

You're Invited!

Louisa County Conservation Board
Friends of the LCCB Reception

Saturday, September 26

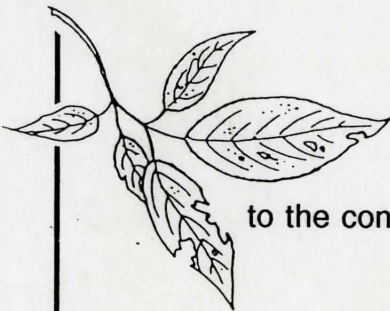

5:30 p.m.

Virginia Grove Recreation Area

The Louisa County Conservation Board invites you to attend a reception being held to recognize the many groups and individuals who have served or assisted the board over the last 25 years.

This informal reception will be held following our 25th Anniversary Celebration (see enclosed flyer). There will be a short program to introduce board members, employees, volunteers and representatives from various organizations. Refreshments will be served and there will be time to mingle.

We hope you and your family will be able to attend and let us recognize your efforts to help the Louisa County Conservation Board achieve its goals.
