

The sketch above is of the Memorial being erected in Beaman City Park, as this book goes to press.

Four Bronze Tablets are to be placed on the columns, with names of men who served in the Civil War, Spanish American War, World War I, and World War II.

The building of the Memorial was planned by the Beaman Park Board, Mrs. T. L. Evans, Pres. and Leon C. Webb, Sec'y.-Treas., with the assistance of C. E. Nickerson, Chas. Vint, Ted Boss, and Ingwald Sandstoe, who solicited the funds from the people of Beaman and community.
