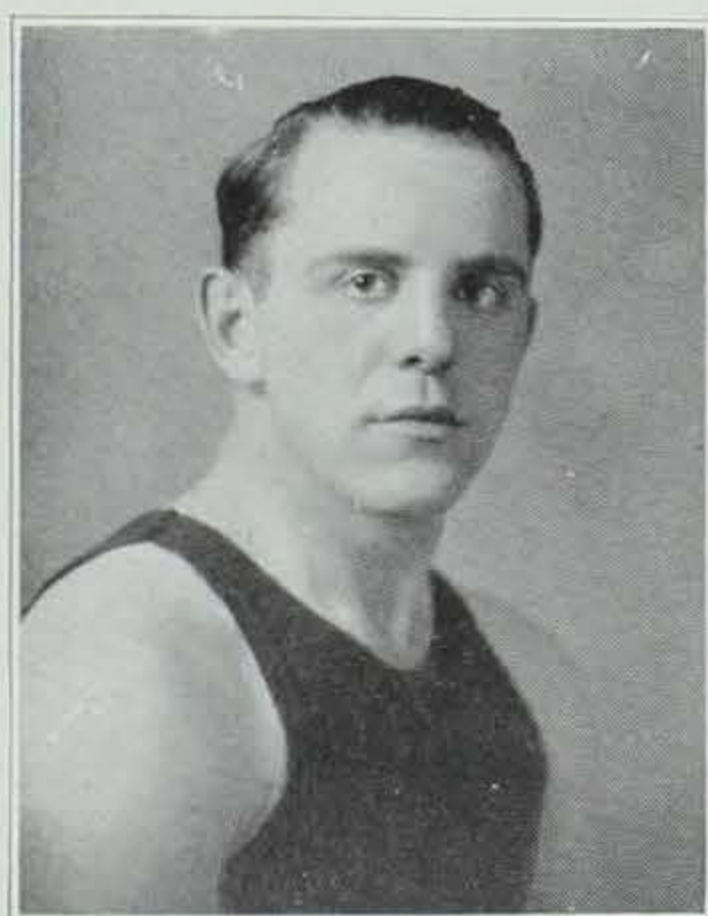

Whitie Rollins, Duke's running mate at forward, was high point man of the squad and was picked on the all-state honor roll.

STANTON BEATTY

Captain-elect Beatty was the backbone of the Beaver defense and still found time to drop in a few baskets. He should have a great year in 1927.

EDWARD HAGEDORN

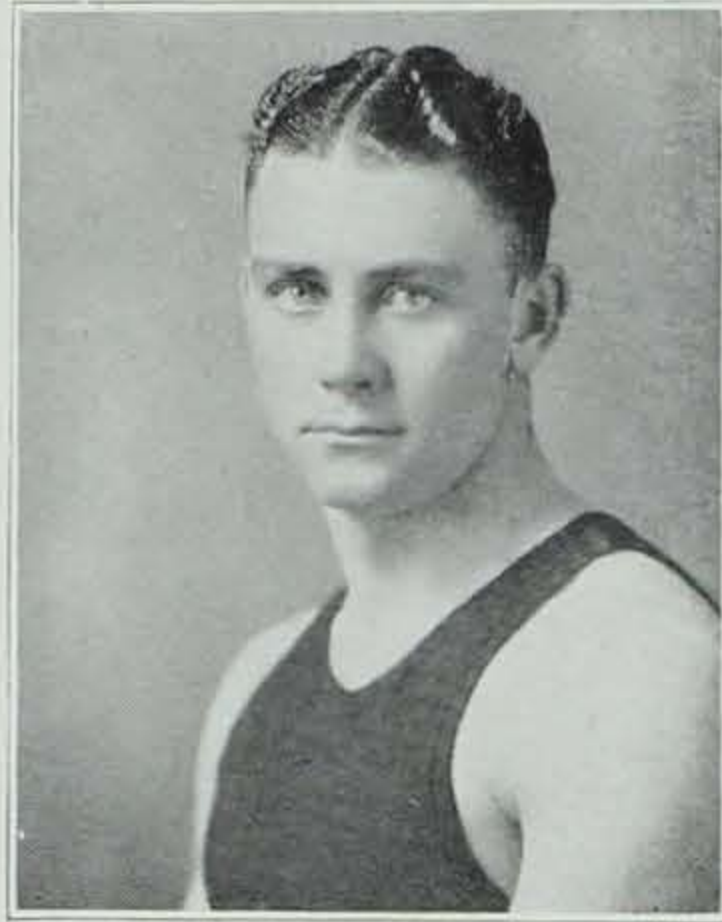

Hagedorn played a great game at center until he was lost to the team through ineligibility. This was his last year.

EDWARD SAGGAU

Saggau also finished his basketball career when he dropped out of school in the middle of the season. Eddie was a real guard.

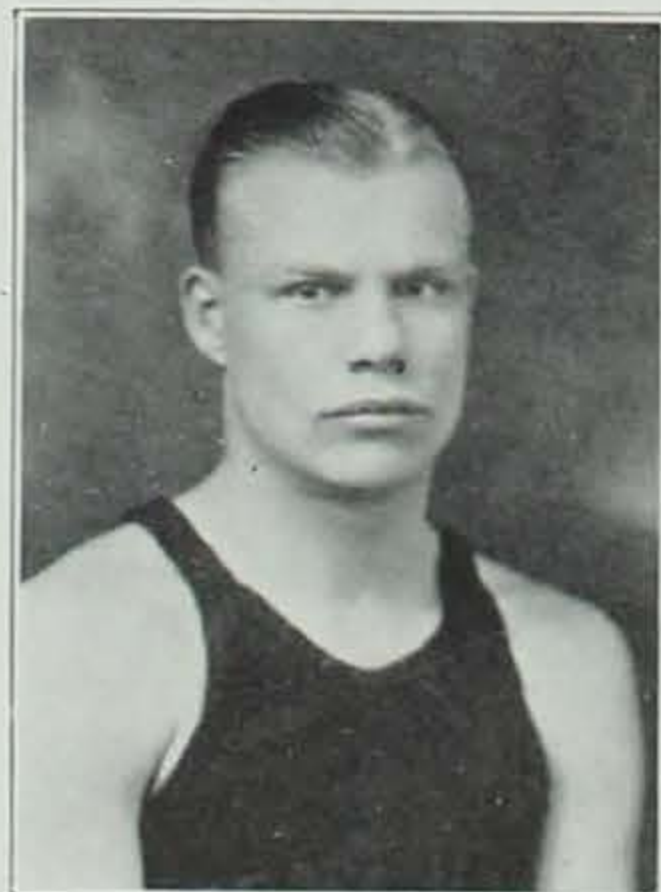

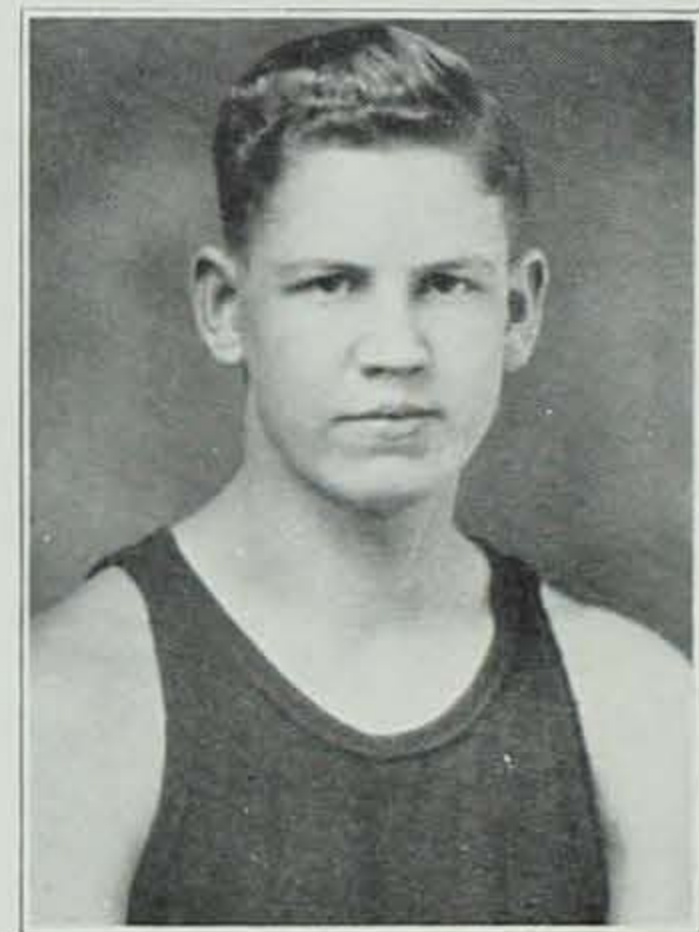

GLENN COULSON

Glenn Coulson was one of the best men on the team to come through in a pinch. He has another year left.

WILLIAM JOHNSON

Johnson, the Rock Rapids High School star, developed into the best running guard that ever wore a Beaver suit.

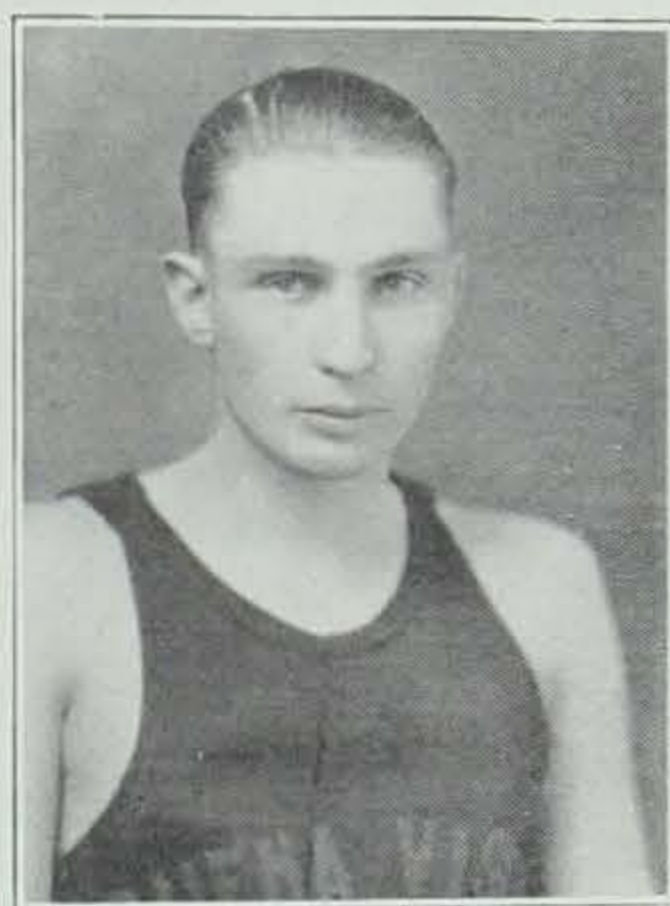

CHARLES MORRILL

Morrill played forward. His aggressive play and sure shots featured many games. He will be a big cog in the 1927 team.

OSCAR ERICKSON

Erickson, the Milford south-paw, left the opposing defense baffled with his famous one-handed shots.

BERYL WALL

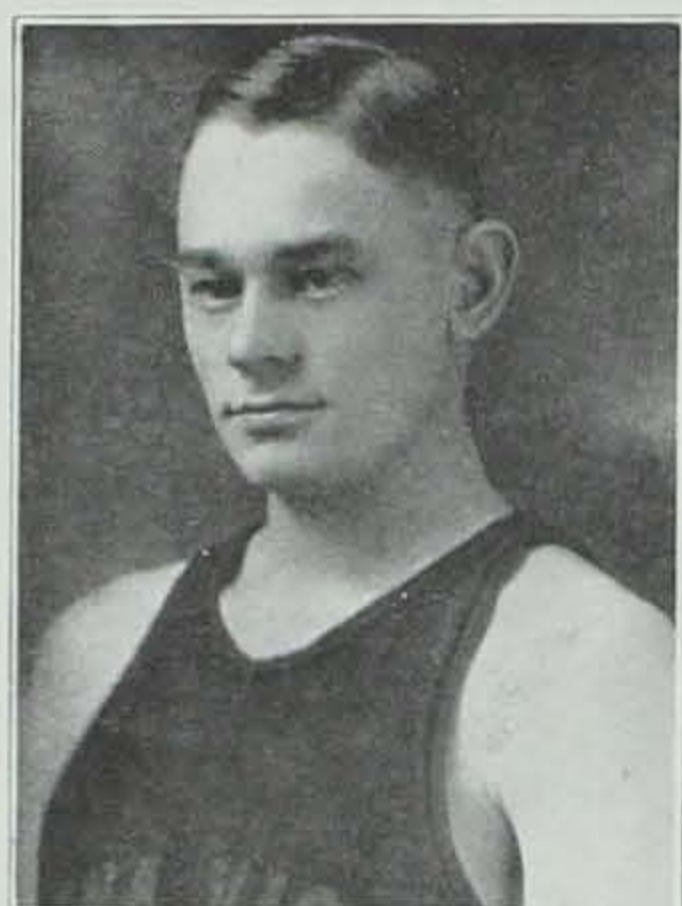

Wall, the former Alta star, was an accurate shot and usually ran up several points for the Beavers.

HOWARD TJOSSEM

"Ty" came through with flying colors when he was confronted with the big task of filling Hagedorn's shoes in the Central game. He bids fair for the place of center on the 1927 squad.

ELMER MOE

Moe was another Laurens star who played a bang up game at forward. His aggressive play was a big asset to the team.

### THE BEAVERS BASKETBALL CHAMPIONS OF THE IOWA CONFERENCE

Football over, Coach Kelly issued his call for Basketball candidates. To this summons came the largest squad of real material that ever turned out at B. V. Of last year's varsity there were Hagedorn, Rollins, Christie (Captain '26), Saggau, and Coulson. Added to this collection of stars were Ferguson '28, and Wall '26 and six brilliant frosh, Johnson, Erickson, Beatty, Morrill, Tjossem and Moe.

After a week of drill on fundamentals they opened the season with two home games against Ellsworth. These they won easily, Kelly using two complete teams in both games.

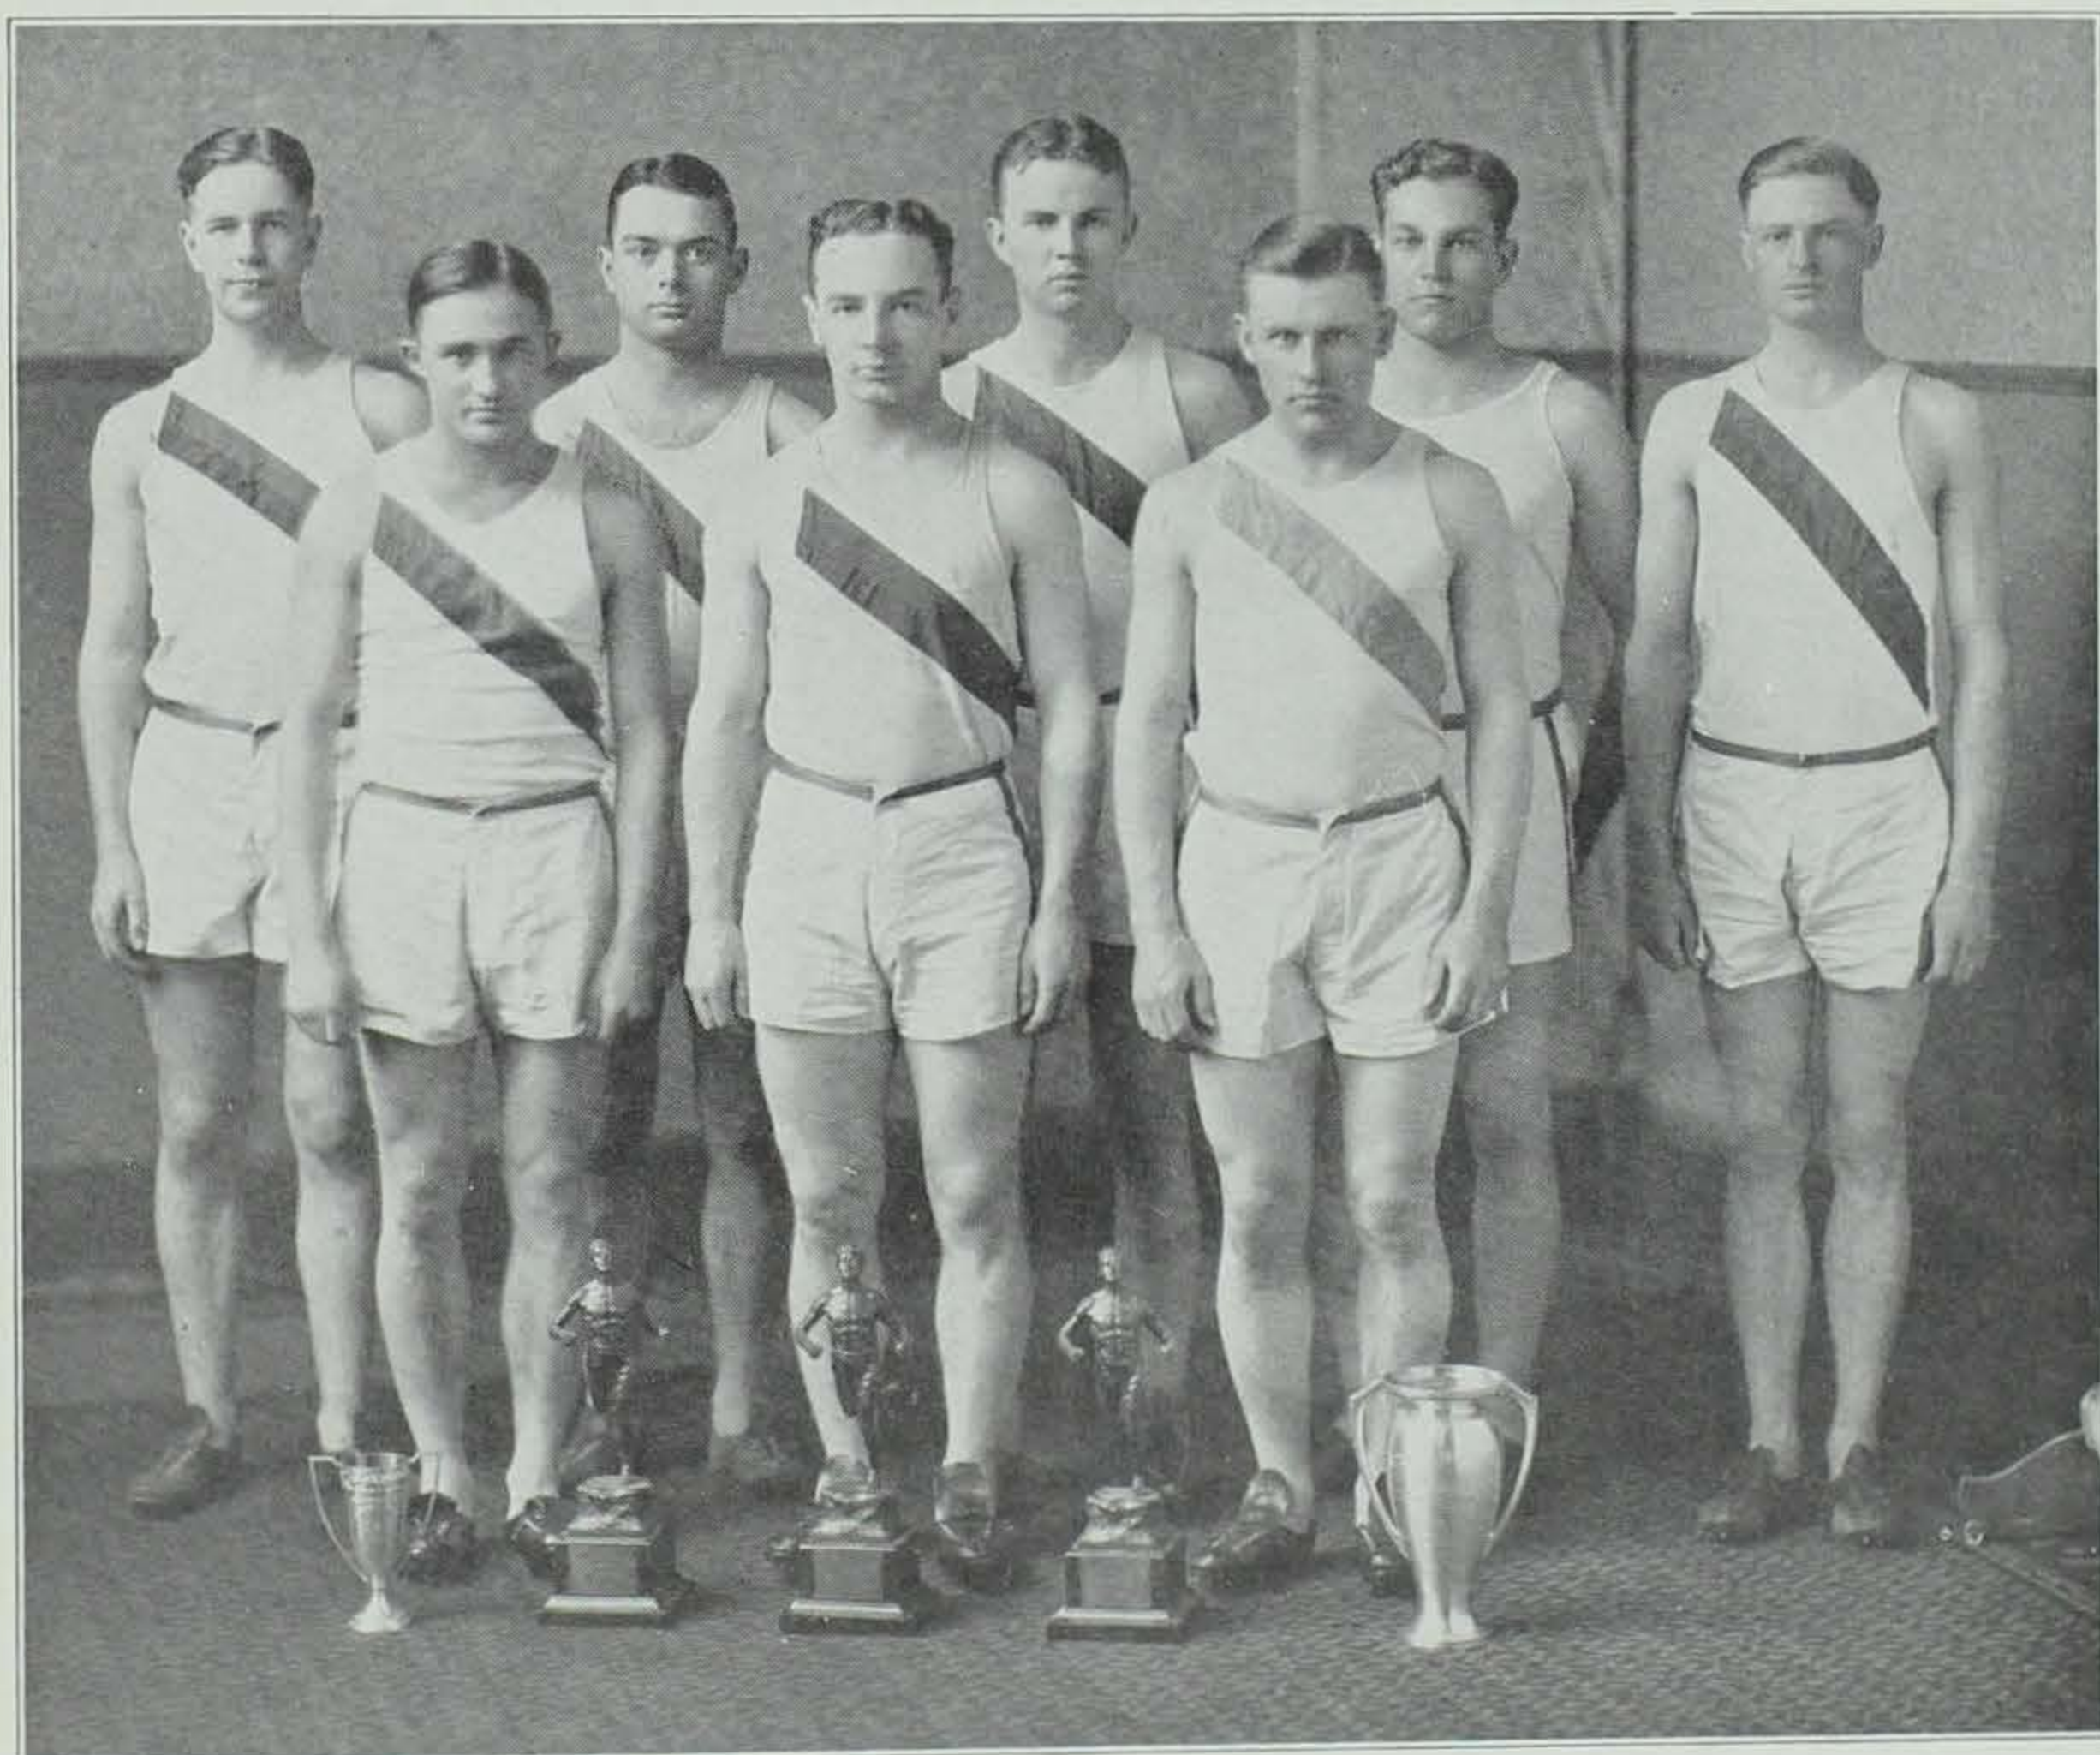

After the holidays, Kelly took the squad to Minneapolis where they met the classy St. Thomas aggregation. The Beavers, because of the seasoning of their rivals, took the short end of the score.

From then on the Beavers were on the up grade. Gaining the experience needed for the new members of the squad they soon had a smooth working aggregation. The scoring combination of Rollins, Christie, and Hagedorn was consistently effective whereas these men, backed by as good a pair of guards as there are in the conference, Johnson and Beatty, presented an air tight defense. This first combination supplemented by another squad of almost equal ability swept through the Iowa Conference and finally ended the season by defeating the mighty Des Moines U. Tigers who had just previously administered to Creighton the worst beating that famous Omaha school had ever taken. Only one conference school was able to take the measure of the fighting Beavers. The Central team from Pella led by the brilliant Hogeveen had that honor. In a summary of the conference race, Sec Taylor, Register Sport writer awarded the conference to Kelly's men, they having the highest percentage in the records. State Teachers followed in second place.

Winning the Iowa Conference is a signal feat. The teams in this league rank with any of the Mid-West, North Central, or other conferences. In fact, Iowa Conference teams hold victories over several of the leading teams in the above conferences. Only three men go out this year so hopes are high for a fine squad in 1926-27.

## TRACK

### BEAVERS SET FOUR NEW RECORDS

The 1925 track season was the most successful that Buena Vista has ever known. Starting the season with but two letter men, Ellerbroek and Rollins, as a nucleus for a winning squad, the outlook was rather dark. However, in answer to the call for tracksters, De Long, Green, Cowan, Christie, Jordan, Nordeen, Henseley, and others reported.

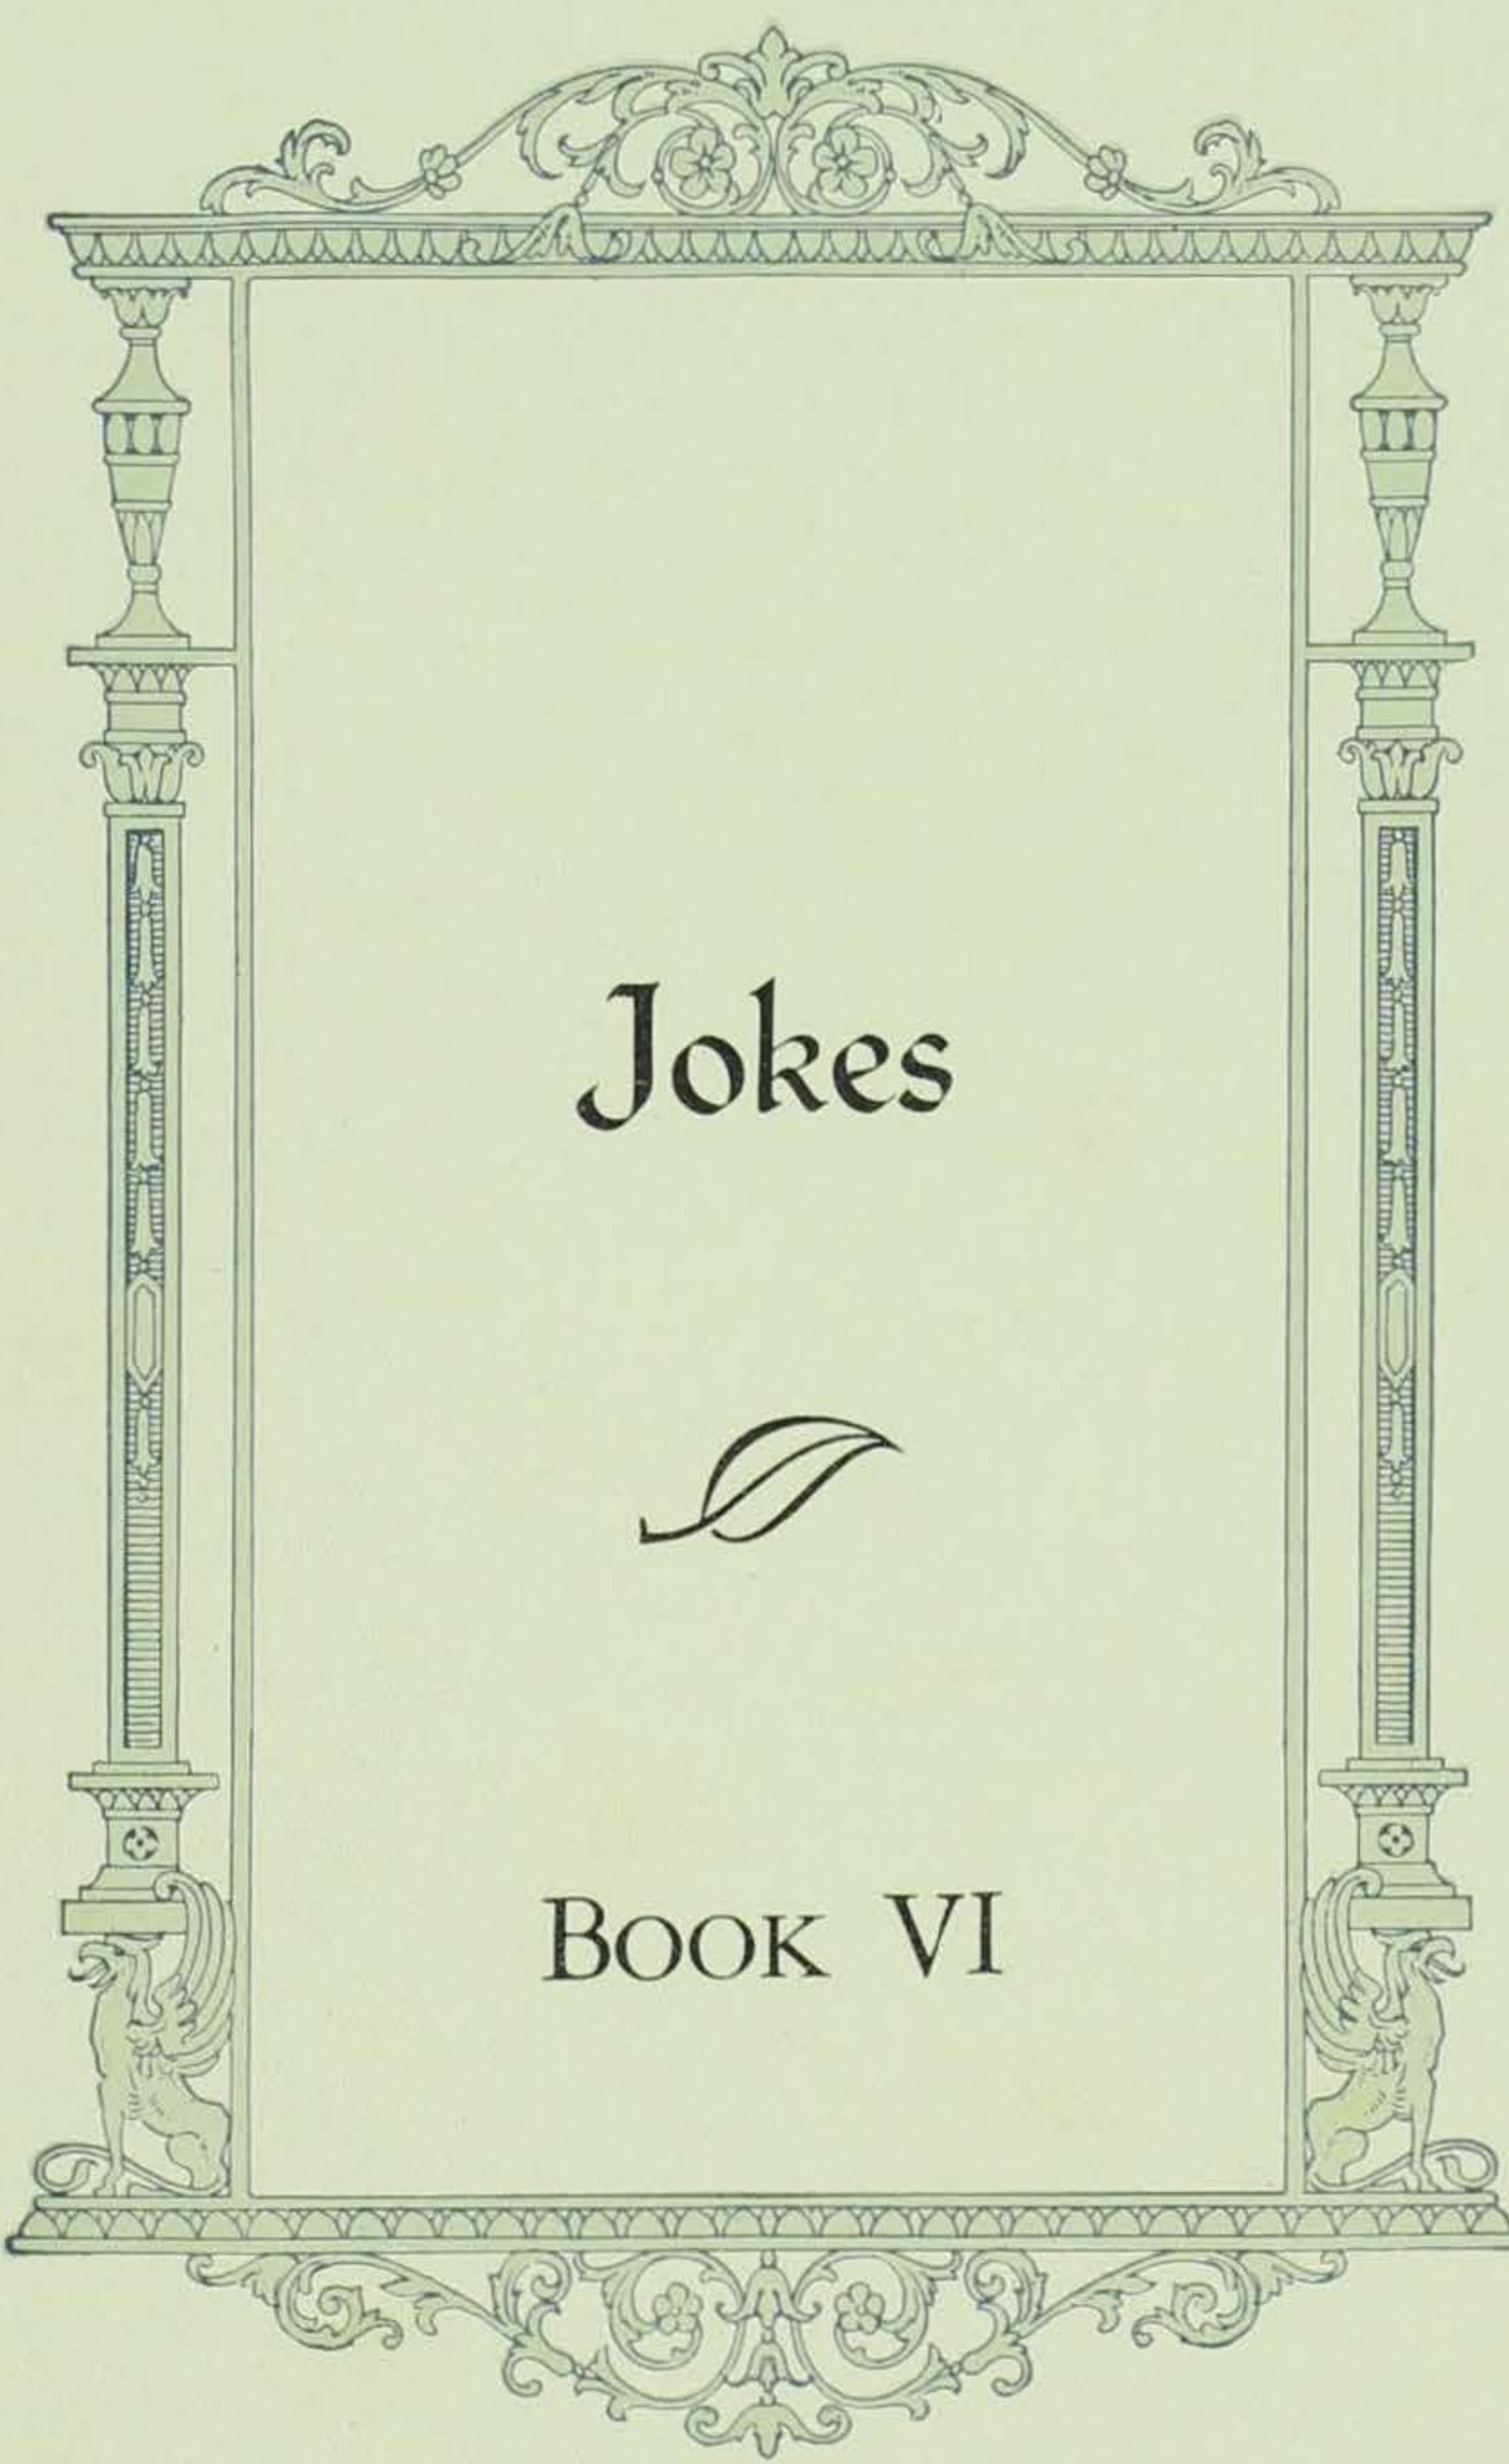

The first event of the season was the cross country run, March 17. Fourteen started this grueling race which was won by Captain Ellerbroek. Andrew Cowan came in second and Reed Jordan third.

April 23 the Beavers went to Des Moines to run at the famous Drake Relays. Here they took third in the half mile and then won the mile relay, clipping five seconds off the existing record. The new B. V. record was 3:30.9. The half mile team was made up of Rollins, Green, Christie, and Ellerbroek; the mile team of De Long, Green, Ellerbroek, and Rollins.

The next week found the team at the Dakota Relays, Sioux Falls, South Dakota. The Beavers again turned in a record breaking performance. This time however, they set new records in the half mile, mile, and two mile relays. This was the first time that a two mile team had ever represented Buena Vista on the cinder paths. This new team, composed of four men, Jordan, Nordeen, Cowan and De Long, followed the traditional performance of other B. V. relay teams and came through.

Plans to attend the Hamline Relays at St. Paul were thwarted because of a conflict in dates with the Iowa Conference Meet, which they attended. Buena Vista with a meager group of sprinters and Hensley, weight man, took fourth place. Captain Ellerbroek won the 440 dash; the mile relay team won again; the half mile team took third, and Hensley took fourth in shot put.

MUSIC ON THE BRAIN

Prof. Willett: I shall be tempted to give this Latin class a test.

Class (in unison): Yield not to temptation.

---

Mrs. Florey: Mabel, did that young Fisher smoke in the parlor last night?  
I found matches there.

Habel: Oh, no! He just lit a match to see what time it was.

---

Eddie: You look sweet enough to eat.

Maxine: I do! Where shall we go?

---

Minnie: Do you love me still?

Lee: Yes, but you seldom are.

---

A dog fills an empty spot in a man's life. This is especially true of a "hot dog".

---

"Any insanity in the family?" asked the insurance doctor of Mrs. Lindsay.

"Well, no—only my husband imagines he is the head of the house."

---

Rosie: What makes a man buy a woman a diamond ring?

Juhnke: The woman.

---

Dear "Drowsy Head" Ruth:

"When I Was a Dreamer" "Just Thinking O' You," I had "Visions of Paradise," a "June Night" and "Just You." "I Was Dreaming Too" of "Over There" at "Fair Hawaii" and the "Dreamy Hawaiian Moon" with "Dreamy Melodies" and an "Old Fashioned Girl" (?).

"Pal of My Dreams," I am "All by Myself," so "Rescue the Perishing"!

"Till We Meet Again,"

Herbert.

---

Prof. Brown (in the middle of a joke): Have I ever told the class this one before?

Class (in chorus): Yes!

Prof. Brown: Good! You will probably understand it this time.

---

Iris: Andy kissed me last night.

Her Mother (indignantly): That is outrageous. Did you sit on him for it?

Iris: I did.

---

Bim: Why do you reject me? Is there another fellow?

Gin: Possibly. Did you think you were the last of the species?

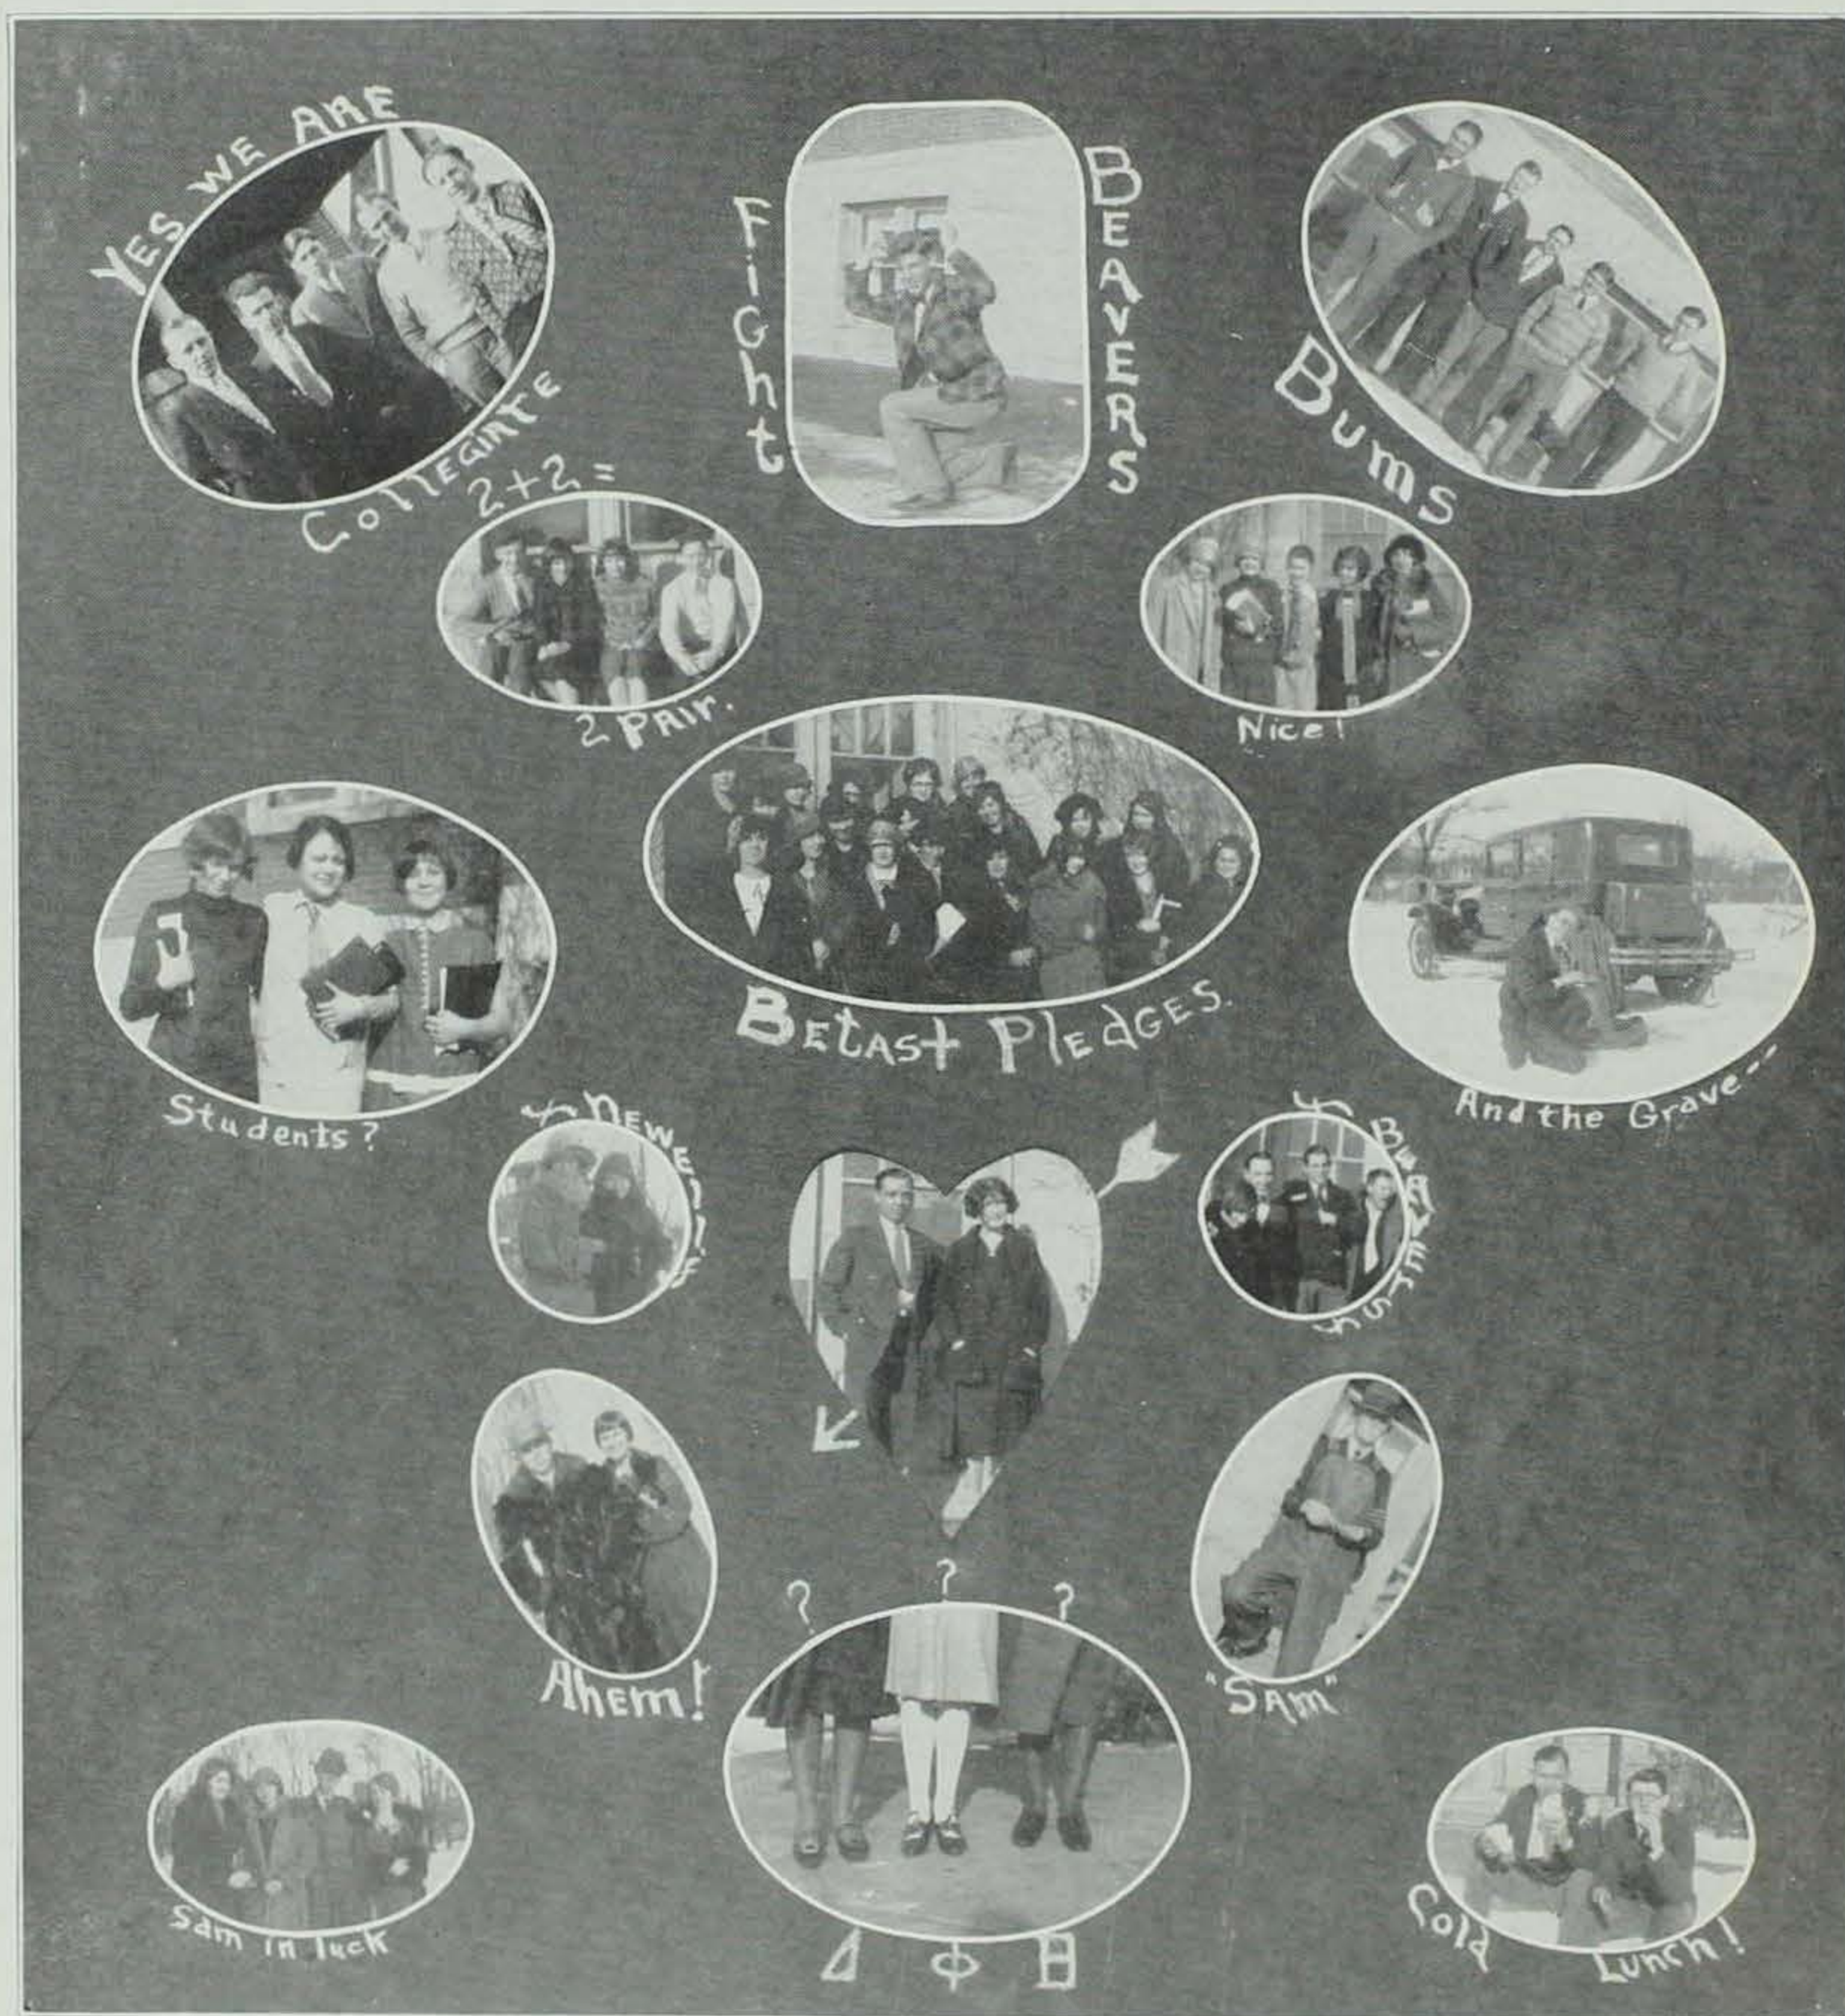

---

Colie and Eddie were going up town and passed a co-ed.

Eddie: Does she smoke?

Colie: Almost.

Church: Say does your sorority have secret kisses and all that sort of thing?

Bim: I hear you have a new girl. I kind of liked the old one.

Andy: Well you see its this way; when I had my leg broken I had to get a girl on my side of town.

Whitie, who was looking for Christmas greetings finally said to Tub: "Have-  
n't you any others besides these?"

Tub brought forth some containing, "To the only girl I ever loved."

Whitie: "I'll take a dozen."

## THE FRESHMAN'S HEAVEN

Last night I was talking  
With a Freshman, old and gray  
Who told me of a dream he had,  
Way back on Christening Day.  
While snoozing in his History  
The vision came to view,  
For he saw an angel enter,  
Draped in garments white and new.

Said the angel, "I am from Heaven;  
I have just been sent down  
To bring you up to glory,  
And put on a golden crown.  
You've been an A 1 student  
And studied night and day;  
You've loaned to many a Soph,  
And helped them thru the fray  
But what did you get for pay?

"So we want you up in Glory,  
For the noble work you've done;  
And the good Lord is preparing  
Your Eternal, just reward."  
Then the angel and the Frosh  
Started up toward Glory's Gate  
But when passing close to Hades,  
The angel murmured, "Wait.

"I have a place to show you  
It's the hottest place in Hell  
Where the Sophs who ever razzed you  
In torment always dwell."  
And behold, the Freshman saw there,  
His old rivals by the score;  
And grabbing up a chair and fan,  
He said, "I wish for nothing more."

He was bound to sit and watch them,  
As they sizzled, singed and burned;  
And his eyes would rest on Sophomores,  
Whichever way they turned.  
Said the angel, "Come on Frosh,  
There's the Pearly Gates to see."  
But the Freshman only murmured,  
"This is Heaven enough for me."

## BIG MEN AND WOMEN OF THE CAMPUS

With the continual growth of the student body there comes an increasing number of major college activities. These activities call for leaders and the call is answered by men and women in Buena Vista who believe in the college and for what it stands, men and women who are willing and eager to do all in their power to bring honor and glory to their school.

By the long list of 'Big Men and Women' that has been submitted by the faculty committee it is evident that Buena Vista's motto 'Education for Service' is right. A list of those who have been selected together with their major activity follows:

|                              |                                   |

#### HERE IS OUR IDEA OF GETTING OUT A RUDDER

It is not a picnic.

If we print jokes, folks say we are silly.

If we don't, they say we are too serious.

If we publish original matter, they say we lack variety.

If we publish things from other books they say we are too lazy to write.

If we stay on the job, we ought to be out rustling news.

If we are out rustling news we are not attending to business.

If we don't print contributions, we don't show proper appreciation.

If we do print them, some say the book ought not to be used for that purpose.

Like as not some fellow will say we swiped this from some other Book.

WELL — WE DID.

Whitey, while going down the street the other day slipped on a banana peel and executed a very funny fall, not being hurt as it turned out, but having his dignity somewhat ruffled. When he recovered a moment later, Bim was holding his hat and a number of people had formed a circle about him.

Whitey: "What do all these idlers want?"

Bim: "They're not idlers. Here's a doctor who wants to look you over, a lawyer ready to bring suit for you and a producer of comic films who wants to sign you up."

### THE CAKE-EATERS

Ten little cake-eaters went out to have a time,  
A blonde mama vamped one, that left nine.

Nine little cake-eaters walking so sedate,  
One got put in jail, that left eight.

Eight little cake-eaters, got to throwing bricks,  
A big brick hit one, that left six.

Six little cake-eaters, met some flappers on the drive,  
A hard girlie ditched one, that left five.

Five little cake-eaters watched the robbing of a store,  
A cop took one as witness, that left four.

Four little cake-eaters drank some hootch while on a spree,  
One is in the graveyard, that left three.

Three little cake-eaters, with nothing else to do,  
One went to petting, that left two.

Two little cake-eaters, watched the rising of the sun,  
One took his mama home, that left one.

The one little cake-eater was his father's son,  
Took his mama to a chop house, then got up and run.

That left none.
