DECEMBER 15, 1988

TO: Marland Gammon and Dick Stille

Enclosed are materials to help you explain the Golden Hills RC&D to potential District RC&D Board members. Materials include excerpts from the draft version of a handbook we plan to use during the training sessions in January, along with the 1987 Annual Report.

Let me know if you need anything else. I'm looking forward to seeing you on Jan. 9 !
