J. Victoria Leonard

County Commissioner of Elections (Clerk)

CERTIFICATE OF ELECTION

State of Iowa

DES MOINES

County

At an Election holden in said County on the THIRD day of NOVEMBER
A.D. 19 92, F. C. SANDY HEDGES
was elected to the office of COMMISSIONER - SOIL & WATER CONSERVATION DISTRICT
for the term of SIX years, from the FIRST
day of JANUARY A.D. 19 93, and until his successor is elected and qualified.

Given this NINTH day of NOVEMBER A.D. 19 92

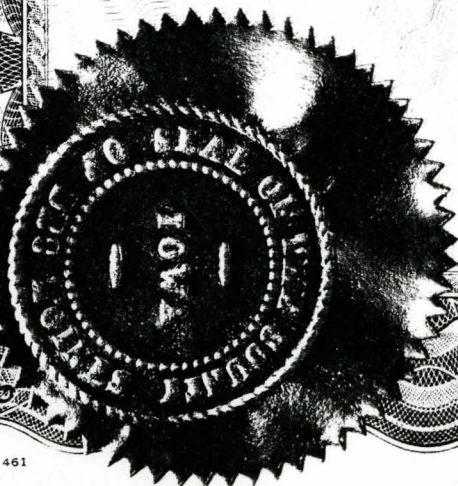

Stephen P. Little

Chairman Board of Canvassers.

Attest:

Victoria Leonard

County Commissioner of Elections (Clerk)

SOIL CONSERVATION DISTRICT COMMISSIONER
ELECTION INFORMATION FOR THE
DES MOINES COUNTY SOIL CONSERVATION DISTRICT

COMMISSIONERS PRESENTLY SERVING:

Six Year Term	<u>Rex Troute</u>
Four Year Term	<u>Henry Dockendorff</u>
Two Year Term	<u>Harold Yohe</u> (Term which expires)

Since the Des Moines County Soil Conservation District election date falls on or after July 1, 1969, it will be necessary to elect enough commissioners to bring the total number of commissioners for the district from three to five.

The Law governing the election of commissioners now states in part: "7. Each district shall, at the next regular biennial election of a commissioner in that district after July 1, 1969, elect three commissioners whose terms shall each begin at the expiration of the term of the commissioner whose successor is to be elected at that election. The commissioner receiving the highest number of votes in such election shall serve a term of six years, the commissioner receiving the second highest number of votes shall serve a term of four years, and the commissioner receiving the third highest number of votes shall serve a term of two years."

After the election is held, the district will have one commissioner serving in the six year term, two commissioners serving in the four year term and two commissioners serving in the two year term. This is due to one commissioner being elected for the six year term, one for the four year term, and one for the two year term plus the two holdover commissioners, including Rex Troute who will serve in the four year term and Henry Dockendorff who will serve in the two year term, after the election, making a total of five commissioners for the district.

The number of commissioners the district will elect in succeeding years will be as follows and these will be for the six year term: 1971 - 2; 1973 - 2; 1975 - 1; 1977 - 2; 1979 - 2; 1981 - 1. This will hold true unless vacancies are created because of resignations or deaths and then the number of commissioners elected in a given year would increase.

The law also states in part: "the district shall consist of five commissioners, elected as provided in section four hundred sixty-seven A, point five (467A.5), who shall be residents of the district and no more than one of whom shall be a resident of any one voting precinct established pursuant to Chapter forty-nine (49) of the Code. No person shall be eligible to the office of commissioner who is a resident of a city or town not subject to the jurisdiction of the district, unless such person owns land in the district outside such city or town. - - - - -".

This is self explanatory in that not more than one commissioner may be a resident of the same voting precinct. However, this does not mean that not more than one candidate may be nominated from the same precinct. In the event more than one candidate is nominated from the same voting precinct, only the candidate receiving the highest number of votes will be eligible to serve as a commissioner and the remaining candidate(s) will be disqualified due to this change in the law.

This section of the law also states that a person who is a resident of a city or town, not subject to the jurisdiction of the district, may not be a commissioner unless the person is a landowner in the district outside the city or town. This means that a person living in a city must be a landowner in the district before being eligible to run for the office of district commissioner and if the person is an operator living in town and does not own land, he is not eligible. However, those operators living on farms within the district are eligible to be commissioners.

The official ballot for the district's election, which will increase the number of commissioners from three to five, will resemble the following example ballot:

STATE SOIL CONSERVATION COMMITTEE OF IOWA

OFFICIAL BALLOT

July 16, 1969

ELECTION OF COMMISSIONERS OF POLK COUNTY

SOIL CONSERVATION DISTRICT

(Vote for Three)

☐

John Doe, Crocker Township

☐

Joe Smith, Washington Township

☐

Sam Jones, Franklin Township

☐

Dudley Hamsinger, Lincoln Township

☐

Elmer Somerville, Douglas Township

☐

Frank Jeffco, Lee Township

If the district is filling a vacancy in addition to electing three new commissioners the ballot would then appear as follows;

STATE SOIL CONSERVATION COMMITTEE OF IOWA

OFFICIAL BALLOT

July 16, 1969

ELECTION OF COMMISSIONERS OF POLK COUNTY

SOIL CONSERVATION DISTRICT

(Vote for Three)

☐

John Doe, Crocker Township

☐

Joe Smith, Washington Township

☐

Sam Jones, Franklin Township

☐

Dudley Hamsingler, Lincoln Township

☐

Elmer Somerville, Douglas Township

☐

Frank Jeffco, Lee Township

FOR COMMISSIONER, POLK COUNTY SOIL CONSERVATION DISTRICT,
FOR UNEXPIRED TERM ENDING (Charter Date)

(Vote for One)

☐

H. W. Dollar, Madison Township

☐

S. E. Bluebonnet, Union Township

☐

I. W. Doe, Four Mile Township

TO: SOIL CONSERVATION DISTRICT COMMISSIONERS

RE: JANUARY MEETING OF DISTRICT COMMISSIONERS

It has come to our attention that a number of districts are not aware of the following provision of House File 54, the act which changed the manner of election of soil conservation district commissioners:

"The commissioners of each soil conservation district shall convene on the first day of January that is not a Sunday or holiday in each odd-numbered year. Those commissioners whose term of office begins on that day shall take the oath of office prescribed by section sixty-three point ten (63.10) of the Code. The commissioners shall then organize by election of a chairman and a vice chairman."

In accordance with this portion of the law, a meeting of commissioners in each district should be held January 3, 1977. At that time commissioners whose terms of office begin on that date must take the oath of office and the district governing body should elect a chairman, vice chairman, treasurer, and secretary.

It should be noted that the Department of Soil Conservation will no longer be issuing certificates to commissioners upon their election. The county commissioner of elections should provide a certificate of election to these individuals. The Department will continue to issue certificates to retiring commissioners, commissioners appointed to fill a vacancy, and assistant commissioners.

Following the January 3rd commissioners meeting, your district clerk should complete the bottom portion of this sheet and return it to the Department of Soil Conservation. The directory of soil conservation district commissioners of Iowa will be revised in January and this information is needed for inclusion. Also, if there are any changes in your district's listing in the directory, please advise this office.

Sincerely yours,

William H. Greiner

RE: Election Results

Two Des Moines County soil conservation district commissioners were elected to six-year terms in the November 1978 general election. Their names, home address, telephone number, and township are as follows:

Douglas L. Cling, Rt. 2, Mediapolis, IA 52637, 319-394-9213, Huron Twp.

James (Sam) Jennison, Rt. 3, Burlington, IA 52601, 319-753-1450, Flint River Twp.

QUESTIONNAIRE FOR IOWA SOIL CONSERVATION BOOK

This form should be used to identify the most important figure in the soil and water conservation movement in your soil conservation district. Each of these questions should be self-explanatory; however, if you have any questions, let us know. Our objective is simply to give recognition to one early Iowa soil conservation leader in each SCD, and events of major importance to the movement in this state.

1. Our most important soil conservation figure has been _____

Walter Eyre

2. He/she is our nominee because (list contributions to soil conservation movement)

See attached sheet.

3. His/her relationship to the district, if any? _____

Secretary, Commissioner and Chairman

4. His/her years of service? 5 years as secretary; 6 years as commissioner,
4 years as chairman.

5. Additional comments? (Use back side of this questionnaire, please.)

6. What was the most significant soil and water conservation event, project, or development in your district? When did it occur? Why was it so important?

See attached sheet

Ray D. Pilling

(Soil Conservation District)

Des Moines County

(date)

January 9, 1980

QUESTIONNAIRE FOR IOWA SOIL CONSERVATION BOOK

2. He/she is our nominee because:

Walter Eyre was instrumental in setting up a referendum to form the district and to elect commissioners. The referendum was held January 26, 1946. He was immediately appointed secretary. He served as secretary to the district through August 31, 1951.

Through the years 1944 to 1951, Walter Eyre was the Extension Director of Des Moines County and in that position he promoted conservation and education in the rural areas of the county. The Soil Conservation District and Extension worked very closely holding tours, field days, demonstrations and soil management programs.

Walter Eyre was elected district soil commissioner in January 1954 and served for six years. He was elected chairman in January 1956 and served four years.

For many years he wrote a news column, "Off the Cob" for the Hawkeye Gazette in Burlington.

Walter Eyre served as agricultural representative in the loan department of Farmers and Merchants Bank of Burlington from September 1951 to July 1967 and was a career underwriter for the Farm Bureau Insurance until his death in 1976.

Walter Eyre graduated from Iowa State University in 1926 and held many public service positions over the years. He was co-chairman of the Community Chest in 1965, chairman in 1966-67, president in 1968, president of the Executive Club, member of the State Advisory Committee of Farmers Home Administration in 1957, member of the Burlington School Board and president in 1968 and a member of the Hawkeye Fair Board. He was the first layman to be elected president of the Burlington Council of Churches.

6. What was the most significant soil and water conservation event, project, or development in your district? When did it occur? Why was it so important?

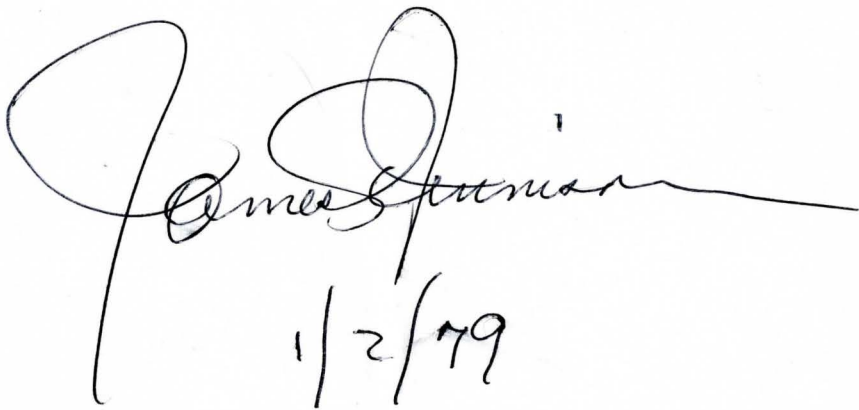

A broad education program carried on by the district in the late 1940's was of major importance to soil conservation in the district. Many field days, demonstrations and tours were held to arouse general interest and promote conservation practices.

The following paragraphs were taken from the district 1948 annual report.

"Probably the major event of the year was a demonstration and field day held on the farms of John Blaul, Kenneth Redfern and Plon Oberman. Here in one day we demonstrated most of the conservation measures that could be shown at that time of year. This included construction of diversions and terraces using four different kinds of equipment, filling gullies and building watercourses with heavy equipment and with regular farm equipment an old bluegrass pasture was prepared for reseeding. Also, demonstrated was the spraying of weeds and shrubs in pasture clearing. A contour plowing contest was held as a part of the day's activities. There were observational plots of various forage plants and areas of pasture renovation, some new and others of various ages to demonstrate the value of improved bluegrass pasture. Although it was necessary to postpone the event a day because of rain, there was an attendance of approximately 4,000 people. This field day was held in cooperation with the Louisa County Soil Conservation District who together with the Burlington Hawk-Eye Gazette were the co-sponsors. Much credit must go to this newspaper, local contractors, equipment dealers, bankers, merchants, Extension Service, Soil Conservation Service and the farm bureau ladies for helping with the arrangements."

"Walter Eyre, County Extension Director, carried on a definite program of showing soil conservation films during the winter and spring months. He used them on perhaps 15 to 20 special programs. After the conservation field day, colored slides of the event were shown to several groups of people."

"I JAMES S. LEWISON, do solemnly swear that I will support the Constituion of the United States and the Constitution of the State of Iowa, and that I will faithfully and impartially, to the best of my ability, discharge all the duties of the office of SOIL CONSERVATION COMMISSIONER (naming it) in (naming the township, city, county, district, or state, as the case may be), as now or hereafter required by law."

Soil Conservation Service
Main and Jefferson
Burlington, Iowa 52601

Dear Sirs,

This is to certify the results of the November 6, 1984 election:
The following gentlemen were running for two positions on the Soil Conservation Commission.

Lyndell Honson received 1,720 votes
Keith B. Renner received 2145 votes
Sherman A. Smith received 2594 votes
William C. Walker received 2060 votes

According to the records, Keith B. Renner and Sherman A. Smith will be the new members of the Soil Conservation Commission.

Sincerely,

Des Moines Co. Auditor
Commissioner of Elections

Iowa Department of Agriculture and Land Stewardship

NOV 16 1992

DALE M. COCHRAN
SECRETARY OF AGRICULTURE

SHIRLEY DANSKIN-WHITE
DEPUTY SECRETARY OF AGRICULTURE

HENRY A. WALLACE BUILDING
DES MOINES, IOWA 50319

(515) 281-6146

TO: Soil and Water Conservation Districts

FROM: James B. Gulliford, Director
Division of Soil Conservation

DATE: November 10, 1992

RE: Election of Officers (SWCD-DO-10-4) &
Appointment of Assistant Commissioners (SWCD-DO-10-5)

Please review the above-referenced sections in your Soil and Water Conservation District Policies and Procedures Manual.

The Iowa Code states: "The commissioners of each soil and water conservation district shall convene on the first day of January that is not a Sunday or a holiday in each odd-numbered year. Those commissioners whose term of office begins on that day shall take the oath of office prescribed by section 63.10. The commissioners shall then organize by election of a chairperson and a vice chairperson." The Division recommends that the commissioners also appoint a treasurer and a secretary at the January meeting, as well as assistant commissioners for the 1993 calendar year. The election of officers and all appointments require a motion and must be recorded in the official district minutes.

Please complete and return the attached information sheet and SWCD Program profile to the Division following the January meeting (no later than January 31).

Elaine Ilvess will assume staff responsibility for commissioner elections, vacancies in the office of commissioner, and appointment of assistant commissioners. When events occur relative to these offices, please contact her with the same information requested on the attached sheet; and she can assist you, if you have questions. A data base is maintained by the Division. In addition, this information is necessary in order for commissioners and assistant commissioners to be eligible to receive reimbursement of expenses.

RESUME OF: SHERMAN A. SMITH, P.E.

Birth: January 17, 1920
Hamburg, Iowa

Family: Wife: Mary Elizabeth - Retired Vocal Music Instructor
(Notre Dame High School)

Children: Sherman U. - Environmental Scientist & Vice President
ENSR, Inc., an Engineering Scientific
& Construction organization in the en-
vironmental field.

Sharon E. - Piano Instructor and Housewife

Gregory A. - Corporate Director of Marketing
Francescon Health Services

Employment: President - Smith Engineering Associates, Inc.
1115 Summer Street
Burlington, Iowa 52601

This is an Engineering-Architectural firm founded in
1951. Clients are primarily in industry and government.

Engineering Registration:

Iowa - 3181	Civil and Architectural Engineer and Land Surveyor
Illinois - 6835	Civil Engineer
Florida - 5586	Civil Engineer

Education:

Iowa State University, Architectural Engineering, 1937-38-39

Professional and Technical
Society Memberships:

National Society of Professional Engineers (P.E.)
American Water Works Association (Life)
American Consulting Engineers Council
American Society of Testing Materials
Iowa Section of American Water Works Association
Iowa Engineering Society (Life)
Consulting Engineers Council of Iowa (Life Member)
Southeast Iowa Chapter of Iowa Engineering Society

Honors:

Past President's Award, American Consulting Engineers Council
for recognition of significant contributions (1976)
Fellow Member of American Consulting Engineers Council (1974)
Anston Marston Award, Iowa Engineering Society for Service
to the Society (1960)
Committee of One Hundred, Consulting Engineer magazine (1973)
Distinguished Engineers, E.J.C. (1974)
Who's Who in America (1978 -)
Distinguished Service Award, Iowa Engineering Society for
Service to the Engineering Profession (1978)

Professional Activities:

American Consulting Engineers Council:

1973-1976 Chairman - Professional Standards Committee
1973-1977 Chairman - Ethical Practices Committee
1974-1976 ANEA Group*

Consulting Engineers Council:

1970-1972 Ethical Practices Council
1968-1970 Research Institutes and State Technical
Services Committee
1964-1966 Chairman NSPE - CEC Study Committee
1958-1963 Office Practices Committee
1957-1961 Member of a number of ad hoc committees
1957-1959 Director of IACE
1958 Arranged and attended first meeting of en-
gineers in Florida prior to organization
of CEC/F
1958 One of incorporators of CEC

National Society of Professional Engineers:

1966-1973 Board of Ethical Review
1971-1972 Chairman of B.E.R.
1963-1965 Ethical Practices Committee

*ANEA - Promoted dialogue between chairmen of the Ethical Practices Committees
of ASCE, NSPE, ECPD, and ACEC: proposed to obtain commonality of
statements concerning ethics. Results: New codes for RCPD, ASCE,
ASPE, and ACEC with much commonality.

Consulting Engineers Council of Iowa:

1973-1989 Chairman - Education and Scholarship
Committee
1968-1973 Education and Scholarship Committee
1970-1971 Chairman - Service Methods and Techniques
Committee
1961-1970 Past President's Steering Committee
1959-1964 Nominating Committee
1958-1963 Chairman - Office Practices Committee
1956-1959 Board of Directors
1956-1958 President - one of original organizers

Iowa Engineering Society:

1968-1970 Chairman - Chapters Committee

IDALS - Division of Soil Conservation

RE: NACD Brochure -- Proud to Serve, Conservation District Board
Members Recruitment Reference Book (SWCD-DO-10-2)

DATE: February 2, 1996

Enclosed is the NACD publication Proud to Serve, Conservation District Board Members Recruitment Reference Book. Every soil and water conservation district experiences the need for recruitment of new district board members when a commissioner moves out of the county and is no longer eligible to serve, dies, resigns, chooses not to run for another term, etc. Page 4 of this booklet addresses that topic and directs district board members to complete the following exercises to assist them in this task.

Proud to Serve contains samples of valuable tools which will make your recruitment efforts easier, while at the same time inform the public about the SWCD mission, goals and objectives, legal authorities, and range of activities. Additional copies of the booklet may be purchased from the NACD Service Center.

As the time draws closer for the 1996 General Election, you will be receiving a letter regarding procedures your district must follow and the deadline for submitting nomination petitions. Please reference SWCD Policies and Procedures Manual Memorandum SWCD-DO-10-2 if you have general questions or call Elaine Ilvess (515/281-6146) at the Division of Soil Conservation.
