SOIL CONSERVATION SERVICE

Ames, Iowa
August 31, 1944

Mr. James C. Halasey
District Conservationist
Soil Conservation Service
Eldora, Iowa

Dear Mr. Halasey:

Subject: District Organization, Hardin County

The usual procedure in connection with district organization is for the County Extension Director to submit the request for petition forms and instructions regarding circulation of petitions and so on direct to Mr. Spry, Secretary of the State Soil Conservation Committee. If the County Extension Director desires any help in connection with the educational program, he should write to Mr. Clapp.

Both Mr. Mendell and Mr. King are out of the office, and if they have any different suggestions on this, they will write to you when they return.

Very truly yours,

Rita M. Snyder
Rita M. Snyder
Secretary to Frank H. Mendell
