

BEAMAN GIRLS WIN SECTIONAL -- BEAT MARSHALL COUNTY CHAMPS --

45-29

Having successfully beaten their first two opponents in the early stages of the sectional tournament, Albion and Clemons, Beaman's girls once again faced a team they had twice beaten--Green Mountain! Looking at the law of averages, the girls were not too confident, but weighing the matter seriously over the day prior to game-time the team grew more and more confident as the "Finals" drew near.

The girls took an early lead, with a first quarter score of 10-7, and continually increased their point margin throughout the game.

Despite several bad breaks dealt out by Lady Luck--both before and after game-time--ALL of the girls played a magnificent game and it was a tired but happy team that saw the scoreboard flash a 45-29 victory to them as the buzzer sounded.

What's ahead? The District Tournament of course! Who do we play first? It's going to be rough--we'll be the under-dogs--but we're going to win when we play Garwin in that first game!
