4 Agency Officials Discuss Lake Erosion Control

For the first time in local history, officials from four separate governmental agencies met here Tuesday afternoon to review policies on erosion control of artificial lakes. Individual cooperation of each agency, businesses and organizations, have contributed toward present success in erosion control work in the Lake Watershed area. Seated, left to right: Roy Downing of Des

Moines, Superintendent of Lands and Waters Division of State Conservation Commission; Fred McLain of Nevada, chairman of the State ASCS Committee; Harold Andrew of Des Moines, ACP specialist for the State ASCS office; Fred Schneider of Des Moines, state FHA program director; and J. Ross Oliver of Mason City, Area Conservationist for the Soil Conservation Service. Standing, l to r: Chuck Mc-

Carty of Eldora, Work Unit Conservationist for the Soil Conservation Service; Keith Kinion of Mason City, terrace specialist for the U. S. Soil Conservation; Milan Aschrenner of Eldora, Conservation Officer for the State Conservation Commission at Pine Lake State Park; and Everett Pierce of Osceola, erosion control specialist for the State Conservation Commission.
