Class History

Writing a book is no easy matter -- but let's see if there aren't a few interesting characters and catchy titles to use to create one! It may not be a best-seller in the United States; however, this might be the greatest ever written concerning the '67 graduating class of Ankeny High School!

Chapter I is called "Kindergarten Kapers." It all started with JO DANN, MARCIA ERSLAND, LYNN FRISK, JULIE HOOVER, JUDY KOCHHEISER, CYNDY LAMMERT, ROSEMARY MOECKLY, THELMA MONAGHAN, BECKY NIELSEN, MAX GORDON, ED HALL, RON HESTON, DON HOSKINS, DENNIS KOCHHEISER, KIP LILLY, MARK LOGLI, ED MEDICI, TOM MONAGHAN, and SHERMAN OBER engaged in sand box. Then deep in finger paints were PAM REYNOLDS, BECKY ROUNDS, CAROLYN SALAK, CINDY SMALLEY, JANEEN SMITH, DIANE THIMMESCH, JE ANNINE TORRENCE, JUDI WHEELER, MIKE ALBAUGH, RANDY AUNSPACH, BOB BACHMAN, LEE BREESE, GAYLEN CHESNUT, TOM DILLON, DENNIS EVANS, CALVIN FOSTER, JIM GARWOOD, TOM PARRISH, MIKE PEDERSON, LARRY PITTS, GARY ROBERTS, STEVE RYAN, TOM STEHM, LOWELL TRIPLETT, and ED ZINGLER. Thus the year 1954-55 sped away.

During the next chapter -- "First Grade Frolics" -- CAROL FERGUSON, SANDI VIGNAROLI, and STEVE HALL joined the class to read all about Dick and Jane. Remember how Spot could run?

Chapter III found everyone busy -- "Second Grade Scribblers." BECKIE BAIR, ELIZABETH HESTON, SHARON HESTON, SHARON MILLER, and DENNIS SEEHORN came just in time to change from iron-hand printing to light-touch writing. "So in the spring of 1957, everyone could scratch a few beautiful lines to take home to mother on a sunny day.

"Third Grade Thinkers" must be Chapter IV for here the class was fortunate enough to be joined by DONNA EDWARDS, DIANE LINT, and FRED COSLER in taking their first Iowa Basic Skills test. JEANNINE TORRENCE saw fit to leave when those tests came along!

In 1958-59 were the "Fourth Grade Fiddlers" -- oh! that's Tonetters! Although we lost the sound of FRED COSLER, there were eight new "band" members to join us: KAREN BURROWS, RUTH LEEDOM, ROSEMARY McCLURG, EDITH REDMON, MARILYN WOOTEN, MICK ALBAUGH, HOWARD DAVIDSON, and TIM SKIDMORE.

"Fifth Grade Fanatics" -- Chapter VI found DARILYN HOFFMAN, CAROL PEDERSEN, ANGELA RABE, CHERI SHOEMAKER, LINDA SLOAN, JEANNINE TORRENCE, MARY ANN WARE, BOB FISHER, DEAN GRABER, and ALAN SHOEMAKER adding their efforts to the understanding and appreciation of poetry. At the end of the year KAREN BURROWS decided to spread her knowledge of poetry, so she moved away.

1960 and the "Sixth Grade Saints" on patrol! The Salisbury House Tour must not be forgotten -- what an eventful year. To our happy throng came JANICE COON, ELAINE FISCHER, SUE MARTIN, MARY MILLER, SUZI NEWTON, and JONI OWEN. But all the excitement didn't appeal to JULIE HOOVER, so she skipped away to join a different group.

New surroundings in 1961! Junior High started for our lucky group -- "Seventh Grade Scholars" were deep in studies and new social lives. Moving from class to class with the rest of us were LINDA BEAVANS, DEBBIE DAVIS, KAREN EVANS, CYNTHIA FISHER, JULIE HOOVER, SCHERRI HUSTED, JAYME SELLAND, FRED COSLER, and RON DESPOTOVICH.

The last year of Junior High -- Chapter XIX -- "Eighth Grade Experts" studied with fervor and while the girls were engaged in home economics, the boys learned about working in the shop. Then the big night -- Eighth Grade Graduation. Among those receiving diplomas were KAREN BURROWS, MARIBETH JUSTICE, MARY SEEHORN, KEN MURPHY, and JAY WISSINK, who had come to us during the year.

The scene changed again as our happy group entered high school. Chapter X -- "Ninth Grade Nobodies" at the bottom of a four-year climb to the top. Along with weed collecting in biology were DEBBI CROWDES, JANIS DEAN, BEVERLY GANDER, PAM GIOFFREDI, TERI HESS, SANDRA YARLOTT, GARY WARNER, SCOTT WILSON, and LEONARD VOLINEER.

"Tenth Grade Turmoil: and DENNIS BEARD, CHARLES GREENE, GARY HANDLEY, CINDY HOYT, DEBBY HOYT, JAMES LYON, JAMES NEIKIRK, GARY WATERS, and MARK WESTROM joined in moving to Parkview to the new high school. Aside from the fact of being underdogs for the second year in a row, the class was fortunate in having a TV class. Just think, the lovely face of Geraldine three times a week!

1965 brought us to Chapter XII -- "Eleventh Grade Eccentricities." Here to study American history and Lit with the rest of us were JAN BURCHETT, CHERYL CHANCE, MELINDA HUNTER, KAY KNOCH, PAT WISSINK, ROGER BETTS, DAVID BROWN, EDWARD DOWNARD, and JOHN TOCK.

And thus to the end of a thirteen-year climb are the members of the class of '67. To join in the prestige and fun of "Twelfth Grade TRIUMPH" -- and the possibility of catching "senioritis" -- were PAMM MERCER, LINDA POTTER, CYNTHIA SHADLE, MARK BECKWITH, BART BEVINS, and TERRY CROWE.

Our book is completed. Now we can go back and read its pages carefully to discover the mischief and memories of thirteen years at Ankeny Community Schools.

"You people can't be quiet long enough to get organized!"

"I think the Democrats are....."

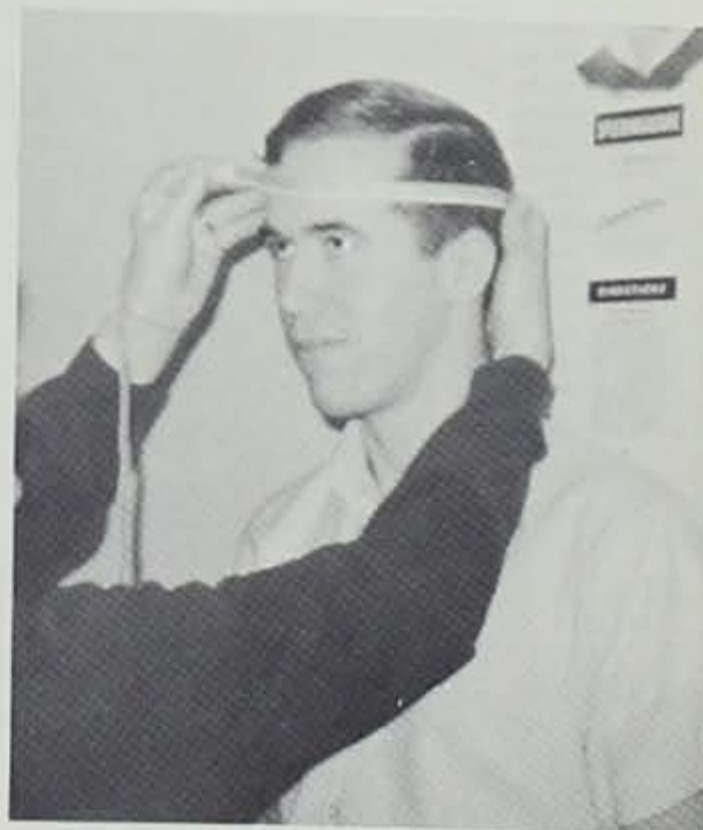

Monkey Business?

"Yeah...well...uh..."

The perfect government class!

First period government class is so stimulating.

"Did anyone ever tell you that you have pretty eyes?"

"Cindy, you watch for teachers. I'll stuff her in the locker!"

Well! Where have we seen him before?

"I'm almost sure he's in here! "

"Darn those hangnails! "

"Just part of my never ending search for knowledge. "

So this is what you do in short-hand!

"Would you believe my hand's stuck?!?"

"I'm forever blowing bubbles. "

"My head's bigger than yours! "

"I move we have refreshments! "

"I was just walking down the hall. Yup! Yup! Yup! "

"Some like it hot! "

"What do you mean I look better
in my locker?!"

"Now, fellas, our lunches are no
laughing matter! "

None of that in the halls!!

The good ol' days.

"Oops! Wrong one!!"

"And they call this food? "

What do you have back there,
Becky?

Aha! Caught you studying!

"If Cyndy made it I'm not going to eat it."

Our halls are so exciting!?

"We'll just see about that!"

"Never mind. Mr. Begg said, 'No Will.'"

How one flash will wake some people up!

Try two Excedrin.

"We have a ball in the hall."

"I never get to play!"

A happy farewell from a few members of the great class of 1967!

Underclassman Snapshots

"Friends, Romans, Countrymen..."

"Are we dead yet?"

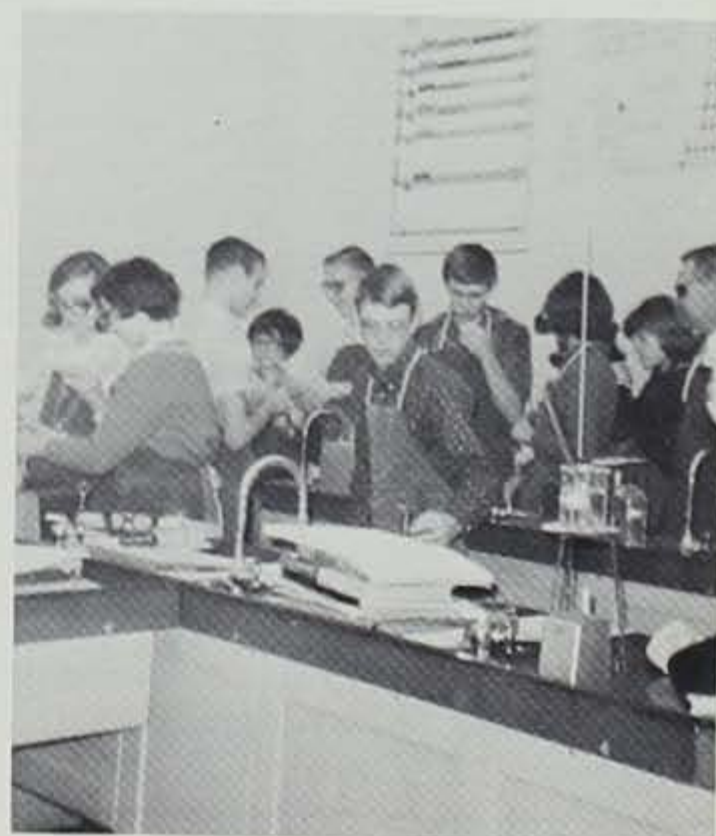

"But I don't like soup!"

"And on my left we have..."

"Don't tell us you are the new Drama Club Sponsor!"

One of our organized chemistry classes!

"How many girls are in this class?"

"Yes, Dr. Einstein."

"There's a fungus amonggus."

Don't cry, you'll improve.

A Blow Hard! ! ! !

Horray ! !

Don't bother to wrap it, I'll take it home with me.

Take it easy. It will only hurt for a minute.

Cute, but what is it?

Do you mind?

Not Leonardo Da Vincis, but...

Aren't we a lively group?

Whew! That was a close one!

No, Hannibal did not say, "Et tu, Brute."

The work we get done in band ! ! !

That crazy Head and Shoulders really works!!

Let me out of here!

Separation of powers.

Nimble fingers we have not, but we try with what we've got.

Sure we're going to play!

Gee, these stick people sure are hard to draw, Mr. Hunter!

Powder Puff Game

The Winners!

"Aw, Murph, don't tell me we have to take showers."

The Losers!

Go team!

Ah-ah-ah, Mr. Hoyt!

Concessions

Oh-oh, here comes the mob!

Are you sure you put salt on?

Now what happened to the money box?

Then Tears

A cap, a gown
A slow march
A warm hand
A crisp paper
A rose
A sigh of relief
Recessional
Then tears
Why?
The world waits
The future calls
Where will you go?
Onward, away
And leave something here.
A part of you
Your friends,
Your joy is here
Was here
Remember?
The laughter fades
The cheers--a game won
A grade made
A party planned
A smile--a song
A scrapbook
Full of memories
Now just memories
A scrap of paper
A faded streamer
A torn program
A treasured letter
Close the book
Turn out the light
These days have passed
Let them go.

The place to bring your
mechanical problems.

Congratulations!

You've successfully achieved another goal. You're ready to begin reaching for future successes. But . . . how do you measure success? Not with a caliper or a yardstick or a stopwatch . . . not by the acre or the ounce or the cubic foot. Success is intangible . . . it is the sum of your personal goals and aspirations, sorted into positions of relative importance.

Whatever you establish as your criteria of success, you will need to exercise self discipline. Ambition alone is not enough . . . even coupled with intelligence and talent. Self discipline is essential to direct your energies and abilities into productive channels . . . to provide you with initiative and perseverance. Develop this quality . . . you will enjoy a more rewarding life, a more successful life.

"Ambition is just the desire to succeed. The world is full of ambitious failures—all desire and no discipline. Self discipline is perhaps the most important quality an intelligent person can develop in order to reach his goals."

From an address by
William A. Hewitt, Chairman, Deere & Company.

Burning the Midnight Oil

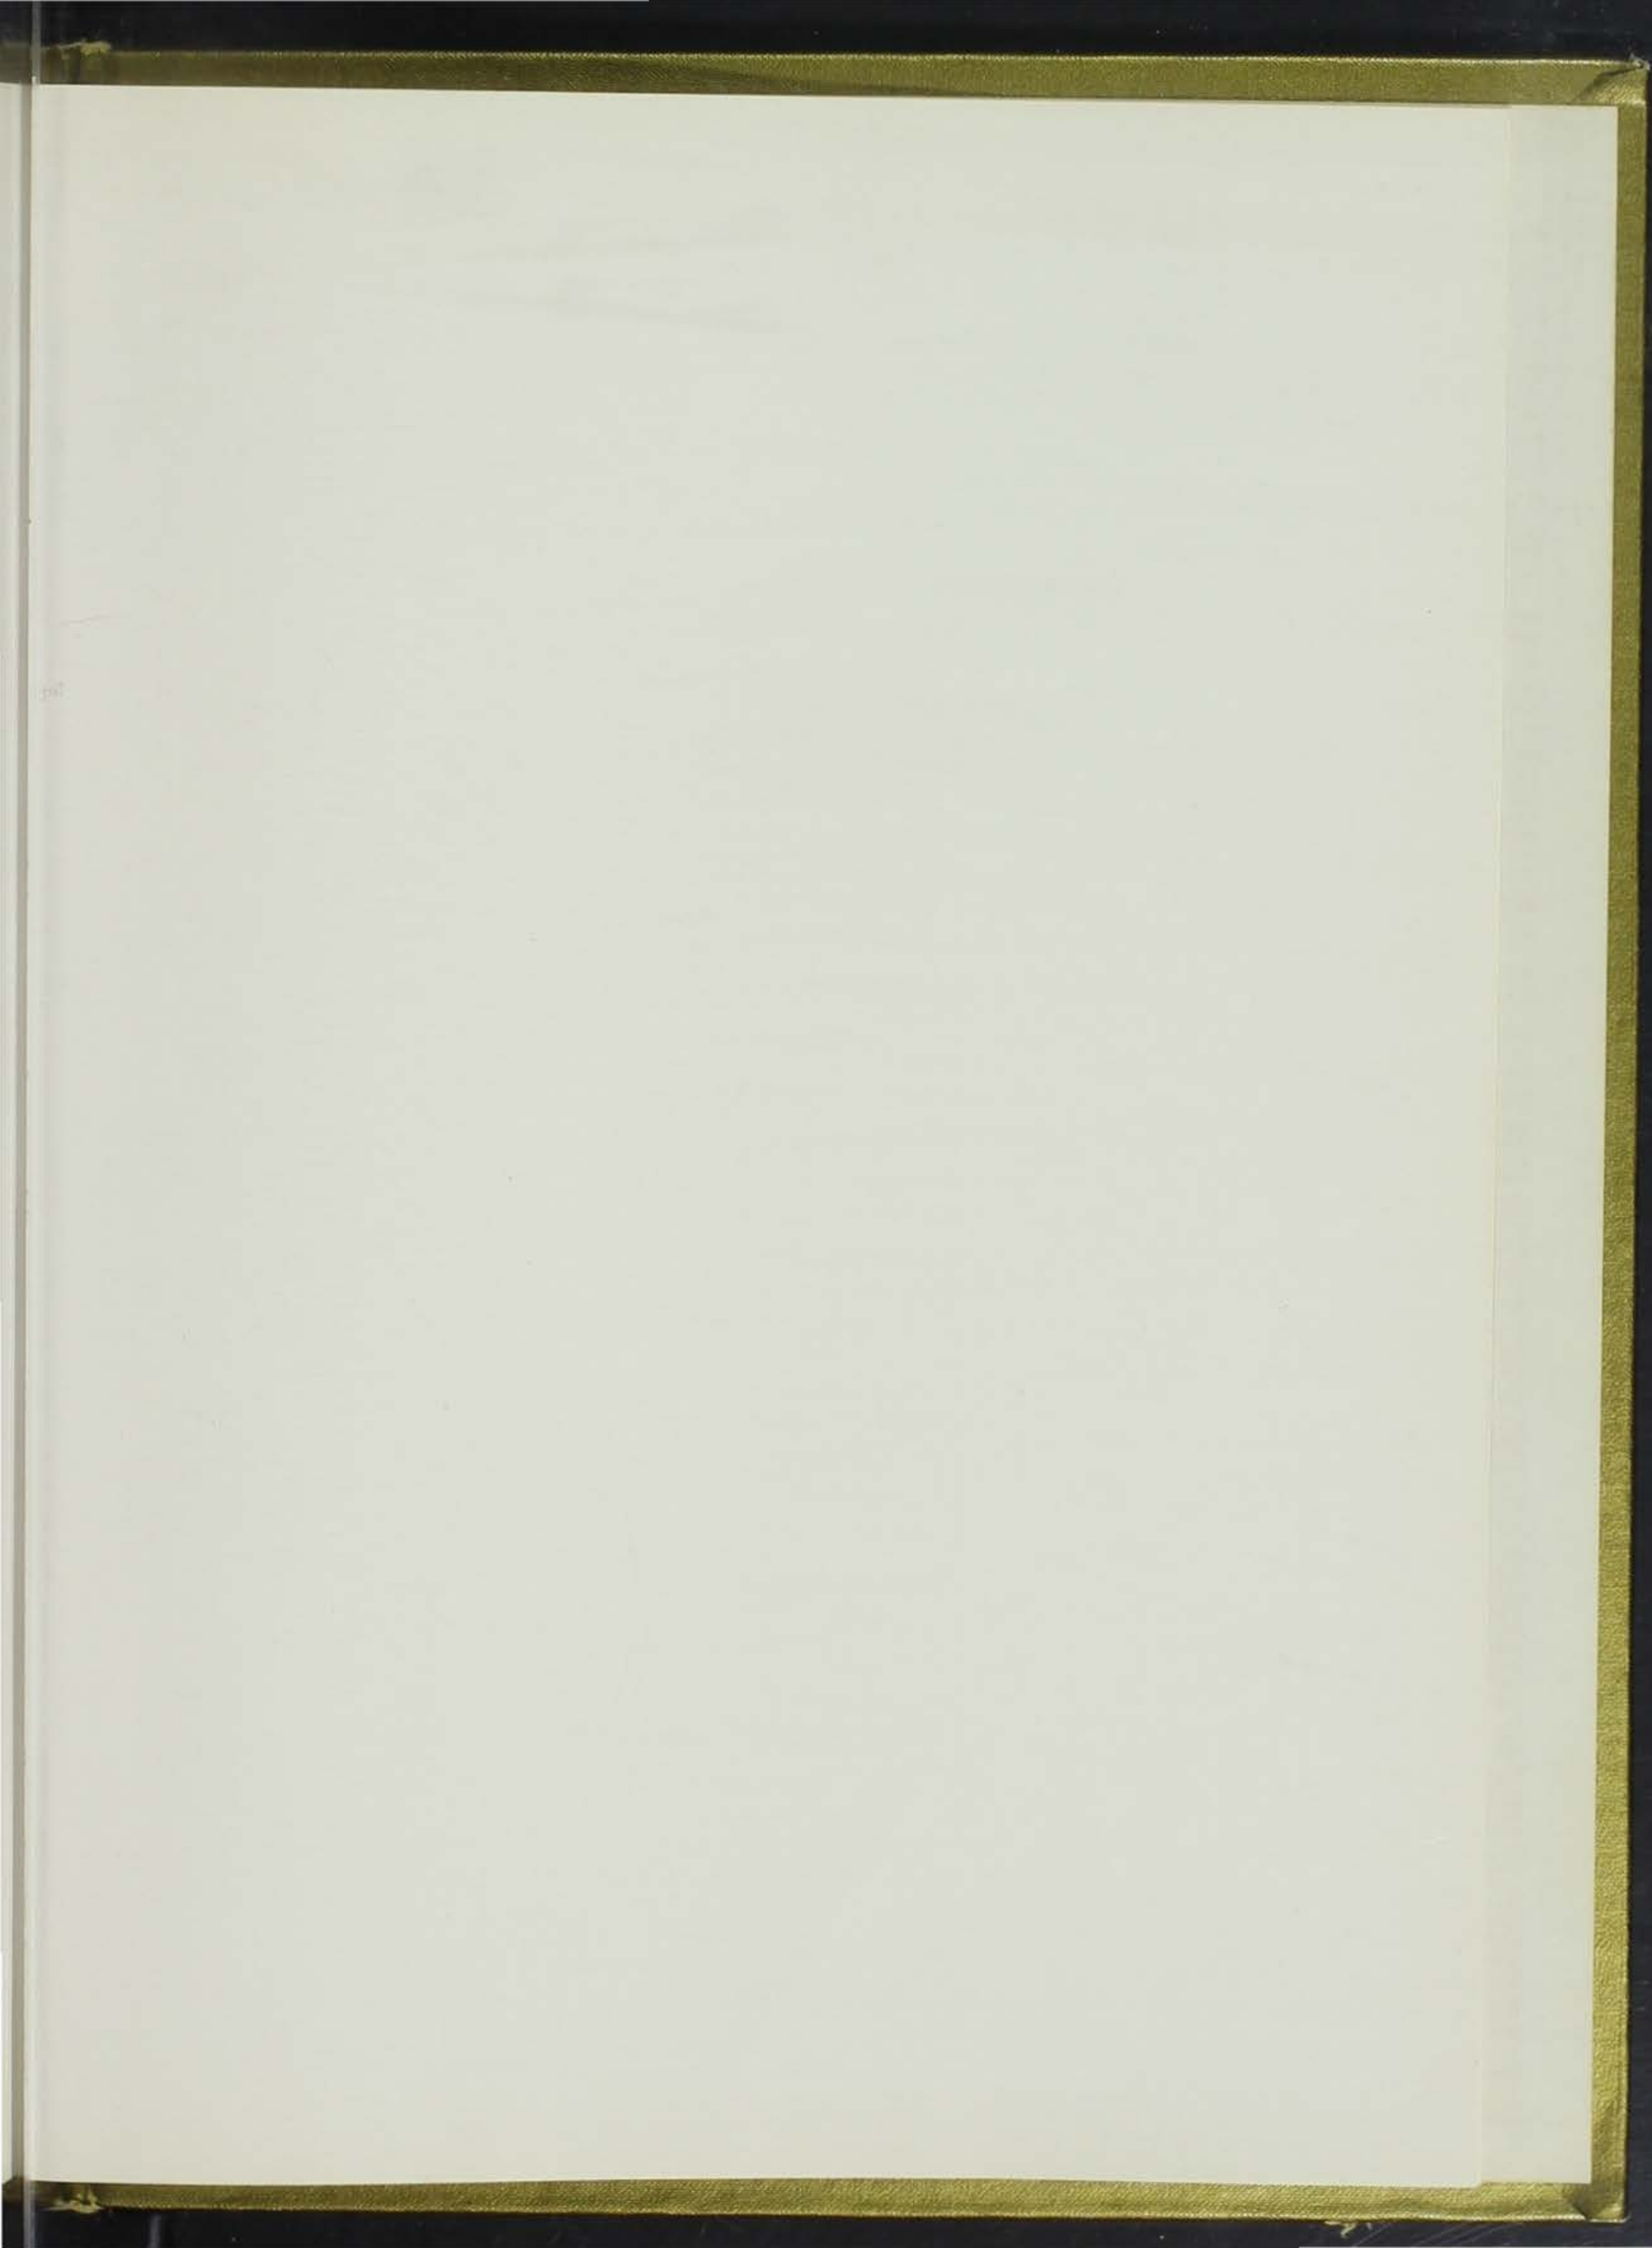

"The Hawk" was ours for many months, but now we give it to you in the hope that it will help you relive some of the joys, disappointments, friendships, and achievements that were shared throughout the year. As you close the pages of this book, you close one of the most important chapters of your life, but the memories will linger on. We would like to thank everyone who helped recapture these moments, but to list them all would be impossible. Sharon Miller wrote the class history; Jan Burchett, Sandi Christofferson, and Pamm Mercer typed; and Cyndy Lammert, Wayne Johnson, Sandy Parsons, and Scherri Husted were our photographers. But most of all, we would like to thank Mr. Hunter for the big part he played in making "The 1967 Hawk" a success.
